VII. EVALUATING PROPOSALS

7.1 Evaluation Process

An Evaluation Committee, which will include the representatives from the City of Chicago Department of Finance and the Department of Procurement Services and may include representatives of other departments of the City (“Evaluation Committee” or “EC”), will review and evaluate the Proposals, as described below.

In evaluating Proposals, the EC will first consider the completeness and responsiveness of the Respondent’s Proposal. The RFP proposal evaluation process is organized into three phases:

Phases I Preliminary Proposal Assessment
Phase II Proposal Evaluation
Phase III Site Visits, Product/System Demonstration and/or Oral Presentations

Phase I - Preliminary Proposal Assessment

Phase I will involve an assessment of the Respondent’s compliance with and adherence to all submittal requirements requested in Section VI. Proposals which are incomplete and missing key components necessary to fully evaluate the Proposal may, at the discretion of the EC, be rejected from further consideration due to “non-responsiveness” and rated Non-Responsive. Proposals providing responses to all sections will be eligible to advance for detailed analysis in Phase II, Proposal Evaluation.

Phase II - Proposal Evaluation

In Phase II, the EC will evaluate the extent to which a Respondent’s proposal meets the project requirements set forth in the RFP that will include a detailed analysis of the Respondent’s qualifications, experience, proposed implementation plan, compensation schedule and other factors based on the evaluation criteria outlined in Section 7.2, Evaluation Criteria.

As part of the evaluation processes, the EC will review the information required by Section VI for each Proposal received. The EC may also review any other information
that is available to it, including but not limited to information gained by checking references and by investigating the Respondent’s financial condition.

The City reserves the right to seek clarification of any information that is submitted by any Respondent in any portion of its Proposal or to request additional information at any time during the evaluation process. Any material misrepresentation made by a Respondent may void the Proposal and eliminate the Respondent from further consideration.

The City reserves the right to enlist independent consulting services to assist with the evaluation of all or any portion of the Proposal responses as it deems necessary.

7.2. Evaluation Criteria

A. Professional and Technical Competence

1. Ability to provide the Services described in the RFP, including capacity to achieve the project goals, objectives and Scope of Services described in this RFP.

2. Professional Qualifications and Specialized Experience of Respondent and Team Committed to this Project. Experience in providing Workers Compensation Claims Administration and Consulting Services on projects of similar scope and magnitude (e.g., specifically with respect to large organizations, organizations with strong identities of their own and government agencies).

3. Professional Qualifications and Specialized Experience of Respondent’s Key Personnel (and Team Members) and Local Availability of Key Personnel committed to the City of Chicago for the services outlined.

4. References. Past and Current Performance of the Respondent (and Team members) on other contracts in terms of quality of services and compliance with performance schedules. The Committee may solicit from current and/or previous clients including the City of Chicago, other government agencies, or any available sources, relevant information concerning the Respondent’s record of performance.

B. Quality, Comprehensiveness and Adequacy of the proposed Implementation and Management Plan related to Workers Compensation Claims Administration and Consulting Services including the staffing plan, local availability and commitment of personnel who will manage and oversee the City of Chicago account.

The Evaluation Committee will review each Proposal for the Respondent’s understanding of the objectives of the services and how these objectives may be best accomplished. Each Respondent will be evaluated on their overall strategy, methodology, timetable, and approach to meeting the City’s requirements.

C. Compensation Schedule relative to information provided in Exhibit 4. The City will consider the competitiveness, adequacy and reasonableness of proposed
costs for Workers Compensation Claims Administration and Consulting Services
offered in Exhibit 4. In evaluating the reasonableness of proposed costs, the City
may apply: (1) Preference for Chicago-based businesses, (2) Incentive for
Alternatively Fueled Vehicles, (3) Incentive for Joint Ventures between Veteran-
Owned Business Enterprises and Small Business Enterprises, as applicable, per
Exhibit 8.

D. The level, relevancy, and quality of participation by MBE/WBE firms certified by
the City of Chicago. It should be noted that non-responsiveness to this
requirement may be cause for the prospective Respondent to be disqualified

E. Legal Actions - The EC will consider any legal actions, if any, against
Respondent and any division, subsidiary or parent company of Respondent, or
against any member, partner, etc., of Respondent if Respondent is a business
entity other than a corporation.

F. Financial Stability – The EC will consider the financial condition of Respondent.
Respondent must be financially stable to ensure performance over the duration
of the contract.

G. Compliance with Laws, Ordinances, and Statutes – The EC will consider
Respondent’s compliance with all laws, ordinances, and statutes governing the
contract. See Online City of Chicago EDS Instructions and Attachment A: Online
EDS Acknowledgement form in Exhibit 6.

G. Degree to which the Respondent accepts the City’s Sample Professional
Services Agreement (PSA) available on the DPS website at
www.cityofchicago.org/bids, as referenced in Exhibit 11 that will impact contract
negotiations and the City’s ability to award a contract.

H. Conflict of Interest – The EC will consider any information regarding Respondent,
including information contained in Respondent’s Proposal, that may indicate any
conflicts (or potential conflicts) of interest which might compromise Respondent’s
ability to satisfactorily perform the proposed Services or undermine the integrity
of the competitive procurement process. If any Respondent has provided any
services for the City in researching, consulting, advising, drafting or reviewing of
this RFP or any services related to this RFP, such Respondent may be
disqualified from further consideration.

VIII. SELECTION PROCESS

After the Evaluation Committee (“EC”) completes its review of Proposals in Phase II, it
may submit to the City Comptroller and the Chief Procurement Officer a recommended
short list of Respondents (Phase III), or the EC may forego Phase III and submit a
recommendation to select one Respondent or a recommendation to reject any or all
Proposals.

Phase III- Site Visit, Product/System Demonstration and/or Oral Presentations
If the EC submits a short list of Respondents for further review, then, in the sole
discretion of the City Comptroller with concurrence from the Chief Procurement Officer,
those short-listed Respondents may be subject to a site visit, product/system
demonstration and/or invited to appear before the Evaluation Committee for an oral
presentation; to clarify in more detail information what was submitted in Respondent’s
Proposal; and/or to ask Respondent to respond to additional questions. Afterwards, the
Evaluation Committee will make a final evaluation, including a final ranking for
competitive pricing negotiations of the Respondents, and will submit a recommendation
to select one or more Respondents to the City Comptroller for concurrent competitive
pricing negotiations.

Upon receipt of the EC’s recommendation, the City Comptroller will submit a decision
(concurrence or rejection of the EC’s recommendation) to the Chief Procurement Officer.
The Chief Procurement Officer shall then consider the City Comptroller’s
recommendation and exercise her authority to either notify the Respondent(s) to enter
into contract negotiations or reject the recommendation and other alternate options.

The City will require the selected Respondent(s) to participate in contract negotiations.
The City's requirement that the selected Respondent(s) negotiate is not a commitment
by the City to award a contract. If the City determines that it is unable to reach an
acceptable contract with the selected Respondent(s), including failure to agree on a fair
and reasonable cost proposal for the Services or any other terms or conditions, the City
Comptroller may ask the Chief Procurement Officer to terminate negotiations with the
selected Respondent(s), and to negotiate with any of the other qualified Respondents,
until such time as the City has negotiated a contract meeting its needs.

The City reserves the right to terminate this RFP solicitation at any stage if the Chief
Procurement Officer determines this action to be in the City's best interests. The receipt
of Proposals or other documents will in no way obligate the City of Chicago to enter into
any contract of any kind with any party.

SPECIAL CONDITIONS REGARDING MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE (MBE/WBE) COMMITMENT

I. POLICY AND TERMS

It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code, as well as MBEs and WBEs certified by Cook County, Illinois, shall have full and fair opportunities to participate fully in the performance of this agreement. Therefore, the contractor shall not discriminate against any person or business on the basis of race, color, sex, gender identity, age, religion, disability, national origin, ancestry, sexual orientation, marital status, parental status, military discharge status or source of income, and shall take affirmative action to ensure that MBEs and WBEs shall have full and fair opportunities to compete for and perform subcontracts for supplies or services.

Pursuant to Section 2-92-430 of the Municipal Code of Chicago, the Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

Accordingly, the Contractor commits to make Good Faith Efforts to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

- MBE Contract Goal: 16.9%
- WBE Contract Goal: 4.5%

The commitment is met by the contractor’s status as an MBE or WBE, or by a joint venture with one or more certified MBEs or WBEs that will perform work on the project, or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the contractor's business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor's MBE or WBE commitment with respect to all government contracts of such contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both MBE and WBE may only be listed on a bidder’s compliance plan as either a MBE or a WBE, but not both to demonstrate compliance with the contract goals.

As noted above, the contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the contractor shall first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to
the performance of this contract. In appropriate cases, the Chief Procurement Officer will require the contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.

The contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.

Pursuant to 2-92-535, the prime contractor may apply to be awarded an additional 0.333 percent credit, up to a maximum of a total of 5 percent additional credit, for every 1 percent of the value of a contract self-performed by MBEs or WBEs, or combination thereof, that have entered into a mentor agreement with the contractor. This up to 5% may be applied to the Contract Specific Goals, or it may be in addition to the Contract Specific Goals.

II. DEFINITIONS

a. “Area of Specialty” means the description of a MBEs or WBE firm’s business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firm's claimed specialty or expertise. Each MBE and WBE letter of certification contains a description of the firm’s Area of Specialty. This information is also contained in the Directory (defined below). Credit towards this Contract’s MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

b. “B.E.P.D.” means an entity certified as a Business enterprise owned or operated by people with disabilities as defined in MCC 2-92-586.

c. “Bid” means a bid, proposal, or submittal detailing a description of the services or work to be provided by the contractor in response to a bid solicitation, request for proposal, request for qualification of task order request (issued in accordance with the Master Consulting Agreement) that issued by the City.

d. “Bidder” means any person or business entity that submits a bid, proposal, qualification or submittal that seeks to enter into a contract with the City, and includes all partners, affiliates and joint ventures of such person or entity.

e. “Broker” means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory and provides no commercially useful function other than acting as a conduit between his or her supplier and his or her customer.

f. “Chief Procurement Officer” or “CPO” means the Chief Procurement Officer of the City of Chicago or his or her designee.

g. “Commercially Useful Function” means responsibility for the execution of a distinct element of the work of the contract, which is carried out by actually performing, managing, and supervising the work involved, evidencing the responsibilities and risks of a business owner such as negotiating the terms of (sub)contracts, taking on a financial risk commensurate with the contract or its subcontract, responsibility for acquiring the appropriate lines of credit and/or loans, or fulfilling responsibilities as...
a joint venture partner as described in the joint venture agreement.

h. “Contract Specific Goals” means the subcontracting goals for MBE and WBE participation established for a particular contract.

i. “Contractor” means any person or business entity that has entered into a contract with the City as described herein, and includes all partners, affiliates, and joint ventures of such person or entity.

j. “Direct Participation” the total value of payments made to MBE or WBE firms for work that is completed in their Area of Specialty directly related to the performance of the subject matter of the Contract will count as Direct Participation toward the Contract Specific Goals.

k. “Directory” means the Directory of Certified “Minority Business Enterprises” and “Women Business Enterprises” maintained and published by the City of Chicago. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE, and WBE firms.

l. “Good Faith Efforts” means actions undertaken by a bidder or contractor to achieve a Contract Specific Goal that the CPO or his or her designee has determined, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program’s requirements.

m. “Indirect Participation” refers to the value of payments made to MBE or WBE firms for work that is done in their Area of Specialty related to other aspects of the Contractor’s business. (Note: no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor’s MBE or WBE commitment with respect to all government contracts held by that contractor.)

n. “Joint venture” means an association of a MBE or WBE firm and one or more other firms to carry out a single, for-profit business enterprise, for which each joint venture partner contributes property, capital, efforts, skills and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture are commensurate with its ownership interest.

o. ”Mentor-Protégé Agreement” means an agreement between a prime and MBE or WBE subcontractor pursuant to 2-92-535, that is approved by the City of Chicago and complies with all requirements of 2-92-535 and any rules and regulations promulgated by the Chief Procurement Officer.

p. “Minority Business Enterprise” or “MBE” means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a minority owned and controlled business by Cook County, Illinois.

r. “Supplier” or “Distributor” refers to a company that owns, operates, or maintains a store, warehouse or other establishment in which materials, supplies, articles or equipment are bought, kept in stock and regularly sold or leased to the public in the usual course of business. A regular distributor or
supplier is a firm that owns, operates, or maintains a store, warehouse, or other establishment in which the materials or supplies required for performance of the Contract are bought, kept in stock, and regularly sold to the public in the usual course of business. To be a regular distributor the firm must engage in, as its principal business and in its own name, the purchase, and sale of the products in question. A regular distributor in such bulk items as steel, cement, gravel, stone, and petroleum products need not keep such products in stock if it owns or operates distribution equipment.

s. “Women Business Enterprise” or “WBE” means a firm awarded certification as women owned and controlled business in accordance with City Ordinances and Regulations as well as a firm awarded certification as a women owned business by Cook County, Illinois.

III. Joint Ventures

The formation of joint ventures to provide MBEs and WBEs with capacity and experience at the prime contracting level, and thereby meet the contract’s MBE/WBE participation goals (in whole or in part) is encouraged. A joint venture may consist of any combination of MBEs, WBEs, and non-certified firms as long as one member is an MBE or WBE.

A. The joint venture may be eligible for credit towards the contract’s MBE/WBE participation goals only if:

1. The MBE or WBE joint venture partner’s share in the capital contribution, control, management, risks and profits of the joint venture is equal to its ownership interest;

2. The MBE or WBE joint venture partner is responsible for a distinct, clearly defined portion of the requirements of the contract for which it is at risk;

3. Each joint venture partner executes the bid to the City; and

4. The joint venture partners have entered into a written agreement specifying the terms and conditions of the relationship between the partners and their relationship and responsibilities to the contract, and all such terms and conditions are in accordance with the conditions set forth in Items 1, 2, and 3 above in this Paragraph A.

B. The Chief Procurement Officer shall evaluate the proposed joint venture agreement, the Schedule B submitted on behalf of the proposed joint venture, and all related documents to determine whether these requirements have been satisfied. The Chief Procurement Officer shall also consider the record of the joint venture partners on other City of Chicago contracts. The decision of the Chief Procurement Officer regarding the eligibility of the joint venture for credit towards meeting the contract’s MBE/WBE participation goals, and the portion of those goals met by the joint venture, shall be final.

The joint venture may receive MBE or WBE credit for work performed by the MBE or WBE joint venture partner(s) equal to the value of work performed by the MBE or WBE with its own forces for a distinct, clearly defined portion of the work.

Additionally, if employees of the joint venture entity itself (as opposed to employees of the MBE or WBE partner) perform the work then the value of the work may be counted toward the contract’s MBE/WBE participation goals at a rate equal to the MBE or WBE firm’s percentage of participation in the joint venture as described in Schedule B.
The Chief Procurement Officer may also count the dollar value of work subcontracted to other MBEs and WBEs. Work performed by the forces of a non-certified joint venture partner shall not be counted toward the contract's MBE/WBE participation goals.

C. Schedule B: MBE/WBE Affidavit of Joint Venture

Where the bidder's Compliance Plan includes the participation of any MBE or WBE as a joint venture partner, the bidder must submit with its proposal a Schedule B and the proposed joint venture agreement. These documents must both clearly evidence that the MBE or WBE joint venture partner(s) will be responsible for a clearly defined portion of the work to be performed, and that the MBE's or WBE's responsibilities and risks are proportionate to its ownership percentage. The proposed joint venture agreement must include specific details related to:

1. The parties’ contributions of capital, personnel, and equipment and share of the costs of insurance and bonding;

2. Work items to be performed by the MBE's or WBE's own forces and/or work to be performed by employees of the newly formed joint venture entity;

3. Work items to be performed under the supervision of the MBE or WBE joint venture partner; and

4. The MBE’s or WBE’s commitment of management, supervisory, and operative personnel to the performance of the contract.

Notice: Vague, general descriptions of the responsibilities of the MBE or WBE joint venture partner do not provide any basis for awarding credit. For example, descriptions such as “participate in the budgeting process,” “assist with hiring,” or “work with managers to improve customer service” do not identify distinct, clearly defined portions of the work. Roles assigned should require activities that are performed on a regular, recurring basis rather than as needed. The roles must also be pertinent to the nature of the business for which credit is being sought. For instance, if the scope of work required by the City entails the delivery of goods or services to various sites in the City, stating that the MBE or WBE joint venture partner will be responsible for the performance of all routine maintenance and all repairs required to the vehicles used to deliver such goods or services is pertinent to the nature of the business for which credit is being sought.

Notice: The City requires that, whenever a joint venture is proposed as the prime Contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR, as applicable.

IV. COUNTING MBE/WBE PARTICIPATION TOWARD THE CONTRACT GOALS

Refer to this section when preparing the MBE/WBE compliance plan and completing Schedule D-1 for guidance on what value of the participation by MBEs and WBEs will be counted toward the stated Contract Specific Goals. The “Percent Amount of Participation” depends on whether and with whom a MBE or WBE subcontracts out any portion of its work and other factors.

Firms that are certified as both MBE and WBE may only be listed on a bidder’s compliance plan as either a MBE or a WBE to demonstrate compliance with the Contract Specific Goals. For example, a firm certified as both a MBE and a WBE may only listed on the bidder’s compliance plan
under one of the categories, but not both. Only payments made to MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements above will be counted toward the Contract Specific Goals.

