ARTICLE I. PREAMBLE

THIS AGREEMENT is entered into by and between the CITY OF CHICAGO, an Illinois Municipal Corporation, hereinafter referred to as the "Employer", and the CHICAGO FIRE FIGHTERS UNION, LOCAL NO. 2 of the INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS, AFL-CIO-CLC, hereinafter referred to as the "Union".

It is the purpose of this Agreement to achieve and maintain harmonious relations between the Employer and the Union, to establish proper standards of wages, hours and other terms and conditions of employment, and to provide for equitable and peaceful adjustment of differences over the interpretation and application of this Agreement, and to promote intra-departmental efficiency and effectiveness.

ARTICLE II. RECOGNITION

The Employer hereby recognizes the Union as the sole and exclusive bargaining agent for the following employees, for the purpose of collective bargaining and establishing and administering a labor contract covering wages, rates of pay, hours of labor and all other terms and conditions of employment:

All full time uniformed members of the Chicago Fire Department below the ranks of Deputy District Chief and Assistant Deputy Chief Paramedics, excluding employees as specified in Appendix A. Such confidential employees shall be granted leaves from their bargaining unit assignments for the duration of their assignment as confidential employees, but shall be allowed to return to the bargaining unit after the termination of their assignment as confidential employees.

ARTICLE III. UNION SECURITY

Section 3.1 - Maintenance of Membership and Payroll Deductions

A. Each employee who on the effective date of this Agreement is a member of the Union, and each employee who becomes a member after that date, shall, as a condition of employment, maintain his/her membership in the Union during the term of this Agreement by the timely payment of uniform membership fees, dues and other financial obligations.

B. During the term of this Agreement the Employer agrees to deduct each pay day Union dues and other financial obligations in the amount certified to be current by the Secretary-Treasurer of the Union from the pay of the employees who are members of the Union covered by this Agreement who individually request in writing that such deductions be made. The total amount of the deductions shall be remitted to the Union no later than thirty-five (35) days after the deduction is made by the Employer.

Authorization for such deduction shall be irrevocable unless revoked by written notice to the Employer and to the Union during the thirty (30) days prior to the expiration date of this Agreement.

C. Should any employee covered by this Agreement, who is a member of the Union, become in arrears in his dues or other financial obligations to the Union, the Secretary-Treasurer of the Union shall so notify the Employer and the Employer shall immediately commence to treat any such employee as a fair share fee payer in accordance with Section 3.2.

D. Effective upon the later of the first full pay period following the date of final ratification of this Agreement or July 1, 2014, the Employer agrees to deduct from the pay of each employee the amount of two dollars (\$2.00) each payday upon the employee's written authorization, a copy of which authorization form shall be furnished by the Union. Within thirty-five (35) days after the deduction is made by the Employer, the Employer shall remit the total amount of the deductions to the Chicago Fire Fighters Union Political Committee in care of the Union's Secretary-Treasurer.

Section 3.2 - Fair Share Fee and Payroll Deductions

Any present employee who is not a member of the Union and all employees hired on or after the effective date of this Agreement and who have not made application for membership shall, commencing thirty (30) days after their employment or the effective date of this Agreement, whichever is later, and continuing during the term of this Agreement, and so long as they remain non-members of the Union, pay to the Union each month their fair share of the cost of the collective bargaining process and contract administration and pursuing matters affecting wages, hours and conditions of employment.

It is further agreed that upon compliance by the Union with requirements set forth in the paragraph below, the Employer shall deduct from the earnings of present employees and newly-hired employees not members of the Union, a monthly amount as certified by the Union and shall remit such deductions to the Union at the same time that the dues check-off is remitted. It is understood that the amount of deductions (hereinafter the "fair share amount") from said non-member bargaining unit employees will not exceed the regular monthly Union dues and

represents the employee's fair share cost of the collective bargaining process, contract administration and the pursuit of matters affecting wages, hours and other conditions of employment.

Before any fair share amounts are deducted from the wages of present employees or newly-hired employees, the Union shall submit the following to the Employer (i.e., to the person designated by the Employer) for its inspection: a copy of the notice the Union intends to distribute to non-member employees, which notice shall include:

- a) a summary of the major categories of Union expenses, together with an explanation of the formula for the calculation of the fair share fee;
- b) a statement that the summary has been verified by an independent auditor applying generally accepted accounting principles;
- c) a statement that a procedure exists by which fair share payers may challenge the amount of the fair share fee (which procedure shall include resolution of challenges by an impartial decision-maker) and an explanation of said procedure(s); and
- d) a statement that there exists an escrow account into which contested fees will be placed while non-members' challenges are pending.

If the notice does not contain the above-stated categories of items, the Employer will notify the Union in writing within thirty (30) days of receipt and shall not make deductions for non-members until the Union furnishes a substituted notice, which upon Employer review satisfies the above stated format. The Employer shall notify the Union of its review in writing within fifteen (15) days of receipt of any substituted notice. The Union shall be responsible for distribution of fair share notices to non-members, including new hires, and the City will cause copies of the

notice to be posted on employee bulletin boards at Chicago Fire Department facilities at which bargaining unit employees are regularly assigned. The fact of the publication of the notice will also be announced at a daily roll call on each of three (3) successive days subsequent to the publication of the notice. The Employer shall not under any circumstances guarantee the legal sufficiency or factual accuracy of the Union's fair share calculations, fair share amount, or fair share procedures, as reflected in the aforesaid notice.

Section 3.3 - Indemnity

The Union shall indemnify and save the Employer harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken or not taken by the Employer for the purpose of complying with the above provisions of this Article, or in reliance on any list, notice, certification or assignment furnished under any of such provisions.

Section 3.4 - Union Business Leaves

A. Upon thirty (30) days advance written notice the Employer agrees to grant a leave of absence for not more than three (3) years without pay to not more than two (2) employees who may be elected to a full-time Union position with the Local or International Union. While on such leave the employee shall not incur a break in continuous service. An employee on leave shall not be eligible for any other fringe benefits except for the specific pension provision applicable to the Union President under the State of Illinois Pension Code.

In addition to the foregoing, three (3) employees covered by the Agreement shall, upon thirty (30) days written notice, be granted leave from their duties, but shall remain on the payroll, for the purpose of performing full-time duties on behalf of the Union. During such leave said employees shall continue to accumulate seniority and shall be eligible for and shall receive all benefits as if they were fully on duty, including, but not limited to, pension accruals. Effective January 1, 2002, the Union will reimburse the City in an amount equal to the cost of the salaries and fringe benefits contributions for employees on Union leave. The Employer shall remain responsible for its portion of the pension contribution.

B. Subject to the need for orderly scheduling and any emergency needs, and upon thirty (30) days advance written notice, the Employer agrees to release from work without loss of pay Union officials and representatives in order to attend bargaining sessions, membership meetings, executive board meetings, state conventions, national conventions, memorials, funeral services, seminars, conferences or symposiums. It is provided, however, that this shall be limited to a maximum of 2640 hours annually; effective January 1, 2014, 2700 hours annually, of which 300 or fewer hours may be carried over to the following year.

The Union shall supply the Employer with a list containing the names, Union office, rank and permanent assignment of all Union officials and representatives. Prior to any scheduled bargaining session, membership meeting or executive board meeting, the Union shall notify the Fire Department Labor Relations Chief, in writing, of the names of its officials or representatives requiring paid time off, and the anticipated length of the scheduled session or meeting. Union officials or representatives receiving

paid time off to attend the session or meeting must return to work at the conclusion of said session or meeting.

C. One (1) person designated by the Union shall be released from work to attend sessions of the Illinois State Legislature as Legislative Representative under the following terms and conditions:

(a) Said person must notify the Fire Commissioner or his designee, through channels, three (3) days in advance of his/her attendance at any such session.

(b) Said person, upon request, shall promptly provide the Fire Commissioner with a report of the matters of interest considered by the legislature during the session attended.

(c) If said person receives his/her authorized per diem allowance from the Union, his/her absence from work shall be without loss of pay.

(d) The Union will provide the Fire Commissioner or his/her designee with satisfactory evidence concerning the payment of per diem allowance.

When needed, a second person designated by the Union shall be allowed to exchange work shifts and Daley Days to attend sessions of the Illinois State Legislature as Legislative Representative. Said person shall also comply with paragraphs (a) and (b) above, and shall further comply with the mechanics of Section 7.6C as it relates to the exchange of work shifts and Daley Days to the extent that 7.6C is not inconsistent with paragraphs (a) and (b) above, and such exchanges shall not be charged to exchanges in 7.6C.

Section 3.5 - Distribution of Agreement

The Union shall print and distribute a copy of this Agreement to all current members of the bargaining unit and any new members hired during the term of this Agreement. On request, copies of the Agreement may be furnished to the Fire Commissioner for distribution through the Department.

Section 3.6 - Intra-Department Communications

A. The Union may utilize the Departmental simulcast to communicate notice of scheduled Union meetings and special events, with the approval of the Fire Commissioner or his/her designee.

B. The Department shall provide the Union with copies of:

1. All General Orders, Special Orders, Personnel Orders, Directives, Memoranda, Notices and all writings relating to or amending the foregoing, when issued;
2. Immediately after each transfer order, a listing of members indicating name, bureau, assignment (company or otherwise), and if applicable Platoon and Daley Day;
3. A quarterly listing of employees in alpha and assignment sequence; and
4. A copy of change of address forms (PER 72) that are submitted to the City by bargaining unit members.

Section 3.7 - Union Insignia

Employees may wear the official Union insignia on both their dress and work uniforms. Such insignia shall be a pin, not larger than the size of a dime on the dress uniform. On the work uniform, such insignia shall be an iron-on patch not

larger than the size of a quarter. On the dress uniform such insignia shall be centered one-quarter (1/4) inch above the member's name plate. On the work uniform such insignia shall be centered one and one-half (1-1/2) inches above the member's right breast pocket.

ARTICLE IV. HOURS OF WORK

Section 4.1 - Platoon Duty

A. Bureaus of Operations and Support Services

Employees covered by this Agreement who work within the Bureaus of Operations and Support Services, shall be assigned to regular platoon duty shifts, except forty (40) hour employees as defined in Section 4.2. The normal on duty tours of duty shall be twenty-four (24) consecutive hours on duty, starting at 8:00 a.m. and ending the following 8:00 a.m.; except, however, that the twenty-four (24) hours on duty for Battalion Chiefs and employees assigned as drivers to employees in the ranks of Battalion Chief and above shall normally start between 7:00 a.m. and 7:30 a.m. The normal on duty tour shall be followed by forty-eight (48) consecutive hours off duty. The annual average weekly hours on duty shall normally not exceed forty-four point eight (44.8) hours per week. The average weekly hours shall normally be accomplished by scheduling every fifth (5th) on duty shift as a Daley Day off duty. Exceptions to the above may be made in special situations as described in Subsection 4.1B.

B. Special Situations - Bureaus of Operations and Support Services

Employees may be temporarily detailed from platoon duty to forty (40) hour duty and from forty (40) hour duty to platoon duty for a period of not less than five (5) days and not to exceed thirty (30) days, or longer by mutual agreement of the parties, and such agreement shall not be unreasonably withheld by the Union. Employees may be so detailed only for reasons of training, special duty assignments, or when the Fire Commissioner or Mayor determines and announces that an emergency condition exists. After the five (5) day minimum period, employees shall be returned to their normal duty positions and schedules when the training, special situation or emergency condition ceases to exist, or, if applicable, upon termination of any mutually agreed extension of a temporary detail beyond thirty (30) days. Such temporary details shall also be subject to the following conditions:

1. Details shall be on a voluntary basis according to seniority, except if there are insufficient voluntary requests, then details will be implemented with the least senior employees; provided, however,

- (a) training instructors shall only be detailed on a voluntary basis, and

- (b) no employee shall be mandatorily detailed who has a previously scheduled furlough or Administrative Day in the first thirty (30) days of the detail. In the case of a detail which exceeds thirty (30) days, by mutual agreement as above provided, the employee will receive his/her furlough or Administrative Day in the mode of operation for the schedule to which he is detailed.

2. An employee detailed shall receive the appropriate rate of pay, but no less than the employee's regular rate of pay. An employee receiving any benefits accrued prior to the detail, such as assigned furlough or Administrative Day and forty-eight (48) hours off between shifts as set forth in Article IV shall not be modified except as provided above in subparagraph 1.

In the case of an employee detailed from platoon duty, any previously earned Daley Days shall be granted immediately upon the employee's return to platoon duty.

3. After thirty (30) days, detailed employees shall be slotted on to overtime lists by last date of rehire - the District Chief and Union Steward or Business Agent shall consult.

4. Any employee detailed from a forty (40) hour duty schedule to platoon duty shall receive one-quarter (1/4) of a Daley Day for each platoon shift worked.

5. No employee detail shall commence on a holiday; except when the Fire Commissioner or Mayor determines and announces that an emergency exists.

6. No employee shall be so detailed for disciplinary reasons.

C. Bureau of Operations/Division of Emergency Medical Services

Employees covered by this Agreement who work within the Bureau of Operations/Division of Emergency Medical Services (i.e. Paramedics, Paramedics-in-Charge, Ambulance Commanders and Field Chiefs) shall be assigned to regular platoon duty shifts, except forty (40) hour employees as defined in Section 4.2. The normal on duty tours of duty shall be twenty-four (24) consecutive hours on duty, starting at 8:00 a.m. and ending the following 8:00 a.m.; except, however, that the twenty-four (24) hours on duty for Field Officers shall normally start between 7:00 a.m. and 7:30 a.m. The normal on duty tour shall be followed by seventy-two (72) consecutive hours off duty. The annual average weekly hours on duty shall normally not exceed forty-two (42) hours per week. The normal weekly work period shall be the seven (7) days from Sunday through Saturday consistent with the starting and ending times set forth in this subparagraph C. Exceptions to the above may be made in special situations as described in Subsection 4.1D.

D. Special Situations - Bureau of Operations/Division of Emergency Medical Services

Employees may be temporarily detailed from platoon duty to forty (40) hour duty and from forty (40) hour duty to platoon duty for a period of not less than five (5) days and not to exceed thirty (30) days, or longer by mutual agreement of the parties, and such agreement shall not be unreasonably withheld by the Union. Employees may be so detailed only for reasons of training, special duty assignments, or when the Fire Commissioner or Mayor determines and announces that an emergency condition exists. After the five (5) day minimum period, employees shall be returned to their normal duty positions and schedule when the training, special situation or

emergency condition ceases to exist, or, if applicable, upon termination of any mutually agreed extension of a temporary detail beyond thirty (30) days. Such temporary details shall also be subject to the following conditions:

1. Details shall be on voluntary basis according to seniority, except if there are insufficient voluntary requests, then details will be implemented with the least senior employees; provided, however,

a. training instructors shall only be detailed on a voluntary basis, and

b. no employee shall be mandatorily detailed who has a previously scheduled furlough or Administrative Day in the first thirty (30) days of the detail. In the case of a detail which exceeds thirty (30) days, by mutual agreement as above provided, the employee will receive his/her furlough or Administrative Day in the mode of operation for the schedule to which he/she is detailed.

2. An employee detailed shall receive the appropriate rate of pay, but no less than the employee's regular rate of pay. An employee receiving any benefits accrued prior to the detail, such as assigned furlough or Administrative Day and seventy-two (72) hours off between shifts as set forth in Article IV shall not be modified except as provided above in subparagraph 1.

An employee shall be granted at least twenty-four (24) hours off duty before reporting to or returning from a detail between platoon duty and forty (40) hour duty.

