TABLE OF CONTENTS

Chicago Labor Management Cooperation Committee

October 2018

Dear Employees:

For the past 12 years, the City of Chicago and labor representatives, working together in the Labor Management Cooperation Committee (LMCC), have been engaged to keep your employee benefits package working for you. Below we have listed a few highlights from 2018:

1. A recent report to the LMCC on the ***Chicago Lives Healthy*** **Wellness Plan** showed results since the program began in 2012. Primarily, the Wellness Plan appears to have improved member awareness. In addition, members showed behavioral and status improvements. For example, the number of individuals deemed to be "high-risk" for developing cardiovascular disease decreased by 17% over the six years of the program (from 2012 to 2018). Likewise, the number of individuals at "elevated risk" for developing diabetes decreased by 8%.

2. Part of the **Wellness Plan** involves special outreach, the Health Improvement Plan, or HIP, for members who were identified by Telligen as being at-risk, based upon biometric screening. This includes members with metabolic syndrome, who may have special risk for developing type 2 diabetes and/or cardiovascular disease. Telligen reported that 97% of the HIP participants displayed signs of metabolic syndrome in their first screening for the wellness program. But the percentage of those same HIP participants with metabolic syndrome dropped to 54% in 2018—in other words, 43% of the HIP participants improved their health status enough to no longer have metabolic syndrome.

3. The LMCC received a $95,000 grant from the **Federal Mediation and Conciliation Service**. With Blue Cross, Healthways and Telligen, the LMCC used the grant to study new ways of communicating with members to increase engagement. The pilot outreach program is focusing on telemedicine, preventive dental hygiene, hypertension and hyperlipidemia.

4. An additional, voluntary program for members with **hypertension and hyperlipidemia** started in 2018. Members receive counseling related to nutrition, weight reduction and increased physical activity.

5. With Blue Cross, the LMCC continues its **telemedicine program**, also known as **Virtual Visits**, through an entity called **MDLive**. Check out the ease of accessing Board-certified doctors right from your own home. A quick call to MDLive can save time and trouble—the MDLive "doctor is in" 24/7! Go to MDLive.com/bcbsil or call 1-888-676-4204 for more information.

6. **Best Doctors**, the program for second opinions that started in 2017, reported continued success in 2018. Best Doctors offers timely, highly respected second opinions. They also offer counseling for chronic conditions, answers to treatment questions and can help you locate an in-network specialist who is a "Best Doctor." Members used this service for, among other things, to receive information on treatment options for orthopedic complaints.

7. **Tiered PPO plan:** In-network PPO hospitals, doctors and other providers are in one of two tiers in the OPT PPO plan. Tier I providers offer the most savings for both the City and members; Tier II providers have higher co-payments and out of pocket expense for members. Members can choose providers from either tier, and they can go back and forth between tiers during the year at each provider visit. The tier approach has realized substantial savings in a number of areas for both the plan and LMCC members.

8. **Emergency Room Use:** On its website Blue Cross posts many alternatives to emergency rooms. Members save for themselves and for everyone by using urgent care centers, retail clinics, telemedicine (MDLive) and after-hour physicians.

We ask our members to take advantage of all the programs and information that we continue to offer.

The LMCC thanks you for all your help in slowing down the growth of health benefit costs. We look forward to working with you to continue to improve your health in 2019.

Sincerely,

The City of Chicago Labor Management Cooperation Committee

CHECK YOUR BENEFIT COVERAGE SHEET

Your personalized Benefits Coverage Sheet is included with this Guide. The medical, dental and vision enrollment listed on this Coverage Sheet will remain the same for 2019 unless you make changes during the open enrollment period which runs October 17, 2018 through October 31, 2018. You must re-enroll in healthcare and dependent care Flexible Spending Account(s) to participate in 2019.

Dependent children who reach the age of 26 are automatically terminated from the City's health plan on the last day of the month of his/her birthday. However, if you have a disabled child reaching the age of 26, he/she may be eligible to continue dependent coverage. Contact the Benefits Service Center at least three months before your child's 26th birthday to apply for continued coverage for a disabled dependent child.

Check the personalized Benefits Coverage Sheet to make sure the information is correct for you and your dependents. Call the Benefits Service Center to update any of this information:

- Name and birthdate.
- Social Security number if marked as "N". If any Social Security number is marked "N", you must bring the original Social Security Card to the Chicago Benefits Office to update your dependent's record.

Federal law requires Social Security numbers for everyone enrolled in the City's health plans.

IF YOUR HOME ADDRESS CHANGES

Contact your Department's Human Resources Representative to update your address on file with the City.

ENROLLMENT CHANGES DURING THE YEAR

Benefit enrollment changes are allowed throughout the year only if you have a life change event such as marriage, divorce, birth or adoption of a child or loss of coverage through your spouse. Call the Benefits Service Center within 30 days of the life change event. If you try to make these changes as an open enrollment change, the coverage will not go into effect until January 1, 2019. You must provide documents to prove the life change event within 60 days of the event. Call the Benefits Service Center for more information.

Please note: Life change events are effective on the event date but open enrollment changes are effective January 1, 2019. When you call to make a life change event during the open enrollment period, you need to make sure that you explain that you are calling about a life change event and ask for the benefits to be effective on the event date.

INSTRUCTIONS ON HOW TO ACCESS www.cityofchicagobenefits PORTAL

Step 1: Employee ID Number

In order to create an online account, you will need your eight digit employee ID number.

Where to find your employee ID number?

Look on the upper left of your paystub where it says PAYEE/EMPLOYEE NUMBER. That's it.

This is not your Kronos number, the number you use for City computer access, or your payroll number.

Step 2: Add Zeroes

For online open enrollment, your employee ID number needs to be eight digits long. Simply add zeroes at the front to make it eight numbers. Examples: 5432 becomes 00005432 and 1234567 becomes 01234567.

Please keep this number for future use.

Step 3: Create Online Account

If you plan to enroll online, go to: www.cityofchicagobenefits.org to create your open enrollment username and password to make sure you can get into the system. If you already have an online account, you can test it to ensure it works.

If you've forgotten your username, click "Forgot Your User Name" and enter your eight digit employee ID number. Follow the prompts to get your new username. If you've forgotten your password, click "Forgot Your Password" then enter your username and follow the prompts. If you've forgotten both, get your username first. If you've never used the system, click "First Time Logging In" and follow the prompts.

Step 4: Enrollment

- Select benefits to enroll
- Choose coverage: Single, Employee + One, Family
- Enroll or re-enroll in the healthcare and dependent Flexible Spending Account (FSA) for 2019

Once you have made your enrollment selections ensure you click "submit" on the final screen.

Step 5: Write it Down

Keep your username and password; you need them to use the online open enrollment system in the future.

ADDING A DEPENDENT DURING OPEN ENROLLMENT?

STEP ONE – Enroll your dependents. Enroll your spouse, civil union partner, same sex domestic partner, and children during the open enrollment period online or by phone.

STEP TWO – Provide original documents to prove they are your legal dependents.
Submit your dependents documents as soon as possible. Your dependents will not have medical, vision or dental coverage, effective January 1, 2019 if you fail to submit the required documentation by December 6, 2018.

If you are adding dependents, you must submit the required documents for coverage to begin.

Deadline: If you submit your documents by close of business **Thursday, December 6, 2018** coverage will be reflected on January 1, 2019. For example, if your dependents seek medical care on January 1, 2019, your healthcare service provider will be able to verify coverage online. Please submit your documents to the Chicago Benefits Office by this deadline to properly reflect coverage by the January 1st effective date. ***We encourage you to submit your documents right away to avoid the last minute rush.***

Grace Period. If you fail to submit your documents by **Thursday, December 6, 2018**, you may submit documents through Thursday, January 31, 2019. Your failure to timely submit documents may result in delayed coverage.

If you fail to submit documentation by the end of the grace period on January 31, 2019, you will be required to wait until the next open enrollment period to enroll your dependents.

Bring certified documents and your dependent's social security card to:

Chicago Benefits Office
333 South State Street/Room 400
Chicago, IL 60604-3978

Office hours are Monday through Friday 8:30 a.m. – 4:30 p.m.

Your original certified documents will be copied and returned to you.
Documents required are:

Spouse – certified marriage certificate and spouse's social security card
Child – certified birth certificate and child's social security card
Civil Union – certified certificate and partner's social security card

It should be noted that:

- If healthcare services were received by your dependents during the grace period, and your medical provider submitted claims that were not paid because the required documents deadline of **December 6, 2018** was missed, those claims will be reprocessed retroactive to January 1, 2019 if the required enrollment documents are received by the Chicago Benefits Office by close of business January 31, 2019.
- Your medical provider may need to resubmit claims.
- Alternatively, if you paid out of pocket for healthcare services during the grace period, you may need to submit paper claims.

To avoid inconvenience, and to ensure your dependent's new coverage is reflected at the time of service, submit your documents to the Chicago Benefits Office by **Thursday, December 6, 2018**.

IMPORTANT NOTICE: If an employee or dependent gives false information, or if the dependent is not a legal dependent of the employee, the City will take action to collect any money paid to cover healthcare expenses related to the fraud and/or report the fraud to the appropriate authority.

DO NOT WAIT UNTIL THE LAST MINUTE

ENROLL OR RE-ENROLL IN A FLEXIBLE SPENDING ACCOUNT (FSA)

Flexible Spending Accounts (FSA) may save you money by reducing your income taxes. An FSA allows you to have money deducted from your paycheck before your federal and Social Security taxes are calculated. Your FSA contributions are automatically tracked in a special FSA account administered by ConnectYourCare. You can choose to have FSA reimbursement checks mailed to you or deposited directly into your bank account. You will have the option for a debit card for healthcare flexible spending account.

FSA contributions are spread over the year and taken out each paycheck. After you decide how much you want to put aside in an FSA, call the Benefits Service Center to enroll (1-877-299-5111) or enroll at www.cityofchicagobenefits.org.

HEALTHCARE FSA

A healthcare FSA allows you to set aside pre-tax dollars for qualified health expenses that are not covered by medical, dental or vision insurance. Qualified expenses include deductibles, co-pays for medical care and prescription medications, vision services and dental care. The maximum FSA contribution in 2019 is $2,650.

Estimate how much you will likely spend in 2019. Consider what medical, vision and dental expenses you are fairly certain you will have next year including deductibles, co-pays and co-insurance amounts, as well as any out-of-pocket expenses for services not covered by the plan (eye laser surgery, dental implants etc). A complete list of healthcare expenses for FSA reimbursement can be found at www.irs.gov/pub/irs-pdf/p502.pdf.

DEPENDENT CARE FSA

Use pre-tax dollars to pay for care for a dependent child, disabled spouse, elderly parent or other tax dependents. Qualified expenses include a babysitter, day care, preschool tuition, before and after school care and day camps for dependents under age 13. Care for other tax dependents who are mentally or physically incapable of caring for themselves also qualifies for FSA reimbursement. The maximum contribution in a Dependent Care FSA in 2019 is $5,000.

USE IT OR LOSE IT

The IRS requires that any money left in your account at the end of the year will be forfeited. If you enroll in either FSA for 2019, qualified expenses have to be incurred before March 15, 2020. You will have until March 31, 2020 to submit your 2019 expenses.

If your employment with the City ends before you have used all the money in your FSA, you have until the end of the annual grace period to submit expenses for FSA reimbursement (for example, March 31, 2020 for expenses incurred in 2019 If you plan to incur expenses after your employment with the City ends, you must elect to continue FSA contributions under PHSA/COBRA.

DON'T FORGET TO RE-ENROLL!

You must re-enroll in the FSA each year during Open Enrollment

www.cityofchicagobenefits.org

1-877-299-5111

FSA enrollment cannot be done by ConnectYourCare

New FSA provider: You will continue to submit 2018 claims to PayFlex through March 31, 2019. Claims for 2019 will be processed by ConnectYourCare. More information coming soon.