A. Only expenditures to firms that perform a Commercially Useful Function as defined above may count toward the Contract Specific Goals.

1. The CPO will determine whether a firm is performing a commercially useful function by evaluating the amount of work subcontracted, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing and the credit claimed for its performance of the work, industry practices, and other relevant factors.

2. A MBE or WBE does not perform a commercially useful function if its participation is only required to receive payments in order to obtain the appearance of MBE or WBE participation. The CPO may examine similar commercial transactions, particularly those in which MBEs or WBEs do not participate, to determine whether non MBE and non WBE firms perform the same function in the marketplace to make a determination.

B. Only the value of the dollars paid to the MBE or WBE firm for work that it performs in its Area of Specialty in which it is certified counts toward the Contract Specific Goals.

C. If the MBE or WBE performs the work itself:

1. 100% of the value of work actually performed by the MBE’s or WBE’s own forces shall be counted toward the Contract Specific Goals, including the cost of supplies and materials purchased or equipment leased by the MBE or WBE from third parties or second tier subcontractors in order to perform its (sub) contract with its own forces (except supplies and equipment the MBE or WBE subcontractor purchases or leases from the prime contractor or its affiliate). 0% of the value of work at the project site that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals.

D. If the MBE or WBE is a manufacturer:

1. 100% of expenditures to a MBE or WBE manufacturer for items needed for the Contract shall be counted toward the Contract Specific Goals. A manufacturer is a firm that operates or maintains a factory or establishment that produces on the premises the materials or supplies obtained by the bidder or contractor.

E. If the MBE or WBE is a distributor or supplier:

1. 60% of expenditures for materials and supplies purchased from a MBE or WBE that is certified as a regular dealer or supplier shall be counted toward the Contract Specific Goals.

F. If the MBE or WBE is a broker:

1. 0% of expenditures paid to brokers will be counted toward the Contract Specific Goals.

2. As defined above, Brokers provide no commercially useful function.

G. If the MBE or WBE is a member of the joint venture contractor/bidder:

1. A joint venture may count the portion of the total dollar value of the contract equal to the distinct,
clearly defined portion of the work of the contract that the MBE or WBE performs with its own forces toward the Contract Specific Goals; or

2. If employees of this distinct joint venture entity perform the work then the value of the work may be counted toward the Contract Specific Goals at a rate equal to the MBE or WBE firm’s percentage of participation in the joint venture as described in Schedule B.

3. A joint venture may also count the dollar value of work subcontracted to other MBEs and WBEs, however, work subcontracted out to non-certified firms may not be counted.

H. If the MBE or WBE subcontracts out any of its work:

1. 100% of the value of the work subcontracted to other MBEs or WBEs performing work in its Area of Specialty may be counted toward the Contract Specific Goals.

2. 0% of the value of work that a MBE or WBE subcontracts to a non-certified firm counts toward the Contract Specific Goals (except as allowed by C.1. above).

3. The fees or commissions charged for providing a *bona fide* service, such as professional, technical, consulting or managerial services or for providing bonds or insurance and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the Contract, may be counted toward the Contract Specific Goals, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

4. The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

5. The fees or commissions charged for providing any bonds or insurance, but not the cost of the premium itself, specifically required for the performance of the Contract, provided that the fee or commission is determined by the Chief Procurement Officer to be reasonable and not excessive as compared with fees customarily allowed for similar services.

V. REGULATIONS GOVERNING REDUCTIONS TO OR WAIVER OF MBE/WBE GOALS

The following Regulations set forth the standards to be used in determining whether or not a reduction or waivers of the MBE/WBE commitment goals of a particular contract are appropriate. If a bidder determines that it is unable to meet the MBE and/or WBE goal percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must be included in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder’s letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

All bidders will be considered responsive to the terms and conditions of these Regulations if, at the time of bid, it submits a waiver request and all supporting documentation that adequately addresses the
conditions for waiver of MBE/WBE goals, including proof of notification to assist agencies except:
1) Bidders responding to Request for Proposals (RFPs) who have been identified as a sort listed
candidate and/or a prospective awardee will be given a designated time allowance, but no more than
fourteen (14) calendar days to submit to the Department of Procurement Services complete
documentation that adequately addresses the conditions for waiver described herein; and
2) Bidders responding to Request for Information and or Qualifications (RFI/RFQs) deemed by the
Chief Procurement Officer or authorized designee to be the most responsive and responsible shall
submit documentation that adequately addresses the conditions for waiver described herein during
negotiations.

Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to
be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In
such cases the remedies to be taken by the Chief Procurement Officer, in his or her discretion, may
include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder; or re-
advertising the bid/proposal. All bidders must submit all required documents at the time of bid opening
to expedite the contract award.

A. Direct/Indirect Participation

Each of the following elements must be present in order to determine whether or not such a reduction
or waiver is appropriate.

1. The bidder has documented the unsuccessful solicitation for either subcontractors or joint
venture partners of at least 50% (or at least five when there are more than eleven certified firms
in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or
indirect work identified or related to the advertised bid/proposal. Documentation must include
but is not necessarily limited to:

   a. A detailed statement of efforts to identify and select portions of work identified in the bid
      solicitation for subcontracting to MBEs and WBEs;

   b. A listing of all MBEs and WBEs contacted for the bid solicitation that includes:

      i. Name, address, email and telephone number of MBE/WBE firms solicited;

      ii. Date and time of contact;

      iii. Person contacted;

      iv. Method of contact (letter, telephone call, facsimile, email, etc.).

   c. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE
      vendors that includes:

      v. Project identification and location;

      vi. Classification/commodity of work items for which quotations were sought;

      vii. Date, item, and location for acceptance of subcontractor bids;

      viii. Detailed statements summarizing direct negotiations with appropriate MBEs and WBEs
           for specific portions of the work and indicating why negotiations were not successful;

      ix. Affirmation that Good Faith Efforts have been demonstrated by: choosing subcontracting
opportunities likely to achieve MBE/WBE goals; not imposing any limiting conditions which were not mandatory for all subcontractors; providing notice of subcontracting opportunities to M/WBE firms and assist agencies at least five (5) business days in advance of the initial bid due date.

OR

2. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor's quote is excessively costly, the bidder must provide the following information:
   a. A detailed statement of the work identified for MBE/WBE participation for which the bidder asserts the MBE/WBE quote(s) was excessively costly (in excess of 20% higher).
   b. A listing of all potential subcontractors contacted for a quotation on that work item;
   c. Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

3. Other documentation that demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
   a. The City's estimate for the work under a specific subcontract;
   b. The bidder's own estimate for the work under the subcontract;
   c. An average of the bona fide prices quoted for the subcontract;
   d. Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

B. Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/contractor has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community shown in Attachment A. This notice must be given at least five (5) business days in advance of the initial bid due date.

The notice requirement of this Section will be satisfied if a bidder contacts at least one of the associations on Attachment A when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Contract Compliance Officer may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

2. The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.
This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices, or standards not previously known by the Chief Procurement Officer, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

VI. PROCEDURE TO DETERMINE BID COMPLIANCE

A bid may be rejected as non-responsive if it fails to submit one or more of the following with its bid demonstrating its Good Faith Efforts to meet the Contract Specific Goals by reaching out to MBEs and WBEs to perform work on the contract: 1) An MBE/WBE compliance plan demonstrating how the bidder plans to meet the Contract Specific Goals; and/or 2) a request for reduction or waiver of the Contract Specific Goals in accordance with Section 2-92-450 of the MCC.

Only compliance plans utilizing MBE and WBE firms that meet BOTH the Commercially Useful Function and Area of Specialty requirements will be counted toward the Contract Specific Goals.

The following Schedules and described documents constitute the bidder’s MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

A. Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier, and/or Contractor

The bidder must submit the appropriate Schedule C-1 with the bid for each MBE and WBE included on the Schedule D-1. Suppliers must submit the Schedule C-1 for Suppliers, first tier subcontractors must submit a Schedule C-1 for Subcontractors to the Prime Contractor, and second or lower tier subcontractors must submit a Schedule C-1 for second tier Subcontractors. The City encourages subcontractors to utilize the electronic fillable format Schedule C-1, which is available at the Department of Procurement Services website, http://cityofchicago.org/forms. Each Schedule C-1 must accurately detail the work to be performed by the MBE or WBE and the agreed upon rates/prices. Each Schedule C-1 must also include a separate sheet as an attachment on which the MBE or WBE fully describes its proposed scope of work, including a description of the commercially useful function being performed by the MBE or WBE in its Area of Specialty. If a facsimile copy of the Schedule C has been submitted with the bid, an executed original Schedule C must be submitted by the bidder for each MBE and WBE included on the Schedule D-1 within five (5) business days after the date of the bid opening.

Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

B. Letters of Certification.

A copy of each proposed MBE/WBE firm's current Letter of Certification from the City of Chicago or Cook County, Illinois, must be submitted with the bid/proposal. All Letters of Certification issued by the City of Chicago and Cook County include a statement of the MBE/WBE firm's Area of Specialty. The MBE/WBE firm's scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.
C. **Joint Venture Agreements.**

If the bidder’s MBE/WBE proposal includes the participation of an MBE/WBE as joint venture on any tier (either as the bidder/contractor or as a subcontractor), the bidder must provide a copy of the joint venture agreement and a Schedule B along with all other requirements listed in Section III above. In order to demonstrate the MBE/WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the proposed joint venture agreement must include specific details related to: (1) contributions of capital and equipment; (2) work responsibilities or other performance to be undertaken by the MBE/WBE; and (3) the commitment of management, supervisory and operative personnel employed by the MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner’s authority to contractually obligate the joint venture and each partner’s authority to expend joint venture funds (e.g., check signing authority).

D. **Schedule D-1: Affidavit of MBE/WBE Goal Implementation Plan**

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm. The City encourages bidders to utilize the electronic fillable format Schedule D-1, which is available at the Department of Procurement Services website, [http://cityofchicago.org/forms](http://cityofchicago.org/forms). Except in cases where the bidder has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V herein, the bidder must commit to the expenditure of a specific dollar amount of participation by each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, depend upon requirements agreements and blanket agreements, as percentages of the total estimated usage. All commitments made by the bidder’s Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the opening, the bidder may submit a revised Schedule D-1 (executed and notarized to conform to the Schedules C-1). Bidders shall not be permitted to add MBEs or WBEs after bid opening to meet the Contract Specific Goals; however, contractors are encouraged to add additional MBE/WBE vendors to their approved compliance plan during the performance of the contract when additional opportunities for participation are identified. Except in cases where substantial and documented justification is provided, bidders will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

All commitments for joint venture agreements must be delineated in the Schedule B.

E. **Application for Approval of Mentor Protégé Agreement**

Any applications for City approval of a Mentor Protégé agreement must be included with the bid. If the application is not approved, the bidder must show that it has made good faith efforts to meet the contract specific goals.

**VII. REPORTING REQUIREMENTS DURING THE TERM OF THE CONTRACT**

A. The Contractor will, not later than thirty (30) calendar days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements will be made available to the Chief Procurement Officer upon request.

B. The contractor will be responsible for reporting payments to all subcontractors on a monthly basis in the form of an electronic audit. Upon the first payment issued by the City of Chicago to the contractor for
services performed, on the first day of each month and every month thereafter, email and or fax audit notifications will be sent out to the contractor with instructions to report payments that have been made in the prior month to each subcontractor. The reporting of payments to all subcontractors must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the fifteenth (15th) day of each month.

C. Once the prime contractor has reported payments made to each MBE and WBE, including zero dollar amount payments, the MBE and WBE will receive an email and or fax notification requesting them to log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld.

D. All subcontract agreements between the contractor and MBE/WBE firms or any first tier non-certified firm and lower tier MBE/WBE firms must contain language requiring the MBE/WBE to respond to email and/or fax notifications from the City of Chicago requiring them to report payments received for the prime or the non-certified firm.

Access to the Certification and Compliance Monitoring System (C2), which is a web based reporting system, can be found at: https://chicago.mwdbe.com

E. The Chief Procurement Officer or any party designated by the Chief Procurement Officer, shall have access to the contractor's books and records, including without limitation payroll records, tax returns and records and books of account, to determine the contractor's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the contractor's records by any officer or official of the City for any purpose.

F. The contractor shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least five years after final acceptance of the work. Full access to these records shall be granted to City, federal or state authorities or other authorized persons.

VIII. CHANGES TO COMPLIANCE PLAN

A. No changes to the Compliance Plan or contractual MBE and WBE commitments or substitution of MBE or WBE subcontractors may be made without the prior written approval of the Contract Compliance Officer. Unauthorized changes or substitutions, including performing the work designated for a subcontractor with the contractor's own forces, shall be a violation of these Special Conditions and a breach of the contract with the City, and may cause termination of the executed Contract for breach, and/or subject the bidder or contractor to contract remedies or other sanctions. The facts supporting the request for changes must not have been known nor reasonably could have been known by the parties prior to entering into the subcontract. Bid shopping is prohibited. The bidder or contractor must negotiate with the subcontractor to resolve the problem. If requested by either party, the Department of Procurement Services shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the MBE or WBE can be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.

B. Substitutions of a MBE or WBE subcontractor shall be permitted only on the following basis:

1. Unavailability after receipt of reasonable notice to proceed;
2. Failure of performance;
3. Financial incapacity;
4. Refusal by the subcontractor to honor the bid or proposal price or scope;
5. Mistake of fact or law about the elements of the scope of work of a solicitation where a reasonable
price cannot be agreed;
6. Failure of the subcontractor to meet insurance, licensing, or bonding requirements;
7. The subcontractor’s withdrawal of its bid or proposal;
8. Subcontractor provided false information; or
9. De-certification the subcontractor as a MBE or WBE (graduation from the MBE/WBE program does not constitute de-certification).
10. Termination of a Mentor Protégé Agreement.

C. If it becomes necessary to substitute a MBE or WBE or otherwise change the Compliance Plan, the procedure will be as follows:

1. The bidder or contractor must notify the Contract Compliance Officer and Chief Procurement Officer in writing of the request to substitute a MBE or WBE or otherwise change the Compliance Plan. The request must state specific reasons for the substitution or change. A letter from the MBE or WBE to be substituted or affected by the change stating that it cannot perform on the contract or that it agrees with the change in its scope of work must be submitted with the request.
2. The City will approve or deny a request for substitution or other change within 15 business days of receipt of the written request.
3. Where the bidder or contractor has established the basis for the substitution to the satisfaction of the Chief Procurement Officer, it must make Good Faith Efforts to meet the Contract Specific Goal by substituting a MBE or WBE subcontractor. Documentation of a replacement MBE or WBE, or of Good Faith Efforts, must meet the requirements in section V. If the MBE or WBE Contract Specific Goal cannot be reached and Good Faith Efforts have been made, as determined by the Chief Procurement Officer, the bidder or contractor may substitute with a non-MBE or non-WBE.
4. If a bidder or contractor plans to hire a subcontractor for any scope of work that was not previously disclosed in the Compliance Plan, the bidder or contractor must obtain the approval of the Chief Procurement Officer to modify the Compliance Plan and must make Good Faith Efforts to ensure that MBEs or WBEs have a fair opportunity to bid on the new scope of work.
5. A new subcontract must be executed and submitted to the Contract Compliance Officer within five business days of the bidder’s or contractor’s receipt of City approval for the substitution or other change.

D. The City shall not be required to approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary to comply with MBE/WBE contract requirements.

IX. NON-COMPLIANCE AND DAMAGES

A. Without limitation, the following shall constitute a material breach of this contract and entitle the City to declare a default, terminate the contract, and exercise those remedies provided for in the contract at law or in equity: (1) failure to demonstrate good faith efforts to comply with MBE or WBE participation requirements; and (2) disqualification as a MBE or WBE of the contractor or any joint venture partner, subcontractor or supplier if its status as an MBE or WBE was a factor in the award of the contract and such status was misrepresented by the contractor.

B. Payments due to the contractor may be withheld until corrective action is taken.

C. Pursuant to 2-92-445, remedies or sanctions may include a penalty in the amount of the discrepancy between the amount of the MBE/WBE participation commitment and the achieved amount of MBE/WBE participation, disqualification from contracting or subcontracting on additional City contracts for up to three years. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject.
D. The contractor shall have the right to protest the determination of non-compliance and the imposition of any penalty by the Chief Procurement Officer pursuant to 2-92-445 of the Municipal Code of the City of Chicago, within 15 business days of the determination.

X. **Arbitration**

A. In the event a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney's fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and a MBE/WBE.

B. An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, within ten (10) calendar days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association (AAA), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

C. All arbitration fees are to be paid *pro rata* by the parties, however, that the arbitrator is authorized to award reasonable expenses, including attorneys and arbitrator fees, as damages to a prevailing MBE/WBE.

D. The MBE/WBE must send the City a copy of the Demand for Arbitration within ten (10) calendar days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) calendar days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

XI  **Equal Employment Opportunity**

Compliance with MBE and WBE requirements will not diminish or supplant equal employment opportunity and civil rights provisions as required by law related to bidder or contractor and subcontractor obligations.