3. After thirty (30) days, detailed employees shall be slotted on to overtime lists by last date of rehire - the District Commander and Union Steward or Business Agent shall consult.

4. No employee detail shall commence on a holiday; except when the Fire Commissioner or Mayor determines and announces that an emergency exists.

5. No employee shall be so detailed for disciplinary reasons.

Section 4.2 - Forty (40) Hour Employees

A. Employees within the Bureaus of Administrative Services, Employee Relations, Support Services and Division of Emergency Medical Services, and other bureaus listed in Section 4.1 who are not on platoon duty, shall work a normal workweek consisting of eight (8) consecutive hours, Monday through Friday. Exceptions to the normal workweek shall be consistent with past practice.

B. Employees assigned to the Bureau of Fire Prevention shall normally work ten (10) consecutive hours, four (4) days per calendar week. There will be two (2) shifts (A & B) rotating every two (2) weeks. The "A" shift will work Monday-Thursday one week and Tuesday-Friday the following week. The "B" shift will work Tuesday-Friday one week and Monday-

Thursday the following week. Hours of duty will be 7:00 AM to 5:00 PM including a one (1) hour lunch period and three (3) fifteen minute breaks, (two in the morning and one in the afternoon) each day. Furloughs will be selected in the customary manner.

If a holiday falls on Monday, those employees working Monday-Thursday will be off duty on Monday and those employees working Tuesday-Friday will be off duty on Tuesday. If a holiday falls on a Friday, employees working Monday-Thursday will be off duty on Thursday and employees working Tuesday-Friday will be off duty on Friday. If a holiday falls on Tuesday, Wednesday or Thursday, the holiday will be celebrated on that day for all employees.

1. Each employee shall provide weekend coverage a maximum of four (4) out of the fifty-two (52) weeks per year. Employees shall bid for weekends by seniority limited to when the employee's shift is assigned to Tuesday-Friday. If assigned to a weekend, the duty days shall be Wednesday, Thursday, Friday and Saturday. Wednesday and Thursday shifts shall be the normal ten (10) hour day. The Friday and Saturday shifts will each begin in the evening and last for eight (8) hours, (Friday 6:00 PM to Saturday 2:00 AM, and Saturday 8:00 PM to Sunday 4:00 AM), giving the employee a total of 36 hours worked that week and being paid for 40 hours. No other premium pay shall be applicable to those hours for the weekend selected.

2. At the discretion of the Deputy Fire Commissioner, employees will be exempt from this scheduling for the position listed below:

Aide to the Commissioner

The employee(s) exempt from this scheduling will be presented to the Union and kept current as changes occur.

3. Procedure for establishing this Weekend Work Status List:

A list of the fifty-two (52) weekends per year will be sent to each affected member who will choose the weekends he/she wishes to be available for work. Employees shall be assigned to the four (4) weekend work periods using seniority as the criteria. Ten (10) employees will be chosen for each weekend tour.

4. Employees shall not normally be required to work with less than ten (10) hours off between shift assignments during the Monday through Sunday workweek. Any employee assigned to work with less than ten (10) hours off between shifts shall receive additional pay at increments of one hour at one-half time hourly rate for each hour, or any portion thereof, less than such ten (10) hours.

For all time consisting of fifteen (15) minutes or more beyond the normal shift, employees also shall be compensated at the applicable overtime rate.

Employees will not be required to work with less than eight (8) hours off between shift assignments unless a bonafide operational need exists.

Section 4.3 - Break Periods - Meal Periods

A. Except for employees assigned to the Fire Prevention Bureau, forty (40) hour employees' work schedule shall provide for a fifteen (15) minute paid break period during each one-half (1/2) shift. The break period shall be scheduled approximately at the middle of each one-half (1/2) shift whenever this is feasible. Such forty (40) hour employees shall also be granted a paid lunch period of not to exceed one (1) hour during each work shift. Whenever feasible, the lunch period shall be scheduled approximately at the middle of each shift.

B. Any forty (40) hour employee who for any reason works two (2) hours beyond his/her regular quitting time shall be entitled to another fifteen (15) minute paid break period.

Section 4.4 - Overtime Definition

Employees authorized to work any time on duty in addition to the normal shifts as defined in this Article shall be considered as working overtime hours, subject to the overtime rate provision of this Agreement.

Compensation shall not be paid more than once for the same hours worked under any provision of this Article or Agreement.

Section 4.5 - Altered Work Hours

Employees on a voluntary basis may be assigned or detailed as instructors to the Academy, and if so shall be paid as provided in Article VI B6.

Instructors and other employees assigned or detailed to the Academy may, for the purpose of facilitating training or special duty, be scheduled to work Saturday or Sunday instead of the normal five (5) day workweek, or they may have their normal daily work hours altered, but not to exceed the total number of eight (8) consecutive hours in any one day.

Consistent with the agreed practice in the Fire Prevention Bureau, if a recognized holiday is observed under Section 7.2A on a day other than the scheduled work day of an employee assigned or detailed to the Academy, that employee's next scheduled work day shall be considered that employee's recognized holiday and treated as such under Section 7.2B.

Employees shall not normally be required to work with less than ten (10) hours off between shift assignments during a Monday through Sunday workweek. ARTICLE VI. ENTIRE AGREEMENT

Section A - Entire Agreement

This Agreement constitutes the complete and entire Agreement between the parties and concludes collective bargaining (except as provided for in the

grievance procedure) for its term. Amendments and modifications of this Agreement may be made by mutual written agreement of the parties to this Agreement.

The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the duration of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Section B. - Prevailing Rights

The following rights, privileges and benefits enjoyed by employees prior to February 13, 1980 will be maintained for the duration of this Agreement and shall not be diminished, modified or eliminated during the term of this Agreement unless changed by mutual written consent.

1. Employee Assistance Program

The Department has historically maintained an Employee Assistance Program to assist employees who may suffer from alcoholism, drug dependency, or other illnesses which should be treated. It is understood that alcoholism or drug dependency in and of themselves shall not be the basis

for discipline; however, if coupled with deteriorating and impaired job performance, they may be the basis for discipline. The Department shall continue to maintain such an Employee Assistance Program though changes may be necessary to incorporate new knowledge in the field, as has been done in the past.

The above is not intended to detract from the provisions of General Order No. 87-008 dated February 1, 1987, but to supplement the same with a commitment towards intervention and rehabilitation through cooperative efforts of counselors in the Employee Assistance Program of the Union and the Department.

It is provided, however, that probationary employees shall not be eligible to participate in the Department's Employee Assistance Program, and any probationary employee who tests positive in violation of General Order 87-008 shall not be entitled to a supplemental (last chance) agreement and shall be terminated.

5. Furnishing of Fire House

For each Fire House the City will furnish one (1) stove, one (1) refrigerator, kitchen table(s), chairs, desk(s), as well as sufficient beds, mattresses, pillows and blankets for each on duty employee. These items will be identified with inventory control numbers and/or accounted for on an inventory sheet. Only these identified items will be replaced when necessary at the City's discretion.

An employee below the rank of Lieutenant/Ambulance Commander who is assigned/detailed to the Fire Academy as an Instructor, shall be paid at a minimum the pay of a Lieutenant/Ambulance Commander (F4), and at the employee's current pay step. An employee at or above the rank of

Lieutenant/Ambulance Commander shall be paid at the next higher rank/classification, and at the employee's current pay step. However, a Battalion Chief so assigned who is at Step 10 or 11 shall be paid at the highest step of grade F7; a Battalion Chief at Step 7, 8 or 9 shall be paid at the next to highest step of grade F7; and Battalion Chiefs at Steps 1 through 6 shall be paid at the third (3rd) from highest step of grade F7. However, a new employee not successfully completing academy training shall not be eligible for this pro-rata vacation benefit.

8. No Docking of Pay of Employees Taking Promotion Examinations

Such lists shall show the employee seniority number, Company, Platoon, Daley Day, or middle off-shift day for EMS Personnel and special Fire Department certification(s), and the last date the employee worked or refused overtime or was unavailable for overtime and the reason for such unavailability. Employees assigned to a new or different Overtime Distribution List after the overtime list has been established shall be inserted into the list according to the last date the employee worked or refused overtime. In case of any questions regarding insertion according to the above, such shall be discussed between the Business Agent or his designee and the designated Employer representative in attempting resolution.

An employee shall move to the bottom of the overtime lists of the respective rank or classification only if he or she refuses or works the overtime offered; provided, however, that the employee on the bottom of the overtime list at the time the overtime work becomes available and is offered shall be required to accept and work the overtime when all other employees have refused.

In the event that an employee refuses overtime strictly on the basis of the fact that he or she is scheduled for military training or scheduled to attend a Department-sponsored EMS Continuing Medical Education ("CME") class on the date that he or she would be scheduled to work overtime, that employee shall retain his or her position on the overtime list of the respective rank or classification. Employees must provide proof of attendance at military

training or proof of attendance at the CME class in question upon request, or lose their position on the overtime list.

An exception to offering overtime in strict sequential order on the overtime lists may be made when specialized personnel are needed for positions on Squads, the Hazardous Material Unit, Airport Certified Drivers, ARFF Certified Red Stripe Personnel, or other agreed-upon specialized units. In case specialized personnel are needed for such units, the Employer shall go down the Overtime Distribution List until reaching the first person certified for the specialty required and offer the overtime. Employees with such specialty certification(s) shall be asterisked on the list. If that person refuses, the overtime assignment shall be offered to the next certified employee on the list. If that person refuses, the overtime assignment shall be offered to the next certified employee on the list. Such employees shall move to the bottom of the list of the respective rank or classification upon refusing or working the overtime offered; provided, however, that the certified employee on the bottom of the overtime list shall be required to accept the overtime assignment when all other employees have refused.

Overtime distribution on ALS Fire Companies shall be by strict sequential order by District(s) irrespective of EMT specialized qualification; except, after detailing and double detailing, when there is no other way to maintain the ALS Fire Company in service with the required EMT positions, then employees may be rehired who have such specialty certification which shall be asterisked on the Overtime Distribution List.

It is further provided:

1. If any District cannot fill its manpower needs from its Overtime Distribution List, then such needs shall be filled from the overtime list from the next District in numerical sequence and if insufficient personnel are available in such District, then from the next District in numerical sequence (e.g., District 6 to District 7 to District 1) until sufficient personnel are acquired.

2. In the event, however, there are insufficient employees obtained, as above provided, to fill manpower needs, then platoon employees from the shift following the shift where the overtime is needed shall be called for overtime from the Overtime Distribution List upon which their names appear, utilizing the same procedures as above, and if there are insufficient employees obtained from that following shift, then platoon employees from the shift preceding the shift where the overtime is needed shall be called for overtime from the Overtime Distribution List upon which their names appear, utilizing the same procedures as above. No employee, however, shall be required to work with less than twenty-four (24) hours off between platoon shifts, except pursuant to Section 5.6; and further, if there are insufficient employees available for overtime rehire pursuant to the foregoing procedures in this Section, then the holdover provision, Section 5.6, shall be invoked up to a maximum of twenty-four (24) hours, irrespective of the four (4) hour maximum limitation set forth in Section 5.6.

It is provided, however, when an employee is mandatorily rehired as provided above and has pending obligations, (for example, documented travel plans, tickets, confirmed reservations, or an

emergency), the employee will be excused from the rehire, providing the City can rehire another employee using the above agreed-upon procedures. If the City succeeds in finding another employee, the employee that was originally mandatorily rehired will be excused, but will go to the bottom of the Overtime Distribution List. Excusing the employee from mandatory rehire will be at the reasonable discretion of the District Chief or his designee or the Deputy Chief Paramedic or his designee.

For EMS platoon employees, in the event there are insufficient employees available for overtime rehire, after following the procedures through subparagraph 1 above, then the holdover provision, Section 5.6, shall be invoked up to a maximum of twenty- four (24) hours, irrespective of the four (4) hour maximum limitation set forth in Section 5.6.

3. If any overtime distribution does not consist of at least twelve (12) consecutive hours, the employee receiving such overtime shall not lose his/her position on the overtime list.

4. No employee shall be on more than one overtime list.

5. Overtime Distribution Lists shall be continuously updated and current and be made available to Union Business Agents upon reasonable request, but not later than three (3) business days.

B. Forty (40) Hour Employees

After all detailing has been accomplished, and when the need for overtime exists due to the lack of manpower, or due to vacation, sickness, injury or other unforeseen causes, such overtime shall be distributed in strict sequential order to members of the bargaining unit on a voluntary basis; by rank and classification; by means of an Overtime Distribution List in each Bureau, District or Division on each shift. (These lists originally were established on the basis of seniority.)

Such lists shall show the employees seniority number, District or Division, and special Fire Department certification(s), and the last date the employee worked or refused overtime or was unavailable for overtime and the reason for such unavailability. Employees assigned to a new or different Overtime Distribution List after the overtime list has been established shall be inserted into the list according to the last date the employee worked or refused overtime. In case of any questions regarding insertion according to the above, such shall be discussed between the Business Agent or his designee and the designated Employer representative in attempting resolution.

An employee shall move to the bottom of the overtime lists of the respective rank or classification only if he or she refuses or works the overtime offered; provided, however, that the employee on the bottom of the overtime list at the time the overtime work becomes available and is offered shall be required to accept and work the overtime when all other employees have refused.

In the event that an employee refuses overtime strictly on the basis of the fact that he or she is scheduled for military training or scheduled to attend a Department-sponsored EMS Continuing Medical Education ("CME") class on

the date the employee would be scheduled to work overtime, that employee shall retain his or her position on the overtime list of the respective rank or classification. Employees must provide proof of attendance at military training and proof of attendance at the CME class in question upon request, or lose their position on the overtime list.

An exception to offering overtime in strict sequential order on the overtime lists may be made when specialized personnel are needed to perform the duties of Public Education Specialist, Pump Test Operator, and Gas Leak Inspector, or other agreed-upon specialized positions. In case specialized personnel are needed for such duties, the Employer shall go down the overtime list until reaching the first person certified for the specialty required and offer the overtime. Employees with such specialty certification(s) shall be asterisked on the list.

It is further provided:

1. No employee shall be on more than one Overtime Distribution List.

2. Overtime Distribution Lists shall be continuously updated and current and be made available to Union Business Agents upon reasonable requests, but not later than three (3) business days.

C. Remedy for Pass Over (McVady - Donohue Arbitration Awards)

If an employee is passed over for the employee's rightful turn for overtime, the employee shall be paid the amount the employee would have earned if the employee had worked the overtime, and the employee shall not have

his/her position on the Overtime Distribution List altered by reason of the payment.

D. Relieving Employees from Rehire Assignments

The following is agreed-upon procedure regarding relieving employees from overtime distribution rehire assignments.

1. It is recognized that the Department may continue to relieve employees from overtime rehire assignments or detail them to other overtime rehire assignments when, because of the return to duty of employees from lay-up or otherwise, there are an excess of employees on rehire. This procedure and its implementation shall not in any way detract from or invalidate minimum manning requirements.

2. It is provided that the Department shall implement a procedure to exercise its best reasonable efforts that when employees are to be relieved of overtime rehire assignments, employees are to be relieved in the reverse order in which they were rehired from the overtime distributions list(s), in the District, except that employees rehired from outside the District shall first be relieved from overtime assignments in the District.

3. It is further provided that employees so relieved from rehire shall, upon arrival of their replacement, be permitted by their Company Officer to leave without loss of minimum recall pay, unless there is another overtime situation in the District to which the rehire may be assigned at that time. In case there is any question as to who

should be relieved, the matter shall be discussed between the Business Agent or his designee and the designated Employer representative.

