#### **Independent Auditor's Report**

Board of Directors Lincoln Park Chamber of Commerce, Inc. Special Service Area #23 Special Service Area #35 Chicago, Illinois

#### Report on the Combining and Combined Financial Statements

We have audited the accompanying combining and combined financial statements of Lincoln Park Chamber of Commerce, Inc. (LPCC), Special Service Area #23 (A Taxing District Authorized by the City of Chicago) (SSA #23) and Special Service Area #35 (A Taxing District Authorized by the City of Chicago) (SSA #35), which comprise the combining statement of financial position as of December 31, 2019 and 2018 and the related combining statements of activities and changes in net assets, cash flows, statement of net position and governmental funds balance sheet (SSA #23 and SSA #35) and statement of activities and governmental funds, revenues, expenditures and changes in fund balance (SSA #23 and SSA #35) for the years then ended and the related notes to the combining and combined financial statements.

#### Management's Responsibility for the Combining and Combined Financial Statements

Management is responsible for the preparation and fair presentation of the combining and combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of combining and combined financial statements that are free from material misstatement.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these combining and combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combining and combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combining and combined financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the combining and combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the combining and combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combining and combining and combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the combining and combined financial statements referred to above present fairly, in all material respects, the combining financial position of Lincoln Park Chamber of Commerce, Inc., Special Service Area #23 (A Taxing District Authorized by the City of Chicago) and Special Service Area #35 (A Taxing District Authorized by the City of Chicago) as of December 31, 2019 and 2018 and the combining changes in their net assets and their cash flows, net position and governmental funds balance sheet (SSA #23 and SSA #35) and activities and governmental funds, revenues, expenditures and changes in fund balance (SSA #23 and SSA #35) for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Other Matters**

#### **Required Supplementary Information**

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements of SSA #23 and SSA #35. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historic context. Our opinion on the basic financial statements is not affected by the missing information.

In connection with our audits, nothing came to our attention and caused us to believe that SSA #23 and SSA #35 failed to comply with the terms, covenants, provisions or conditions of the Agreement for Special Service Area #23 and the Agreement for Special Service Area #35 between the City of Chicago and Lincoln Park Chamber of Commerce, Inc., insofar as they relate to accounting matters. However, our audits were not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding SSA #23's and SSA #35's noncompliance with the above-referenced terms, covenants, provisions or conditions of the Agreements, insofar as they relate to accounting matters.

#### **Restricted Use Relating to the Other Matter**

The communication related to compliance with the aforementioned Agreements described in the Required Supplementary Information paragraph is intended solely for the information and use of the Boards of Directors and management of LPCC, SSA #23, SSA #35 and the City of Chicago and is not intended to be and should not be used by anyone other than these specified parties.

#### **Report on Supplementary Information**

Our audits were conducted for the purpose of forming an opinion on the combining and combined financial statements as a whole. The supplementary information included on pages 23 through 31 is presented for purposes of additional analysis and is not a required part of the combining and combined financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the combining and combined financial statements. The information, except for the budget information included on pages 23 through 26 and 28 through 30, which is unaudited, has been subjected to the auditing procedures applied in the audits of the combining and combined financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combining and combined financial statements or to the combining and combined financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the combining and combined financial statements as a whole. The unaudited information referred to above has not been subjected to the auditing procedures applied in the audits of the combining and combined financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

#### NOTES TO COMBINING AND COMBINED FINANCIAL STATEMENTS

### 1. Summary of significant accounting policies

#### **Organization:**

The Lincoln Park Chamber of Commerce, Inc. (LPCC) was founded in 1947 to conceive, design and implement programs and services that directly impact the success of its members; to act as a members' advocate and lead economic development efforts that sustain businesses in the Lincoln Park area of Chicago, Illinois.

Special Service Area #23 (SSA #23) and Special Service Area #35 (SSA #35) are taxing districts authorized by the City of Chicago to utilize tax revenues to enhance, beautify and maintain certain commercial areas within the specific boundaries serviced by LPCC. SSA #23 and SSA #35 are each governed by their respective Commissions whose members are appointed by the Mayor of Chicago. Tax revenues received by SSA #23 and SSA #35 must be maintained in separate cash accounts.

SSA #23 encompasses the area on Clark St. from Armitage to Diversey and the south side of Diversey Parkway from Lakeview to Orchard Ave.

SSA #35 encompasses the area on Lincoln Ave. from Diversey Parkway to Webster Avenue.

#### Tax status:

LPCC is exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code, except on net income derived from unrelated business activities. LPCC sells advertising, which is subject to tax on unrelated business income.

SSA #23 and SSA #35 are exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

#### **Basis of accounting:**

The combining and combined financial statements have been prepared on the accrual basis of accounting.

