In the case of a subcontractor identified in the matrix (Refer to Addendum #4 which advertised August 31, 2018) as having a “Definite Conflict of Interest” that wishes to resolve a conflict by withdrawal from a conflicted contract, please note that the City would expect submission of documentation showing actual withdrawal from the conflicted contract, not merely an offer to withdraw contingent on the team moving forward. Please note also that some conflicts cannot be mitigated through withdrawal from a conflicting contract.
