C. Definitions. The following terms on the Statement are marked with an asterisk because they have specially defined meanings:

1. City contractor* means any person (including his agents or employees acting within the scope of their employment) who is paid from the City treasury or pursuant to City ordinance, for services to any City agency, regardless of the nature of the relationship of such individual to the City for purposes other than this chapter A "city contractor" shall not include officials and employees.

2. Doing Business* means any one or any combination of sales, purchases, leases, or contracts to, from, or with the City or any City agency in an amount in excess of \$10,000 in any twelve consecutive months.

3. Domestic Partner* means a "qualified domestic partner" as defined in section 2-152-072 of the Municipal Code of Chicago.

4. Financial Interest* means an interest held by an official or employee that is valued or capable of valuation in monetary terms with a current value of more than \$1,000.00, provided that such interest shall not include: (1) the authorized compensation paid to an official or employee for any office or employment; or (2) a time or demand deposit in a financial institution; or (3) an endowment or insurance policy or annuity contract purchased from an insurance company; or (4) any ownership through purchase at fair market value or inheritance of the shares of a mutual fund corporation, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; or (5) any ownership through purchase at fair market value or inheritance of not more than one-half of one percent of the outstanding common stock of the shares of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended.

5. Gift* means anything of value given without fair-market consideration.

6. Person* refers to any individual, entity, corporation, partnership, firm, association, union, trust, estate, as well as any parent or subsidiary of any of the foregoing, whether or not operated for profit.

7. Professional Services* means services in any occupation requiring advanced or specialized education and training, including without limitation law, accounting, insurance, real estate, engineering, medicine, architecture, dentistry, banking, finance, public relations, education or consulting.

8. Relative* means a person who is related to an official, candidate for city office, or employee as spouse or as any of the following, whether by blood or by adoption: parent, child, brother or sister, aunt or uncle, niece or nephew, grandparent, grandchild, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather or stepmother, stepson or stepdaughter, stepbrother or stepsister, half-brother or half-sister.

D. Answering Question 2. Question 2 asks whether, in the previous year, you served as an employee, officer, director, associate, partner, proprietor or in any advisory capacity for **any** business or organization **other than the City of Chicago**, from which you derived more than \$1,000 in income. This means you must list any position you may have had in the previous year from which you derived more than \$1,000 in income or compensation, *even if you had no position with the City in the previous year*. For many appointed officials, this will mean their primary job. Therefore, answer “no” *only* if you were *not* employed by or had no position with *any* person other than the City of Chicago in the previous year, or did not derive more than \$1,000 in income or compensation from any such employer, etc. in the previous calendar year. *Example:* John Smith was employed full-time by ABC, Inc. in 2016, and received \$70,000 in compensation from it in 2016. He did not become a City employee or official until February 2017. On Question 2 on his 2017 form, he must still disclose ABC, Inc. and categorize his 2016 income from it.