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?
A: The web link for the Online EDS is https://webapps.cityofchicago.org/EDSWeb

Q: How do I get help?
A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?
A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?
A: “Applicant” means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.
Q: Who is the Disclosing Party?
A: “Disclosing Party” means any entity or person submitting an EDS. This includes owners and parent companies.

Q: What is an entity or legal entity?
A: “Entity’ or ‘Legal Entity” means a legal entity (for example, a corporation, partnership, joint venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?
A: “Person” means a human being.

Q: Who must submit an EDS?
A. An EDS must be submitted in any of the following three circumstances:

| Applicants: | An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name. |
| Entities holding an interest: | Whenever a legal entity has a beneficial interest (E.G., direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf. |
| Controlling entities: | Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf. |

Q: What information is needed to submit an EDS?
A: The information contained in the Preparation Checklist for EDS submission.

Q: I don’t have a user ID & password. Can I still submit an Online EDS?
A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?
A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.
Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?

A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering “Yes” to “Is this an existing City of Chicago user ID?” when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.

Q: I don’t have an email address. How do I submit an Online EDS?

A: You cannot get an account to submit an online EDS without an email address. If you need an e-mail address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or mail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?

A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?

A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?

A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?

A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?

A: To retrieve a temporary password, click the “Forgot your password?” link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?

A: Click on “Create New” after logging in. The Online EDS system will walk you through the EDS
questions. Please see the User Manual for details.

Q: **How do I fill out a Disclosure of Retained Parties?**

A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on “Create New”. Answer (click) “Contract” to “Is this EDS for a contract or an EDS information update?” Click “Fill out EDS”, and click on the “Retained Parties” tab. When finished, click on “Ready to Submit.”

Q: **How do I attach documents?**

A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

Q: **Who can complete an Economic Disclosure Statement online?**

A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: **What are the benefits of filing my Economic Disclosure statement electronically?**

A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: **Will my information be secure?**

A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the “Online EDS” login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication, only you will have knowledge of this unique identification information.

Q: **I am filing electronically. How do I sign my EDS?**

A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: **My address has changed. How can I update my information?**

A: You must be an EDS Captain for your organization to update this. Log-in and click on “Vendor Admin, Site Administration.” Select the appropriate site and click edit.

Q: **I have more questions. How can I contact the Department of Procurement Services?**
A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

Q: Can I save a partially complete EDS?
A: Yes. Click “Save”. To avoid data loss, we recommend you save your work periodically while filling out your EDS.

Q: Do I have to re-type my information each time I submit an EDS?
A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?
A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/

- Your web browser is set to permit running of JavaScript.

- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.

- Your monitor resolution is set to a minimum of 1024 x 768.

- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at http://get.adobe.com/flashplayer

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

Coverages must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede commencement of services by the Contractor under this Contract. A claims-made policy which is not renewed or replaced must have an extended reporting period of two (2) years.

7) **Cyber Liability**

Cyber Liability insurance with limits of not less than $1,000,000 for each occurrence covering claims for (1) privacy breaches [liability arising from the loss or disclosure] of confidential information; (2) system breaches; (3) denial or loss of service; (4) introduction, implantation, or spread of malicious software code; (5) unauthorized access to or use of computer systems. No exclusion/restriction for unencrypted portable devices/media may be on the policy.

8) **Property**

The Contractor is responsible for all loss or damage to personal property (including materials, equipment, tools and supplies) owned, rented or used by Contractor.

**B. ADDITIONAL REQUIREMENTS**

The Contractor must furnish the City of Chicago, Department of Procurement Services, City Hall, Room 806, 121 North LaSalle Street 60602, original Certificates of Insurance and endorsement(s), or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance and endorsement(s), or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. The Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Agreement award. The receipt of any certificate and endorsement(s) does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may

constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

Contractor must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self-insured retentions on referenced insurance coverages must be borne by Contractor.

Contractor hereby grants to the City a waiver of any right of subrogation which any insurer of said Contractor may acquire against the City by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer(s).

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self-insurance programs maintained by the City do not contribute with insurance provided by the Contractor under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Contractors maintains higher limits than the minimums shown above, the City requires and shall be entitled to coverage for the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Agreement. Contractor must ensure that the City is an additional insured on insurance required from subcontractors.

If Contractor or subcontractors desires additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.
The insurance policies and endorsements indicated below have been issued to the designated named insured with the policy limits as set forth herein covering the operation described within the contract involving the named insured and the City of Chicago. The Certificate issuer agrees that in the event of cancellation, non-renewal or material change involving the indicated policies, the issuer will provide at least sixty (60) days prior written notice of such change to the City of Chicago at the address shown on this Certificate. This certificate is issued to the City of Chicago in consideration of the contract entered into with the named insured, and it is mutually understood that the City of Chicago relies on this certificate as a basis for continuing such agreement with the named insured:

A. City-based Businesses (Chicago Business Preference)
   For purposes of this section only, the following definitions shall apply:

   “City-based business” means a person who (i) conducts meaningful day-to-day business
   operations at a facility located within the city and reports such facility to the Internal Revenue
   Service as a place of employment for the majority of its regular, full-time workforce; (ii) holds any
   appropriate city license; and (iii) is subject to applicable city taxes.

   “Contract” means any contract, purchase order or agreement awarded by the city and whose cost
   is to be paid from funds belonging to or administered by the city; provided that a contract does not
   include: (i) a delegate agency contract; (ii) a lease of real property; or (iii) a collective bargaining
   agreement.

   “Prime Contractor” means a person who is a city-based business and the primary contractor on a
   contract. A “Prime Contractor” does not include any subcontractors.

   more, the CPO may apply a bid preference (“City Based Business Preference”) of two percent of
   the cost proposal, in accordance with section 2-92-412 of the MCC, to any qualified Respondent
   that is a prime contractor.

   Respondents desiring to take advantage of the City Based Business Preference must submit
   documentation with their Proposal that Respondent is a City-Based Business: a "City-Based

      that Act. The term "alternative fuel" includes but is not limited to natural gas, liquefied
      petroleum gas, hydrogen, ethanol E85 or electricity;

      "Alternatively powered vehicle" means a vehicle that:

      (a) is fueled by alternative fuel; provided that if a vehicle is capable of being powered
          by alternative fuel and traditional petroleum-based gasoline or petroleum-based diesel
          fuel, the vehicle must be powered by the alternative fuel for no less than 80% BTUs
          consumed during the three months prior to the submission of the bid; or

      (b) is commonly referred to as a hybrid vehicle that is capable of being powered by a
          combination of any fuel and an alternative power source and the alternative power
          source includes an energy storage system to store generated or accumulated energy

          vehicle of the same age, type and size; or

      (c) is fueled by a biodiesel blend; provided that the vehicle is powered by the biodiesel
          blend for no less than 80% of the gallons consumed during the three months prior to the

      (d) is fueled by traditional petroleum-based gasoline or petroleum-based diesel fuel,
          but powered by an engine substantially more efficiently designed than a standard
          vehicle of the same age, type and size; provided that the vehicle is rated by the United
          States Environmental Protection Agency.

An "alternatively powered vehicle" does not include any vehicle which is: (i) primarily used in a warehouse or similar type of enclosed structure; (ii) required to use, or given credit for using, alternative fuel by any federal, state or local law; or (iii) subject to Section 2-92-595 of the Municipal Code of Chicago.

"Biodiesel blend" has the meaning ascribed to that term in Section 2-92-595 of the Municipal Code of Chicago.

"Construction project" has the meaning ascribed to that term in Section 2-92-335 of the Municipal Code of Chicago.

"Contract" means any contract, purchase order, construction project, or other agreement (other than a delegate agency contract or lease of real property or collective bargaining agreement) awarded by the city and whose cost is to be paid from funds belonging to or administered by the city.

"Eligible business" means a business located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois (the “Six County Region”), and as to which: (1) a majority of the business’ fleet is located and used within the Six County Region; and (2) a majority of those vehicles located and used within the Six County Region are alternatively powered vehicles.

ii. Eligibility for Alternatively Powered Vehicles Proposal Incentive

If these RFP Documents pertain to a Contract having an estimated contract value of $100,000 or more, the CPO may apply a proposal incentive of 1/2% to the contract cost proposal of a qualified respondent when the qualified respondent is an eligible business.

The incentive is used only to calculate an amount to be used in evaluating the price, and it will not affect the price of any contract that may ultimately be awarded.

For purposes of this section the total dollar value of a construction project contract includes both materials and labor.

(b) As a condition of being awarded a contract after claiming this incentive, the eligible business shall continue to meet the definition of an eligible business during the term of the contract.

(c) The contractor shall maintain adequate records necessary to monitor compliance with this section and shall submit such reports as required by the chief procurement
officer. Full access to the contractor's and subcontractors' records shall be granted to
the chief procurement officer, the commissioner of the supervising department, the
inspector general, or any duly authorized representative thereof. The contractor and
subcontractors shall maintain all relevant records for a period of no less than seven
years after final acceptance of the work.

