#### **MEMORANDUM**

To:

Jamie L. Rhee

Chief Procurement Office

Attention:

Richard Butler

From:

Commissioner Thomas G. Byrne
Department of Streets and Sanitation

Subject:

Request for Emergency Contract

Date:

June 22, 2010

Streets and Sanitation is requesting an emergency contract for Sale of Tree Debris and Logs of Various Shapes and Sizes.

Due to the recent storm the Bureau of Forestry needs to award an emergency contract(s) today to vendor(s) who can assist in removal of tree debris and logs from City of Chicago locations throughout the City. There is currently no contract in place for this service.

The vendor will furnish all labor and equipment to perform the services required. The vendor(s) will pay the City on a per load basis for tree debris and/or logs.

We are asking that this contract be in place from June 23, 2010 until December 31 2010.

If you have any questions please contact Lisa Clark at 312-744-4667.

Thank you.

#### NOTICE TO BIDDERS

Unless otherwise specified herein, awards will be made to the firms submitting the highest bids as specified on the attached bid documents. The City reserves the right to issue multiple awards to provide sufficient capacity to meet City requirements. Materials are sold on the basis of "as is, where is" without warranty. Bids may be rejected, if in the opinion of the Chief Procurement Officer, the public interest may be served thereby. Successful qualified bidder(s) will be notified in writing.

Buyer is to furnish all labor and equipment. Work must commence immediately upon notice of award. Vendor will be required to remove all specified material within 10 business days from the notice to proceed. The City will assist in the loading of the material and issue load tickets for each load of material removed from specified locations. If a buyer subcontracts all or a portion of the labor and equipment to remove the property from the location, buyer is required to provide subcontractor(s) information on the attached Subcontractor Information Schedule and include with your bid. Subcontractors not disclosed herein will not be allowed to remove any equipment. Buyer will also provide proof of insurance, listed in Exhibit A attached hereto, and all applicable licenses and permits. Within 14 days of contract award, the vendor must submit an Economic Disclosure Statement.

Equipment Requirements: The bidder must possess trucks with 50 or 100 yard capacity with open tops that are able to accept tree debris and/or logs loaded from a front end loader. The height capacity of the semis must not exceed 13'. Self loading log trucks may also be used and must be in accordance with industry standards.

The bidders must bid all lines. The City also reserves the right to cancel this agreement at anytime during the agreement period.

Vendors will be invoiced immediately upon completion of work, based on material removal activities. Payment must be in the form of a cashiers check, certified check or money order and sent to the Department of Revenue. 121 North LaSalle Street, Room 107, Chicago, Illinois 60602.

# Exhibit A CONTRACT INSURANCE AND REQUIREMENTS

# CONTRACT INSURANCE REQUIREMENTS Department of Streets and Sanitation Emergency Trucking-Tree Removal Contract

The Contractor must provide and maintain at Contractor's own expense until Contract completion and during the time period following completion if Contractor is required to return and perform any additional work, the insurance coverages and requirements specified below, insuring all operations related to the Contract.

#### A. INSURANCE TO BE PROVIDED

### Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law covering all employees who are to provide a service under this Contract and Employers Liability coverage with limits of not less than \$500,000 each accident, illness or disease.

# 2) <u>Commercial General Liability</u> (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than \$2,000.000 per occurrence for bodily injury, personal injury, and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense, and contractual liability (not to include Endorsement CG21 39 or equivalent). The City of Chicago is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the work.

## 3) <u>Automobile Liability</u> (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Contractor must provide Automobile Liability Insurance with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage. The City of Chicago is to be named as an additional insured on a primary, non-contributory basis.

#### B. ADDITIONAL REQUIREMENTS

The Contractor must furnish the City of Chicago, Department of Procurement Services, City Hall, Room 403, 121 North LaSalle Street, Chicago IL 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Contract, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Contract. The Contractor must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to Contract award. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Contract have been fully met or that the insurance policies indicated on the certificate are in compliance with all Contract requirements. The failure of the City to obtain certificates or other insurance evidence from Contractor is not a waiver by the City of any requirements for the Contractor to obtain and maintain the specified coverages. The Contractor must advise all insurers of the Contract provisions regarding insurance. Non-

conforming insurance does not relieve Contractor of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Contract, and the City retains the right to stop work until proper evidence of insurance is provided, or the Contract may be terminated.

The insurance must provide for 60 days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Contractor.

The Contractor hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Contract or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Contractor under the Contract.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Contract or any limitation placed on the indemnity in this Contract given as a matter of law.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

The Contractor must require all subcontractors to provide the insurance required herein, or Contractor may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Contractor unless otherwise specified in this Contract.

If Contractor or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provisions in the Contract to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.