SPECIAL REMINDERS

PPO-Mandatory Second Opinion Program for Surgeries

A Second Opinion is needed before obtaining some surgeries. You must call Telligen as soon as your doctor recommends surgery in any of the following areas:

- Knee; shoulder; hip; neck; and back
- Gall bladder
- Uterine, Vagina, Cervix
- Weight loss (Gastric Bypass)

There is no charge for the second opinion, you will not be examined and no travel is required. However, you must give permission for the second opinion provider, Best Doctors, to collect your medical records and test results.

Telligen will first review your proposed surgery for medical necessity and if required, Best Doctors will then arrange for a specialist to review your doctor's diagnosis and recommendations. You will receive a confidential, written report of the second opinion to help you decide how to proceed with treatment. You make the final decision on whether to have surgery; however, if you do not get the second opinion, you will pay for the full cost of the surgical procedure. The second opinion requirement is waived if you are admitted to the hospital for surgery from the emergency room.

Call Telligen at 1-800-373-3727 to begin the second opinion review and out-patient surgery pre-certification process. If you fail to obtain the required pre-certification, or the second opinion, you will pay for the full cost of the surgical procedure.

PPO Virtual Doctor's Visits

PPO members can have a virtual "face-to-face" medical evaluation by a primary care physician using a phone, tablet or computer with a front facing camera. Claims are submitted directly to Blue Cross Blue Shield and you pay a $20 copay for the visit. If necessary, prescriptions are sent to a local pharmacy, Value Formulary and prescription drug copays apply. You must have a valid credit card to be able to use this service. Call Blue Cross Blue Shield at 1-800-772-6895 for more information.

PPO MONEY SAVINGS

Save by using doctors and hospitals in the PPO Tier 1 network: The PPO gives you freedom to choose from three different network tiers. You can select doctors and hospitals (providers) from Tier 1 for some of your care, and use Tier 2 or Tier 3 providers for other services. You pay the lowest deductible and coinsurance when you use providers in Tier 1. To find a Tier 1 provider, call 1-800-772-6895 or go to www.bcbsil.com/cityofchicago.

Two ways to save on prescription medications: 1) Choose generic medications and pay the lowest copay. 2) Use mail order for long term "maintenance" medications. You will pay more if you don't use mail order for long term medications after the 3rd fill. Just call 1-866-748-0028 and ask CVS Caremark to contact your doctor for a new prescription to be processed through mail order.

Save on lab tests – **use a free-standing lab:** Get your lab tests paid in full by using a free-standing lab (such as a Quest lab) which is not affiliated with a hospital. Even if your doctor already has an arrangement with Quest, ask for a lab order for tests to be done at a Quest facility. Take this paperwork to the Quest lab and test results will be sent directly to your doctor. Call 1-866-697-8378 to find the location of a Quest lab near you, or go to www.Questdiagnostics.com.

Save on scans – use a free-standing imaging center: Scans are covered in full if done at a free-standing imaging center. When your doctor orders an MRI, CT, or PET scan, call Telligen at 1-800-373-3727 to pre-certify the test and locate a free-standing imaging center near you.

Pregnant? Earn a $100 incentive: Enroll in a free, confidential maternity management program designed to encourage a healthy baby by providing telephone support for moms-to-be. To qualify for the $100 incentive, call Telligen (1-800-373-3727) to enroll and complete at least eight doctors' visits during the pregnancy.

A REMINDER ABOUT FRAUD

Any kind of fraud on the City of Chicago's benefit plans may result in adverse consequences to an employee and dependent, for example:

- Failure to notify the City Benefits Service Center of an event that would cause coverage to end, e.g. divorce
- Misrepresentation by the employee or dependent regarding the initial eligibility, for example, the dependent's age, or that the dependent is not a legal dependent of the employee
- Any attempt to assign or transfer coverage to someone else (e.g. letting another person use your Plan ID card)

The employee will be required to pay for any claims and all administrative costs that were incurred fraudulently. This may result in coverage being terminated for the employee and action by the City to collect any money paid. The City may also discipline the employee, up to and including termination.

DIVORCED SPOUSE'S HEALTH COVERAGE:

If an employee becomes divorced, he/she must follow the procedure outlined in the City's Plan document available at www.cityofchicagobenefits.org:
Notify the Benefits Service Center within 30 days of the date of the divorce and bring the certified divorce decree to the Chicago Benefits Office within 60 days.

Failure to comply with the procedure will result in the employee being held liable for any healthcare claims and related expenses incurred by the participant and the ex-spouse as of the date of the divorce.

You must call the Benefits Service Center to notify the City of the divorce at 1-877-299-5111 and take the original certified divorce decree to:

LEGAL NOTICES

CITY OF CHICAGO
MEDICAL PPO PLANS ("MEDICAL PLANS")

NOTICE TO ENROLLEES OF MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT EXEMPTION FOR 2019

Generally, group health plans sponsored by state and local governmental employers, such as the City of Chicago (the "City" or "plan sponsor") must comply with federal law requirements in title XXVII of the Public Health Service Act, and the amendments thereto set forth in the Mental Health Parity and Addiction Equity Act. However, these governmental employers are permitted to elect to exempt a plan from all of the requirements listed below for any part of the plan that is self-funded by the employer rather than provided through a health insurance policy. The purpose of this Notice is to inform you that the City of Chicago has elected to exempt the City of Chicago Medical PPO Plans as follows:

1. *Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan (sometimes referred to as "mental health parity requirements").* The plan sponsor has elected to maintain the existing terms and conditions of the Medical Plans by exempting the Medical Plans from this requirement. Therefore, the City will continue in place the current requirement that Plan Participants who receive outpatient mental health and substance abuse treatment by a behavioral health specialist must obtain pre-certification by a Medical Advisor, under the Plans' Medical Advisor Review Program, after the first seven sessions each year with one or more such providers. This requirement will continue in effect for the 2019 plan year (beginning January 1, 2019, and ending December 31, 2019), and may be renewed for subsequent plan years pursuant to a subsequent exemption election, unless modified through the collective bargaining process.

2. *Protection against limiting hospital stays in connection with the birth of a child to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section.* The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.

3. *Certain requirements to provide benefits for breast reconstruction after a mastectomy.* The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.

4. *Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution.* The Medical Plans no longer use student status and provides an opportunity to elect coverage to age 26 and thus this requirement currently applies under the terms of the Medical Plans without exception.

ANNUAL HEALTHCARE REMINDER

As required by the Women's Health and Cancer Rights Act of 1998, each medical plan offered by the City of Chicago provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between breasts, as well as prostheses and complications resulting from a mastectomy (including lymphedema). Contact your PPO or HMO administrator for more information.

CHECK YOUR BENEFIT COVERAGE SHEET

Your personalized Benefits Coverage Sheet is included with this Guide. The medical, dental and vision enrollment listed on this Coverage Sheet will remain the same for 2019 unless you make changes during the open enrollment period which runs October 17, 2018 through October 31, 2018. You must re-enroll in the healthcare Flexible Spending Account to participate in 2019.

Dependent children who reach the age of 26 are automatically terminated from the City's health plan on the last day of the month of his/her birthday. However, if you have a disabled child reaching the age of 26, he/she may be eligible to continue dependent coverage. Contact the Benefits Service Center at least three months before your child's 26th birthday to apply for continued coverage for a disabled dependent child.

Check the personalized Benefits Coverage Sheet to make sure the information is correct for you and your dependents. Call the Benefits Service Center to update any of this information:

- Name and birthdate.
- Social Security number if marked as "N". If any Social Security number is marked "N", you must bring the original Social Security Card to the Chicago Benefits Office to update your dependent's record.

Federal law requires Social Security numbers for everyone enrolled in the City's health plans.

IF YOUR HOME ADDRESS CHANGES

Contact the Police Department's Human Resources Department to update your address on file with the City.

ENROLLMENT CHANGES DURING THE YEAR

Benefit enrollment changes are allowed throughout the year only if you have a life change event such as marriage, divorce, birth or adoption of a child or loss of coverage through your spouse. Call the Benefits Service Center within 30 days of the life change event. If you try to make these changes as an open enrollment change, the coverage will not go into effect until January 1, 2019. You must provide documents to prove the life change event within 60 days of the event. Call the Benefits Service Center for more information.

Please note: Life change events are effective on the event date but open enrollment changes are effective January 1, 2019. When you call to make a life change event during the open enrollment period, you need to make sure that you explain that you are calling about a life change event and ask for the benefits to be effective on the event date.

INSTRUCTIONS ON HOW TO ACCESS www.cityofchicagobenefits PORTAL

Step 1: Employee ID Number

In order to create an online account, you will need your eight digit employee ID number.

Where to find your employee ID number?

Look on the upper left of your paystub where it says PAYEE/EMPLOYEE NUMBER. That's it.

This is not your Kronos number, the number you use for City computer access, or your payroll number.

Step 2: Add Zeroes

For online open enrollment, your employee ID number needs to be eight digits long. Simply add zeroes at the front to make it eight numbers. Examples: 5432 becomes 00005432 and 1234567 becomes 01234567.

Please keep this number for future use.

Step 3: Create Online Account

If you plan to enroll online, go to: www.cityofchicagobenefits.org to create your open enrollment username and password to make sure you can get into the system. If you already have an online account, you can test it to ensure it works.

If you've forgotten your username, click "Forgot Your User Name" and enter your eight digit employee ID number. Follow the prompts to get your new username. If you've forgotten your password, click "Forgot Your Password" then enter your username and follow the prompts. If you've forgotten both, get your username first. If you've never used the system, click "First Time Logging In" and follow the prompts.

Step 4: Enrollment

- Select benefits to enroll
- Choose coverage: Single, Employee + One, Family
- Enroll or re-enroll in the healthcare Flexible Spending Account (FSA) for 2019

Once you have made your enrollment selections ensure you click "submit" on the final screen.

Step 5: Write it Down

Keep your username and password; you need them to use the online open enrollment system.

ADDING A DEPENDENT DURING OPEN ENROLLMENT?

STEP ONE – Enroll your dependents. Enroll your spouse, civil union partner, same sex domestic partner, and children during the open enrollment period online or by phone.

STEP TWO – Provide original documents to prove they are your legal dependents.
Submit your dependents documents as soon as possible. Your dependents will not have medical, vision or dental coverage, effective January 1, 2019 if you fail to submit the required documentation by December 6, 2018.

If you are adding dependents, you must provide the required documents for coverage to begin.

Deadline: If you submit your documents by close of business **Thursday, December 6, 2018** coverage will be reflected on January 1, 2019. For example, if your dependents seek medical care on January 1, 2019, your healthcare service provider will be able to verify coverage online. Please submit your documents to the Chicago Benefits Office by this deadline to properly reflect coverage by the January 1st effective date. ***We encourage you to submit your documents right away to avoid the last minute rush.***

Grace Period. If you fail to submit your documents by **Thursday, December 6, 2018**, you may submit documents through Thursday, January 31, 2019. Your failure to timely submit documents may result in delayed coverage.

If you fail to submit documentation by the end of the grace period on January 31, 2019, you will be required to wait until the next open enrollment period to enroll your dependents.

Bring certified documents and your dependent's social security card to:

Chicago Benefits Office
333 South State Street/Room 400
Chicago, IL 60604-3978

Office hours are Monday through Friday 8:30 a.m. – 4:30 p.m.

Your original certified documents will be copied and returned to you.
Documents required are:

Spouse – certified marriage certificate and spouse's social security card
Child – certified birth certificate and child's social security card
Civil Union – certified certificate and partner's social security card

It should be noted that:

- If healthcare services were received by your dependents during the grace period, and your medical provider submitted claims that were not paid because the required documents deadline of **December 6, 2018** was missed, those claims will be reprocessed retroactive to January 1, 2019 if the required enrollment documents are received by the Chicago Benefits Office by close of business January 31, 2019.
- Your medical provider may need to resubmit claims.
- Alternatively, if you paid out of pocket for healthcare services during the grace period, you may need to submit paper claims.