(d) A Respondent desiring to receive an incentive pursuant to this section shall include
with its bid submission the Affidavit of Eligible Business for Proposal Incentive for
Alternative Powered Vehicles, which affirms that the Respondent satisfies all pertinent
requirements as an eligible business.

(e) Upon completion of the work, any eligible business that receives a preference but
that fails to meet the definition as an eligible business during the term of the contract
shall be fined in an amount equal to three times the amount of the incentive.

(f) This section shall not apply to any contract to the extent that the requirements
imposed by this section are inconsistent with procedures or standards required by any
law or regulation of the United States or the State of Illinois to the extent such
inconsistency is not permitted under law or the home rule powers of the city.

C. Joint Ventures Between Small Business Enterprises and Veteran-Owned Business
Enterprises

For purposes of this section only, the following definitions shall apply:

"Contract cost proposal" means the total dollar amount a Respondent proposes as its
cost proposal on an RFP without factoring any incentive or preference.

“Eligible joint venture” means an association of one or more small business enterprises
in combination with one or more veteran-owned business enterprises, proposing to
perform as a single for-profit business enterprise, in which each joint venture partner
contributes property, capital, efforts, skill and knowledge. Joint ventures must have an
agreement in writing specifying the terms and conditions of the relationship between the
partners and their respective roles in the contract.

“Owned” means, as MCC 2-92-670 may be updated from time to time, having all of the
customary incidents of ownership, including the right of disposition, and sharing in all of
the risks, responsibilities and profits commensurate with the degree of ownership.

“Proposal Incentive” means an amount deducted, for proposal evaluation purposes only,
from the Respondent's cost proposal in order to calculate the cost or price to be used to
evaluate the proposal.

“Small business enterprise” means, as MCC 2-92-670 may be updated from time to
time, a small business as defined by the U.S. Small Business Administration, pursuant
to the business size standards found in 13 C.F.R. Part 121, relevant to the scope(s) of
work the firm seeks to perform on city contracts. A firm is not an eligible small business
enterprise in any city fiscal year in which its gross receipts, averaged over the firm's
previous five fiscal years, exceed the size standards of 13 C.F.R. Part 121.

“Veteran” means a person who has served in the United States armed forces and was
discharged or separated under honorable conditions.

Unless otherwise prohibited by any federal, state or local law, the CPO shall allocate a
proposal incentive of 5% of the contract cost proposal, to any qualified respondent that
is an eligible joint venture.
Respondents desiring to receive this incentive must submit an affidavit and other supporting documents demonstrating that the respondent satisfies all pertinent requirements as an eligible joint venture.

As a condition of being awarded after claiming this incentive, the eligible joint venture shall continue to meet the definition of an eligible joint venture. If a contract is awarded to the eligible joint venture, upon completion of the work, any eligible joint venture that receives a proposal incentive but fails to meet the definition of eligible joint venture during the term of the contract for which the proposal incentive was applied shall be fined in an amount equal to three times the amount of the proposal incentive.

The contractor shall maintain adequate records necessary to ensure compliance with this section and shall submit such reports as required by the chief procurement officer. Full access to the contractor’s and subcontractors’ records shall be granted to the chief procurement officer, the commissioner of the supervising department, the inspector general, or any duly authorized representative thereof. The contractor and subcontractor shall maintain all relevant records a period that is the longer of seven years or as after final acceptance of the work in accordance with the Local Records Act.

BUSINESS ASSOCIATE AGREEMENT TO HIPAA

The City of Chicago (“City”) and ___________________ (“Business Associate”) agree to the following terms and conditions, which are intended to comply with the Health Insurance Portability and Accountability Act of 1996, the Health Information Technology for Economic and Clinical Health Act, and their implementing regulations:

The terms below that are capitalized and in bold have the same meanings as set forth in the Health Insurance Portability and Accountability Act of 1996, the Health Information Technology for Economic and Clinical Health Act, which is part of the American Recovery and Reinvestment Act of 2009, and the regulations promulgated thereunder, including the privacy, security, breach, omnibus, and enforcement rules, as each may be amended from time to time (collectively, “HIPAA”). See 45 CFR parts 160 and 164.

Specifically, the following terms used in the Business Associate Agreement shall have the same meaning as in HIPAA: Breach, Business Associate, Covered Entity, Data Aggregation, Designated Record Set, Disclosure, Financial Remuneration, Fundraising, Health Care Operations, Individual, Marketing, Minimum Necessary, Notice of Privacy Practices, Protected Health Information (“PHI”), Required By Law, Secretary, Security Incident, Subcontractor, Unsecured Protected Health Information, and Use. The term “Breach” has the meaning as set forth in HIPAA when capitalized below, but has the ordinary dictionary meaning when not capitalized below.

For purposes of this Business Associate Agreement, the term “Protected Health Information” or “PHI” includes electronic PHI, also known as ePHI.

1. Interpretation of this Business Associate Agreement. A reference in this Business Associate Agreement to HIPAA means the section in effect or as amended. If there is a dispute as to whether Business Associate is, in fact, a Business Associate, the Business Associate must provide a legal memorandum to the City indicating why the Business Associate does not fall under the definition of Business Associate in HIPAA. If the City disagrees with the legal memorandum regarding the Business Associate’s conclusion that Business Associate is not a Business Associate, the City may choose to report a Breach to the Secretary or take other measures as deemed necessary to ensure the City’s compliance with HIPAA. Any ambiguity or inconsistency in this Business Associate Agreement shall be resolved in favor of a meaning that permits City to comply with HIPAA.

2. Amendment of this Business Associate Agreement. The parties hereto agree to negotiate in good faith to amend this Agreement from time to time as is necessary for City to comply with the requirements of HIPAA and for Business Associate to provide services to City. However, no change, amendment, or modification of this Agreement shall be valid unless it is set forth in writing and signed by both parties.

3. Designation of HIPAA Officer(s). Business Associate agrees to designate, in writing, a HIPAA Privacy and Security Officer(s) who will communicate with the City’s HIPAA Privacy and Security Officers for purposes of this Agreement. Business Associate agrees to notify the City’s HIPAA Privacy and Security Officers of such designation and the contact information of such officer(s):

Stephen Murphy

312-747-9605  
hipaaprivacyofficer@cityofchicago.org

Paul Bivian  
HIPAA Security Officer  
312-744-1345  
hipaasecurityofficer@cityofchicago.org

4. Uses and Disclosures of PHI. Business Associate must not use or further disclose Protected Health Information (“PHI”) other than as permitted or required by this Agreement, as necessary to perform the services in this Agreement, or as Required By Law.

a. Business Associate will not sell PHI or use or disclose PHI for the purposes of marketing or fundraising.

b. Business Associate shall not directly or indirectly receive financial remuneration in exchange for any PHI of an individual or in exchange for making communications regarding treatment or health care operations unless otherwise allowed in this Agreement.

c. If Business Associate is authorized to use PHI to provide the City with de-identified information, Business Associate is not permitted to use or disclose the de-identified information for purposes other than those specified in the Agreement.

d. Business Associate may use PHI to provide data aggregation services to the City, relating to the health care operations of the City.

e. Business Associate may use and disclose PHI received by the Business Associate in its capacity as a Business Associate to the City, if necessary, for the proper management and administration of Business
Associate or to carry out the legal responsibilities of Business Associate, provided that, as to any such disclosure, the following requirements are met:

i. The disclosure is required by law; or

ii. The Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been the subject of a Breach.

f. Except as otherwise limited in this Agreement, Business Associate may use and disclose PHI obtained from or on behalf of the City to perform functions, activities, or services for, or on behalf of, the City as specified in the Agreement, provided that such use or disclosure would not violate HIPAA if done by the City.

5. **Minimum Necessary.** Business Associate shall use, disclose, or request only the minimum necessary PHI necessary to accomplish the intended purpose of the use, disclosure, or request. Business Associate represents that the PHI used, disclosed, or requested by Business Associate is the minimum necessary to carry out purposes of the Agreement. Prior to any use or disclosure, Business Associate shall determine whether a limited data set would be sufficient for these purposes.

6. **Safeguards of PHI.** Business Associate must use appropriate safeguards with respect to PHI that it creates, receives, maintains, or transmits on behalf of the City to prevent the use or disclosure of PHI other than as provided for in this Agreement. The safeguards must reasonably protect PHI from any intentional or unintentional use or disclosure in violation of HIPAA privacy regulations (45 CFR Part 164, subpart E) and limit incidental uses or disclosures made pursuant to a use or disclosure otherwise permitted by this Agreement. The safeguards must also reasonably and appropriately protect the confidentiality, integrity, and availability of PHI that Business Associate creates, receives, maintains, or transmits on the City's behalf as required by the HIPAA privacy regulations (45 CFR Part 164, subpart C). Where applicable, Business Associate must comply with the HIPAA security regulations (45 CFR Part 164, subpart C) with respect to electronic protected health information, to prevent the use or disclosure other than as provided for by this Agreement. Where feasible, PHI will not leave the City's facilities and will be accessed under the supervision of City employees.