Section 9.3 - Vacancies and Promotions

A. Vacancies

Promotional vacancies within the bargaining unit created as a result of death, resignation, retirement and discharge for just cause, and which the Employer must fill to maintain the minimum manning agreed to in this Agreement, shall be filled within forty-five (45) days of the last day the employee actually worked on duty or was discharged. Promotions which are required to fill vacancies shall be made from established lists resulting from job related examinations given to the employees in the classification immediately below the vacancy. Permanent assignments to vacant promotional positions shall be in accordance with the provisions of Article XVI, Section 16.7.

B. Promotional Eligibility Lists

1. No employee shall be eligible to take a promotional examination until the employee has completed the probationary period. The ranking of employees on promotional lists shall be based upon the employee's ascertained merit which shall be determined by promotional examinations consisting of the following three (3) criteria: written, seniority and oral/proficiency (hereafter referred to as the "administered examination"). Promotions shall be made on the basis of the administered examination, and effective for administered

examinations given after January 1, 1997, promotions may also be made pursuant to a performance selection process as set forth in subparagraph 4.

The weights to be accorded the criteria of the administered examination shall be consistent with the requirements of federal law, and are subject to review by the Justice Department. The City will announce the weights of the criteria of the administered examination at the time the Department of Personnel officially announces the examination.

Effective for administered examinations given after January 1, 2003, the total weight assigned to the written criteria shall be no less than twenty-five percent (25%); the total weight assigned to the oral/proficiency criteria shall be no less than twenty-five percent (25%); and the total weight assigned to the seniority criteria shall be no less than thirty percent (30%) of the final score of the administered examination.

Full mark for seniority shall be given, as follows:

- a. for promotion to Engineer or to Lieutenant - ninety-six (96) or more months;
- b. for promotion to Captain - one hundred forty-four (144) or more months;
- c. for promotion to Battalion Chief - two hundred four (204) or more months.

Lesser amounts of seniority shall receive a pro-rata mark; for example:

A firefighter with ninety-six (96) or more months of seniority would receive 100% of the seniority criteria specified for promotion to engineer or lieutenant while a firefighter with forty-eight (48) months seniority would receive one-half ($1/2$) of the specified seniority criteria (accordingly, if the specified seniority criteria is thirty percent (30%), the firefighter with ninety-six (96) or more months of seniority would receive the full mark, while a firefighter with forty-eight (48) months would receive one-half ($1/2$) of the thirty percent (30%) seniority criteria, or fifteen percent (15%)). The seniority mark shall be determined as of the date of the examination announcement .

Additional credit shall be given to candidates who have at the time of the administered examination the following degrees or licensures:

a. For promotion to Lieutenant and/or Captain.

Any candidate who has an Associate's or Bachelor's degree in fire science or who has an EMT-B or EMT-P license and is being compensated as a result of such licensure will receive the full amount of credit;

b. For promotion to Battalion Chief.

Any candidate who has an Associate's degree in fire science or a Bachelor's degree will receive the full amount of credit.

The amount of credit to be given for these degrees and licensures shall be described in the examination announcement. In no event shall a candidate with the required degree be eligible for anything less than full credit.

2. Promotional vacancies shall be filled by the Commissioner from eligible employees certified from the applicable promotional eligibility list. After each promotional examination, the City shall develop an eligibility list based upon employees eligible for promotion based on their performance on the administered examination. No less than thirty (30) days prior to any promotions, the City shall provide to the Union a copy of the promotional eligibility list. Such list shall reflect each employee's full name, seniority number, race, gender, total score and rank on the list. Vacancies will customarily be filled by employees in the order of their ranking on the eligibility list.

Employees who are passed over on an eligibility list strictly by operation of the preceding paragraph and who otherwise would have been promoted had promotions been made in rank order from the eligibility list shall have his or her name inserted at the top of the new eligibility list in rank order as it appeared on the previous eligibility list for the same promoted position, and shall be promoted from the new eligibility list to vacancies which will customarily be filled by employees in the order of their ranking on the eligibility list.

It is provided, however, that irrespective of an employee's ranking on the eligibility list, an employee eligible for promotion to a vacancy in the position of Captain or Battalion Chief shall be passed over on the eligibility list and

not be promoted if the employee has not completed at least thirty (30) months in the classification immediately below the vacancy, and no employee may be promoted to the position of engineer or lieutenant, and shall be passed over on the eligibility list, without fifty-four (54) months in the classification of firefighter and/or engineer.

An employee certified for promotion to a vacancy may be passed over for any vacancy on an order subject to the following conditions:

- a. No employee may be passed over on more than two (2) orders, unless the employee does not meet the time in grade requirements outlined above.
- b. No employee shall be promoted from a new promotional eligibility list until all employees who may have been passed over on a previous promotional order have been promoted, unless the employee does not meet the time in grade requirements.
- c. An employee may be passed over on an order only for the following reasons:
 - (i) At the time the vacancy occurs the employee is on an injury leave of six (6) months or more for a non-duty-related injury; provided, however, that upon the employee's return to duty from such leave he/she shall be promoted on the next order.

(ii) A major disciplinary infraction (i.e. charges resulting in a suspension of fifteen (15) days or more); provided, however, that if such disciplinary infraction is not sustained, the employee shall be promoted on the next order. No disciplinary infraction may be used for more than one order as a reason to pass over an employee on a promotional order.

(iii) In order to comply with any injunctive or final and unappealable order of a court, administrative agency, administrative law judge, hearing officer or arbitrator.

The Employer shall specify the specific reason in the event that it decides to pass over an employee on an order.

3. Each applicant for promotion shall be given a copy of his/her answer sheet following the conclusion of the written examination, prior to the candidate's departure from the exam site. Each applicant will be allowed to challenge test questions on the written examination in writing. During the announced challenge period, the applicant will be allowed to review the written examination for that purpose. A copy of the correct answer key for the written examination shall be provided by the City to the Union after the promotional eligibility list has been finalized and approved by the Department of Justice. Upon request, the candidate shall thereafter have the right to receive a copy of the written examination. The City shall provide the Technical Report of a promotional examination to the Union within thirty (30) days of a promotion made from the eligibility list created as a result of such examination.

4. Performance Selection Process

a. Up to sixteen percent (16%) of the promotions to the rank of Lieutenant, up to sixteen percent (16%) of the promotions to the rank of Captain, and up to sixteen percent (16%) of the promotions to the rank of Battalion Chief on each promotional order may be made by the Fire Commissioner on the basis of performance. The following criteria must be met by any applicant prior to being eligible for performance promotion:

(i) passing the appropriate administered examination with a grade of seventy (70) or better;

(ii) meeting the following time in rank requirements at the time of the promotion:

(a) One hundred twenty (120) months in the classification of Firefighter and/or Engineer for promotion to the position of Lieutenant;

(b) Seventy-two (72) months in the classification of Lieutenant for promotion to the position of Captain;

(c) Seventy-two (72) months in the classification of Captain for promotion to the position of Battalion Chief.

b. Battalion Chiefs may nominate candidates for consideration for Performance Selection Process for each rank of Lieutenant, Captain

and Battalion Chief. In addition, Exempt rank personnel in the positions of Deputy District Chief, District Chief and Bureau Heads may nominate candidates for consideration in the Performance Selection Process to the promotional ranks of Lieutenant, Captain and Battalion Chief as directed by the Fire Commissioner. Nominations shall be made after the promotional administered examination is announced but before the examination is held. All nominations shall be forwarded to the Performance Selection Board, which will consist of the First Deputy Fire Commissioner, the Deputy Commissioners, and the Director of Personnel. The City shall provide the Union with a list of nominees before the written portion of the administered examination.

c. The Performance Selection Board will consider the nominations, taking into account each candidate's performance, awards and commendations, leadership ability, specialized training, relevant education and experience, attendance file, disciplinary file, and any other information deemed relevant to determine whether to recommend the candidate to the Commissioner.

d. The Performance Selection Board will submit its recommendations to the Fire Commissioner for consideration. The City shall provide the Union with the Board's recommendations to the Fire Commissioner before any promotional order is issued. The Fire Commissioner shall make performance selection promotions from recommendations. The list of Nominees shall be void upon removal of the eligibility list.

e. Only candidates nominated as per subparagraph b above may be recommended by the Performance Selection Board to the Fire Commissioner, and only candidates recommended by the Performance Selection Board may be considered by the Commissioner in determining performance selection promotions.

f. The City will apprise the Union, in writing, of the identity of the personnel, if any, who receive performance selection promotions at the time of such promotions.

g. Provided that the provisions set forth in subparagraphs 4.a through f are followed, the Fire Commissioner's performance selection decision shall be final and not subject to the grievance procedure.

5. The City may charge an appropriate fee for all promotional examinations not to exceed the charge established by City Council Ordinance, which fee shall not exceed \$75.00.

6. In the event that any court of competent jurisdiction enjoins the City from making promotions pursuant to this Agreement, or issues a final and unappealable order that promotions be made in a manner inconsistent with the provisions of this Agreement, compliance with that order shall not be deemed a violation of this Agreement. In the event the City is unable to make further promotions without violating any such order, the City and Local 2 shall negotiate a resolution that permits promotions consistent with such order.

C. EMS Positions

1. Career positions within Emergency Medical Services (EMS) shall be:

- a. EMS Field Chief
- b. Ambulance Commander
- c. Paramedic-in-Charge (P.I.C.)
- d. Paramedic

2. Notwithstanding Sections 9.3A and 9.3B, promotions for EMS employees shall come from lists as they may from time to time be established, provided that no employee may be promoted until completion of at least eighteen (18) months in the classification immediately below the vacancy, and for promotions to the positions of Field Chief and Ambulance Commander thirty (30) months in the classification immediately below the vacancy. No list shall be used for more than eight (8) years.

3. a. Field Chiefs shall be paid at the F6 pay rate, Paramedic-in-Charge (P.I.C) at the F3A pay rate, and Ambulance Commander at the F5 pay rate. There shall be appointed one (1) Ambulance Commander for each Ambulance Company. After the initial appointment of Ambulance Commanders, transfer vacancies in the Ambulance Commander position shall be filled pursuant to Section 16.7C. Promotions to the position of Ambulance Commander shall be made to employees in the position of P.I.C., on the basis of seniority. Promotions to the position of Ambulance Commander shall be filled pursuant to 9.3.C.2. above.

b. Ambulance Commanders and P.I.C.'s shall be on the same Overtime Distribution List.

4. Promotions to the position of Field Chief shall be made to employees in the position of Ambulance Commander.

Section 9.4 - Layoff and Recall

In the event it becomes necessary to lay-off employees, for any reason, employees shall be laid off in inverse order of their seniority. Employees shall be recalled from layoff according to their seniority. No new employees shall be hired until all employees on layoff status, desiring to return to work, have been recalled.

ARTICLE X. GRIEVANCE PROCEDURE

Section 10.1 - Definition

Any grievance or dispute which may arise between the parties, including the application, meaning or interpretation of this Agreement, shall be settled in the following manner.

Section 10.2 - Procedure, Steps and Time Limits

Step 1. - The employee, with or without the Steward (or the Steward alone in the case of a Union Grievance), shall take up the grievance or dispute in writing or orally with the Employer's authorized representative within ten (10) business days of its occurrence, or if later, the date on which either the employee or his/her Union Steward knew or reasonably should have known of its occurrence. The

Employer's authorized representative shall then attempt to adjust the matter and shall respond in writing or orally to the Steward within five (5) business days.

Step II - If the grievance is not settled in Step I and the Union with or without the employee wishes to appeal the grievance in Step II of the grievance procedure, it shall be referred in writing to the Fire Commissioner or his/her designated representative within five (5) working days after the receipt of the Employer's answer in Step I. The written grievance shall be signed and shall set forth all relevant facts, the provision or provisions of the Agreement allegedly violated, and the requested remedy.

The Fire Commissioner or his/her designated representative shall discuss the grievance within ten (10) working days of receipt of the notice of appeal with the employee and the authorized Union representative at a time mutually agreeable to the parties. If no settlement is reached, the Fire Commissioner or his/her designated representative shall give the Employer's written answer to the Union within ten (10) working days following their meeting.

Step III - If the grievance remains unresolved within fifteen (15) business days after the reply of the Fire Commissioner is due, either party may, by written notice to the other party, invoke arbitration.

Section 10.3 - Arbitration

A. Within ten (10) working days after receipt of the written notice of arbitration the parties shall meet or otherwise attempt to select an impartial Arbitrator by mutual agreement, preferably from a previously agreed to list.

B. If after ten (10) working days the parties are unable to mutually agree upon selection of an Arbitrator, the party invoking arbitration shall request the services of the American Arbitration Association (AAA), unless the parties mutually agree to utilize the services of the Federal Mediation and Conciliation Services (FMCS), as described herein. The party invoking arbitration shall request that AAA submit simultaneously to both parties an identical list of seven (7) names of persons chosen from the labor panel. Each party shall thereafter cross off any names objected to, number the remaining names indicating the order of preference, and return the list to AAA. From among the persons who have been approved on both lists, and in accordance with the designated order of mutual preference, the AAA shall invite the acceptance of the Arbitrator to serve. If the parties fail to agree upon any of the persons named or if those named decline or are unable to act, or if for any other reason the appointment cannot be made from the submitted list, the AAA shall submit a second and, if necessary, third list. Thereafter, the AAA shall have the power to make the appointment from other members of the panel without the submission of any additional lists. The parties, by mutual agreement in writing, may submit more than one (1) grievance to the same Arbitrator.

If the parties mutually agree to utilize the services of FMCS, the parties will contact the Federal Mediation and Conciliation Service (FMCS) and request a panel of eight (8) arbitrators. Upon receipt of the panel, either party may strike the first panel and request a second panel of eight (8) arbitrators. No subsequent panel may be requested except with the mutual written agreement of the Employer and the Union. Upon receipt of the panel, the parties will alternately strike names, with the party striking first to be

determined by coin toss, until one (1) arbitrator remains, who shall then be notified of his selection.

C. Expedited Arbitration

Within the ten (10) day period referred to in Section 10.3(A) the Employer and the Union may by mutual agreement elect to utilize an expedited arbitration process in lieu of the arbitration process set forth in Section 10.3(B). Within seven (7) working days after such agreement for expedited arbitration, the parties shall meet or otherwise attempt to select an impartial Arbitrator preferably from a previously agreed to list. If the parties cannot mutually agree on the selection of an Arbitrator, the parties shall request the services of the American Arbitration Association as described in Section 10.3(B), unless the parties mutually agree to utilize the services of the Federal Mediation and Conciliation Services as described in Section 10.3(B).

Section 10.4 - Authority of the Arbitrator

The Arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The Arbitrator shall only consider and make a decision with respect to the specific issue or issues of contract interpretation or application appealed to arbitration and shall have no authority to make a decision on any other issues not so submitted. The Arbitrator shall submit in writing his decision to the Employer and to the Union within thirty (30) days following the close of hearing unless the parties agree to an extension thereof. The decision shall be based solely upon the Arbitrator's interpretation of the meaning or application of the terms of this Agreement to the facts of the grievance presented. Subject to the Arbitrator's compliance with provisions of this Section, the decision of

the Arbitrator shall be final and binding. It is further provided that the Arbitrator has the express authority to award interest on back pay remedies and other monetary remedies at rates determined to be appropriate by the Arbitrator.

Section 10.5 - Expenses of Arbitration

The fees and expenses of the Arbitrator shall be borne by the party whose position is not sustained by the Arbitrator. The Arbitrator, in the event of a decision not wholly sustaining the position of either party, shall determine the appropriate allocation of his fees and expenses. Each party shall be responsible for compensating its own representatives and witnesses. The cost of a transcript shall be shared if the necessity of a transcript is mutually agreed-upon between the parties.

