#### INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statement of financial position of the Little Village Special Service Area #25 Commission as of December 31, 2009, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Commission's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Little Village Special Service Area #25 Commission as of December 31, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The 2009 schedules included in the supplementary information section are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The 2008 supplementary schedule was not audited by us and, accordingly, we express no opinion or other form of assurance on it.

### LITTLE VILLAGE SPECIAL SERVICE AREA #25 COMMISSION NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2009

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Nature of Activities

Little Village Special Service Area #25 Commission (the Commission) is a Special Service Area (SSA) formed in 2004 to create a dynamic public space to attract new businesses and shoppers to strengthen the residential community. The SSA is created by State statute and a City ordinance that allows additional property taxes to be levied to fund added services for a defined area.

#### B. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### C. Cash

For purposes of the statement of cash flows, the Commission considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

The Commission maintains its cash balances at several banks. The bank account balances, at times, exceed federally insured limits. The Commission has not experienced any losses on such accounts.

#### D. Basis of Revenue Recognition

Property taxes are recognized as revenue when received from the City of Chicago.

#### E. Special Service Area Agreement

The Commission entered into an agreement with City of Chicago on January 1, 2004, which expires December 31, 2014, whereby the City established a special service area known and designated as Little Village SSA Commission #25 to provide special services in addition to those normally provided by the City. The Little Village Chamber of Commerce has been designated as the Contractor which services the special service area.

#### F. Income Taxes

The Commission is serviced by the Little Village Chamber of Commerce, which operates as a not-for-profit organization and has received exempt status under Section 501(c)(3) of the Internal Revenue Code.