### NOTES TO COMBINING AND COMBINED FINANCIAL STATEMENTS (CONTINUED)

### **1.** Summary of significant accounting policies (continued)

#### **Principles of combination:**

The combining and combined financial statements include the accounts of the Lincoln Park Chamber of Commerce, Inc., Special Service Area #23 and Special Service Area #35. The administration of SSA #23 and SSA #35 are an integral part of LPCC's operations. All material inter-entity accounts and transactions have been eliminated in the combination.

#### **Basis of presentation:**

LPCC's net assets are classified into two classes: net assets without donor restrictions and net assets with donor restrictions according to the existence or absence of donor-imposed restrictions. Net assets without donor restrictions are not subject to donor-imposed restrictions. Net assets with donor restrictions are subject to donor-imposed restrictions that either expire by passage of time, can be fulfilled and removed by actions of LPCC or must be maintained permanently by LPCC. There were no net assets with donor restrictions by LPCC at December 31, 2019 and 2018.

#### Government-wide and fund financial statements – Special Service Areas:

The financial statements of SSA #23 and SSA #35 have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units, hereinafter referred to as GAAP (generally accepted accounting principles). The accepted standard-setting body for establishing governmental accounting and financial reporting principles is GASB (the Governmental Accounting Standards Board).

Government-wide financial statements (statement of net position and statement of activities) are prepared using the economic resources measurement focus and the accrual basis of accounting for all of the SSA's activities. The fund financial statements, which focuses on the SSA's governmental funds current financial resources measurement focus, are prepared on the modified accrual basis.

The SSA accounts for its activities in one fund, its general fund.

#### NOTES TO COMBINING AND COMBINED FINANCIAL STATEMENTS (CONTINUED)

### **1.** Summary of significant accounting policies (continued)

#### Measurement focus, basis of accounting and financial statement presentation – SSA's:

The government-wide financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year in which they are levied.

The governmental fund financial statements are prepared on the modified accrual basis of accounting with only current assets and liabilities included on the balance sheet. Under the modified accrual basis of accounting, revenues are recorded when susceptible to accrual, i.e., both measurable and available to finance expenditures of the current period. Available means collected within the current period or soon enough thereafter to be used to pay liabilities of the current period. Property taxes are susceptible to accrual and recognized as a receivable in the year levied. Revenue recognition is deferred unless the taxes are received within 60 days subsequent to year-end. Expenditures are recorded when the liability is incurred.

#### Cash equivalents:

Cash equivalents include investments with maturities of three months or less at date of purchase and various money market mutual funds.

#### Trade accounts receivable:

Trade accounts receivable are stated at the amount management expects to collect from outstanding balances. Based on management's assessment of the credit history with customers and others having outstanding balances and current relationships with them, it has concluded that realization losses on balances outstanding at year-end will be immaterial.

#### **Property tax receivable:**

All property tax receivables are shown net of allowances. For SSA #23, the allowance is estimated to be approximately 2% of outstanding property tax receivables for the years ended December 31, 2019 and 2018. For SSA #35, the allowance is estimated to be approximately 1% of outstanding property tax receivables for each year ended December 31, 2019 and 2018.

### **1.** Summary of significant accounting policies (continued)

#### Property and equipment and related depreciation:

Property and equipment are stated at cost. LPCC provides for depreciation using the straight-line method over the estimated useful lives of the assets.

#### Fund equity/net position – Special Service Areas:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned or unassigned. Nonspendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by enabling legislation or an outside party. Committed fund balance is a limitation imposed by the SSA board through approval of resolutions. Assigned fund balance is a limitation imposed by a designee of the SSA board. Unassigned fund balance is the net resources in excess of what can be properly classified in one of the above four categories.

When both restricted and unrestricted fund balances are available for use, it is the SSA's policy to use restricted fund balance first, then unrestricted fund balance. Furthermore, committed fund balance is reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of those unrestricted fund balance classifications can be used.

For the government-wide financial statements, net position is reported as invested in capital assets net of related debt, restricted or unrestricted. Invested in capital assets, net of related debt, if applicable, is comprised of the net capital asset balance less any related debt. Restricted net position is when restrictions are placed on net assets from 1) externally imposed by creditors, grantors, contributors or laws or regulations of other governments or 2) imposed by law through constitutional provisions or enabling legislation. The remaining net position is classified as unrestricted.

#### **Revenue recognition:**

LPCC receives membership dues applicable to one-year membership periods. Income from membership dues are deferred until earned.

LPCC also receives advertising revenue in advance. Prepaid advertising revenue is deferred until earned.

Deferred revenue totaled \$74,680 and \$65,277 at December 31, 2019 and 2018, respectively.