To avoid inconvenience, and to ensure your dependent's new coverage is reflected at the time of service, submit your documents to the Chicago Benefits Office by **Thursday, December 6, 2018.**

IMPORTANT NOTICE: If an employee or dependent gives false information, or if the dependent is not a legal dependent of the employee, the City will take action to collect any money paid to cover healthcare expenses related to the fraud and/or report the fraud to the appropriate authority.

DO NOT WAIT UNTIL THE LAST MINUTE

ENROLL OR RE-ENROLL IN A FLEXIBLE SPENDING ACCOUNT (FSA)

Flexible Spending Accounts (FSA) may save you money by reducing your income taxes. An FSA allows you to have money deducted from your paycheck before your federal and Social Security taxes are calculated. Your FSA contributions are automatically tracked in a special FSA account administered by ConnectYourCare. You can choose to have FSA reimbursement checks mailed to you or deposited directly into your bank account. You will have the option for a debit card for healthcare flexible spending account.

FSA contributions are spread over the year and taken out each paycheck. After you decide how much you want to put aside in an FSA, call the Benefits Service Center to enroll (1-877-299-5111) or enroll at www.cityofchicagobenefits.org

HEALTHCARE FSA

A healthcare FSA allows you to set aside pre-tax dollars for qualified health expenses that are not covered by medical, dental or vision insurance. Qualified expenses include deductibles, co-pays for medical care and prescription medications, vision services and dental care. The maximum FSA contribution in 2019 is $2,650.

Estimate how much you will likely spend in 2019. Consider what medical, vision and dental expenses you are fairly certain you will have next year including deductibles, co-pays and co-insurance amounts, as well as any out-of-pocket expenses for services not covered by the plan (eye laser surgery, dental implants etc). A complete list of health care expenses for FSA reimbursement can be found at www.irs.gov/pub/irs-pdf/p502.pdf.

USE IT OR LOSE IT

The IRS requires that any money left in your account at the end of the year will be forfeited. If you enroll in an FSA for 2019, qualified expenses have to be incurred before March 15, 2020. You will have until March 31, 2020 to submit your 2019 expenses.

If your employment with the City ends before you have used all the money in your FSA, you have until the end of the annual grace period to submit expenses for FSA reimbursement (for example, March 31, 2020 for expenses incurred in 2019). If you plan to incur expenses after your employment with the City ends, you must elect to continue FSA contributions under PHSA/COBRA.

DON'T FORGET TO RE-ENROLL!

You must re-enroll in the FSA each year during Open Enrollment

www.cityofchicagobenefits.org

1-877-299-5111

FSA enrollment cannot be done by ConnectYourCare

New FSA provider: You will continue to submit 2018 claims to PayFlex through March 31, 2019. Claims for 2019 will be processed by ConnectYourCare. More information coming soon.

HEALTH CARE CONTRIBUTION RATES FOR 2019

Rates Effective 7/1/2006

For Sworn Police Officers below the rank of Sergeant represented by the Fraternal Order of Police (FOP)
(Contributions taken as payroll deductions; 24 pay periods each year)

ANNUAL SALARY	SINGLE	EMPLOYEE+1	FAMILY
Up to $30,000*	**$15.71**	**$23.88**	**$27.65**
$30,001 and < $90,000	**1.2921% of payroll ÷ 24**	**1.9854% of payroll ÷ 24**	**2.4765% of payroll ÷ 24**
$90,000 and above	**$48.45**	**$74.45**	**$92.87**

*If your salary is under $30,000 and you enroll for single coverage, you pay a flat rate of $15.71 each pay period

If your salary is more than $30,000 but less than $90,000 and you enroll in single coverage, your premium is calculated as a percentage and divided by 24 pay periods. Here is an example of the premium calculation for an employee who makes $46,000 a year:

Single	$46,000 x .012921 ÷ 24 = $24.77 each pay period
Employee + 1	$46,000 x .019854 ÷ 24 = $38.05 each pay period
Family	$46,000 x .024765 ÷ 24 = $47.47 each pay period

PPO MONEY SAVINGS

Save by using doctors and hospitals in the PPO Tier 1 network: The PPO gives you freedom to choose from three different network tiers. You can select doctors and hospitals (providers) from Tier 1 for some of your care, and use Tier 2 or Tier 3 providers for other services. You pay the lowest deductible and coinsurance when you use providers in Tier 1. To find a Tier 1 provider, call 1-800-772-6895 or go to www.bcbsil.com/cityofchicago.

Two ways to save on prescription medications: 1) Choose generic medications and pay the lowest copay. 2) Use mail order for long term "maintenance" medications. You will pay more if you don't use mail order for long term medications after the 3rd fill. Just call 1-866-748-0028 and ask CVS Caremark to contact your doctor for a new prescription to be processed through mail order.

Save on lab tests – use a free-standing lab: Get your lab tests paid in full by using a free-standing lab (such as a Quest lab) which is not affiliated with a hospital. Even if your doctor already has an arrangement with Quest, ask for a lab order for tests to be done at a Quest facility. Take this paperwork to the Quest lab and test results will be sent directly to your doctor. Call 1-866-697-8378 to find the location of a Quest lab near you, or go to www.Questdiagnostics.com.

Save on scans – use a free-standing imaging center: Scans are covered in full if done at a free-standing imaging center. When your doctor orders an MRI, CT, or PET scan, call Telligen at 1-800-373-3727 to pre-certify the test and locate a free-standing imaging center near you.

Pregnant? Earn a $100 incentive: Enroll in a free, confidential maternity management program designed to encourage a healthy baby by providing telephone support for moms-to-be. To qualify for the $100 incentive, call Telligen (1-800-373-3727) to enroll and complete at least eight doctors' visits during the pregnancy.

BE HONEST!

A REMINDER ABOUT FRAUD

Any kind of fraud on the City of Chicago's benefit plans may result in adverse consequences to an employee and dependent, for example:

- Failure to notify the City Benefits Service Center and Chicago Benefits Office of an event that would cause coverage to end, e.g. divorce
- Misrepresentation by the employee or dependent regarding the initial eligibility, for example, the dependent's age, or that the dependent is not a legal dependent of the employee
- Any attempt to assign or transfer coverage to someone else (e.g. letting another person use your Plan ID card)

The employee will be required to pay for any claims and all administrative costs that were incurred fraudulently. This may result in coverage being terminated for the employee and action by the City to collect any money paid. The City may also discipline the employee, up to and including termination.

DIVORCED SPOUSE'S HEALTH COVERAGE:

If an employee becomes divorced, he/she must follow the procedure outlined in the City's Plan document available at www.cityofchicagobenefits.org:
Notify the Benefits Service Center within 30 days of the date of the divorce and bring the certified divorce decree to the Chicago Benefits Office within 60 days.

Failure to comply with the procedure will result in the employee being held liable for any healthcare claims and related expenses incurred by the participant and the ex-spouse, as of the date of the divorce.

You must call the Benefits Service Center to notify the City of the divorce at 1-877-299-5111 and take the original certified divorce decree to:

LEGAL NOTICES

CITY OF CHICAGO
MEDICAL PPO PLANS ("MEDICAL PLANS")

NOTICE TO ENROLLEES OF MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT EXEMPTION FOR 2019

Generally, group health plans sponsored by state and local governmental employers, such as the City of Chicago (the "City" or "plan sponsor") must comply with federal law requirements in title XXVII of the Public Health Service Act, and the amendments thereto set forth in the Mental Health Parity and Addiction Equity Act. However, these governmental employers are permitted to elect to exempt a plan from all of the requirements listed below for any part of the plan that is self-funded by the employer rather than provided through a health insurance policy. The purpose of this Notice is to inform you that the City of Chicago has elected to exempt the City of Chicago Medical PPO Plans as follows:

1. *Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan (sometimes referred to as "mental health parity requirements")*. The plan sponsor has elected to maintain the existing terms and conditions of the Medical Plans by exempting the Medical Plans from this requirement. Therefore, the City will continue in place the current requirement that Plan Participants who receive outpatient mental health and substance abuse treatment by a behavioral health specialist must obtain pre-certification by a Medical Advisor, under the Plans' Medical Advisor Review Program, after the first seven sessions each year with one or more such providers. This requirement will continue in effect for the 2019 plan year (beginning January 1, 2019, and ending December 31, 2019), and may be renewed for subsequent plan years pursuant to a subsequent exemption election, unless modified through the collective bargaining process.

2. *Protection against limiting hospital stays in connection with the birth of a child to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section*. The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.

3. *Certain requirements to provide benefits for breast reconstruction after a mastectomy.* The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.

4. *Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution*. The Medical Plans no longer use student status and provides an opportunity to elect coverage to age 26 and thus this requirement currently applies under the terms of the Medical Plans without exception.

ANNUAL HEALTH CARE REMINDER

As required by the Women's Health and Cancer Rights Act of 1998, each medical plan offered by the City of Chicago provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between breasts, as well as prostheses and complications resulting from a mastectomy (including lymphedema). Contact your PPO or HMO administrator for more information.

Prescription Drug Benefits	Coverage
Caremark Retail Pharmacy – up to a 30 day supply or 100 unit dose (whichever is less)	After you've met the separate $100 annual prescription drug deductible (does not apply to Means Test Eligible Retirees*), for each prescription, you pay: • 20% of the contracted cost for generic drugs • 20% of the contracted cost for formulary brand name drugs** when no generic is available • 20% of the contracted cost plus $15 for non-formulary brand name drugs*** when no generic is available
Mail Order Program - Up to a 90 day supply	For each prescription, you pay: • $30 for 2019 ($7 for Means Test Eligible Retirees) for generic drugs • $83 for 2019 ($20 for Means Test Eligible Retirees) for formulary brand name drugs when no generic is available **Note: non-formulary brand name medications are not available through the mail order program.**
Restrictions: Why choose a generic?	If a brand name drug is dispensed when a generic alternative is available, you pay the difference in cost between the generic and the brand name as well as the generic copayment. The Plan will not pay more than it would pay for the generic medication if you buy a brand name drug when a generic alternative is available.
Generic Step Therapy Program for generics available in the therapeutic class	If you elect to purchase a brand medication without trying an appropriate generic medication in the same therapeutic class, you will pay the full cost of the medication. **If you try the generic medication and your physician finds that the generic medication is not effective in treating your condition, you will be able to receive the brand medication at the copayment applicable to non-formulary or formulary drugs.**

If you try the preferred specialty medication and it is not effective in treating your condition, you will be able to receive a non-preferred formulary drug at retail.
Mandatory Mail Order	Requiring the use of mail order will reduce costs for the City and Retirees. After 2 fills of your generic or formulary brand medication at a retail pharmacy, you will be required to use mail order for any additional fills through CVS-Caremark in Mount Prospect, IL. If you do not use the mail order program for your 3rd or any subsequent fills, you will pay the full cost of the prescription. If your medication is non-formulary, however, you must continue to use the retail pharmacy.
Out-of-network pharmacy reimbursement	If you do not go to a network retail pharmacy, you pay the full amount when you pick up your prescription. You must then submit a receipt for reimbursement. The Plan will pay 60% of the Plan's cost, after you've met the deductible (if applicable). There is no formulary list if you go to an out-of-network pharmacy.

* **Means test eligible retiree –** generally, the combined household adjusted gross income, as reported to the Internal Revenue Service in the immediately preceding tax year, must be at or below 250% of federal poverty guidelines for your family size that year.

NOTICE

Please note that Blue Cross and Blue Shield of Illinois has contracts with many health care Providers that provide for the Claim Administrator to receive, and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers.

Please refer to the provision entitled "Claim Administrator's Separate Financial Arrangements with Providers" in the GENERAL PROVISIONS section of this booklet for a further explanation of these arrangements.