Section 10.6 - Processing and Time Limits

Grievances may be investigated and processed during working hours by Union Stewards, representatives, and grievance committees, provided such activities do not interfere with the operations of the Fire Department.

A grievance not filed or appealed within the established time limits shall be deemed waived. If the Employer fails to reply within the established time limits then, at the Union's option, it may automatically advance to the next step.

The time limits set forth in this Article may be extended by mutual written consent of the parties.

The term "working days" means the days of the week, Monday through Friday, excluding Saturdays, Sundays and Holidays.

Section 10.7 - Processing Grievances

Employees selected by the Union to act as Union representatives shall be known as "Stewards." The names of the employees selected as Stewards, and other Union representatives who may represent employees at each step of the grievance procedure, shall be certified in writing to the Employer by the Union.

Any Union representative whose participation in grievance meetings, held pursuant to the provisions of the Article, is necessary shall be released from work without loss of pay to attend such meetings. Grievance meetings shall be scheduled in a manner which does not interfere with City operations.

Section 10.8 - Meetings Between the Parties

Upon request of either party, the Union President or designee and the Fire Commissioner or designee shall meet every three (3) months at a mutually agreeable time and place to exchange views and discuss matters of mutual concern that do not involve negotiations and that do not constitute the processing of a pending grievance.

Section 10.9 - Medical Grievances

Grievances concerning medical issues shall follow the procedure below. Medical issues are defined as grievances involving medical issues, including but not limited to the nonpayment of duty-related hospital or medical bills; removal of an employee

from duty for medical reasons; refusal to return an employee to duty from medical rolls; classification of any injury as non-duty-related and the Benefits Management Office's denial of payment of medical and hospital bills of an employee or his or her covered dependent under the City of Chicago Medical Care Plan for Employees.

Step One: Initiating a Medical Grievance. Grievances concerning the Benefits Management Office's denial of payment of medical and hospital bills will be filed with the Bureau of Employee Relations within ten (10) business days following the events or circumstances giving rise to the grievance or, if later, the date on which either the employee or his Union Steward knew or reasonably should have known of the events or circumstances giving rise to the grievance.

If the determination at Step One is not satisfactory, the Union may by written request made within fifteen (15) business days of the Step One response, or the expiration of the period for the said response submit the matter for mediation.

Step Two: Mediation of Medical Grievances. At mediation, representatives of the Union, the Fire Department, the Benefits Management Office and the Finance Committee of the City Council, shall participate, as needed. Any settlement reached in the mediation proceedings shall be binding upon the parties. Medical mediation sessions shall occur every sixty (60) days. The parties shall split evenly the cost of the Mediator's fees and expenses.

The grievant shall be provided with the relevant medical records within the possession of the Medical Section of the Personnel Division, the Committee on Finance, Benefits Management Office and Bureau of Employee Relations. A release shall be required for production of medical records. The relevant medical

records shall include the determination by the Medical Section of the Personnel Division of the grievant's status and the response to the grievance. The above records shall be submitted to the Union by the Department within forty-five (45) days of the Department's receipt of the Union's release and mediation agenda, setting forth the grievant's name. Relevant records from the Medical Section of the Personnel Division, the Committee on Finance, the Benefits Management Office and Bureau of Employee Relations shall be provided as stated above and throughout the grievance process until the grievance is fully resolved.

Relevant documents to be produced by the Benefits Management Office in mediation are limited to medical records, claim forms, medical bills, explanation of benefits, and recommendation to and decision of the Benefits Committee regarding the claim. This definition of relevant records to be produced by the Benefits Management Office does not preclude the Union from subpoenaing additional relevant documentation in response to the scheduling of an arbitration of a grievance.

Step Three: Arbitration. If the grievance is not resolved at Step Two, the Union upon written request within thirty (30) days of the date of mediation, may demand arbitration. The Mediator shall not be selected as the Arbitrator for the same case. The arbitration hearing shall be scheduled to commence within thirty (30) days of the selection of the Arbitrator. If they fail to agree, a list of seven neutrals who are members of the National Academy of Arbitrators and who have offices within the Chicago Metropolitan Area shall be requested from the American Arbitration Association (AAA), unless the parties mutually agree to utilize the services of the Federal Mediation and Conciliation Services (FMCS). Within five (5) days after receipt of the list, the parties shall select an Arbitrator. Both the Employer and the

Union shall alternately strike names from the list with the party striking first to be determined by coin toss. The remaining person shall be the Arbitrator.

ARTICLE XI. NO STRIKE AND NO LOCKOUT

No lockout of employees shall be instituted by the Employer during the term of this Agreement as a result of a dispute with the Union arising out of the terms of this Agreement.

No strikes of any kind and no slowdown, picketing or other concerted interference with, or interruption of, service shall be caused, sanctioned, instigated, condoned, supported or participated in by the Union or any employee during the term of this Agreement. Any or all employees who violate this clause shall be subject to immediate discharge.

ARTICLE XII. SAFETY, HEALTH & WELFARE

Section 12.1 - Hospitalization and Medical Coverage, Dental, Optical, Life Insurance Programs

A. The Employer's medical, dental, prescription drug, life insurance and vision plans for eligible employees and eligible dependents are incorporated by reference into this Agreement. The definition of eligible employees and eligible dependents is set forth in each respective program or plan. Eligible dependents under these plans are the employee's spouse and those dependents who are unmarried and less than twenty-five (25) (effective 10/1/2010, twenty-six (26)) years of age regardless of an employee's date of hire. Effective 1/1/2011, children until age 26 are covered, married or unmarried, and even if not a dependent. Contributions for coverage are set forth in Section 12.1G.

B. The Employer also agrees to make available to the following other persons the above described hospitalization and medical program, the dental plan, and the optical plan: employees who retire on or after age sixty (60) and their eligible dependents; widows and children of employees killed in the line of duty; former employees on pension disability (both duty and occupational) and their eligible dependents; widows and children of deceased employees who were formerly on pension disability. The Employer will contribute the full cost of coverage for any of the above enumerated persons who elect coverage under any plan or plans. However, coverage under a plan for such persons shall terminate when a person either reaches the age for full Medicare eligibility under federal law or ceases to be a

dependent as defined in a plan, whichever occurs first. After a person reaches the age for full Medicare eligibility, the person shall be covered under the medical program for annuitants provided the person pays the applicable contributions.

C. I. LMCC

(1) Local 2 commits to becoming a signatory labor organization of the labor-management cooperation committee known as the Chicago Labor-Management Trust ("Trust"). Upon the ratification of this Agreement, Local 2 agrees to meet with the Employer and representatives from the signatory labor organizations to the Agreement and Declaration of Trust establishing the Trust ("Trust Agreement") for the purpose of determining Local 2's representation within the Trust and the guidelines and procedures to be used in expanding the Trust to include the members of the bargaining unit. The parties contemplate that Local 2 shall have at least two (2) Trustees appointed to the Trust. After Local 2 becomes a signatory labor organization to the Trust, Local 2 shall be afforded the same right to withdraw from the Trust as is granted to any other signatory labor organization pursuant to the Trust Agreement. Notwithstanding Local 2's participation in the LMCC created by the Trust, the City and the Union agree

to negotiate with respect to health care issues that particularly affect firefighters and/or paramedics and present recommendations to the LMCC regarding such issues.

(2) Each party reserves the right to reopen this Agreement to negotiate the health care plan set forth in this Agreement for the following reasons:

(a) Any changes in the applicable laws, including a universal, national or state health care program, mandating significant changes in health insurance benefits that becomes law and is effective during the term of this Agreement and that affects the health care benefits or coverage offered to bargaining unit members or dependents; or

(b) The lack of achievement of health care cost containment as anticipated by the parties pursuant to the formation and administration of the Chicago Labor Management Cooperation Committee on Health Care pursuant to the Chicago Labor Management Trust ("Trust") on health care, as defined below:

- (i) The parties charge the Trust with the responsibility of approving Plan changes that will result in significant cost containment or savings, as measured by a projected increase of costs for any individual plan of no more than 8% in Fiscal Year 2011 and each fiscal year thereafter when compared to health care costs in Fiscal

Year 2010 and in each previous fiscal year thereafter, respectively.

(ii) Should any Plan changes approved by the Trust fail to result in such cost containment or savings as stated in subsection (i) above, the Trust shall make such adjustments in deductibles, co-pays and co-insurance to prevent the cost increase from exceeding 8% as measured in subsection (i) above.

(iii) Should the Plan changes approved by the Trust fail to achieve cost containment or savings as stated in subsections (i) and (ii) above by the end of the following fiscal year, either party may elect to reopen negotiations as set forth on the following specific topics:

- Health Plan set forth in this Agreement
- Structure of the Trust
- Composition of the Trust
- Funding of the Trust

(3) If any one of the foregoing events or conditions occurs, either party has thirty (30) days to notify the other party in writing of its intent to reopen this Agreement to negotiate the health care plan set forth in this Agreement. Thereafter, the parties have ninety (90) days within which to reach an agreement.

(4) Notwithstanding the foregoing, each party reserves the right to reopen this Agreement to negotiate the health care plan set forth in this Agreement no later than June 30, 2011.

(5) In the event that this Agreement is reopened to negotiate the health care plan, the health care plan in effect at the time the Agreement is reopened shall not be changed by the Employer without the written consent of Local 2. If the parties are unable to agree on modifications to the health care plan, the dispute shall be submitted to interest arbitration in accordance with Section 20.2.

E. The Employer shall conduct disciplinary investigations when it receives complaints or has reason to believe an employee has failed to fulfill his responsibilities as an employee and just cause for discipline exists. It is understood that polygraph examinations will not be used by the Employer in any phase of disciplinary investigations.

Prior to taking any final, disciplinary action and concluding its investigation, the Employer shall notify the employee of the contemplated measure of discipline to be imposed, and shall meet with the employee involved and inform him/her of the reasons for such contemplated disciplinary action. a. The minimum manning requirements of Section 16.4A shall be waived after all detailing has been accomplished (the City may exercise wide discretion to cover vacancies provided it follows the information requirements set forth in subparagraph c below) to the extent of one person per company, to a maximum of fifteen (15) positions at any one time.

b. In addition, the restrictions on acting out set forth in Section 16.3, shall also be waived to a maximum of fifteen (15) at any one time,

- (i) within a fire company for the position of Engineer and above,
- (ii) within an ambulance company for the position of Paramedic-in-Charge and above,
- (iii) within the Bureau of Operations for the position of Battalion Chief and
- (iv) within the Bureau of Operations for the position of Field Chief, and the most senior qualified of the available

employees within the company, or within the District (in the case of Battalion Chief or Field Chief) shall act out and be compensated for the period of acting at the same rate he would earn if promoted to that higher rank (or at his/her own regular rate if higher than the rank of the position in which he/she is acting).

Whenever feasible, the employee selected shall be from the same Company or the same District (in the case of Battalion Chief or Field Chief) where that office or vacancy exists; however, the ultimate determination and selection of the appropriate employee to fill the acting out of classification vacancy shall be left to the discretion of the Department.

c. The Company or District in which the absence occurred, as specified in paragraph 16.4D(a), does not have to be the Company or District which operates with minimum manning or an acting out of classification variance (i.e., the City may detail employees from one company or District to another to cover the particular vacancy at its discretion). However, the Union shall be notified on a daily basis when the original permitted absence occurred and the reason for the absence and the Company or District in which such absence occurred, as well as the Company or District in which the minimum manning or acting out of classification variance was exercised.

d.1(a) Notwithstanding the manning and acting variance maximums of fifteen (15) each, set forth respectively in subparagraphs a. and b. above, it is provided that the maximum number of manning

variances (as set forth in subparagraph a) may be increased up to an additional fifteen (15) (to a total of thirty (30)) at any one time, and the maximum number of acting variances (as set forth in subparagraph b) may be increased up to an additional fifteen(15) (to a total of thirty (30)) at any one time. This exception is expressly conditioned upon the strict requirement that there shall be no more than thirty (30) variances in the aggregate (manning and acting) used at any one time, and that for each manning variance over fifteen (15) used at any one time, the number of acting variances shall be reduced by one, and for each acting variance over fifteen (15) used at any one time, the number of manning variances shall be reduced by one. (For example, if at any one time nineteen (19) manning variances are used, only eleven (11) acting variances may be used; if at any one time twenty (20) acting variances are used, only ten (10) manning variances may be used, and vice versa).

(b) Notwithstanding the manning and acting variance maximums of fifteen (15) each, set forth respectively in subparagraphs a. and b. above and subparagraph d.1.(a) above, effective August 1, 2011, it is provided that the maximum number of manning variances (as set forth in subparagraph a) may be increased up to an additional twenty (20) (to a total of thirty-five (35)) at any one time, and the maximum number of acting variances (as set forth in subparagraph b) may be increased up to an additional twenty (20) (to a total of thirty-five (35)) at any one time. This exception is expressly conditioned upon the strict requirement that there shall be no more than thirty-five (35) variances in the

aggregate (manning and acting) used at any one time, and that for each manning variance over twenty (20) used at any one time, the number of acting variances shall be reduced by one, and for each acting variance over twenty (20) used at any one time, the number of manning variances shall be reduced by one. (For example, if at any one time twenty-two (22) manning variances are used, only thirteen (13) acting variances may be used, and if any one time twenty-four (24) acting variances are used, only eleven (11) manning variances may be used, and vice versa.)

2. It shall not be necessary for the remainder of an employee's shift to rehire for that employee who, during the employee's shift, is removed from attending to his duties on or after 1:00 p.m to seek medical attention because of a non-duty-related injury or illness.

3. Notwithstanding subparagraphs a., b., c., d.1, and d.2 above, when an emergency exists as determined by the Fire Commissioner, and relates to possible or actual structural fire activities each truck, engine and squad company shall be manned with no less than five (5) personnel and the Section 16.4 D.b exception to Section 16.3B shall not apply.

4. Under no circumstances shall any engine company, truck company, squad company or HazMat unit 5-1-1 or HazMat unit 5-1-2 operate with less than four (4) employees. Further, no ambulance will operate with less than two (2) employees, and

three (3) Command Vans shall operate with no less than four (4) employees.

e. The Union will be notified within 48 hours in writing of the use of variances to manning and acting, and in the event that a manning or an acting variance is used by the City in excess of the maximum number permitted, the employee or employees on the top of their respective Overtime Distribution Lists shall receive pay for the period involved (not less than 12 hours) at 2 ½ (two and one-half) times their hourly rate.

Section 16.5 - Residency

All employees covered by this Agreement shall be actual residents of the City of Chicago.

In an arbitration, the Union may not challenge the validity of the residency law or requirement. However, it may assert that an employee discharged for failure to meet the residency requirement was not discharged for "just cause," if it can be shown that other City employees similarly situated who also fail to comply with the residency requirement were either not discharged or suffered lesser penalties. In that circumstance, the factual questions together with the question of just cause and whether the discharge was discriminatorily based are matters for the Arbitrator.

Section 16.6 - Mileage Allowance

Employees in the Fire Prevention Bureau shall be paid the current IRS rate to a maximum of \$350.00 per month. An employee who receives such compensation

shall provide proof of insurance coverage as specified in the Classification and Pay Plan (Automobile Allowance, Provisions "F").