7. **Applicability of Business Associate Agreement to Subcontractors and Agents.** Business Associate must ensure that any agent, including a subcontractor that creates, receives, maintains, or transmits PHI on behalf of the Business Associate agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information, by entering into a contract or other arrangement that complies with HIPAA. An agent or subcontractor of a Business Associate is not permitted to use or disclose PHI in a manner that would not be permissible if done by the Business Associate. Business Associate will ensure that its subcontractors and agents to which Business Associate is permitted by this Agreement or in writing by the City to disclose PHI agree to implement reasonable and appropriate safeguards to protect PHI. Business Associate will obtain reasonable assurances from any subcontractors and agents to which Business Associate discloses PHI that the subcontractor or agent will hold PHI in confidence and further use or disclose PHI only for the purpose for which Business Associate disclosed PHI to the subcontractor or agent as Required By Law.

Business Associate will obtain reasonable assurances that any subcontractor or agent to which Business Associate discloses PHI will notify the Business Associate within 5 calendar days (who will, in turn, notify the City within 5 calendar days, as described below) of any instance in which the subcontractor or agent becomes aware of a Breach of unsecured PHI; possible Breach of unsecured PHI; any security incident of which it becomes aware, including: any attempted or successful unauthorized access, use, disclosure, modification, or destruction of PHI; or any attempted or successful interference with agent or subcontractor's system operations of which agent/subcontractor becomes aware.

Agent/subcontractor is not required to report the following types of unsuccessful security incidents: pings and other broadcast attacks on agent/subcontractor's firewall, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

If a delay is requested by a law enforcement official in accordance with 45 CFR 164.412, agent/subcontractor may delay notification to Business Associate for the time period specified in HIPAA. Agent or subcontractor's report will include the information described in 45 CFR 164.404(c) and such other information as the Business Associate or the City may reasonably request.

8. **Reporting of Breaches, Potential Breaches, and Security Incidents.** Business Associate must report to the City any use or disclosure of the PHI not provided for by this Agreement of which it becomes aware, as well as any Breach of Unsecured PHI; potential Breach of unsecured PHI; any security incident of which it becomes aware; any attempted or successful unauthorized access, use, disclosure, modification, or destruction of PHI; or any attempted or successful interference with Business Associate's system operations of which Business Associate becomes aware.

Business Associate will make the report to the City's HIPAA Privacy and Security Officers not more than five (5) calendar days after Business Associate discovers such non-permitted use or disclosure, Breach, security incident, or other incident...
as described above. Business Associate shall provide any reports or notices required by HIPAA as a result of Business Associate's Breach. On behalf of the City, Business Associate will provide such reports or notices to any party or entity (including but not limited to media, Secretary, and individuals affected by the Breach) entitled by law to receive the reports or notices. Business Associate agrees to pay the costs associated with notifying individuals affected by the Breach, which may include, but are not limited to, paper, printing, and mailing costs.

Business Associate is not required to report the following types of unsuccessful security incidents: pingings and other broadcast attacks on Business Associate's firewall, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

If a delay is requested by a law enforcement official in accordance with 45 CFR 164.412, Business Associate may delay notifying City for the time period specified in HIPAA. Business Associate's report will include the information described in 45 CFR 164.404(c) and such other information as the City may reasonably request.

9. **Mitigation and Penalties.** Business Associate must mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Breach or of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement. Business Associate shall take reasonable steps to put corrective measures in place to prevent future Breaches (such as retraining employees and upgrading security systems). At the City's request, Business Associate shall take reasonable steps to mitigate the harm to affected Individuals whose PHI has been or may have been compromised as a result of a Breach by Business Associate, including obtaining credit monitoring services and offering identity theft insurance. To the extent that the City incurs civil or criminal monetary penalties as a result of a Breach by the Business Associate, the Business Associate agrees to reimburse the City for such penalties.

10. **Designated Record Sets - Access.** If the Business Associate has PHI in a Designated Record Set, then Business Associate must provide access to or otherwise make available, at the request of the City, and in the time and manner designated by the City, PHI in a Designated Record Set, to the City or, as directed by City, to an Individual in order to meet the requirements under 45 CFR 164.524.

11. **Designated Record Sets – Amendments.** If the Business Associate has PHI in a Designated Record Set, then Business Associate must make any amendments to PHI in a Designated Record Set that the City directs or agrees to pursuant to 45 CFR 164.526 at the request of City or an Individual, and in the time and manner designated by the City.

12. **Internal Practices, Books, and Records.** Business Associate must make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of, the City available to the Secretary for purposes of determining compliance with HIPAA. Business Associate also must make internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, the City available to the City in a time and manner designated by the City, for purposes of the Secretary determining City’s compliance with HIPAA.

13. **Accounting of Disclosures - Documentation.** Business Associate must document the disclosures of PHI and information relating to such disclosures as would be required for City to respond to a request by an individual for an accounting of disclosures of PHI in accordance with HIPAA, specifically 45 CFR 164.528.

14. **Accounting of Disclosures – Provision of Information.** Business Associate must provide to City or an individual, in time and manner designated by City, information collected which relates to the disclosure of PHI, to permit City to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. If the Business Associate receives a request for accounting of disclosures directly from the individual, the Business Associate must respond to such request for an accounting of disclosures, provide the accounting of disclosures to the individual within the time required by 45 CFR 164.528, and provide the information regarding such request to the City, in the time and manner designated by the City.

15. **Survival, Termination, and Return or Destruction of PHI.** Upon termination of this Agreement for any reason, the Business Associate’s obligations under these contractual obligations shall survive termination and remain in effect:

   (a) until Business Associate has completed the return or destruction (in accordance with the US Department of Health and Human Services’ Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals) of all of the PHI provided by City to Business Associate, or created or received by Business Associate on behalf of City, and
   (b) to the extent that Business Associate retains any PHI.

Upon the expiration or termination of the underlying Agreement, if feasible, the Business Associate must either:

   (1) return all PHI received from the City, or created, maintained, or received by Business Associate on behalf of the City, which the Business Associate still maintains in any form, to the City or
   (2) destroy it, at the City’s option (in accordance with the US Department of Health and Human Services’ Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals).
This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI.

If Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If it is infeasible for Business Associate to obtain, from a subcontractor or agent any PHI in the possession of the subcontractor or agent, Business Associate shall require the subcontractors and agents to agree to extend any and all protections, limitations and restrictions contained in this Agreement to the subcontractors’ and/or agents’ use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.

In the event of a breach of the terms of these contractual obligations, the cure and remedies of the Agreement shall govern. HIPAA’s privacy rule (45 CFR § 164.504(e)(2)) requires that the Business Associate will authorize termination of the contract by the City, if the City determines that the Business Associate has violated a material term of these contractual obligations.

16. **Compliance with Obligations.** To the extent the Business Associate is to carry out one or more of City’s obligation(s) under Subpart E of 45 CFR Part 164, the Business Associate must comply with the requirements of Subpart E that apply to the City in the performance of such obligation(s). Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if done by the City.

17. **No Third Party Rights.** The terms and conditions of this Agreement are intended for the sole benefit of Business Associate and City and do not create any third party rights.

18. **Governing Law.** To the extent not preempted by federal law, the Agreement shall be governed and construed in accordance with the laws of the State of Illinois.
EXHIBIT 10

DATA POLICY/DATA WITH CONTRACTOR

Data Protection Requirements for Contractors, Vendors and Third-Parties

“Breach” means the acquisition, access, use, or disclosure of Protected Information that compromises the security or privacy of the Protected Information.

“Contractor” means an entity that receives or encounters Protected Information. Contractor includes, without limitation, entities that store Protected Information, or host applications that process Protected Information. The provisions of this Data Policy includes not only the entity that is a signatory to this Policy but all subcontractors, of whatever tier, of that entity; the signatory must inform and obtain the agreement of such subcontractors to the terms of this Data Policy.

“Protected Information” means all data provided by City to Contractor or encountered by Contractor in the performance of the services to the City, including, without limitation, all data sent to Contractor by City and/or stored by Contractor on its servers. Protected Information includes, but is not limited to, employment records, medical and health records, personal financial records (or other personally identifiable information), research data, and classified government information. To the extent there is any uncertainty as to whether any data constitutes Protected Information, the data in question shall be treated as Protected Information.