Blue Cross and Blue Shield of Illinois provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy's fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the plan. YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED UNDER THIS COVERAGE AFTER THE PLAN HAS PAID ITS REQUIRED PORTION. Non-Participating Providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption or placement for adoption of a child.

  b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and

  c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

  This includes, but is not limited to, loss of coverage due to:

  a. Legal separation, divorce, dissolution from a Civil Union, cessation of dependent status, death of an employee, termination of employment, or reduction in the number of hours of employment;

  b. In the case of HMO, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;

  c. Reaching a lifetime limit on all benefits in another group health plan;

  d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;

  e. When Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or

  f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

When Coverage Begins

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective no later than the first of the month after the special enrollment request is received.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Employer terminates.

Further, termination of the agreement between the Claim Administrator and the Employer automatically terminates your coverage as described in this benefit booklet. It is the responsibility of the Employer to notify you in the event the agreement is terminated with the Claim Administrator. Regardless of whether such notice is provided, your coverage will terminate as of the effective date of termination of the Employer's agreement with the Claim Administrator.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Dental Care Plan described in this benefit booklet except as otherwise specifically stated in the ''Extension of Benefits in Case of Termination'' provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Dental Care Plan shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible.

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

DENTAL BENEFIT SECTION

Your employer has chosen the Claim Administrator's Participating Provider Option for the administration of your dental benefits. The Participating Provider Option is a program of dental care benefits designed to provide you with economic incentives for using designated Providers of dental care services.

As a participant in the Participating Provider Option program you will receive a directory of Participating Dentists. While there may be changes in the directory from time to time, selection of Participating Dentists by the Claim Administrator will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Employer annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Dentist before undergoing treatment to make certain of his/her participation status. Although you can go to the Dentist of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Dentist.

The benefits of this section are subject to all of the terms and conditions of this benefit booklet. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this benefit booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

Remember, whenever the term ''you'' or ''your'' is used, we also mean all eligible family members who are covered under Family Coverage.

IMPORTANT INFORMATION ABOUT YOUR DENTAL BENEFITS

Care By More Than One Dentist

If you should change Dentists in the middle of a particular Course of Treatment, benefits will be provided as if you had stayed with the same Dentist until your treatment was completed. There will be no duplication of benefits.

Alternate Benefit Program

In all cases in which there is more than one Course of Treatment possible, the benefit payment will be based upon the Course of Treatment bearing the lesser cost.

If you and your Dentist or Physician decide on personalized restorations or to employ specialized techniques for dental services rather than standard procedures, the benefits provided will be limited to the benefit for the standard

procedures for dental services, as reasonably determined by the Claim Administrator.

Pre-Estimation of Benefits

If your Dentist recommends a Course of Treatment that will cost more than $300, your Dentist should prepare a Claim form describing the planned treatment, copies of necessary X-rays, photographs and models and an estimate of the charges prior to your beginning the Course of Treatment. The Claim Administrator will review the report and materials, taking into consideration alternative adequate Course of Treatment, and will notify you and your Dentist of the estimated benefits which will be provided under this Benefit Section. This is not a guarantee of payment, but an estimate of the benefits available for the proposed services to be rendered.

Special Limitations

No benefits will be provided under this Benefit Section for:

1. Dental services which are performed for cosmetic purposes.
2. Oral Surgery for the following procedures:
   - — surgical services related to a congenital malformation;

If your coverage under this Plan should terminate, benefits will continue for any dental Covered Services, except for periodontal treatment described in this Benefit Section as long as the Covered Service was begun prior to the date your coverage terminated and is completed within 30 days of your termination date. COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have dental care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled under this Health Care. In other words, the total payment from all of your coverages together will never be less than what would have been paid under this Health Care Plan if no other group coverages were involved. It is your obligation to notify the Claim Administrator of the existence of such other group coverages.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.
2. When a dependent child receives services, the birthdays of the child's parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent's birthday in the calendar year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this ''birthday'' type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.

   — However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;

   — when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

   Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to

notify the Claim Administrator, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

The Claim Administrator has the right in administering these COB provisions to:

In order to prevent duplicate payment of benefits for a Claim, the Claim Administrator uses the following process to determine benefits when it is the secondary payor.

— determines what the payment for service would be following the payment provisions of this coverage; and

— deducts from this resulting amount the amount paid by the primary payor. The difference is the amount that will be paid under this coverage.

— pay any other organization an amount which it determines to be warranted if payments which should have been made by the Claim Administrator have been made by such other organization under any other group program.

— recover any overpayment which the Claim Administrator may have made to you, any Provider, insurance company, person or other organization.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to Domestic Partners and their children. This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to your dependent who is a party to a Civil Union and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18–month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. Keep Your Plan Informed Of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

HOW TO FILE A CLAIM

FILING DENTAL CLAIMS

In order to obtain your dental benefits, it is necessary for a Claim to be filed with the Claim Administrator.

To file a Claim, obtain an Attending Dentist's Statement from your Employee Benefits Department before going to your Dentist. The Attending Dentist's Statement is also used for pre-estimation of benefits. It is your responsibility to insure that the necessary Claim information has been provided to the Claim Administrator.

You must complete and sign the Subscriber/Insured Information of the Attending Dentist's Statement. As soon as treatment has ended, ask your Dentist to complete and sign the Attending Dentist's Statement, and file it with:

Blue Cross and Blue Shield of Illinois
P.O. Box 23059
Belleville, Illinois 62223-0059

Claims must be filed with the Claim Administrator within two years from the date your Covered Service was rendered. Claims not filed within the required time period will not be eligible for payment. Should you have any questions about filing Claims, ask your Employee Benefits Department or call the Claim Administrator's office.

DENTAL CLAIMS PROCEDURES

The Claim Administrator will pay all Claims within 30 days of receipt of all information required to process a Claim. In the event that the Claim Administrator does not process a Claim within this 30–day period, you or the valid assignee shall be entitled to interest at the rate of 9% per year, from the 30th day after the receipt of all Claim information until the date payment is actually made. However, interest payment will not be made if the amount is $1.00 or less. The Claim Administrator will notify you or the valid assignee when all information required to pay a Claim within 30 days of the Claim's receipt has not been received. (For information regarding assigning benefits, see "Payment of Claims and Assignment of Benefits" provisions in the GENERAL PROVISIONS section of this benefit booklet.)

If the Claim is denied in whole or in part, you will receive a notice from the Claim Administrator with: (1) the reasons for denial; (2) a reference to the health care plan provisions on which the denial is based; (3) a description of additional information which may be necessary to perfect the appeal, and (4) an explanation of how you may have the Claim reviewed by the Claim Administrator if you do not agree with the denial.

DENTAL CLAIM REVIEW PROCEDURES

If your Claim has been denied in whole or in part, you may have your Claim reviewed. The Claim Administrator will review its decision in accordance with the following procedure.

Within 180 days after you receive notice of a denial or partial denial, write to the Claim Administrator. The Claim Administrator will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Blue Cross and Blue Shield of Illinois
P.O. Box 23059
Belleville, Illinois 62223-0059

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative.

While the Claim Administrator will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. The Claim Administrator will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claims procedures or the review procedure, write or call the Claim Administrator Headquarters. The Claim Administrator offices are open from 8:45 A.M. to 4:45 P.M., Monday through Friday.

Blue Cross and Blue Shield of Illinois

Chicago, IL 60601

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

GENERAL PROVISIONS

1. CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

The Claim Administrator hereby informs you that it has contracts with certain Providers ("Administrator Providers") in its service area to provide and pay for dental care services to all persons entitled to dental care benefits under dental policies and contracts to which the Claim Administrator is a party, including all persons covered under the Dental Care Plan. Under certain circumstances described in its contracts with Administrator Providers, the Claim Administrator may:

- receive substantial payments from Administrator Providers with respect to services rendered to you for which the Claim Administrator was obligated to pay the Administrator Provider, or
- pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Administrator Providers other substantial allowances under the Claim Administrator's contracts with them.

In the case of Dentists, the calculation of any maximum amounts of benefits payable by the Claim Administrator as described in this benefit booklet and the calculation of all required deductible and Coinsurance amounts payable by you as described in this benefit booklet shall be based on the Maximum Allowance or Provider's Claim Charge for Covered Services rendered to you. Your Employer has been advised that the Claim Administrator may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

In some instances, the Claim Administrator has entered into agreements with other Blue Cross and Blue Shield Plans ("Servicing Plans") to provide, on the Claim Administrator's behalf, Claim Payments and certain administrative services for you. Under these agreements, the Claim Administrator will reimburse each Servicing Plan for all Claim Payments made on the Claim Administrator's behalf for you.

Certain Servicing Plans may have contracts similar to the contracts described above with certain Providers ("Servicing Plan Providers") in their service area. The Servicing Plan will process your claim in accordance with the Servicing Plan's applicable contract with the Servicing Plan Provider. Further, all amounts payable to the Servicing Plan by the Claim Administrator for Claim Payments made by the Servicing Plan and applicable service charges, and all benefit maximum amounts and any required deductible and Coinsurance amounts under this Dental Care Plan will be calculated on the basis of the Servicing Plan Provider's Eligible Charge for Covered Services rendered to you or the cost agreed upon between the Servicing Plan and the Claim Administrator for Cov-

ered Services that the Servicing Plan passes to the Claim Administrator, whichever is lower.

Often, the agreed upon cost is a simple discount. Sometimes, however, the agreed upon cost may represent either an estimated discount or an average discount received or expected by the Servicing Plan based on separate financial arrangements with Servicing Plan Providers.

In other instances, laws in a small number of states dictate the basis upon which the Coinsurance is calculated. When Covered Services are rendered in those states, the Coinsurance amount will be calculated using the state's statutory method.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

a. Under this Dental Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. The Claim Administrator is specifically authorized by you to determine to whom any benefit payment should be made.

b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.

c. A Covered Person's claim for benefits under this Dental Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Dental Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.

b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.

c. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.

d. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Employer (other than as an individual Covered Person) or your Employer's ERISA Health Benefit Program.

4. NOTICES

Any information or notice which you furnish to the Claim Administrator under the Dental Care Plan as described in this benefit booklet must be in writing and sent to the Claim Administrator at its offices at 300 East Randolph, Chicago, Illinois 60601 (unless another address has been stated in this benefit booklet for a specific situation). Any information or notice which the Claim Administrator furnishes to you must be in writing and sent to you at your address as it appears on the Claim Administrator's records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records.The Claim Administrator may also provide such notices electronically to the extent permitted by applicable law.

5. LIMITATIONS OF ACTIONS

No legal action may be brought to recover under the Dental Care Plan as described in this benefit booklet, prior to the expiration of sixty (60) days after a Claim has been furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet.

6. INFORMATION AND RECORDS

You agree that it is your responsibility to insure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Dental Care Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to the Claim Administrator or its agent, and agree that any such Provider, person or other entity may furnish to the Claim Administrator or its agent, at any time upon its request, any and all information and records (including copies of records) relating to

such illness, injury, Claim or Claims. In addition, the Claim Administrator may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same.

7. PHYSICAL EXAMINATION AND AUTOPSY

The Claim Administrator, at its own expense shall have the right and opportunity to examine your person when and as often as it may reasonably require during the pendency of a Claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

8. OVERPAYMENT

If your group's benefit plan or the Claim Administrator pays benefits for eligible expenses incurred by you or your dependents and it is found that the payment was more than it should have been, or it was made in error ("Overpayment"), your group's plan or the Claim Administrator has the right to obtain a refund of the Overpayment amount from: (i) the person tom or for whom, such benefits were paid, or (ii) any insurance company or plan, or (iii) any other persons, entities, or organizations, including, but not limited to Participating Providers or Non–Participating Providers.