The maximum reimbursement shall be \$550.00 per month. Thereafter, the maximum reimbursement shall increase effective each February 1 by the percentage increase in the Transportation Expenditure Category of the Consumer Price Index for All Urban Consumers (CPI-U): U.S. City Average for the previous year, as rounded to the nearest \$5.00 increment. In addition, should the maximum mileage allowance for any employees represented in other bargaining units recognized by the City be increased further during the term of this Agreement, Local 2 represented employees shall also receive the monthly dollar increase.

Mileage allowance shall normally be received by the employee within thirty (30) days of the date on which the employee's mileage claim is submitted.

Section 16.7 - Permanent Assignments and Transfers

A. The Employer agrees that permanent job positions shall be defined as all bargaining unit job positions which are covered by this Agreement.

B. All employees shall be eligible for and maintain a permanent job classification and/or rank assignment within the respective bureaus and districts of the Fire Department.

C. Permanent Assignments and Transfers

1. Vacancies in a permanent assignment for any reason, including but not limited to any due to an assigned employee's retirement,

resignation, promotion, transfer, death, discharge for cause, authorized leave of absence in excess of three (3) months, and any due to newly created assignments or positions in the Bureau of Operations, Bureau of Fire Prevention, and Bureau of Support Services shall be filled on the basis of seniority. Such assignment vacancies in the classifications and/or ranks of Firefighter, Lieutenant, Captain and Battalion Chief in the Bureau of Fire Prevention shall be filled on the basis of seniority by geographically designated offices in that Bureau, (i.e., South, West, North, Central and North Kedzie). It is provided, however, that upon the posting of reasonable job qualifications, such qualifications to be determined by the Employer, for the positions of Training Instructor, Training Officer, Fire Investigations, Squads, Hazardous Material Unit, Air Mask Service, Equipment and Supply, Communications Van and Air Sea Rescue, such jobs shall be filled on the basis of seniority by employees who have such qualifications. It is also provided that vacancies in permanent assignments on ALS Fire Companies shall be referenced separately as ALS Fire Companies on the posted lists of vacancy assignments: however, when an ALS Fire Company has a sufficient number of EMT qualified employees (which shall be fifteen (15) qualified employees), then the senior bidder, whether or not EMT qualified, shall be assigned to the ALS Fire Company.

2. Notwithstanding the aforesaid, the following assignments or positions all of which require the use of specialized training or skills based upon reasonable minimum job qualifications, the content of which is to be determined by the Employer, need not be filled by the

Employer based on seniority, though the Employer shall take seniority into account:

- Research and Planning
- District Aide
- Non-Exempt Administrative Positions
- Personnel
- E.P.D.S.
- Inspection & Audits
- Helicopter Pilots
- Finance & Fiscal Management
- Records
- Property Management
- Building Maintenance
- Fire Communications
- Photo/Media Unit

3. Within the first two (2) weeks of the months of January, April, July and October, the Employer shall post a list of any and all assignment vacancies in all departmental work areas with a copy delivered to the Union. Effective upon the date of contract ratification, within the first two (2) weeks of each of the months of January, May and September, the Employer shall post a list of any and all assignment vacancies in all departmental work areas with a copy delivered to the Union. Employees within the same job classification and/or rank desiring a transfer or permanent assignment shall make a transfer application for the vacancy or vacancies of their choice, a copy of which shall be delivered to the Union and the applicant. The

Employer shall grant the transfer or permanent assignment to the successful applicant having made application within fifteen (15) days of the vacancy list being posted except where a different assignment is dictated by bona fide operational needs of the Department. Such exception shall not exceed seven percent (7%) of the number of permanent assignments made in each transfer order. Effective upon the date of contract ratification, transfer orders shall be posted within fifty-five (55) days from the date the vacancy list is closed. Concurrent with the posting of the transfer order the Employer will identify on the order the number and rank of the employees transferred to a permanent assignment which are to be charged against the exception. For the term of this Agreement the original assignment of candidates to active companies shall not be charged against the exception. The original assignments of candidates shall take place after the posting of the transfer order (i.e., not more than thirty (30) days thereafter) and before the posting of the next vacancy order. Any vacancy not bid upon shall be assigned to employees in relief positions, in accordance with Section 16.7D of this Agreement. The City shall post a list of non-ALS fire companies that are scheduled to become ALS fire companies and the dates they are scheduled to become ALS fire companies well in advance (at least ninety (90) days) of the dates, so that employees can have sufficient time to decide whether and when to obtain EMT-B and/or EMT-P license, and/or to transfer.

4. The duties of Battalion Aide and the Deputy District Aide shall be performed by an employee permanently assigned to a designated company housed with the Battalion Chief or Deputy District Chief.

When vacancies exist in the designated company housed with the Battalion, the Battalion Chief or Deputy District Chief may request a single employee to be permanently assigned to the company for the purpose of assuming the duties of Battalion Aide or Deputy District Aide and said selection shall be without regard to seniority. The Battalion Aide or Deputy District Aide shall be detailed from such permanent assignment to perform the duties of Battalion Aide or Deputy District Aide at the option of the employee and with the approval of the Battalion Chief or the Deputy District Chief. Such detail shall last for thirty (30) day periods which may be extended by mutual agreement of the aide and the Battalion Chief or Deputy District Chief. It is specifically provided, however, that such detailing shall not be an exception to the minimum manning requirements.

5. Both probationary employees assigned and employees transferring into Airport Operations must be Airport Rescue Firefighter certified within fifteen (15) months from such assignment. Failure to obtain certification within fifteen (15) months shall require a firefighter to request a transfer.

D. Relief Positions

1. Relief Positions shall not be considered permanent assignments. An employee who does not receive a permanent assignment after three (3) successive transfer orders may be assigned to any permanent vacant position remaining on the third transfer order after all other requests have been granted; provided, however, that the Employer shall assign the employee to any permanent vacant position

remaining on the third transfer order that is closest to the employee's residence, and provided further that the employee may bid for a permanent assignment on the next transfer order without regard to the one (1) year limitation. If more than one employee is subject to this assignment, the employee(s) on relief the longest will be the first assigned.

2. Subject to the foregoing, relief positions shall operate out of the districts rather than headquarters, except in the rank of Battalion Chief and EMS Field Officer which shall operate out of bureau/headquarters. Effective upon contract ratification and upon promotion to the ranks of Paramedic-in-Charge and Ambulance Commander, employees shall be assigned to relief positions. E.M.S. relief positions shall operate out of E.M.S Field Divisions. Initial promotional assignments to relief positions shall be made by the Employer; except that before promotional assignments to relief positions are made, employees then in relief positions and employees in forty (40) hour permanent positions may bid for two (2) and on the basis of seniority receive a minimum of 60% of the relief positions to be filled. Bids shall be closed fifteen (15) days after posting.

3. It is further provided, that any increase or decrease in the number of Bureaus or Districts or the restructure of any Bureaus or Districts deemed necessary by the Employer which would necessitate a decrease, expansion or rotation of relief positions shall without limitation entitle the senior relief employee(s) to opt for a change to any involved positions of his/her choice.

4. The Department will administer the following policy: When the Employer determines that there is an excess on a shift by Daley Day within a District, the least senior relief employee shall be moved unless a more senior relief employee assigned to the shift and Daley Day where such excess exists opts for the change, in which case the senior employee shall be moved. Any dispute in administering this policy shall only be resolved pursuant to discussions between the Business Agent and the District Chief or his designee.

5. When the Employer determines that there is an excess in a rank of E.M.S employees on a shift within a Field Division, the least senior relief employee shall be moved unless a more senior relief employee assigned to the shift where such excess exists opts for the change, in which case the senior employee shall be moved. Any dispute in administering this policy shall only be resolved pursuant to discussions between the Union Business Agent or Director of EMS and the Deputy Chief Paramedic or his/her designee.

E. The transfer of an employee to a vacancy or assignment of his choice, either pursuant to Section 16.7C or the second and third paragraph of Section 16.7D, that results in the working of successive shifts or a Daley Day change, shall constitute an exception to Section 4.1 of this Agreement.

F. No employee shall be transferred or detailed for punitive reasons.

Section 16.8 - Contracting and Subcontracting of Work

The Employer recognizes the integrity of the bargaining unit. It is intended and understood that the work described herein, which encompasses all the work of the Fire Department in all of its Bureaus and facets is exclusively the work of bargaining unit employees and, except as otherwise provided, shall be performed by bargaining unit employees.

During the term of this Agreement the Employer shall not contract out, subcontract, or in any manner transfer out or assign to others any work performed by employees covered in this Agreement, except in the case of an emergency involving a natural or human disaster, or where non-bargaining unit personnel or persons have performed such work since January 1, 1984. Further non-bargaining unit personnel or persons may only perform such work or work similar and related to that which they performed since January 1, 1984, strictly provided that any work performed by non-bargaining unit personnel or persons shall not limit any bargaining unit employee's promotional opportunities, cause any bargaining unit employee's classification to be lowered or eliminated, or cause any bargaining unit employee to be laid off or displaced.

The terms "contract out" or "subcontract" shall include any agreements requiring work by employees to be performed outside the corporate limits of the City of Chicago or the use of other employees of the City or any other City, business, etc., to perform the work of the bargaining unit members.

Section 16.9 - Protective Gear and Clothing Allowance

A. The City shall furnish to all uniformed members of the firefighting services, as prescribed and/or directed by the Fire Commissioner and consistent with the provisions of Section 12.2, dress uniforms, work clothes,

and protective clothing and gear, which shall be replaced at the City's expense when worn out through normal use or destroyed or damaged beyond repair. Replacement will be accomplished by the Department as soon as possible and shall be made on an exchange basis, except for a new issue for which no exchange will be necessary. The Employer is not responsible for replacing items lost or stolen. All clothing, except bunker gear, helmets, fire boots and dress uniforms shall be considered used up after five years.

B All platoon employees will receive the sum of \$1,250.00 per year, \$625.00 payable on or before March 1st, and \$625.00 payable on or before September 1st. After the March 1, 2007 payment, EMS platoon employees shall not be paid a protective gear and clothing allowance for the term of this Agreement.

C. All forty (40) hour employees will receive the sum of \$1,500.00 per year, \$750.00 payable on or before March 1st and \$750.00 payable on or before September 1st, for cleaning and maintenance of dress uniforms, work clothes and protective clothing.

Section 16.10 - Hook and Ladder, Squad Drivers, ALS Ambulance Drivers, Tillerman, Shop Apparatus, Ancillary Apparatus

The Employer shall pay the regular Driver and Tillerman of Hook and Ladder Companies, Drivers of Squad Companies, Communications Vans, "B" licensed repair shop drivers (fire fighters permanently assigned to the repair shop), Helicopter Pilots, ALS Ambulance Drivers and Drivers of Ancillary Apparatuses at the employee's next pay step. It is provided, however, that such drivers' pay for

employees at step 6 and over shall be no less than the monetary equivalent of the percentage (%) difference between Appendix B, steps 5 and 6. The regular driver of the Company shall be the employee selected by the Company Officer and whose duties normally encompass driving the apparatus or squad.

Section 16.11 - Training

A. The Employer and Union are committed to the principle of training for all employees in order to improve the efficiency and effectiveness of the Fire Department. Said training shall be provided insofar as it does not adversely affect and interfere with the orderly performance and continuity of municipal services within the Fire Department. Training shall be scheduled by the Fire Commissioner or his designee. The Employer will furnish training to the extent it determines necessary and possible in keeping with operational needs and manpower scheduling, for employees interested in becoming qualified for positions of Training Instructors, Air Mask Service, Air Sea Rescue and Squads. Employees will attend training sessions during their normal hours of duty. Training will be scheduled in a manner which does not undermine or erode the minimum manning standards established in this Agreement.

For the purpose of training, the Employer may schedule for up to eight (8) hours (normally to take place between 8:00 a.m. and 4:00 p.m.) on a platoon shift during normal duty hours, a total of thirty-five (35) firefighters, engineers and officers, and of this total up to fifteen (15) may be officers.

1. It is provided, however:

a. Such training shall take place within the County of Cook, Illinois, or the Great Lakes Naval Training Center in Lake County, Illinois.

b. The Employer shall notify employees who are to report for training at locations other than their normal company assignments, no later than their duty day prior to the duty day when they are to report for such training.

c. At the conclusion of their day's training assignment, employees shall report back to their normal duty assignment.

d. During the training period and until employees report back to their normal company assignments (but no longer than two (2) hours after the training), the truck and engine companies to which these employees are assigned shall operate with no fewer than four (4) employees.

2. It is further provided:

a. Employees who act in place of an engineer or officer during such training, and until the engineer or officer returns, shall be compensated for that period of acting at the same rate the employee would have earned if promoted to the higher rank. Whenever feasible the employee selected shall be from the same Company or same District (in the case of Battalion Chief or Field Chief) where that office or vacancy exists; however, the ultimate determination and selection of the appropriate

employee to fill the acting out of classification vacancy shall be left to the discretion of the Department.

b. Any such training on a Saturday shall be up to four (4) hours and no such training shall take place on Sundays and holidays.

c. No such training shall be scheduled or take place, and if cancelled employees shall be directed to report back to their normal company assignments, when:

i. the temperature is projected to reach or reaches 20° Fahrenheit or below for Chicago as determined by the National Weather Service; effective July 1, 2014, unless the training is held indoors in a climate controlled facility;

ii. the temperature is projected to reach or reaches 90° Fahrenheit or greater for Chicago as determined by the National Weather Service; effective July 1, 2014, unless the training is conducted indoors in a climate controlled facility;

iii. during inclement weather as determined by a superior officer;

iv. during Fire Prevention Week; or

v. ordered by a superior officer.

3. For any non-compliance by the City with respect to exceeding the number of employees permitted for training, the locations, the periods of time or the dates for training, the employee or employees on the top of their respective Overtime Distribution Lists shall receive pay for the period involved (not less than four (4) hours) at two and one-half (2 1/2) times their hourly rate.

A. The Employer and Union shall each name three (3) representatives to a training committee. Such committee shall meet and discuss ways to improve training and may, by mutual agreement, make recommendations to the Fire Commissioner. The Commissioner shall promptly issue a report as to his views as to the Committee's recommendation. Members of the training committee shall be provided with access to training materials and curriculum, and shall be allowed to monitor training sessions on their off days conducted prior to or concurrent with the training committee's meetings in order to facilitate the committee's work.

B. Employees upon their voluntary request shall be permitted to attend non-required and non-mandatory-job-qualification educational functions or seminars at the Fire Academy during off duty hours and without additional pay. There shall be at least ten (10) days written notification to all work locations prior to such educational functions or seminars.

C. EMT-B/EMT-P Training

1. The City shall provide EMT-B training which shall be mandatory for new hires, who shall be required to be licensed by the State of Illinois as an EMT-B prior to the end of their nine (9) months as a probationary employee.

2. For non-probationary employees interested in obtaining an EMT-B license, off duty EMT-B training will be available through the Chicago City Colleges, and such employees shall be given the opportunity to function in the Chicago EMS System.

Section 16.12 - Medical Benefit Letter

Upon written request the Employer shall furnish to all employees who in the course of their employment are injured or become ill resulting from the performance of their duties, a statement showing the period of absence and the amounts received during the period of absence due to such injury or illness. Upon written request the Employer shall also provide to each occupational or duty disability retiree the same statement as above covering the period of absence due to the injury or illness prior to retirement.

The Employer will continue to furnish these documents upon request of the employee until the Internal Revenue Service concludes that they are of no value for tax purposes.

Section 16.13 - Indemnification of Employees

A. Employer Responsibility

The Employer shall be responsible for, hold employees harmless from and pay for damages or monies which may be adjudged, assessed, or otherwise levied against an employee covered by this Agreement, subject to the conditions set forth in Section 16.13D.