1. Information Security. Contractor agrees to the following:

1.1. General. Notwithstanding any other obligation of Contractor under this policy, Contractor agrees that it will not lose, alter, or delete, either intentionally or unintentionally, any Protected Information, and that it is responsible for the safe-keeping of all such information, except to the extent that the City directs the Contractor in writing to do so.

1.2. Access to Data. In addition to the records to be stored / maintained by Contractor, all records that are possessed by Contractor in its service to the City of Chicago to perform a governmental function are public records of the City of Chicago pursuant to the Illinois Freedom of Information Act (FOIA), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

1.3. Minimum Standard for Data at Rest and Data in Motion. Contractor must, at a minimum, comply, in its treatment of Protected Information, with National Institute of Standards and Technology (NIST) Special Publication 800-53 Moderate Level Control. Notwithstanding this requirement, Contractor acknowledges that it must fully comply with each additional obligation contained in this policy. If data is protected health information or electronic protected health information, as defined in the Health Insurance Portability and Accountability Act and Health Information Technology for Economic and Clinical Health Act (HIPAA/HITECH) and regulations implementing these Acts (see 45 CFR Parts 160 and 164), it must be secured in accordance with “Guidance Specifying the Technologies and Methodologies that Render Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals,” available on the United States Department of Health and Human Services (HHS) website (http://www.hhs.gov/ocr/privacy/hipaa/administrative/breachnotificationrule/index.html), or at Volume 74 of the Federal Register, beginning at page 42742. That guidance from the HHS states that valid encryption processes for protected health information data at rest (e.g., protected health information resting on a server), must be consistent with the NIST Special Publication 800-111, Guide for Storage Encryption Technologies for End User Devices. Valid encryption processes for protected health information data in motion (e.g., transmitted through a network) are those which comply with NIST Special Publications 800-52, Guidelines for the Selection and Use of Transport Layer Security Implementation; 800-77, Guide to IPsec VPNs; or 800-113, Guide to SSL VPNs, or others which are Federal Information Processing Standards (FIPS) 140-2 validated.

1.4. Where Data is to be Stored. All data must be stored only on computer systems located in the continental United States.

1.5. Requirement to Maintain Security Program. Contractor acknowledges that the City has implemented an information security program to protect the City’s information assets, which Program is available on the City website at http://www.cityofchicago.org/city/en/depts/doit/supp_info/initiatives_-_informationsecurity.html (“City Program”). Contractor shall be responsible for establishing and maintaining an information security program that is designed to: (i) ensure the security and confidentiality of Protected Information; (ii) protect against any anticipated threats or hazards to the security or integrity of Protected Information; (iii) protect against unauthorized access to or use of Protected Information; (iv) ensure the proper disposal of Protected Information; and, (v) ensure that all subcontractors of Contractor, if any, comply with all of the foregoing.

1.6. Undertaking by Contractor. Without limiting Contractor’s obligation of confidentiality as further described herein, in no case shall the safeguards of Contractor’s information security program be less stringent than the information security safeguards
used by the City Program.

1.7. **Right of Audit by the City of Chicago.** The City of Chicago shall have the right to review Contractor’s information security program prior to the commencement of Services and from time to time during the term of this Agreement. During the performance of the Services, from time to time and without notice, the City of Chicago, at its own expense, shall be entitled to perform, or to have performed, an on-site audit of Contractor’s information security program. In lieu of an on-site audit, upon request by the City of Chicago, Contractor agrees to complete, within forty-five (45) days of receipt, an audit questionnaire provided by the City of Chicago or the City of Chicago’s designee regarding Contractor’s information security program.

1.8. **Audit by Contractor.** No less than annually, Contractor shall conduct an independent third-party audit of its information security program and provide such audit findings to the City of Chicago, all at the Contractor’s sole expense.

1.9. **Audit Findings.** Contractor shall implement at its sole expense any remedial actions as identified by the City as a result of the audit.

1.10. **Demonstrate Compliance - PCI.** No less than annually, as defined by the City of Chicago and where applicable, the Contractor agrees to demonstrate compliance with PCI DSS (Payment Card Industry Data Security Standard). Upon City’s request, Contractor must be prepared to demonstrate compliance of any system or component used to process, store, or transmit cardholder data that is operated by the Contractor as part of its service. Similarly, upon City’s request, Contractor must demonstrate the compliance of any third party it has sub-contracted as part of the service offering. As evidence of compliance, the Contractor shall provide upon request a current attestation of compliance signed by a PCI QSA (Qualified Security Assessor).

1.11. **Demonstrate Compliance – HIPAA / HITECH.** If the Protected Information includes protected health information or electronic protected health information covered under HIPAA/HITECH, Contractor must execute, and be governed by, the provisions in its contract with the City regarding HIPAA/HITECH, the regulations implementing those Acts, and the Business Associate Agreement in its contract with the City. As specified in 1.3, protected health information must be secured in accordance with the “Guidance Specifying the Technologies and Methodologies that Render Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals.”

1.12. **Data Confidentiality.** Contractor shall implement appropriate measures designed to ensure the confidentiality and security of Protected Information, protect against any anticipated hazards or threats to the integrity or security of such information, protect against unauthorized access or disclosure of information, and prevent any other action that could result in substantial harm to the City of Chicago or an individual identified with the data or information in Contractor’s custody.

1.13. **Compliance with All Laws and Regulations.** Contractor agrees that it will comply with all laws and regulations.

1.14. **Limitation of Access.** Contractor will not knowingly permit any Contractor personnel to have access to any City of Chicago facility or any records or data of the City of Chicago if the person has been convicted of a crime in connection with (i) a dishonest act, breach of trust, or money laundering, or (ii) a felony. Contractor must, to the extent permitted by law, conduct a check of public records in all of the employee’s states of residence and employment for at least the last five years in order to verify the above. Contractor shall assure that all contracts with subcontractors impose these obligations on the subcontractors and shall monitor the subcontractors’ compliance with such obligations.

1.15. **Data Re-Use.** Contractor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in the Agreement. Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. As required by Federal law, Contractor further agrees that no City of Chicago data of any kind shall be revealed, transmitted, exchanged or otherwise passed to other Contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by an officer of the City of Chicago with designated data, security, or signature authority.

1.16. **Safekeeping and Security.** Contractor will be responsible for safekeeping all keys, access codes, passwords, combinations, access cards, personal identification numbers and similar security codes and identifiers issued to Contractor’s employees, agents or subcontractors. Contractor agrees to require its employees to promptly report a lost or stolen access device or information to their primary business contact and to the City of Chicago Information Security Office.

1.17. **Mandatory Disclosure of Protected Information.** If Contractor is compelled by law or regulation to disclose any Protected Information, the Contractor will provide to the City of Chicago with prompt written notice so that the City of Chicago may seek an appropriate protective order or other remedy. If a remedy acceptable to the City of Chicago is not obtained by the date that the Contractor must comply with the request, the Contractor will furnish only that portion of the Protected Information that it is legally required to furnish, and the Contractor shall require any recipient of the Protected Information to exercise commercially reasonable efforts to keep the Protected Information confidential.
1.18 Data Breach. Contractor agrees to comply with all laws and regulations relating to data breach, including without limitation, the Illinois Personal Information Protection Act and other applicable Illinois breach disclosure laws and regulations. Data breaches of protected health information and electronic protected health information shall be governed by the provisions regarding HIPAA/HITECH, and the regulations implementing those Acts, in the Contractor’s contract with the City, specifically the Business Associate Agreement in such contract. Contractor will immediately notify the City if security of any Protected Information has been breached, and will provide information as to that breach in such detail as requested by the City. Contractor will, if requested by the City, notify any affected individuals of such breach at the sole cost of the Contractor.

1.19 Data Sanitization and Safe Disposal. All physical and electronic records must be retained per federal, state and local laws and regulations, including the Local Records Act. Where disposal is approved, the Contractor agrees that prior to disposal or reuse of all magnetic media (e.g. hard disk, floppy disk, removable media, etc.) which may have contained City of Chicago data shall be submitted to a data sanitization process which meets or exceeds DoD 5220.28-M 3-pass specifications. Certification of the completion of data sanitization shall be provided to the City of Chicago within 10 days of completion. Acceptance of Certification of Data Sanitization by the Information Security Office of the City of Chicago is required prior to media reuse or disposal. All other materials which contain City of Chicago data shall be physically destroyed and shredded in accordance to NIST Special Publication 800-88, Guidelines for Media Sanitization, specifications.

1.20 End of Agreement Data Handling. The Contractor agrees that upon termination of this Agreement it shall return all data to the City of Chicago in a useable electronic form, and erase, destroy, and render unreadable all data in its entirety in accordance to the prior stated Data Sanitization and Safe Disposal provisions. Data must be rendered in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities. Certification in writing that these actions have been completed must be provided within 30 days of the termination of this Agreement or within 7 days of a request of an agent of the City of Chicago, whichever shall come first.