If no refund is received, your Group's benefit plan and/or Blue Cross and Blue Shield (in its capacity as insurer or administrator) has the right to deduct any refund for any Overpayment due up to an amount equal to the Overpayment, from:

a. Any future benefit payment made to any person or entity under this benefit booklet, whether for the same or a different member; or

b. Any future benefit payment made to any person or entity under another blue Cross and Blue Shield administered ASO benefit program; or

c. Any future benefit payment made to any person or entity under another Blue Cross and Blue Shield insured group benefit plan or individual policy; or

d. Any future benefit payment, or other payment, made to any person or entity; or

e. Any future benefit payment owed to one or more Participating or Non–Participating Providers.

Further, the Claim Administrator has the right to reduce your benefit plan's or policy's payment to a Provider by the amount necessary to recover another Blue Cross and Blue Shield's plan or policy's Overpayment to the same Provider and to remit the recovered amount to the other Blue Cross and Blue Shield's plan or policy.

Please note that Blue Cross and Blue Shield of Illinois has contracts with many health care Providers that provide for the Claim Administrator to receive, and keep for its own account, payments, discounts and/or allowances with respect to the bill for services you receive from those Providers.

Please refer to the provision entitled "Claim Administrator's Separate Financial Arrangements with Providers" in the GENERAL PROVISIONS section of this booklet for a further explanation of these arrangements.

Blue Cross and Blue Shield of Illinois provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

WARNING, LIMITED BENEFITS WILL BE PAID WHEN NON-PARTICIPATING PROVIDERS ARE USED

You should be aware that when you elect to utilize the services of a Non-Participating Provider for a Covered Service in non-emergency situations, benefit payments to such Non-Participating Provider are not based upon the amount billed. The basis of your benefit payment will be determined according to your policy's fee schedule, usual and customary charge (which is determined by comparing charges for similar services adjusted to the geographical area where the services are performed), or other method as defined by the plan. YOU CAN EXPECT TO PAY MORE THAN THE COINSURANCE AMOUNT DEFINED UNDER THIS COVERAGE AFTER THE PLAN HAS PAID ITS REQUIRED PORTION. Non-Participating Providers may bill members for any amount up to the billed charge after the plan has paid its portion of the bill. Participating Providers have agreed to accept discounted payments for services with no additional billing to the member other than Coinsurance and deductible amounts. You may obtain further information about the participating status of professional providers and information on out-of-pocket expenses by calling the toll free telephone number on your identification card.

- Have received an identification card.

If you meet this description and comply with the other terms and conditions of this benefit booklet, including but not limited to payment of premiums, you are entitled to the benefits of this program.

YOUR ID CARD

You will receive an identification card. This card will tell you your identification number and will be very important to you in obtaining your benefits.

INDIVIDUAL COVERAGE

If you have Individual Coverage, only your own expenses for Covered Services are covered, not the expenses of other members of your family.

FAMILY COVERAGE

Child(ren) used hereafter, means a natural child(ren), a stepchild(ren), an adopted child(ren), a child(ren) for whom you have received a court order requiring that you are financially responsible for providing coverage under 26 years of age, a child(ren) who is in your custody under an interim court order of adoption or who is placed with you for adoption vesting temporary care.

If you have Family Coverage, your expenses for Covered Services and those of your enrolled spouse and your (or your spouse's) enrolled children up to age 26 will be covered. All of the provisions of this benefit booklet that pertain to a spouse also apply to a party of a Civil Union unless specifically noted otherwise. The coverage for children will end on the birthday.

Your enrolled Domestic Partner and his or her enrolled children who have not attained the limiting age stated above will be covered. Whenever the term "spouse" is used, we also mean Domestic Partner. All of the provisions of this benefit booklet that pertain to a spouse also apply to a Domestic Partner, unless specifically noted otherwise.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth so that your membership records can be adjusted.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a disabling condition occurring prior to reaching the limiting age will be covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

This coverage does not include benefits for grandchildren (unless such children are under your legal guardianship) or foster children.

CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE OR ADDING DEPENDENTS TO FAMILY COVERAGE

You can change from Individual to Family Coverage or add dependents to your Family Coverage because of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption or placement for adoption of a child.
- Obtaining legal guardianship of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
    a. The other coverage was in effect when you were first eligible to enroll for this coverage;
    b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
    c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

  This includes, but is not limited to, loss of coverage due to:
    a. Legal separation, divorce, dissolution from a Civil Union, cessation of dependent status, death of an employee, termination of employment, or reduction in the number of hours of employment;
    b. In the case of HMO, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;
    c. Reaching a lifetime limit on all benefits in another group health plan;
    d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;
    e. When Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
    f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

When Coverage Begins

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Becoming party to a Civil Union.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective no later than the first of the month after the special enrollment request is received.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this benefit booklet if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Employer terminates.

Further, termination of the agreement between the Claim Administrator and the Employer automatically terminates your coverage as described in this benefit booklet. It is the responsibility of the Employer to notify you in the event the agreement is terminated with the Claim Administrator. Regardless of whether such notice is provided, your coverage will terminate as of the effective date of termination of the Employer's agreement with the Claim Administrator.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under the Dental Care Plan described in this benefit booklet except as otherwise specifically stated in the "Extension of Benefits in Case of Termination" provisions of this benefit booklet. However, termination of the Employer agreement with the Claim Administrator and/or termination of your coverage under the Dental Care Plan shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this benefit booklet, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible.

Other options available for Continuation of Coverage are explained in the COBRA Section of this benefit booklet.

DENTAL BENEFIT SECTION

Your employer has chosen the Claim Administrator's Participating Provider Option for the administration of your dental benefits. The Participating Provider Option is a program of dental care benefits designed to provide you with economic incentives for using designated Providers of dental care services.

As a participant in the Participating Provider Option program you will receive a directory of Participating Dentists. While there may be changes in the directory from time to time, selection of Participating Dentists by the Claim Administrator will continue to be based upon the range of services, geographic location and cost-effectiveness of care. Notice of changes in the network will be provided to your Employer annually, or as required, to allow you to make selection within the network. However, you are urged to check with your Dentist before undergoing treatment to make certain of his/her participation status. Although you can go to the Dentist of your choice, benefits under the Participating Provider Option will be greater when you use the services of a Participating Dentist.

The benefits of this section are subject to all of the terms and conditions of this benefit booklet. Please refer to the DEFINITIONS, ELIGIBILITY and EXCLUSIONS sections of this benefit booklet for additional information regarding any limitations and/or special conditions pertaining to your benefits.

Remember, whenever the term ''you'' or ''your'' is used, we also mean all eligible family members who are covered under Family Coverage.

Temporomandibular Joint (TMJ) Services

BENEFIT PAYMENT FOR DENTAL COVERED SERVICES

Benefit Period

Your Dental benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date and ends on the first December 31st following that date.

Deductible

Each benefit period, you must satisfy a $100 deductible for Dental Services rendered by a Participating Dentist and a separate $200 deductible for Dental Services rendered by a Non-Participating Dentist. This deductible applies to:

- Restorative Dental Services
- General Dental Services
- Endodontic Services
- Periodontic Services
- Oral Surgery Services
- Crowns, Inlays/Onlays Services
- Prosthodontic Services
- Temporomandibular Joint Services

In other words, after you incur eligible charges for more than the deductible amount for the Covered Services listed above in a benefit period, your benefits will begin for those services. Your other dental services are not subject to a deductible.

An additional $10 copay for preventive services applies once per benefit period from a Participating Provider.

Family Deductible

If you have Family Coverage and your family has reached the dental deductible amount of $100 for Covered Services rendered by Participating Dentists, it will not be necessary for anyone else in your family to meet a deductible in that benefit period. That is, for the remainder of that benefit period, no other family member(s) is required to meet a dental deductible before receiving dental benefits from a Participating Dentist. A family member may not apply more than the individual dental deductible amount toward the family dental deductible.

If you have Family Coverage and your family has reached the dental deductible amount of $200 for Covered Services rendered by Non-Participating Dentists, it will not be necessary for anyone else in your family to meet a deductible in that benefit period. That is, for the remainder of that benefit period, no other family member(s) is required to meet a dental deductible before receiving dental benefits from a Non-Participating Dentist. A family member may not apply more than the individual dental deductible amount toward the family dental deductible.

Benefit Payment for Dental Services

The benefits provided by the Plan and the expenses that are your responsibility for your Covered Services will depend on whether you receive services from a Participating or Non-Participating Dentist.

Participating Dentists are Dentists who have signed an agreement with the Claim Administrator to accept the Maximum Allowance as payment in full. Such Participating Dentists have agreed not to bill you for Covered Service amounts in excess of the Maximum Allowance. Therefore, you will be responsible only for the difference between the Claim Administrator benefit payment and the Maximum Allowance for the particular Covered Service–that is, your Coinsurance amounts and deductible.

Non-Participating Dentists are Dentists who have not signed an agreement with the Claim Administrator to accept the Maximum Allowance as payment in full. Therefore, you are responsible to these Dentists for the difference between the Claim Administrator benefit payment and such Dentist's charge to you.

Should you wish to know the Maximum Allowance for a particular procedure or whether a particular Dentist is a Participating Dentist, contact your Employer, your Dentist or the Claim Administrator.

IMPORTANT INFORMATION ABOUT YOUR DENTAL BENEFITS

Care By More Than One Dentist

If you should change Dentists in the middle of a particular Course of Treatment, benefits will be provided as if you had stayed with the same Dentist until your treatment was completed. There will be no duplication of benefits.

Alternate Benefit Program

In all cases in which there is more than one Course of Treatment possible, the benefit payment will be based upon the Course of Treatment bearing the lesser cost.

If you and your Dentist or Physician decide on personalized restorations or to employ specialized techniques for dental services rather than standard procedures, the benefits provided will be limited to the benefit for the standard

procedures for dental services, as reasonably determined by the Claim Administrator.

Pre-Estimation of Benefits

If your Dentist recommends a Course of Treatment that will cost more than $300, your Dentist should prepare a Claim form describing the planned treatment, copies of necessary X-rays, photographs and models and an estimate of the charges prior to your beginning the Course of Treatment. The Claim Administrator will review the report and materials, taking into consideration alternative adequate Course of Treatment, and will notify you and your Dentist of the estimated benefits which will be provided under this Benefit Section. This is not a guarantee of payment, but an estimate of the benefits available for the proposed services to be rendered.

Special Limitations

No benefits will be provided under this Benefit Section for:

1. Dental services which are performed for cosmetic purposes.
2. Dental services or appliances for the diagnosis and/or treatment of Temporomandibular Joint Dysfunction and Related Disorders, unless specifically mentioned in this benefit section.
3. Oral Surgery for the following procedures:
   - — surgical services related to a congenital malformation;
   - — surgical removal of complete bony impacted teeth;
   - — excision of tumors or cysts of the jaws, cheeks, lips, tongue, roof and floor of the mouth;
   - — excision of exostoses of the jaws and hard palate (provided that this procedure is not done in preparation for dentures or other prostheses); treatment of fractures of facial bone; external incision and drainage of cellulitis; incision of accessory sinuses, salivary glands or ducts; reduction of dislocation, or excision of, the temporomandibular joints.
4. Dental services which are performed due to an accidental injury when caused by an external force. External force means any outside strength producing damage to the dentition and/or oral structures.
5. Hospital and ancillary charges.

EXTENSION OF YOUR DENTAL BENEFITS IN CASE OF TERMINATION

If your coverage under this Plan should terminate, benefits will continue for any dental Covered Services, except for periodontal treatment described in this Benefit Section as long as the Covered Service was begun prior to the date your coverage terminated and is completed within 30 days of your termination date. No benefits will be provided for periodontal treatment after the termination of your Plan.