B. Legal Representation

Employees shall have legal representation by the Employer in any civil cause of action brought against an employee resulting from or arising out of the performance of duties.

C. Cooperation

Employees shall be required to cooperate with the Employer during the course of the investigation, administration or litigation of any claim arising under this Section.

D. Applicability

The Employer will provide the protections set forth in Sections 16.13A and 16.13B above so long as the employee is acting within the scope of his employment and where the employee cooperates, as defined in Section 16.13C with the City of Chicago in defense of the action or actions or claims.

E. Indemnification

Any obligation of the City of Chicago to indemnify employees for punitive damages assessed, adjudged or otherwise levied shall be based upon City Ordinances and/or State Statutes providing for such indemnification.

Section 16.14 - Special Compensation Time

If, as a result of a declaration by the Mayor, all employees of the City of Chicago except for Police and Fire Department employees are given a day off or portion

thereof with pay, then all employees covered under this Agreement who are required to work during such excused time shall be given additional pay at the straight-time hourly rate for all the hours that normally would have been worked by such other City employees.

Section 16.15 - Specialty Pay

The following employees shall receive specialty pay equal to five percent (5%) of their annual salaries:

- Hazardous Material Technicians
- Certified Divers

Pro-rata payment shall be made quarterly in January, April, July and October.

Newly hired employees may not receive Hazardous Material Technician specialty pay until commencement of Step 4 in the salary schedule.

The City shall maintain no fewer than 200 Certified Divers at any one time. In the event an employee is detailed or assigned to a unit or assignment where the employee is required to dive, the employee shall receive Diver Specialty Pay upon becoming a Certified Diver regardless of the number of Certified Divers then receiving Specialty Pay. Under no circumstances shall the Department require or permit an employee to dive who is not a Certified Diver. Provided further, no employee who is receiving this Specialty Pay as of the date of contract ratification shall be removed from the roster of employees receiving this Specialty Pay regardless of whether there is an excess of 200 Certified Divers.

ARTICLE XVII. RULES AND REGULATIONS

Section 17.1 -

A. The Union agrees that it and its members shall comply, in full, with all Fire Department Rules and Regulations and Practices and Procedures that are not in conflict with the provisions of this Agreement.

B. The Employer shall name three representatives and the Union shall name three representatives to sit as a committee to review the existing Fire Department Rules and Regulations. Such committee shall meet promptly and may by mutual agreement make recommendations to the Fire Commissioner. The Fire Commissioner shall promptly issue a report as to his views as to the committee's recommendations.

Section 17.2 -

New or revised rules and general orders having the effect of changing a rule or regulation may be established from time to time by the Employer. Any such new or revised rule(s) or general order(s) shall be posted ten (10) days before they become effective or enforceable. Where possible, the Employer shall endeavor to discuss proposals for new rules and regulations and general orders with the Rules and Regulations Committee prior to posting.

Section 17.3 -

The Employer agrees that the uniform rules and regulations of the Fire Department are to be fairly and equitably administered and enforced. Any employee shall have the right to appeal to the grievance procedure for violation of this clause.

Section 17.4 - Career Service Exemption

Chapter 25.1 of the City Code and the rules and regulations promulgated thereunder by the Department of Personnel shall continue in effect to the extent that they are not inconsistent with or in conflict with the provisions of this Agreement.

ARTICLE XVIII. SAVINGS CLAUSE

If any provision of this Agreement or the application of any such provision should be rendered or declared invalid by any court action, or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect and the subject matter of such invalid provision shall be open to immediate negotiations.

ARTICLE XIX. GUARANTEE OF TERMS

The Employer agrees that this Agreement shall be immediately submitted to the City Council of the City of Chicago for ratification and concurrent adoption in ordinance form pursuant to the City's Home Rule authority. Such action by the Council shall commit the City of Chicago to enact no subsequent ordinances, executive orders or rules and regulations having the force and effect of law which would impair the binding effect of or make unenforceable the terms of this Agreement.

ARTICLE XX. DURATION AND TERMINATION

Section 20.1 - Notice

Notification for a Successor Contract

This Agreement and each of its provisions shall be effective as of July 1, 2012, and shall continue in full force and effect until June 30, 2017, and thereafter, unless either party notifies the other in writing by February 1, 2017 or ninety (90) days prior to any June 30th anniversary date thereafter that it desires to modify or amend this Agreement. Negotiations shall commence by March 1, 2017 and shall continue for a period of sixty (60) days until May 1, 2017. The parties may extend the negotiation period by mutual agreement.

Section 20.2 - Impasse Resolution - Binding Arbitration Board

In the event that disputed items cannot be resolved during the negotiation periods under Section 20.1, all disputed items shall be referred to a three-person (3) Arbitration Board, one member to be selected by each of the parties and the third member to be jointly agreed-upon by the parties, using the same procedures specified in Article X for the selection of a neutral Arbitrator who shall be a member of the National Academy. The terms decided upon by the Arbitration Board shall be submitted as provided by applicable state law, except:

(a) regardless of when or if any demand for mediation or interest arbitration is served by one party on the other, or when or if the parties mediate or when any service of a demand for interest arbitration is made, the Arbitration Board shall have express authority and jurisdiction to award changes in wages, benefits and all forms of compensation retroactive to July 1, 2017; and

(b) that the Arbitration Board will have the authority to consider a party's final offer on one or more issues, economic or non-economic, that is/are combined as a package offer or a party's alternative offers; provided that such offers are submitted prior to the completion of any evidentiary hearing. The terms of the current Agreement shall continue to bind both parties hereto during all negotiations and impasse resolution procedures; and

(c) neither party may demand or invoke arbitration or serve any demand for interest arbitration upon the other party before January 1, 2019, except further, however, as provided in Section 5.1.B.(c) either party may demand and invoke interest arbitration at any time following the ninety (90) day period or agreed to extension as set forth in Section 5.1.B.(c).

Section 20.3 - Ratification and Enactment by the City Council

If the parties reach a complete agreement as to the items for negotiation at the end of either negotiation period (Section 20.1.A or 20.1.B), the following procedure shall apply:

i. The Agreement will first be presented to the Union membership with Local No. 2's Executive Board's recommendation for ratification.

ii. Within fifteen (15) days after ratification by the Union membership, the Agreement will be submitted to the City Council of the City of Chicago, with the Fire Commissioner's and Mayor's recommendation for ratification and concurrent adoption in ordinance form pursuant to the City's Home Rule authority. The Employer and Union shall cooperate to secure this legislative approval.

iii. In the event the City Council should reject the recommended Agreement, the parties shall meet again within ten (10) days of the Council's vote to discuss the reasons for the Council's rejection and determine whether any modifications can be made to secure the Council's approval: thereafter, either party may invoke arbitration in accordance with Section 20.2 upon ten (10) days written notice to the other party.

For purposes of this Section, rejection by the City Council will be in accordance with applicable state law.

Appendix G- Equal Opportunity

Section 1 - Compliance with Court Settlements and Decrees

The City of Chicago will immediately take all action necessary to assure compliance with agreements reached and decrees issued in court proceedings affecting hiring, promotion and other employment policies of the Fire Department. In addition, to the extent not specifically required by, and not inconsistent with, such agreements or decrees, and to the fullest extent consistent with applicable law, the Department will implement the policies and programs set forth in the following paragraphs.

Section 2 - Hiring and Recruitment

A. Goals

The parties agree that hiring and recruitment programs of the Fire Department shall have as a goal to achieve in the shortest possible time a total force in which approximately thirty percent shall be Black and fifteen percent Hispanic. To this end, the hiring and recruitment programs should aim to assure that at least 45% of all recruits added to the force hereafter shall consist of Blacks and Hispanics. Within 90 days of the effective date of this Agreement the City will publish the initial steps it plans to take to remove all racial inequalities in the Chicago Fire Department.

B. Programs

In addition to such other recruiting procedures and programs as the Fire Department may use, the Department will actively advertise for recruits in communities primarily populated by Black and Hispanic residents and will seek the aid of and will cooperate with church and community organizations in such areas.

Section 3 - Transfers and Promotions

A. Goal

The parties agree that the transfer and promotion policies of the Fire Department shall have, as a goal, the inclusion of Black and Hispanic personnel in all categories and all ranks in order to reach as quickly as is reasonably possible a level as close to 45% as is reasonably achievable.

B. Programs

I. Training

All members of the force shall be given the training and special educational opportunity necessary to qualify them for promotion. This shall include in service training and educational programs as well as opportunity for attendance at

educational institutions, where necessary with adequate arrangements for paid time to permit the individual to participate in such programs.

2. Equality of Opportunity

Promotional and transfer opportunities shall be made available to all qualified members of the force. Examinations, where used, and any other standards and descriptions of required qualifications, shall be reviewed and any elements which have the effect of discrimination against Blacks or Hispanics shall be eliminated. The Department will take all reasonable steps, by posting and other means, to encourage Black and Hispanic members of the force and applicants for employment to apply for positions for which they show potential or desire, and are, or can within a reasonable time, become qualified.

3. Remedying Past Discrimination

There shall be an immediate review of the status of all Black and Hispanic firefighters in order to determine those whose time in grade would make them eligible for promotion had not discriminatory practices existed in the past. Within 90 days of each anniversary date of the signing of this contract, the Department shall review the status of all Black and Hispanic members of the force and prepare a written report stating whether there is any reason other than past racial discrimination for the failure of such individual to achieve promotion, and, if so, the facts supporting the conclusion. Where it is found that there is a reason for non-promotion which can be remedied by appropriate training or educational opportunity, special arrangements shall be offered to enable such individual to have the necessary training or educational opportunity. Where no reason other than past discrimination is found for non-promotion of such individuals, preference will be given for the next promotion or promotions available. Where promotions are made on the basis of examination, such past discrimination shall be remedied by giving, in the case of those who achieve a passing grade in such examinations and otherwise qualified, preference over other candidates for promotion with equal or lesser length of service.

a. Establish of Responsibility for Implementation. The City shall assign a special Department Affirmative Action Officer to assure implementation of the Chicago Fire Department Affirmative Action Plan. The Affirmative Action Officer shall be of equivalent rank as an Assistant Commissioner. It is within the Officer's scope of duties to assign responsibilities for the implementation of the plan on an intra departmental basis to assure that it is carried out in every phase of Department operations. The Officer will report to the Mayor, initially on a bi-monthly basis for six months, thereafter monthly. The Officer is mandated from time to time to make "on the spot audits" of the effectiveness of the Affirmative Action Plan and shall recommend remedial and corrective action where such is needed. This Officer will serve as a liaison between the City of Chicago and the

Community Advisory Board of the Chicago Fire Department, apprising that body of the progress of the Affirmative Action Plan through periodic reports of areas which need attention and corrective action.

b. Agreement Prohibits Sex Discrimination. Opportunities within the Department and at all promotional levels shall be available to persons, regardless of sex and the same provisions herein recommended shall be applicable for female candidates within the Department.

Section 4 - Community Advisory Board

A. Composition

The City of Chicago Medical Care Plan for Employees ("Plan") shall consist of three coverage plans: (1) a PPO plan ("PPO"); (2) a PPO Plan with a Health Reimbursement Account ("PPO/HRA"); and (3) two HMO plans ("HMO").

1. Modifications to PPO/HRA Plan Alternative

If the PPO/HRA alternative lacks sufficient employee enrollment or is cost prohibitive, the Employer may discontinue that alternative, provided that the Employer provides reasonable prior notice to the Union and an opportunity for those enrolled in the PPO/HRA to enroll in another plan. For this purpose, "reasonable notice" shall be defined as notification in writing of the Employer's intent to discontinue the plan at least ninety (90) days prior to the proposed discontinuation where circumstances are within the City's control. In all other cases, the City will provide the maximum notice as is practicable under the circumstances. In addition, in the event that a new health care plan becomes available to the City during a Plan year, the Employer shall have the right to include that new plan in the Plan alternatives upon reasonable prior notice to and discussion with the Union.

2. Plan Design

(a) Network Plans:

- (i) The deductibles, co-insurance and out-of-pocket maximums for the PPO Plan and PPO/HRA Plan are set forth in Exhibit 1 hereto.
- (ii) No change in the composition of the hospital network in effect at the time this Agreement is executed shall be made except in compliance with the following:
 - a. The Union shall be notified in writing of the intent to change at least ninety (90) days prior to the proposed change where circumstances are within the City's control. In all other cases, the City will provide the maximum notice as is practicable under the circumstances.
 - b. The notice referred to shall, at the time the notice is given, provide sufficient information to explain the contemplated action and shall include, at a minimum, but not be limited to:
 - (1) The affected institutions;
 - (2) The precise reason(s) the action is being contemplated;
 - (3) The numbers of covered participants (employee and/or dependents) receiving in-patient service from such affected facility at the time the notice is given; and

- (4) The number of covered participants (employees and/or dependents) receiving in-patient service from such affected facility during the preceding twelve (12) months.

c. The City shall meet within seven (7) calendar days of a request from the Union to discuss the proposed change, shall provide all additional relevant information which is reasonably available, and shall be responsible for such notices to participants as may be reasonably demanded by the Union. In the event the parties are unable to resolve a dispute within seven (7) calendar days of the first meeting or such other time as may be mutually agreed upon, the dispute shall be submitted to arbitration pursuant to Section 10.9, Step 3 within ten (10) days, and both parties shall cooperate to expedite the proceedings.

No change, modification or alteration covered by this subparagraph 2(a)(ii) shall be made or permitted for arbitrary or discriminatory reasons; nor shall any change, modification or alteration result in the unavailability of quality health care services in a specific geographic area.

- (iii) The PPO/HRA Plan shall have an HRA account for each employee, to be administered by a claim administrator or other third-party administrator to be selected by the Employer with prior notice to the Union. The account shall be credited with \$500.00 per individual and \$1000.00 per family per Plan year. Such amounts must be used for "qualified medical expenses," as defined by the Employer.
- (iv) The PPO and PPO/HRA Plans' wellness benefit with a maximum annual amount of \$600.00 per covered individual shall not be subject to deductibles or co-insurance.
- (v) All newly hired employees after Contract ratification shall be required to participate in the PPO plan for the first eighteen (18) months of employment. These employees shall be eligible to participate in the first open enrollment period following the eighteen (18) month anniversary of their dates of hire.
- (vi) The emergency room co-payment for the PPO, PPO/HRA, and HMO Plans shall be waived in the event the individual is immediately admitted to the hospital.

Agreement

MEMORANDUM OF UNDERSTANDING
BETWEEN THE
CITY OF CHICAGO
AND
CHICAGO FIRE FIGHTERS UNION, LOCAL NO. 2
REGARDING
RETIREE HEALTH CARE BENEFITS

The parties agree that the health care benefit provided to employees who retire on or after age sixty (60) pursuant to Section 12.1B of the parties' collective bargaining agreement ("Agreement") shall be extended to employees who retire on or after age fifty-five (55), subject to the following terms and conditions:

A. Applicability

This memorandum of understanding applies only to an employee who retires on or after age fifty-five (55) with a retirement date on or after November 1, 2011, and who intends to avail himself/herself of the health care benefit provided to employees who retire on or after age sixty (60) by Section 12.1B of the Agreement.

B. Health Care Benefits Upon Retirement

1. Employees Who Retire on or After Age Sixty (60)

Employees who retire on or after age sixty (60) shall continue to receive the health care benefit set forth in Section 12.1B of the Agreement.

