INDEPENDENT AUDITORS' REPORT

Board of Directors of Far South CDC - Contractor
Commissioners of Special Service Area #49
Chicago, Illinois

We have audited the accompanying financial statements of Special Service Area # 49 (a taxing district authorized by the City of Chicago), which comprise the statement of net position and governmental funds balance sheet as of December 31, 2016 and 2015, and the related statements of activities and governmental funds, revenues, expenditures and changes in fund balance, and revenues and expenses-budget to actual for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

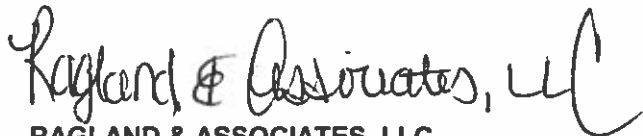

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Special Service Area # 49 as of December 31, 2016 and 2015, and the changes in its net assets and budgetary comparison for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Management has omitted the management' discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information although is not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

SPECIAL SERVICE AREA NUMBER 49

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

ORGANIZATION

Far South CDC, (a contractor for) Special Service Area #49 is a not-for-profit Illinois corporation exempt from income tax under Section 501(c) (3) of the U. S. Internal Revenue Code. The Organization which is located within the boundaries of the City of Chicago serves as coordinator and executor of comprehensive plans designed to improve the community business district outlined for the SSA through programs which improve the economic development, aesthetics, marketing and special events for the business district.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

1. REPORTING ENTITY

Special Service Area 49 (SSA # 49) provides services on behalf of the City of Chicago (City) within a specified geographic area. These services include promotional and advertising, maintenance of the public way, safety, and other functions. The SSA is exempt from federal income tax under Section 501(c)(3) of the internal revenue code.

2. GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The financial statements of SSA #49 have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units, hereinafter referred to as GAAP (generally accepted accounting principles). The accepted standard-setting body for establishing governmental accounting and financial reporting principles is GASB (the Governmental Accounting Standards Board).

Government-Wide financial statements (statement of net position and statement of activities) are prepared using the economic resources measurement focus and the accrual basis of accounting for all of the SSA's activities. The Fund Financial Statements, which focus on the SSA's governmental funds current financial resources measurement focus, are prepared on the modified accrual basis.

The SSA accounts for its activities in on fund, its general fund.

3. MEASUREMENT FOCUS, BASIS OF ACCOUNTING AND FINANCIAL STATEMENT PRESENTATION

The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year in which they are levied.

The governmental fund financial statements are prepared on the modified accrual basis of accounting with only current assets and liabilities are included on the balance sheet. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collected within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Comparative Financial Statements

Comparative financial statements were presented in full. Prior year amounts were taken from the 2015 audit report, reissued in Governmental funds financial statements at December 9, 2016, with an unmodified opinion.

3. ASSETS, LIABILITIES, AND INVESTMENTS

A. CASH, CASH EQUIVALENTS, AND INVESTMENTS

The SSA's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. The City of Chicago requires Far South CDC to hold SSA 49 money in a separate account and cannot be comingled with Far South CDC's other operations. The Organization has no investments as of December 31, 2016 and 2015.

B. RECEIVABLES

All property tax receivables are shown net of allowances. As of December 31, 2016 and 2015, the allowance is estimated to be 1.3% of the outstanding property taxes. The allowance for uncollectible property taxes were \$8,111 and \$7,093, respectively. Property taxes receivable and deferred revenue are the same amount, as they are future cash receipts that will be collected in the subsequent year.

| | <u>2016</u> | <u>2015</u> |
|---|-------------------|-------------------|
| Property Taxes Receivable | \$ 503,651 | \$ 449,047 |
| Less: Allowance for Uncollectible Taxes | (6,547) | (6,000) |
| Equals Net Property Taxes Receivables | <u>\$ 497,104</u> | <u>\$ 443,047</u> |

C. PREPAID ITEMS

The SSA had no prepaid items as of December 31, 2016 and 2015, respectively.

D. FUND EQUITY/NET POSITION

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, or unassigned. Nonspendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by enabling legislation or an outside party. Committed fund balance is a limitation imposed by the SSA board through approval of resolutions. Assigned fund balances is a limitation imposed by a designee of the SSA board. Unassigned fund balance is the net resources in excess of what can be properly classified in one of the above four (4) categories.

When both restricted and unrestricted fund balances are available for use, it is the SSA's policy to use restricted fund balance first, then unrestricted fund balance. Furthermore, committed fund balance is reduced first, followed by assigned amounts, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

For the government-wide financial statements, net position is reported as invested in capital assets net of related debt, restricted or unrestricted. Invested in capital assets, net of related debt, if applicable, is comprised of the net capital asset balance less any related debt. Restricted net position is when restrictions are placed on net asset from 1) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or 2) imposed by law through constitutional provisions or enabling legislation. The remaining net position is classified as unrestricted.

4. CASH, CASH EQUIVALENTS AND INVESTMENTS

The Organization maintains its cash in a bank deposit account at Harris Bank, which at times, may exceed the FDIC federally insured limits. The SSA has not experienced any losses in such accounts. The Organization believes that the SSA is not exposed to any significant credit risk in cash.

5. PROPERTY TAXES

Property taxes become an enforceable lien on real property on January 1st of the year it is levied. Taxes are payable in (2) two installments in the subsequent year. The first installment is an estimate based on the prior year billed levy (55%) and is due in March. The second installment is due August 1st. or 30 days from the mailing of the tax bills if issued later than July 1st. The second installment is based on the remaining amount of the levy on file with the County. Bills are issued and collected by Cook County who remits the SSA's share to the City, who then remits the monies to the SSA.

6. RELATED PARTY TRANSACTIONS

The SSA is affiliated with Far South CDC, which provides certain administrative services for the SSA. As of December 31, 2016 and 2015 \$0 and \$0 was payable for services provided. The balance resulted from the time lag that 1) goods and services are being provided or reimbursable expenditures occur, 2) transactions are recorded in the accounting system and 3) payments are being made.

SUPPLEMENTAL INFORMATION

SPECIAL SERVICE AREA #49
SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2016

Far South CDC/Special Service Area # 49 did not have any audit findings noted for the year ended December 31, 2015.

SPECIAL SERVICE AREA #49
SCHEDULE OF CURRENT YEAR AUDIT FINDINGS
YEAR ENDED DECEMBER 31, 2016

As part of our audit and request by the Special Service Area Annual Audited Financial Statement Guidelines prepared by the City of Chicago Department of Housing and Economic Development dated June 2013, we have read the requirements contained in the Agreement for Special Service Area # 49 between the City of Chicago and Far South CDC.

Per Article 5.03, the Contractor established a separate bank account in Chicago, Illinois. All service tax funds were automatically deposited into this bank account.

We noted certain expenditures for which actual expenses exceeded budgeted amounts.

Based on our understanding of the agreement and the facts surrounding the performance under the agreement, we noted no significant findings. Many of the contractual items that were included in the agreement dealt with non-accounting and non-financial matters of which we had no knowledge.