EXCLUSIONS – WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Dental procedures which are not Medically Necessary.**
PLEASE NOTE THAT IN ORDER TO PROVIDE YOU WITH DENTAL CARE BENEFITS AT A REASONABLE COST, THE PLAN PROVIDES BENEFITS ONLY FOR THOSE COVERED SERVICES FOR ELIGIBLE DENTAL TREATMENT THAT ARE MEDICALLY NECESSARY. IT DOES NOT PAY THE COST OF ANY DENTAL CARE PROCEDURES THAT THE CLAIM ADMINISTRATOR DETERMINES WERE NOT MEDICALLY NECESSARY.

No benefits will be provided for procedures which are not, in the reasonable judgment of the Claim Administrator, Medically Necessary. Medically Necessary means that a specific procedure provided to you is reasonably required, in the reasonable judgment of the Claim Administrator, for the treatment or management of a dental symptom or condition and that the procedure performed is the most efficient and economical procedure which can safely be provided to you. The fact that a Physician or Dentist may prescribe, order, recommend or approve a procedure does not of itself make such a procedure or supply Medically Necessary.

— Services or supplies that are not specifically mentioned in this benefit booklet.

— Services or supplies for any illness or injury arising out of or in the course of employment for which benefits are available under any Workers' Compensation Law or other similar laws whether or not you make a claim for such compensation or receive such benefits. However, this exclusion shall not apply if you are a corporate officer of any domestic or foreign corporation and are employed by the corporation and elect to withdraw yourself from the operation of the Illinois Workers' Compensation Act according to the provisions of the Act.

— Services or supplies that are furnished to you by the local, state or federal government and for any services or supplies to the extent payment or benefits are provided or available from the local, state or federal government (for example, Medicare) whether or not that payment or benefits are received, except in the case of Medicare, except however, this exclusion shall not be applicable to medical assistance benefits under Article V or VI of the Illinois Public Aid Code (305 ILCS 5/5-1 et seq. or 5/6-1 et seq.) or similar Legislation of any state, benefits provided in compliance with the Tax Equity and Fiscal Responsibility Act or as otherwise provided by law.

— Services and supplies for any illness or injury occurring on or after your Coverage Date as a result of war or an act of war.

— Services or supplies that do not meet accepted standards of medical and/or dental practice.

— Investigational Services and Supplies and all related services and supplies, except as may be provided under this benefit booklet for the cost of routine patient care associated with Investigational cancer treatment if you are a qualified individual participating in a qualified clinical cancer trial, if those services or supplies would otherwise be covered under this benefit booklet if not provided in connection with a qualified cancer trial program.

— Services or supplies for which you are not required to make payment or would have no legal obligation to pay if you did not have this or similar coverage.

COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies when you have dental care coverage through more than one group program. The purpose of COB is to insure that you receive all of the coverage to which you are entitled but no more than the actual cost of the care received. In other words, the total payment from all of your coverages together will not add up to be more than the total charges that you have incurred. It is your obligation to notify the Claim Administrator of the existence of such other group coverages.

To coordinate benefits, it is necessary to determine what the payment responsibility is for each benefit program. This is done by following these rules:

1. The coverage under which the patient is the Eligible Person (rather than a dependent) is primary (that is, full benefits are paid under that program). The other coverage is secondary and only pays any remaining eligible charges.
2. When a dependent child receives services, the birthdays of the child's parents are used to determine which coverage is primary. The coverage of the parent whose birthday (month and day) comes before the other parent's birthday in the calendar year will be considered the primary coverage. If both parents have the same birthday, then the coverage that has been in effect the longest is primary. If the other coverage does not have this ''birthday'' type of COB provision and, as a result, both coverages would be considered either primary or secondary, then the provisions of the other coverage will determine which coverage is primary.

   — However, when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of a contract which covers the child as a dependent of the parent without custody;

   — when the parents are divorced and the parent with custody of the child has remarried, the benefits of a contract which covers the child as a dependent of the parent with custody shall be determined before the benefits of a contract which covers that child as a dependent of the stepparent, and the benefits of a contract which covers that child as a dependent of the stepparent will be determined before the benefits of a contract which covers that child as a dependent of the parent without custody.

   Notwithstanding the items above, if there is a court decree which would otherwise establish financial responsibility for the medical, dental, or other health care expenses with respect to the child, the benefits of a contract which covers the child as a dependent of the parent with such financial responsibility shall be determined before the benefits of any other contract which covers the child as a dependent child. It is the obligation of the person claiming benefits to

notify the Claim Administrator, and upon its request to provide a copy, of such court decree.

3. If neither of the above rules apply, then the coverage that has been in effect the longest is primary.

The only time these rules will not apply is if the other group benefit program does not include a COB provision. In that case, the other group program is automatically primary.

The Claim Administrator has the right in administering these COB provisions to:

— pay any other organization an amount which it determines to be warranted if payments which should have been made by the Claim Administrator have been made by such other organization under any other group program.

— recover any overpayment which the Claim Administrator may have made to you, any Provider, insurance company, person or other organization.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to Domestic Partners and their children. This CONTINUATION COVERAGE RIGHTS UNDER COBRA section does not apply to your dependent who is a party to a Civil Union and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18–month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Keep Your Plan Informed Of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Plan Contact Information

Contact your employer for the name, address and telephone number of the party responsible for administering your COBRA continuation coverage.

CONTINUATION OF COVERAGE FOR PARTIES TO A CIVIL UNION

The purpose of this section of your benefit booklet is to explain the options available for temporarily continuing your coverage after termination, if you are covered under this benefit booklet as the party to a Civil Union of an Eligible Person or as the dependent child of a party to a Civil Union. Your continued coverage under this benefit booklet will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are a dependent who is party to a Civil Union or their child and you lose coverage under this benefit booklet, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or a dependent child are described in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable to your Group.

NOTE: Certain employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA.

In addition to the events listed in the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union Partnership with the Eligible Person terminates. Your Civil Union Partnership will terminate if your partnership no longer meets the criteria described in the definition of "Civil Union" in the DEFINITIONS SECTION of this benefit booklet. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

HOW TO FILE A CLAIM

FILING DENTAL CLAIMS

In order to obtain your dental benefits, it is necessary for a Claim to be filed with the Claim Administrator.

To file a Claim, obtain an Attending Dentist's Statement from your Employee Benefits Department before going to your Dentist. The Attending Dentist's Statement is also used for pre-estimation of benefits. It is your responsibility to ensure that the necessary Claim information has been provided to the Claim Administrator.

You must complete and sign the Subscriber/Insured Information of the Attending Dentist's Statement. As soon as treatment has ended, ask your Dentist to complete and sign the Attending Dentist's Statement, and file it with:

Blue Cross and Blue Shield of Illinois
P.O. Box 23059
Belleville, Illinois 62223-0059

Claims must be filed with the Claim Administrator within 365 days from the date your Covered Service was rendered. Claims not filed within the required time period will not be eligible for payment. Should you have any questions about filing Claims, ask your Employee Benefits Department or call the Claim Administrator's office.

DENTAL CLAIMS PROCEDURES

The Claim Administrator will pay all Claims within 30 days of receipt of all information required to process a Claim. In the event that the Claim Administrator does not process a Claim within this 30–day period, you or the valid assignee shall be entitled to interest at the rate of 9% per year, from the 30th day after the receipt of all Claim information until the date payment is actually made. However, interest payment will not be made if the amount is $1.00 or less. The Claim Administrator will notify you or the valid assignee when all information required to pay a Claim within 30 days of the Claim's receipt has not been received. (For information regarding assigning benefits, see "Payment of Claims and Assignment of Benefits" provisions in the GENERAL PROVISIONS section of this benefit booklet.)

If the Claim is denied in whole or in part, you will receive a notice from the Claim Administrator with: (1) the reasons for denial; (2) a reference to the health care plan provisions on which the denial is based; (3) a description of additional information which may be necessary to perfect the appeal, and (4) an explanation of how you may have the Claim reviewed by the Claim Administrator if you do not agree with the denial.

DENTAL CLAIM REVIEW PROCEDURES

If your Claim has been denied in whole or in part, you may have your Claim reviewed. The Claim Administrator will review its decision in accordance with the following procedure.

Within 180 days after you receive notice of a denial or partial denial, write to the Claim Administrator. The Claim Administrator will need to know the reasons why you do not agree with the denial or partial denial. Send your request to:

Blue Cross and Blue Shield of Illinois
P.O. Box 23059
Belleville, Illinois 62223-0059

You may also designate a representative to act for you in the review procedure. Your designation of a representative must be in writing as it is necessary to protect against disclosure of information about you except to your authorized representative.

While the Claim Administrator will honor telephone requests for information, such inquiries will not constitute a request for review.

You and your authorized representative may ask to see relevant documents and may submit written issues, comments and additional medical information within 180 days after you receive notice of a denial or partial denial. The Claim Administrator will give you a written decision within 60 days after it receives your request for review.

If you have any questions about the Claims procedures or the review procedure, write or call the Claim Administrator Headquarters. The Claim Administrator offices are open from 8:45 A.M. to 4:45 P.M., Monday through Friday.

Blue Cross and Blue Shield of Illinois

If you have a Claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

GENERAL PROVISIONS

1. CLAIM ADMINISTRATOR'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

The Claim Administrator hereby informs you that it has contracts with certain Providers (''Administrator Providers'') in its service area to provide and pay for dental care services to all persons entitled to dental care benefits under dental policies and contracts to which the Claim Administrator is a party, including all persons covered under the Dental Care Plan. Under certain circumstances described in its contracts with Administrator Providers, the Claim Administrator may:

- receive substantial payments from Administrator Providers with respect to services rendered to you for which the Claim Administrator was obligated to pay the Administrator Provider, or
- pay Administrator Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Administrator Providers other substantial allowances under the Claim Administrator's contracts with them.

In the case of Dentists, the calculation of any maximum amounts of benefits payable by the Claim Administrator as described in this benefit booklet and the calculation of all required deductible and Coinsurance amounts payable by you as described in this benefit booklet shall be based on the Maximum Allowance or Provider's Claim Charge for Covered Services rendered to you. Your Employer has been advised that the Claim Administrator may receive such payments, discounts and/or other allowances during the term of the agreement between your Employer and the Claim Administrator. Neither the Employer nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

In some instances, the Claim Administrator has entered into agreements with other Blue Cross and Blue Shield Plans ("Servicing Plans") to provide, on the Claim Administrator's behalf, Claim Payments and certain administrative services for you. Under these agreements, the Claim Administrator will reimburse each Servicing Plan for all Claim Payments made on the Claim Administrator's behalf for you.

Certain Servicing Plans may have contracts similar to the contracts described above with certain Providers ("Servicing Plan Providers") in their service area. The Servicing Plan will process your claim in accordance with the Servicing Plan's applicable contract with the Servicing Plan Provider. Further, all amounts payable to the Servicing Plan by the Claim Administrator for Claim Payments made by the Servicing Plan and applicable service charges, and all benefit maximum amounts and any required deductible and Coinsurance amounts under this Dental Care Plan will be calculated on the basis of the Servicing Plan Provider's Eligible Charge for Covered Services rendered to you or the cost agreed upon between the Servicing Plan and the Claim Adminis-

trator for Covered Services that the Servicing Plan passes to the Claim Administrator, whichever is lower.

Often, the agreed upon cost is a simple discount. Sometimes, however, the agreed upon cost may represent either an estimated discount or an average discount received or expected by the Servicing Plan based on separate financial arrangements with Servicing Plan Providers.

