INFORMATION REGARDING VETERANS, CHICAGO PUBLIC SCHOOLS, AND
LINE OF DUTY PREFERENCES

1. What are the Veterans, Chicago Public Schools, and Line of Duty Preferences?

   a. For information about the Veterans and Line of Duty Preferences, please refer to http://www.cityofchicago.org/content/dam/city/depts/dhr/supp_info/APPLICANT_PREFE RNCE_1.pdf The Chicago Public Schools Preference is similar to the Veterans Preference and is available to applicants who graduated from a Chicago Public High School.

   b. When setting up your application profile, you will be asked if you qualify for any of these preferences. If you believe that you do, make sure you answer “yes” to the applicable question. Please remember, however, that in order to actually receive a preference, you must also provide the required documentation. Preferences will not be applied without the required documentation.

2. To qualify for the Veterans Preference, you must provide one of the following:

   a. A letter from your Commanding Officer on official stationery verifying the applicant’s active duty and length of service in the Armed Forces of the United States. This letter should also include a copy of the applicant’s Military ID; OR

   b. A DD214 for Veteran Status. The copy must include discharge status, which is traditionally known as the Member Copy 4.

      i. If a copy of the DD214 can’t be obtained, then a letter from the U.S. Veterans Administration on official stationery indicating dates of service and character of service can be accepted in lieu of the DD214.

      ii. If you lost your DD214, you should contact the U.S. Department of Veterans Affairs at http://www.va.gov or (800) 827-1000.

3. To qualify for the Chicago Public Schools’ (“CPS”) Preference, you must provide one of the following:

   a. A copy of your diploma from a Chicago Public High School; OR

   b. A copy of your transcript from a Chicago Public High School verifying that you graduated.

5. How do I provide the required documents for the Veterans and CPS Preferences?

a. The quickest and easiest way to submit the required documents is to scan them, log into your online application account, and upload them into your account. You can access your account at www.cityofchicago.org/PoliceApplication.

b. You may also provide documents via email, US Mail, or in person.

   i. You can email documents to police-application@cityofchicago.org, and you should keep a copy of the email you sent, making sure that it has the date and time stamp showing when you sent it.

   ii. For U.S. Mail, we STRONGLY recommend that you use either certified mail or delivery confirmation.

      1. If you choose to send documents via regular mail, you run the risk that the documents will be lost, and there will be no way for you to prove that you sent the documents. Without such proof, we cannot consider the documents received.

   iii. If you wish to bring documents in person, you must come to Room 100 in City Hall, and a receipt will be provided to you.

c. We advise providing the documents as soon as possible. The sooner they are in our system, the sooner we can apply the preferences.

   i. These documents can be added to your account at any time. There is no cutoff date for the submission of documents showing eligibility for Veterans or CPS Preferences. However, the later you get them into our system, the later those preferences may become available to you.

d. Some applicants will become eligible for a preference at a later time. For example, you may be a senior at a Chicago Public High School when the eligibility list is generated and thus ineligible for the CPS Preference at that time. However, upon graduation in the spring of 2016, you will qualify for the preference but must change your answer to the question about preferences in your profile and provide the required documentation to receive it. We advise updating your application as quickly as possible. As stated above, the later we receive the documents, the later the preference will be available to you.

   i. Please remember to update your answer to the preferences question in your profile AND provide the required documentation. If one of these steps is not followed, you will not receive the preference.