### NOTES TO COMBINING AND COMBINED FINANCIAL STATEMENTS (CONTINUED)

### 1. Summary of significant accounting policies (continued)

#### Functional allocation of expenses:

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, depreciation, insurance, occupancy, and various administrative expenses which are allocated on the basis of estimates of time and effort.

#### Investments:

Investments are stated at fair value. Realized and unrealized investment gains and losses and other net investment income are reflected in the combining and combined statement of activities and changes in net assets as changes in unrestricted net assets (See Note 6).

#### Use of estimates:

The preparation of the combining and combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### 2. Property taxes – Special Service Areas

Property taxes become an enforceable lien on real property on January 1 of the year it is levied. Taxes are payable in two installments in the subsequent year. The first installment is an estimate based on the prior year billed levy (55%) and is due in March. The second installment is due on August 1 or 30 days after the mailing of the tax bills if issued later than July 1. The second installment is based on the remaining amount of the levy on file with the County. Bills are issued and collected by Cook County who remits the SSA's share to the city who then remits the monies to the SSA.

### NOTES TO COMBINING AND COMBINED FINANCIAL STATEMENTS (CONTINUED)

### 3. Revenue recognition

In May 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (*Topic 606*). This ASU, as amended, provides comprehensive guidance on the recognition of revenue from customers arising from the transfer of goods and services, guidance on accounting for certain contract costs, and new disclosures. The new standard supersedes current revenue recognition requirements in FASB Accounting Standards Codification (ASC) Topic 605, *Revenue Recognition*, and most industry-specific guidance. When adopted, the amendments in the ASU must be applied using one of two retrospective methods.

The Organization adopted the requirements of the new guidance as of January 1, 2019, utilizing the modified retrospective method of transition. The Company applied the new guidance using the practical expedient provided in Topic 606 that allows the guidance to be applied only to contracts that were not complete as of January 1, 2019. There were no changes to previously reported retained earnings to reflect the effect of the new guidance.

#### Disaggregation and significant judgments:

Membership agreements provide the Organization's members with membership benefits during a one-year contract term. The usage of such benefits is estimated to be evenly applied throughout the contract term. The Organization recognized membership dues revenues for financial reporting purposes over time. This method is used because management considers time to be the best available measure of progress on contracts. The Organization also receives advertising revenues, which are recognized at the "point in time" when the services are provided.

#### **Performance obligations:**

Payment for membership dues is due at the start of the contract term. Billed amounts related to future periods are deferred until the expiration of such periods. The remaining performance obligations represent future periods of existing contract terms and are expected to be recognized as revenue within one year.

LPCC, SSA #23, and SSA #35 manages available cash to meet general expenditures following these principles:

- Meet operating needs and contractual commitments
- Maintain adequate liquid assets
- Maximize investment opportunities
- Maintain sufficient reserves to fund operating spending

The sources of liquidity available are cash, investments, accounts and property tax receivables. Management monitors the bank account and budgeted spending to maintain the reserve.

#### SUMMARY OF AUDIT FINDINGS

#### YEAR ENDED DECEMBER 31, 2019

### Summary schedule of findings

As part of our audit and request by the Special Service Area Annual Audited Financial Statement Guidelines prepared by the City of Chicago Department of Planning and Development, we have read the requirements contained in the Agreement for Special Service Area #23 between the City of Chicago and Lincoln Park Chamber of Commerce, Inc.

Per Article 5.03, the Contractor (SSA #23) established a separate checking account at Byline Bank in Chicago, Illinois. All Service Tax Funds were automatically deposited into this checking account. The Contractor did not commingle Service Tax Funds with funds from any other source.

Based on our understanding of the agreement and the facts surrounding the performance under the agreement, we noted no exceptions. Many contractual items were included in the agreement which dealt with non-accounting and non-financial matters of which we had no knowledge.

#### SUMMARY OF AUDIT FINDINGS

#### YEAR ENDED DECEMBER 31, 2019

### Summary schedule of findings

As part of our audit and request by the Special Service Area Annual Audited Financial Statement Guidelines prepared by the City of Chicago Department of Planning and Development, we have read the requirements contained in the Agreement for Special Service Area #35 between the City of Chicago and Lincoln Park Chamber of Commerce, Inc.

Per Article 5.03, the Contractor (SSA #35) established a separate checking account at First Midwest Bank in Chicago, Illinois. All Service Tax Funds were automatically deposited into this checking account. The Contractor did not commingle Service Tax Funds with funds from any other source.

Based on our understanding of the agreement and the facts surrounding the performance under the agreement, we noted no exceptions. Many contractual items were included in the agreement which dealt with non-accounting and non-financial matters of which we had no knowledge.