In other instances, laws in a small number of states dictate the basis upon which the Coinsurance is calculated. When Covered Services are rendered in those states, the Coinsurance amount will be calculated using the state's statutory method.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

a. Under this Dental Care Plan, the Claim Administrator has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, the Claim Administrator may pay benefits to you if you receive Covered Services from a Non-Administrator Provider. The Claim Administrator is specifically authorized by you to determine to whom any benefit payment should be made.

b. Once Covered Services are rendered by a Provider, you have no right to request the Claim Administrator not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, the Claim Administrator will have no liability to you or any other person because of its rejection of such request.

c. A Covered Person's claim for benefits under this Dental Care Plan is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Dental Care Plan is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

a. The choice of a Provider is solely your choice and the Claim Administrator will not interfere with your relationship with any Provider.

b. The Claim Administrator does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. The Claim Administrator is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you. Professional services which can only be legally performed by a Provider are not provided by the Claim Administrator. Any contractual relationship between a Physician and an Administrator Provider shall not be construed to mean that the Claim Administrator is providing professional service.

c. The use of an adjective such as Participating, Administrator or approved in modifying a Provider shall in no way be construed as a recommendation, referral or any other statement as to the ability or quality of such Provider. In addition, the omission, non-use or non-designation of Participating, Administrator, approved or any similar modifier or the use of a term such as Non-Administrator or Non-Participating should not be construed as carrying any statement or inference, negative or positive, as to the skill or quality of such Provider.

d. Each Provider provides Covered Services only to you and does not deal with or provide any services to your Employer (other than as an individual Covered Person) or your Employer's ERISA Health Benefit Program.

4. NOTICES

Any information or notice which you furnish to the Claim Administrator under the Dental Care Plan as described in this benefit booklet must be in writing and sent to the Claim Administrator at its offices at 300 East Randolph, Chicago, Illinois 60601 (unless another address has been stated in this benefit booklet for a specific situation). Any information or notice which the Claim Administrator furnishes to you must be in writing and sent to you at your address as it appears on the Claim Administrator's records or in care of your Employer and if applicable, in the case of a Qualified Medical Child Support Order, to the designated representative as it appears on the Claim Administrator's records. The Claim Administrator may also provide such notices electronically to the extent permitted by applicable law.

5. LIMITATIONS OF ACTIONS

No legal action may be brought to recover under the Dental Care Plan as described in this benefit booklet, prior to the expiration of sixty (60) days after a Claim has been furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet. In addition, no such action shall be brought after the expiration of three (3) years after the time a Claim is required to be furnished to the Claim Administrator in accordance with the requirements described in this benefit booklet.

6. INFORMATION AND RECORDS

You agree that it is your responsibility to insure that any Provider, other Blue Cross and Blue Shield Plan, insurance company, employee benefit association, government body or program, any other person or entity, having knowledge of or records relating to (a) any illness or injury for which a Claim or Claims for benefits are made under the Dental Care Plan, (b) any medical history which might be pertinent to such illness, injury, Claim or Claims, or (c) any benefits or indemnity on account of such illness or injury or on account of any previous illness or injury which may be pertinent to such Claim or Claims, furnish to the Claim Administrator or its agent, and agree that any such Provider, person or

other entity may furnish to the Claim Administrator or its agent, at any time upon its request, any and all information and records (including copies of records) relating to such illness, injury, Claim or Claims. In addition, the Claim Administrator may furnish similar information and records (or copies of records) to Providers, Blue Cross and Blue Shield Plans, insurance companies, governmental bodies or programs or other entities providing insurance-type benefits requesting the same.

7. PHYSICAL EXAMINATION AND AUTOPSY

The Claim Administrator, at its own expense shall have the right and opportunity to examine your person when and as often as it may reasonably require during the pendency of a Claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

8. OVERPAYMENT

If your group's benefit plan or the Claim Administrator pays benefits for eligible expenses incurred by you or your dependents and it is found that the payment was more than it should have been, or it was made in error ("Overpayment"), your group's plan or the Claim Administrator has the right to obtain a refund of the Overpayment amount from: (i) the person tom or for whom, such benefits were paid, or (ii) any insurance company or plan, or (iii) any other persons, entities, or organizations, including, but not limited to Participating Providers or Non-Participating Providers.

If no refund is received, your Group's benefit plan and/or Blue Cross and Blue Shield (in its capacity as insurer or administrator) has the right to deduct any refund for any Overpayment due up to an amount equal to the Overpayment, from:

a. Any future benefit payment made to any person or entity under this benefit booklet, whether for the same or a different member; or

b. Any future benefit payment made to any person or entity under another blue Cross and Blue Shield administered ASO benefit program; or

c. Any future benefit payment made to any person or entity under another Blue Cross and Blue Shield insured group benefit plan or individual policy; or

d. Any future benefit payment, or other payment, made to any person or entity; or

e. Any future benefit payment owed to one or more Participating or Non-Participating Providers.

Further, the Claim Administrator has the right to reduce your benefit plan's or policy's payment to a Provider by the amount necessary to recover another Blue Cross and Blue Shield's plan or policy's Overpayment to the same Provider and to remit the recovered amount to the other Blue Cross and Blue Shield's plan or policy.

The term "**Group"** refers to a sole proprietor, partnership, corporation or other organization. The term **"Insured"** refers to the employee engaged in the normal activities of the Group who is employed on an active, full-time basis (as defined by the Group). The employment is reasonably expected to be permanent at the time the employee is hired and this Certificate goes into effect. New employees of the Group will become eligible for coverage on the first day of the month following the date notification of coverage is provided to Blue Cross and Blue Shield or on a date that is otherwise determined by the Group. Employees of the Group whose applications have been accepted by Blue Cross and Blue Shield shall receive dental coverage as provided in this Certificate.

- Your application for Family Coverage must include all of your eligible dependents on the date such application is made.
- Dependent coverage for a child born to you while you are covered under Family Coverage will be effective from the date of birth.
- If you acquire a dependent (other than through the birth of a child) while you are enrolled for Family Coverage, your Family Coverage for that dependent will go into effect upon receipt of your written notification to Blue Cross and Blue Shield and upon the completion of Blue Cross and Blue Shield's membership change.

If you are the Insured, **"Dependent"** means:

5. Your children who are under the limiting age specified in the Schedule of Dental Services and who are legally dependent upon you for support and maintenance while full-time students at an accredited institution of higher education.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age, will be covered regardless of age, as long as they were covered prior to reaching the limiting age specified in the Schedule of Dental Services of this Certificate.
7. Your dependent who is a party to a Civil Union and his or her children.

Payment of Premiums

Your Group will pay your premiums. The premiums are paid monthly in advance and any arrangement requiring you to reimburse your Group for a portion of the premium is entirely between you and your Group. Blue Cross and Blue Shield looks solely to the Group for payment of premiums.

Your Group will be allowed a grace period of 31 days for the late payment of premiums. During this period, this Certificate will remain in effect. If the Group fails to pay any premium, this Certificate will automatically terminate at the end of the grace period. Blue Cross and Blue Shield will not be obligated to give you or your Group notice if this Certificate is automatically terminated. However, if Blue Cross and Blue Shield accepts payment from the Group after the expiration of the grace period, your coverage will be reinstated as of that acceptance date.

If this Certificate is terminated for any reason, the Group will be liable for all premiums then due, including charges for any period this Certificate was in effect during a grace period.

	ORTHODONTICS	COPAYMENT AMOUNT
Dependent Orthodontics		
	Orthodontic benefits for a dependent child **Full Course of Treatment**	$2,300.00
Orthodontic benefits for the treatment to correct malocclusions are limited to one Phase II Course of Treatment and Retention. Benefits include consultation, office records, comprehensive full banding and/or bonding of the dentition, the initial retention appliances and office visits for retention. The benefit period for treatment and retention will not exceed 24 months and will begin with the initial banding and/or bonding of the particular case as reported by the participating dentist. Should your coverage terminate during a course of orthodontic treatment, the balance of payments would be your responsibility.		

SPECIAL LIMITATIONS

Your dental benefits under this Certificate will be subject to the special conditions and limitations stated below.

Prosthodontics (Prosthetic appliances such as bridges, partial and full dentures)

A prosthetic appliance will be provided only once in every 4-year period. However, your existing appliance must be unserviceable or not functional (as determined by your dentist). The 4-year period will begin on the date on which the existing appliance was last supplied. The term "existing" means an appliance that was in place on and before the 4-year period begins.

The following appliances will be covered as indicated below:

1. **Fixed versus Removable Appliance.** If there are multiple spaces in the same arch, benefits will be provided for a removable appliance. If one or more missing teeth in the same arch can be replaced using a maximum of 4 units (a combination of retainers and pontics), benefits will be provided for a fixed bridge. If more than 4 units are required, benefits will be provided for a removable appliance.
2. **Recementation.** Recementation of inlays, crowns, bridges and Maryland bridges initially placed by your Dental Center will not be charged to you (within the first 12 (twelve) months). Recementation of pre-existing inlays, crowns, bridges and Maryland bridges not placed by your Dental Center will be provided according to the actual fee-for-service normally charged.
3. **Partial Dentures**. Benefits for a removable appliance will be provided if a satisfactory result can be achieved by a standard cast chrome and/or acrylic partial denture, but if you and your dentist select a more personal appliance or one involving special techniques, benefits under this Certificate will be limited to the benefits appropriate to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of the cost will be your responsibility.
4. **Complete Dentures.** If a satisfactory result can be achieved by using standard procedures and materials, but you and your dentist select a more personal appliance or one which may involve a special technique, benefits under this Certificate will be limited to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of your cost will be your responsibility.
5. **Overdenture.** If an overdenture is the treatment you choose, benefits will be provided to the limits of a standard denture. All other related services or procedures will not be covered.
6. **Temporary Full or Partial Dentures.** If you decide to have a temporary appliance instead of the conventional prosthesis, your copayment will be the same as that applicable to the conventional prosthesis (and you will have used the benefit available for the 4-year period).

7. **Prosthetic Appliances.** Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Crowns, Inlays/Onlays (Silver or tooth colored fillings, inlays, porcelain, metal, or porcelain to metal crowns)

1. Inlays, porcelain, metals, or porcelain to metal crowns. If a tooth can be restored with amalgam or composite resins, these materials will be used to restore the tooth. The judgment will be up to the dentist providing the service.
2. Restorations for abrasion, erosion and attrition will be covered only when a clinical recommendation has been made by your dentist.
3. Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Mouth Rehabilitation

If you and your dentist agree to select a course of mouth rehabilitation, your benefits under this Certificate will be limited to covering only those procedures necessary to eliminate oral disease and replace missing teeth. The balance of the cost of your treatment, including costs to increase vertical dimension or restore the occlusion, will be your responsibility.

Referrals to Specialists

Benefits, excluding emergency care, will be provided for services received from a specialist only when the referral has been made by your primary dentist.

EXCLUSIONS

The following treatments, procedures or costs are not covered under this Certificate.

General Exclusions

1. Services not specifically mentioned in this Certificate.
2. Procedures which were begun but not completed prior to coverage under this Certificate, except for Orthodontics.
3. Dental treatment for cosmetic purposes.

6. Treatment of congenital malformation, including but not limited to cleft palate, anodontia, mandibular prognathism and enamel hypoplasia in the absence of dental carries.
7. Treatment which, in the professional judgment of the attending dentist, will not produce a satisfactory result.

9. Dental implants, transplants or augmentation and any diagnostic or definitive treatment related to implants, transplants or augmentations.

11. The cost of services received from physicians, dentists, oral surgeons or dental offices outside of your selected Dental Center, unless you have received written authorization from your Dental Center (or as indicated under the Emergency Treatment provisions of this Certificate).
12. Treatment for any condition to the extent to which benefits are recovered or found to be recoverable, whether by adjudication or settlement under any Workers Compensation, Occupational Disease or other law, even though you or your dependents fail to claim the right to such benefits.
13. Diagnostic procedures related to non-covered services.
14. Treatment for any disease, condition, or injuries received as a result of war, declared or undeclared, or if caused by atomic explosion, whether or not the result of war.

16. Temporomandibular joint (TMJ) disorders or dysfunctions and related services.

17. General anesthesia and IV sedation without documented medical necessity. Allergy to local anesthesia must be documented by a licensed physician following testing procedures. If you decide to have general anesthesia or IV sedation without obtaining medical documentation and this requires a referral to a dental office not affiliated with the Network, or a referral to a dental office affiliated with the Network but not responsible for providing the covered services specified in the Schedule of Dental Services, benefits will not be provided for these services.