2. Employees Who Retire on or After Age Fifty-Five (55) and Before Age Sixty (60)

Employees who retire on or after age fifty-five (55) and before age sixty (60) shall be eligible for the health care benefit set forth in Section 12.1B of the Agreement, subject to strict compliance with the following conditions and limitations:

- a) Employees who wish to avail themselves of this benefit must submit written notice of their intent to retire to the official designated for this purpose by the Department no later than October 1 of the calendar year preceding the effective date of retirement.
- b) The effective date of retirement, as referenced above, may not be any earlier than November 1 of the calendar year following submission of notice of intent to retire.
- c) Effective for retirements occurring in 2015 and thereafter, no more than 140 employees shall be permitted to avail themselves of this benefit in any one calendar year. Of these 140 employees, up to 126 employees may come from non-EMS employees and up to 14 may come from EMS employees. In

the event fewer than 126 bargaining unit non-EMS employees apply for this benefit, the remaining slots shall be allocated to EMS bargaining unit employees, up to the number of 126, in addition to the 14 allotted for EMS employees. The same reallocation principle shall apply in the event fewer than 14 EMS employees apply. In both cases, no more than 140 employees in total shall be permitted to avail themselves of this benefit.

- d) In the event the number of employees who apply for the benefit in each grouping, i.e., (i) non-EMS employees, and (ii) EMS employees, exceeds the annual numerical limit for that grouping, then the successful applicants will be determined on the basis of seniority, as defined in Section 9.1A of the Agreement.
- e) The written notice of intent to retire, as described in paragraph 2(a) above, is irrevocable, except that the notice of intent may be revoked by the employee under the following circumstances: (i) non-selection because of insufficient seniority as described in paragraph 2(e) above; (ii) the employee is on Medical Status (as defined by the CFD Medical Order) between the dates the employee submits his/her notice of intent to retire and the intended date of retirement; or (iii) death of an employee's spouse or child between the dates the employee submits his/her notice of intent to retire and the intended date of retirement. When the designated Department official receives an employee's written revocation of intent to retire, the benefit shall be awarded to the next senior employee or employees in the grouping, who has (have) applied and still desire(s) the benefit.
- f) Each employee who has submitted a written notice of intent to retire, under the terms of paragraph 2(a) above, shall be informed in writing by the Department whether that employee is or is not a successful applicant to receive the benefit that is provided for in this Memorandum of Understanding. Employees and the Union shall be so informed in writing not later than 30 days after the cutoff dates referenced in paragraph 2(a) above.
- g) An employee who has been informed that he/she is a successful applicant and who has received his/her furlough assignments, may keep such furlough assignments or rescind all assigned furlough periods and receive furlough buyouts at retirement.
- h) The Department shall time stamp each employee's written notice of intent to retire and provide a copy to the employee upon receipt and to the Union within ten (10) days thereafter.
- i) As a further condition of eligibility for this benefit, under no circumstances may an employee who has been discharged pursuant to the provisions of

Section 16.2 of the Agreement be eligible to avail himself/herself of this benefit.

- j) Effective January 1, 2015, employees retiring on or after age fifty-five (55) and before age sixty (60) shall contribute for the cost of this benefit 2% of the annuity received from the Firemen's Annuity and Benefit Fund of Chicago, which contribution shall remain in effect until the employee no longer avails himself or herself of the benefit or reaches the age for full Medicare eligibility under federal law. Employees who retire on or after age sixty (60) pursuant to Section 12.B of the Agreement shall continue to receive health care benefits at no cost as provided for therein.

Implementing Agreement re: Health Care
Benefits for Employees who Retire on or after Age Fifty-Five (55)

Chicago Fire Fighters Union, Local No. 2 ("Union") and the Chicago Fire Department ("Department") have reached the following agreement with respect to implementation of specific provisions of their Memorandum of Understanding Regarding Retiree Health Care Benefits, dated April 10, 2014.

The parties agree that employees on Occupational Disability or Duty Disability Leave of Absence are entitled to participate in the retiree health care benefits applicable to employees who retire on or after age fifty-five (55) provided for in the Memorandum of Understanding, provided they satisfy all other eligibility requirements, including, but not limited to, timely submission of written notice of intent to retire and seniority.

Notwithstanding the limitations of the number of employees in groupings (EMS and non-EMS) who retire in 2015 and thereafter, employees on Occupational Disability or Duty Disability Leave of Absence who qualify for the benefit as set forth above shall not reduce the number of other employees who may receive the benefit. (If, for example, in 2014 a total of 126 non-EMS employees are eligible to receive this benefit, and if, of the 126 most senior non-EMS employees who submit timely written notice(s) of intent to retire, seven (7) employees are on Occupational Disability or Duty Disability Leave(s) of Absence, then an additional seven (7) non-EMS employees, who previously submitted timely notice(s) of intent to retire, shall be eligible to receive the benefit in 2015, on a seniority basis.)

This identical approach shall be applied with respect to EMS employees.

In addition, the parties agree that previously exempt members of the Department who return to the bargaining unit in 2014 and thereafter shall be eligible to receive this benefit in 2015 and thereafter, provided they satisfy the contractual requirements. The parties further specifically agree that the number of former exempt members receiving this benefit shall not reduce the number of non-exempt employees who may receive this benefit.

Agreed to this 10th day of April, 2014.

Re: Wellness Benefits

Dear Mr. Sugatman:

This letter confirms our understandings regarding the implementation of the wellness component of the PPO Medical Plan (the "Wellness Benefit") agreed upon by the City and Local 2.

- **Annual Routine Physical Examinations**

The Wellness Benefit provides for one (1) annual routine physical examination. The City and Union recognize that there may be instances when it is in the best interest of eligible persons and consistent with the purpose of the Wellness Benefit that they have more than one (1) routine physical examination annually. To be eligible for more than one (1) routine physical examination annually, the person must submit to the Benefits Management Office a statement from his or her physician stating the reasons why more than one (1) annual routine physical examination is necessary. The additional physical examination(s) shall be otherwise subject to all of the other conditions of the Wellness Benefit.

The parties recognize that the above applies only to routine physical examinations and not to physical examinations necessitated by a doctor's diagnosis of a medical condition requiring treatment.

- **Contact Lenses**

Subject to all other aspects of the Wellness Benefit, the City shall make available a twelve (12) month supply of disposable contact lenses.

- **Wellness Benefit Committee**

The Union and City shall appoint no more than two (2) persons each to a Wellness Benefit Committee ("the Committee"). The Committee shall monitor and review the usage of the Wellness

Benefit by bargaining unit members and other eligible participants. The Committee, in anticipation of negotiations, may also recommend to the City and the Union design changes to the Wellness Benefit, including additions, eliminations or modifications of current benefits. The Committee shall report quarterly to the Union and the City.

If the above comports with your understandings, please so indicate in the space provided below.

Re: Health Fair

Dear Mr. Franczek:

This confirms the parties' agreement that the City will remit to the Chicago Fire Fighters Union, Local 2, \$75,000 per year, upon receipt from the Union of its report in writing regarding \$75,000 expenditure in each year, as described below.

The parties further agree that these monies are solely for the purpose of supporting a Union-sponsored health fair for its members. The Union agrees that it will advise the City in writing regarding the planning, participation, implementation and results of its health fair(s). The Union and the City will meet after any health fair to discuss the results of the health fair and assess its success, including its benefit to Union members and the effect it had or will have of reducing the City's health care costs for bargaining unit members.

Re: Section 5.1.C. Wage and Insurance Protections

Dear Mr. Sugarman:

This letter re-confirms our understandings regarding Section 5.1.C. (Wage and Insurance Protections) of the collective bargaining agreement. It is understood that, if the City and any of the bargaining units represented by PB-PA Unit 156 should agree to incorporate the current non-salary compensation into salary, Section 5.1.C. will not be applied so as to result in different levels of salaries between comparable police and fire ranks, provided that in no event shall the salary differential between fire captain and fire battalion chief be reduced.

Dear Mr. Sugarman:

This letter will confirm the parties' understanding that if the City makes out of rank order promotions for affirmative action purposes from examinations administered after January 1, 1997, the City will:

- a. use one standard error of difference (SED); and
- b. use the promotional methodology referenced below.

The SED is determined by the formula: the standard error of measurement (SEM) multiplied by the square root of two ($SED = SEM \sqrt{2}$). The SEM is determined by the formula: the standard deviation of the test scores multiplied by the quantity, the square root of one minus the reliability coefficient for the test ($SEM = \sigma \sqrt{1 - r_{composites}}$; where σ represents the standard deviation of observed scores on the overall test, and $r_{composites}$ represents the reliability estimate of the overall test.) The SEM and the SED will be determined by the City's consultant, to be verified by the Union's consultant, and the City will provide the necessary data to the consultants for this purpose.

The City acknowledges the band widths shall be no wider than one (1) SED and that it will use the same fixed/sliding band methodology it has been using for promotions during the period of the last agreement, but using one (1) SED for band widths. It is understood that this letter agreement does not apply to performance selection promotions described in Section 9.3.B.4.

It is also agreed that nothing contractually or herein shall be construed to waive any party's or employee's claim involving constitutional or statutory rights or to waive judicial resolution of any such claim.

Re: Assistant Deputy Chief Paramedic

Dear Mr. Franczek:

This will reconfirm the agreement of the parties with respect to the position of Assistant Deputy Chief Paramedic, formerly designated as District Commander.

Effective upon ratification of the January 1, 1992 - June 30, 1995 Agreement the position of District Commander by agreement was upgraded from pay grade F5 to pay grade F6. Thereafter, effective January 1, 1995, the position of District Commander, up to a maximum of 11 District Commanders, was excluded from the bargaining unit subject to certain express understandings and agreements:

1. Those individuals holding the position of District Commander on the date of ratification of the 1992-1995 Agreement had the option of electing to remain within the bargaining unit. Those who so elected reverted to the position of Field Officer, but continued to be paid at the F6 pay grade. Those who accepted appointment to the exempt rank position were paid at the F6 pay grade, and if subsequent to their acceptance they voluntarily relinquish(ed) such appointment or their appointment is or was rescinded by the Fire Commissioner, they reverted or shall revert to the position of Field Officer and continue to be paid at the F6 pay grade. Subsequent to January 1, 1995, the position of District Commander was redesignated Assistant Deputy Chief Paramedic.

2. It was and is agreed that future appointments to the position of Assistant Deputy Chief Paramedic (formerly designated District Commander) at the F6 pay grade shall come from the rank of Field Officer. If a Field Officer who accepts such appointment voluntarily relinquishes the appointment or the Fire Commissioner rescinds the appointment, that individual shall revert to the position of Field Officer at the F5 pay grade.

3. It is understood that individuals serving in the exempt rank position of Assistant Deputy Chief Paramedic may have their appointment rescinded by the Fire Commissioner at any time for any reason or no reason, the individuals serving in such position may voluntarily relinquish such position, and in either event the individual shall revert to the position of Field Officer.

4. Dear Mr. Franczek:

This letter reconfirms the Employer's and the Union's understanding regarding the language in Section 16.7.C.1 which provides that ... "Such assignment vacancies in the classifications and/or ranks of firefighter, Lieutenant, Captain and Battalion Chief in the Bureau of Fire Prevention shall be filled on the basis of seniority by the geographically designated offices in that Bureau (i.e., South, West, North, Central and North Kedzie)." The parties recognize that circumstances may change and that as a result of those circumstances and to improve efficiency of operations, by determining the methods, means and personnel by which the Department's operations are to be conducted, the complement of employees assigned to a given office in the Bureau may be increased or decreased at the Employer's discretion. This letter also confirms that the referenced modification to Section 16.7.C.1. does not subtract from the intent of Section 16.8 Contracting and Subcontracting of Work.

Re: Section 7.4 – Military Leaves of Absence

Dear Mr. Sugarman:

This will confirm the agreement of the City of Chicago and Fire Fighters Union Local No. 2, that in addition to the paid military leave of absence provided for in § 7.4 of the parties' Agreement, any bargaining unit employee who is a member of the reserve force of the United States or of any State, or any bargaining unit employee who is a member of the National Guard of the United States or of any other State, who, on or after September 11, 2001, is ordered or called to active duty shall continue to receive and shall be paid full salary by the City, and shall continue to be entitled to all benefits, including, but not limited to, pension contributions, and to be a participant in each policy, plan, or program set forth or referenced in Article XII of the parties' Agreement, that the employee was a participant in at the time he or she is called to active duty. The payment of full salary during active duty leave shall be conditioned upon payment of military pay to the comptroller.

It is provided, however, that effective January 1, 2005, employees who are deployed for military service in excess of fifteen (15) calendar days in a combat zone (as designated pursuant to the Executive Orders of the President of the United States) shall not be required to reimburse the Employer the amount of military pay they receive.

Further, paid leave for active duty shall terminate upon termination of active duty.

The City acknowledges and agrees that in the event Illinois or Federal law mandates greater benefits than as set forth in this Section, it will apply the provisions of such statute(s) to the members of the bargaining unit. Specifically, the City acknowledges that the Military Leave of Absence Act, 5 ILCS 325 ("Act"), provides for leaves of absence for basic training, special or advanced training, and annual training. The Act provides for a paid leave of absence for annual training for which the employee shall continue to receive his or her regular compensation, regardless of the duration of such training. The City will continue to comply with this provision of the Act. Similarly, the Act provides for paid leave for basic training, and for up to 60 days of special or advanced training. Both of these leaves, under the Act, provide that the employee shall receive his or her regular compensation during the leave(s), but only to the extent such compensation exceeds his

or her base pay for military activities. The City agrees to apply these provisions of the Act to members of the bargaining unit in this fashion: for the first 14 calendar days (15 calendar days in the event of National Guard service) of such leave, the City will not require the employee to reimburse the City for the amount of his or her base pay for military activities. Service in excess of such limit shall be subject to the reimbursement requirement. In the event an employee is on leave for both basic training and special/advanced training in a calendar year, or for multiple installments of special/advanced training in a calendar year, the employee shall be entitled to one allotment of 14 (15 in the case of National Guard service) calendar days of paid leave without reimbursement.

The City further agrees that if, during the term of this collective bargaining agreement, Illinois or Federal law is amended to require a more generous treatment of Military Leaves of Absence, it will apply such provisions.

The lives of citizens, employees and co-workers are critically dependent upon the physical fitness, stamina and alertness of emergency service employees. Department members must project a positive representative image which ensures the public confidence in them and governs their professional and personal conduct, both on and off duty, so as not to impair departmental efficiency or detract from a professional image or workplace.

The standards for determination of positive presence of illegal drugs shall be in accordance with Attachment A. The standard for determination of positive presence of alcohol shall be .04 as measured on a certified/calibrated Breathalyzer.
- C. Violation of this policy may result in disciplinary action, up to and including discharge.
- D. Nothing in this Program detracts from the provisions of General Order 87-008.

III. GENERAL INFORMATION

- A. A computer program, generating no more than 20 employees and no more frequently than on a daily basis shall be utilized to randomly select employees for drug/alcohol testing. Such tests shall only be conducted on Mondays through Fridays between the hours of 0900 and 1600. There shall be no testing on holidays. Any on-duty employee selected by the computer program will be tested. If an employee selected is not available because of Daley Day, vacation, lay-up or otherwise off duty, the employee will not have to report for testing and no one else will be selected in the person's place.

The City shall retain an independent outside consultant to develop a computer random program for use by the CFD. Prior to the implementation of such program, the Union may engage a consultant at its expense to review and verify the computer program, and the City will provide necessary data to the consultants for this purpose. The review and verification by the Union's consultant shall take place and be reported to the Department within 30 calendar days of receipt of the City's program and data to the Union's consultant.

- B. Drug testing will be conducted using a urine test. The employee's urine will be sent to a licensed Substance Abuse and Mental Health Service Administration (SAMHSA) laboratory for a Gas Chromatography/Mass Spectrometry (GCMS) confirmatory test and analysis. All alcohol testing will be done with a certified/calibrated Breathalyzer unit by a certified tester.
- C. Any employee who will not submit urine for testing will be considered in violation of this order and be subject to discipline up to and including discharge.
- D. Each day the City shall provide to the Union's Director of Contract Enforcement, or designee, a list of the employees selected that day (with an asterisk next to the names of the employees tested). If the member tests positive for drugs and/or alcohol at any time during the one year period, either on or off duty, all discipline held in abeyance will be immediately imposed.

Rehabilitation assistance is available to employees at any time, but may be used only once to hold discipline in abeyance. Employees completing a full year of continued progress in a recommended program will be given an oral reprimand with a clear warning that any second involvement with drugs and/or alcohol will result in termination which will not be held in abeyance by any further participation in an employee assistance program.

Refusal to submit to initial medical testing or subsequent tests under the agreed terms shall result in immediate imposition of discipline.

III. Program Progress

The employee will be evaluated by the department's Employee Assistance Counselors as to continued progress in the appropriate program. Where the employee fails to properly participate or comply with the terms of the Supplemental Recommendation/Agreement, the Disciplinary Officer shall be so notified and the initial recommendation of discipline shall be imposed.

Re: Alternative Medical Coverage

Dear Mr. Sugarman:

This letter sets forth the parties' agreement with respect to the issue of alternate medical coverage in the case of employees who fail to comply with the City's medical plan enrollment requirements.

1. The City will offer alternate coverage for individuals who (a) are otherwise eligible under the Plan; (b) have been denied coverage under the Plan because they failed to comply with the Plan's enrollment requirements; (c) first became eligible for coverage subsequent to the close of the last most recent open enrollment period; and (d) agree to pay the required premium.
2. In addition, persons who are entitled to coverage as the spouse of an eligible employee shall not be eligible for alternate coverage if the spouse is currently covered by other medical insurance. Also, the employee must not cover another person as spouse at the time the application for coverage is made by the employee.
3. When an employee who has applied for coverage for an otherwise eligible dependent is denied coverage because of failure to meet enrollment deadlines, the employee shall be notified of the availability of the Alternative Coverage. The employee shall have thirty (30) days to respond to the offer of Alternative Coverage. The employee shall elect one of the following:
 - a. Retrospective coverage. Coverage shall be effective as of the date the dependent would have been eligible for coverage had the employee completed the enrollment on a timely basis. If the employee elects retrospective coverage, the employee must pay the required premium from the date of eligibility through the next December 31. Premium payment(s) shall be due for the period of retrospective coverage upon submission of the application. Premiums shall be due thereafter no later than the first day of the month for which the coverage is effective.

b. Prospective coverage only. Coverage shall be effective on the first day of the month following the month in which the required premium is submitted. Premiums are due thereafter no later than the first day of the month for which the coverage is effective.

c. In the event the employee fails to apply for Alternative coverage within the time specified, the employee may next apply for coverage for the dependent during the open enrollment period. No further offer of Alternative Coverage shall be made to the employee with respect to the applicable dependent.

4. The Alternative Coverage shall be provided on the same basis as the coverage of the plan selected by the employee. Coverage shall be made available under the Plan as of the Effective Date of the Alternative Coverage without regard to pre-existing conditions. The dependent covered under the Alternative Coverage will be included in the membership unit of the employee. Further, covered expenses will be included in any calculation of deductible or out-of-pocket expenses, annual and lifetime benefit maximums in accordance with the applicable plan.

5. The cost of the Alternative Coverage as of the effective date of this letter shall be \$197.97 per covered person per month. However, no employee shall be required to pay more than \$594 per month effective with the effective date of this amendment. The premium for the Alternative Coverage shall be adjusted on each January 1 occurring thereafter by the amount of the change in the Medical Care Component of the Consumer Price Index for Urban wage earners for the most recently reported 12 months.

6. Premiums for the Alternative Coverage shall be made in the form of a check or money order. Cash cannot be accepted, nor can a deduction be made from the paycheck of an employee. In the event an employee submits a check which is returned from the bank because of non-sufficient funds (NSF), the Alternative Coverage shall be terminated as of the last day for which premium payments have been received.

Re: Public Act 98-43

Dear Mr. Sugarman:

This will confirm that in 2013 Public Act 98-43 was enacted into law. This legislation amended the Firemen's Annuity and Benefit Fund Act, 40 ILCS 5/6-101 et seq., and authorizes the Fund's Retirement Board to pay to the City of Chicago, on behalf of annuitants of the Fund who participate in any of the City's health care plans, a subsidy consisting of \$95 per month for each such annuitant who is not eligible to receive Medicare benefits and \$65 per month for each such annuitant who is eligible to receive Medicare benefits. Pursuant to the terms of the legislation, this subsidy shall continue until such time as the City no longer provides a health care plan for such annuitants or December 31, 2016, whichever comes first.

Dear Mr. Sugarman:

The parties acknowledge the Department's historical and traditional practice of balancing manpower, inclusive of identifying employees to be detailed or rehired, on the shift day prior to the work day in question. The Department agrees, effective upon the date of this letter, that as part of this manpower balancing process, it will not utilize or rely upon any employee assigned to a Squad (for the following shift day) to serve as an employee to be detailed to another company. An employee assigned to a Squad may be detailed to another company on the work day in question only in response to a manpower need arising subsequent to the manpower balancing process described immediately above.

Re: Off Duty D.U.I.s

Dear Mr. Franczek:

This letter will confirm the parties' agreement to abide by the May 14, 2009 Supplemental Order of Arbitrator Benn relative to off duty D.U.I.s, as follows:

1. This is applicable only to those employees required to have a valid driver's license as a condition of employment with the Chicago Fire Department.
2. In the event the Department gains knowledge that such employee has been involved in an off duty D.U.I., the Department can put the employee on paid administrative leave.
3. Upon suspension of the employee's driver's license for an off duty D.U.I., the employee shall be given an option. First, if allowed to drive by the State of Illinois under conditions set by the State, the Department can offer the employee a Last Chance Agreement ("L.C.A.") and, if accepted by the employee, the employee shall be obligated to comply with the terms of the L.C.A. Second, if the employee chooses not to sign the L.C.A., the employee shall be placed on unpaid leave of absence for a period not to exceed 20 months in which time the employee can regain his or her driver's license from the State. If the employee cannot regain his or her driver's license within the 20 months period, the employee can be discharged.
4. If the employee opts to take an unpaid leave of absence under the provisions of paragraph 3 and is able to regain his or her driver's license, the employee shall be subject to disciplinary action on a case-by-case basis. Employees whose infractions involve only D.U.I. with no other infractions shall be given a written reprimand. Employees involved in D.U.I. with other infractions may be subject to greater disciplinary action. The Union shall have the right to challenge any discipline imposed under this paragraph pursuant to the terms of the grievance and arbitration procedures of the Labor Contract.

Re: Contract Sections 3.4 and 7.3

Dear Mr. Franczek:

This letter will confirm our agreement with respect to the application of the proviso in Section 7.3 of the labor contract prohibiting outside employment while on layup, and as set forth in the negotiated Medical Order, in the context of employees designated to serve on behalf of the Union pursuant to Section 3.4.

The parties acknowledge that all employees, including Union officials and other Union representatives not on a leave of absence, are subject to Section 7.3. The parties also acknowledge that from time to time, a Union official or other Union representative on layup may act in his/her representative capacity to represent the Union's interest or a bargaining unit member's interest in an investigation, a disciplinary hearing, a mediation session, a bargaining session or other appropriate Union activity, such that it is not feasible for a different Union official or other Union representative to act in his/her stead. The Union official or other Union representative will contact the designated Department representative to secure approval to engage in the Union activity, and such approval shall not unreasonably be denied. Where approval has been granted, the parties agree that this does not constitute performance of outside employment in violation of either Section 7.3 or the Medical Order.

Re: Additional ALS Ambulances

Dear Mr. Franczek:

The Union and the City agree that the creation of ALS ambulances in addition to 75 during the term of this collective bargaining agreement is mutually desirable and will enhance significantly the Emergency Medical Services provided by the Chicago Fire Department. 1. The City and the Union will each appoint three persons to an ALS Ambulance Committee no later than 60 calendar days following ratification of this Agreement.
2. The Committee shall make recommendations to the City and the Union regarding additional ALS ambulances and consider such factors as the Committee deems appropriate.
3. The Committee shall make every effort to assess and implement the appropriateness of at least the addition of five ALS ambulances by July 1, 2016.
4. In the event that additional ALS ambulances are created beyond 75, they shall be staffed with one paramedic and a P.I.C. or A.C. on a daily basis.

Re: Implementation of Furlough Selection Process

Dear Mr. Franczek:

This letter confirms the following agreement of the parties.

Pursuant to the December 20, 2013 Furlough Arbitration award and decision and in implementation of the furlough selection process, it is agreed that:

A. Employees shall select and be assigned furloughs based upon the contract's §7.1B criteria in place at the time of their selections, except if an employee is transferred, based upon the employee's transfer request, or promoted during the selection period, the employee's furlough assignment shall be based upon the new promotion or transfer assignment, and new Platoon/Daley Day assignment, if applicable, and shall be based upon the employee's selection form;

B. The furlough selection period shall be not less than thirty-five (35) consecutive calendar days, and shall begin no later than September 15 and end no later than October 17 of each year. The furlough assignment process shall begin on October 18 of each year and the furlough assignment period shall end no later than November 15 of each year; and such dates shall be reflected in the Department Orders (i.e., "Furlough Schedule For Uniformed Members of the Bureau of Operations, Division of Fire, Suppression & Rescue" and "Furlough Schedule For Uniformed Members of the Bureau of Operations, Division of EMS");

C. The Department shall not balance manpower by changing Daley Days, Platoons or otherwise during the furlough selection and assignment periods that changes, or results in changing any employee's furlough selection, except in situations of transfers, upon the employee's transfer request, or promotions that take effect within the furlough selection period, as provided in paragraph A. above:

1) Employees promoted after the selection period or after furloughs have been assigned shall have their choice of open furloughs (as designated by the Department) on their Platoon/Daley Day assignment in the district/division/unit to which they are assigned -- if more than one person is involved, seniority shall govern;

2) Employees transferred, upon their transfer request, after the selection period or after furloughs have been assigned shall have their choice of open furloughs (as designated by the Department) in their Platoon/Daley Day assignment in the district/division/unit to which they are assigned -- if more than one person is involved, seniority shall govern; and

3) An employee whose Platoon or Daley Day is changed on orders of the Department outside of the furlough selection and assignment periods shall retain the employee's furlough selection and assignment;

D. An employee who is transferred, upon the employee's transfer request, or who is promoted during or after the furlough selection period closes shall be assigned furloughs to which the employee is entitled within thirty-five (35) calendar days of the employee's transfer or promotion;

E. Within fourteen (14) calendar days following an employee's return to duty status (e.g., from extended medical status, or otherwise), the employee shall be notified of the furlough assignments to which the employee is entitled; and

Re: Airport Red-Stripe Personnel

Dear Mr. Sugarman:

This will confirm the parties' agreement that should the Fire Department need a Red-Stripe employee for a particular airport (*i.e.*, O'Hare or Midway), the Department will go down the overtime distribution list until a Red-Stripe employee for that particular airport is located. An employee may be "passed over" if the employee does not have a Red-Stripe certification for the airport (manpower) need for that particular day.

As with any employee, should the Red-Stripe employee refuse overtime, he/she will go to the bottom of the overtime distribution list.

It is further understood that the Department will use its best efforts to train personnel to obtain Red-Stripe certification for employees at both airports and will attempt not to utilize passovers.

MEMORANDUM OF AGREEMENT

The Chicago Fire Department ("Department") and Chicago Fire Fighters Union, Local No. 2 ("Union") agree as follows:

In acknowledgment of the successful experience of the Program for Special Operations Battalion Chief ("5-1-5"), the parties hereby incorporate the 5-1-5 assignment as a permanent position into their collective bargaining agreement ("Agreement"). In order to accommodate the incorporation of this assignment, the

SUGARMAN & HORWITZ, LLP

James C. Franczek, Jr.
April 10, 2014
Page 2

parties agree that it is necessary to adjust the application of existing provisions of the Agreement, as set forth below:

1) The 5-1-5 assignment shall be a resume position within the meaning of § 16.7C(1) (i.e., the Employer shall determine and post reasonable job qualifications, and the job(s) shall be filled on the basis of seniority by employees who have such qualifications), and future vacancies shall be filled in accordance with the provisions applicable to such positions. The parties agree that those Battalion Chiefs who previously applied for the 5-1-5 assignment and were certified by the Department as having satisfied the posted qualifications for that assignment as part of the Pilot Program shall be regarded as incumbent certified Chiefs within this assignment upon its recognition as a permanent assignment.

2) It is contemplated that because there are more certified Chiefs within the 5-1-5 assignment than there are positions available for them, all such certified individuals will continue to hold their regular assignments as Battalion Chiefs, whether permanently assigned to a specific Battalion or as a Relief Battalion Chief. On those duty days when they are not assigned to the 5-1-5 assignment, they will function as a regularly assigned or relief Battalion Chief, as applicable.

3) The Department shall man the 5-1-5 assignment on a daily basis, which assignment shall be separate from the requirements of § 16.4A(3). On days when the assigned certified Chief is not available, the Department may fill the 5-1-5 assignment by detailing an available, certified Chief who would otherwise be functioning as a regularly assigned or relief Battalion Chief. Where the detailing of such a certified Chief leaves an unmanned Battalion Chief position in the Bureau of Operations that day, the Department shall, within its discretion, either utilize an acting variance pursuant to §§ 16.4D(b), (d)1(a) and (b), or rehire a Battalion Chief pursuant to § 9.2A. If no certified Chief is available to be detailed to the 5-1-5 assignment, the Department shall fill the 5-1-5 assignment by rehiring a certified Chief from the applicable overtime list. Overtime in the 5-1-5 assignment shall be distributed in accordance with the provisions applicable to asterisked certifications in § 9.2A.

Re: Collections Regarding Medical Services

Dear Mr. Franczek:

This letter confirms the parties' agreement that the Department's Personnel Director will provide the following letter to medical providers and/or collection agencies that have demanded payment for hospital and medical bills from employees who claim that such expenses are duty-related and who have filed medical grievances regarding such expenses pursuant to Section 10.9 of this Agreement:

"Dear _____:

[Name of employee] has been notified by your office that payment for hospital and/or medical expenses is now due.

Please be advised that [name of employee] claims that these expenses arise from a duty-related injury or illness.

In the event that the injury or illness is determined to be duty-related, the City of Chicago's Committee on Finance will reimburse you for all expenses arising from that injury or illness. In the event that the injury or illness is determined not to be duty-related, the claims administrator for the City of Chicago's Medical Plan will reimburse you for all expenses arising from that injury or illness in accordance with the Plan's provisions.

Accordingly, once this determination has been made, you will be reimbursed for the hospital and/or medical expenses for which you currently seek payment. Pending that determination, any requests for payment, collection demands or garnishment actions are premature. The City therefore requests, on behalf of [name of employee], that such actions be delayed pending resolution of the underlying claim.

Re: W-2 Letter

Dear Mr. Sugarman:

This letter confirms the parties' agreement that the City will provide employees covered by this Agreement with adjusted W-2 forms indicating payment for any time that employees spend on duty-related injury or illness medical status, as such payment is in lieu of Workers' Compensation.

If the above comports with your understandings, please so indicate in the space provided below.