Orthodontic Exclusions

1. Retreatment of a prior orthodontic cases.
2. Patients with severe medical disabilities which may prevent satisfactory orthodontic results.
3. Any charge made by an orthodontist for the cost of replacement and/or repair of an appliance furnished to the patient which was lost or broken through no fault of the orthodontist.
4. Orthognathic surgery.
5. Removal of asymptomatic erupted teeth associated with Orthodontics (unless you have received written authorization). This exclusion does not apply to the removal of third molars.

COORDINATION OF BENEFITS

If you should receive payment under another group policy, certificate or agreement providing the same kind of dental benefits that this Certificate provides, Blue Cross and Blue Shield or your Dental Center shall have the right to recover such payments from you, to the extent such recovery is consistent with the priority of benefit applications indicated in this section.

When the total value of benefits or services you are entitled to under this Certificate and under any other group contract exceeds your actual expense (including the premiums), Blue Cross and Blue Shield or your Dental Center reserves the right to reduce the total benefits and services provided under this Certificate so that the benefits will not exceed the total expense for the covered services received.

If any other group contract contains provisions establishing similar rules as those stated below, then the benefits under this Certificate and the other group contract will be determined by applying the following rules:

1. The benefits of the group contract which covers the person with the claim as an Insured rather than as a dependent will be determined before the benefits of the group contract which covers that person as a dependent.

2. The benefits of the group contract which covers a dependent as the *Relative* (that is, a person who is entitled to benefits under this Certificate because of a connection or relationship to the Insured) of a person whose date of birth (but not year of birth) occurs earlier in a calendar year will be determined before the benefits under any other group contract which covers that dependent as a Relative of a person whose date of birth (but not year of birth) occurs later in the calendar year. If the dependent's Relatives have the same date of birth (but not year of birth), the benefits under the group contract covering the dependent as a Relative of the person whose group policy has been in effect for the longer period of time will be determined first – except that if the claim is for a dependent child, the following rules will apply:

   (i) when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of the group contract which covers the child as a dependent of the parent without custody.

   (ii) when the parents are divorced and the parent with custody of the child has remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody will be determined before the benefits of the group contract which covers that child as a dependent of the stepparent and the benefits of the group contract which covers the child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

Despite the provisions stated above, if there is a court decree which establishes financial responsibility for the dental care expenses of the child, the benefits of the group contract which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of the group contract which covers the child as a dependent child.

3. When the rules stated above do not establish an order of benefit determination, the benefits of the group contract which has been in effect for the longer period of time will decide, provided that:

   (i) the benefits of the group contract covering the person with the claim as a laid-off or retired employee or as the dependent of a laid-off or retired employee will be determined after the benefits of the group contract covering such person as an employee who is not laid off or retired; and

   (ii) if any group contract does not have a provision regarding laid-off or retired employees and the group contract determines its benefits after this contract, then the provisions of (i) above will not apply.

If the other group contract does not contain provisions establishing the same rules as set forth in this section, then the benefits under the other group contract will be determined before the benefits under this Certificate.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Law)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the former spouse of or former party to a Civil Union with the Insured who has died or from whom you have been divorced or from whom your Civil Union has been dissolved. The provisions described in Article B will apply if you are the dependent child of the Insured who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided in Article A.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: Continuation of Coverage if you are the former spouse of the Insured or spouse of a retired Insured

If the coverage of the spouse of the Insured should terminate because of the death of the Insured, a divorce from the Insured, dissolution of a Civil Union from the Insured, or the retirement of an Insured, the former spouse or retired Insured's spouse if at least 55 years of age will be entitled to continue the coverage provided under this Certificate for himself/herself and his/her eligible dependents (if Family coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Insured or spouse of a retired Insured only if you provide the employer of the Insured with written notice of the dissolution of marriage, or Civil Union, the death or retirement of the Insured within 30 days of such event.
2. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the dissolution of your marriage to or Civil Union with the Insured, the death of the Insured or the retirement of the Insured as well as notice of your address. Such notice will include the Group Number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
    a. a form for election to continue coverage under this Certificate.
    b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

c. instructions for returning the election form by certified mail, return receipt requested, within 30 days after the date of mailing receipt of such instruction by Blue Cross and Blue Shield.

3. In the event you fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Insured under this Certificate as a result of the dissolution of marriage or Civil Union, the death or the retirement of the Insured. Your right to continuation of coverage will then be forfeited.

4. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.

5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:

   a. an amount, if any, that would be charged to you if you were an Insured, with Individual or Family Coverage, as the case may be, plus

   b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

   Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginning with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.

7. Termination of Continuation of Coverage:

   If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

   a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).

   b. on the date coverage would otherwise terminate under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.

c. the date on which you remarry or enter another Civil Union.

d. the date on which you become an insured employee under any other group health plan.

e. the expiration of 2 years from the date your continued coverage under this Certificate began.

8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

   a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).

   b. on the date coverage would otherwise terminate, except due to the retirement of the Insured, under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death, retirement or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.

   c. the date on which you remarry or enter another Civil Union.

   d. the date on which you become an insured employee under any other group health plan.

   e. the date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.

9. If you exercise the right to continuation of coverage under this Certificate you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.

10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE B: **Continuation of Coverage if you are the dependent child of the Insured**

If the coverage of a dependent child should terminate because of the death of the Insured and the dependent child is not eligible to continue coverage under ARTICLE A or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the dependent child of an Insured only if you, or a responsible adult acting on your behalf as the dependent

child, provide the employer of the Insured with written notice of the death of the Insured within 30 days of the date the coverage terminates.

2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Insured with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.

3. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the death of the Insured or of the dependent child reaching the limiting age, as well as notice of the dependent child's address. Such notice will include the Group number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:

   a. a form for election to continue coverage under this Certificate.

   b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

   c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.

4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Insured under this Certificate as a result of the death of the Insured or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.

5. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.

6. The monthly charge will be computed as follows:

   a. an amount, if any, that would be charged to you if you were an Insured, plus

   b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:
    a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
    b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Insured.
    c. the date on which you become an insured employee, after the date of election, under any other group health plan.
    d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.
9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a ''direct pay'' basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION OF COVERAGE FOR PARTIES TO A CIVIL UNION

The purpose of this provision of your Certificate is to explain the options available for temporarily continuing your coverage after termination if you are covered under this Certificate as the party to a Civil Union with the Insured or as the dependent child of a party to a Civil Union. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are a dependent who is a party to a Civil Union or their child and you lose coverage under this Certificate, the options available to a spouse or to a dependent child are described in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision of this Certificate.

In addition to the events listed in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union partnership with the Eligible Person terminates. Your Civil Union will terminate if your partnership no longer meets the criteria described in the definition of "Civil Union" in the DEFINITIONS section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA provision does not apply to your dependent who is a party to a Civil Union and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Plan Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18–month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Orthodontic benefits for the treatment to correct malocclusions are limited to one Phase II Course of Treatment and Retention. Benefits include consultation, office records, comprehensive full banding and/or bonding of the dentition, the initial retention appliances and office visits for retention. The benefit period for treatment and retention will not exceed 24 months and will begin with the initial banding and/or bonding of the particular case as reported by the participating dentist. Should your coverage terminate during a course of orthodontic treatment, the balance of payments would be your responsibility.		

SPECIAL LIMITATIONS

Your dental benefits under this Certificate will be subject to the special conditions and limitations stated below.

Prosthodontics (Prosthetic appliances such as bridges, partial and full dentures)

A prosthetic appliance will be provided only once in every 4-year period. However, your existing appliance must be unserviceable or not functional (as determined by your dentist). The 4-year period will begin on the date on which the existing appliance was last supplied. The term "existing" means an appliance that was in place on and before the 4-year period begins.

The following appliances will be covered as indicated below:

1. **Fixed versus Removable Appliance.** If there are multiple spaces in the same arch, benefits will be provided for a removable appliance. If one or more missing teeth in the same arch can be replaced using a maximum of 4 units (a combination of retainers and pontics), benefits will be provided for a fixed bridge. If more than 4 units are required, benefits will be provided for a removable appliance.
2. **Recementation.** Recementation of inlays, crowns, bridges and Maryland bridges initially placed by your Dental Center will not be charged to you (within the first 12 (twelve) months). Recementation of pre-existing inlays, crowns, bridges and Maryland bridges not placed by your Dental Center will be provided according to the actual fee-for-service normally charged.
3. **Partial Dentures**. Benefits for a removable appliance will be provided if a satisfactory result can be achieved by a standard cast chrome and/or acrylic partial denture, but if you and your dentist select a more personal appliance or one involving special techniques, benefits under this Certificate will be limited to the benefits appropriate to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of the cost will be your responsibility.
4. **Complete Dentures.** If a satisfactory result can be achieved by using standard procedures and materials, but you and your dentist select a more personal appliance or one which may involve a special technique, benefits under this Certificate will be limited to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of your cost will be your responsibility.
5. **Overdenture.** If an overdenture is the treatment you choose, benefits will be provided to the limits of a standard denture. All other related services or procedures will not be covered.
6. **Temporary Full or Partial Dentures.** If you decide to have a temporary appliance instead of the conventional prosthesis, your copayment will be the same as that applicable to the conventional prosthesis (and you will have used the benefit available for the 4-year period).

7. **Prosthetic Appliances.** Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Crowns, Inlays/Onlays (Silver or tooth colored fillings, inlays, porcelain, metal, or porcelain to metal crowns)

1. Inlays, porcelain, metals, or porcelain to metal crowns. If a tooth can be restored with amalgam or composite resins, these materials will be used to restore the tooth. The judgment will be up to the dentist providing the service.
2. Restorations for abrasion, erosion and attrition will be covered only when a clinical recommendation has been made by your dentist.
3. Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Mouth Rehabilitation

If you and your dentist agree to select a course of mouth rehabilitation, your benefits under this Certificate will be limited to covering only those procedures necessary to eliminate oral disease and replace missing teeth. The balance of the cost of your treatment, including costs to increase vertical dimension or restore the occlusion, will be your responsibility.

Referrals to Specialists

Benefits, excluding emergency care, will be provided for services received from a specialist only when the referral has been made by your primary dentist.

The following treatments, procedures or costs are not covered under this Certificate.

General Exclusions

1. Services not specifically mentioned in this Certificate.
2. Procedures which were begun but not completed prior to coverage under this Certificate, except for Orthodontics.

If you decide to have general anesthesia or IV sedation without obtaining medical documentation and this requires a referral to a dental office not affiliated with the Network, or a referral to a dental office affiliated with the Network but not responsible for providing the covered services specified in the Schedule of Dental Services, benefits will not be provided for these services.

Orthodontic Exclusions

1. Retreatment of a prior orthodontic cases.

4. Orthognathic surgery.
5. Removal of asymptomatic erupted teeth associated with Orthodontics (unless you have received written authorization). This exclusion does not apply to the removal of third molars.

COORDINATION OF BENEFITS

If you should receive payment under another group policy, certificate or agreement providing the same kind of dental benefits that this Certificate provides, Blue Cross and Blue Shield or your Dental Center shall have the right to recover such payments from you, to the extent such recovery is consistent with the priority of benefit applications indicated in this section.

When the total value of benefits or services you are entitled to under this Certificate and under any other group contract exceeds your actual expense (including the premiums), Blue Cross and Blue Shield or your Dental Center reserves the right to reduce the total benefits and services provided under this Certificate so that the benefits will not exceed the total expense for the covered services received.

If any other group contract contains provisions establishing similar rules as those stated below, then the benefits under this Certificate and the other group contract will be determined by applying the following rules:

1. The benefits of the group contract which covers the person with the claim as an Insured rather than as a dependent will be determined before the benefits of the group contract which covers that person as a dependent.

2. The benefits of the group contract which covers a dependent as the *Relative* (that is, a person who is entitled to benefits under this Certificate because of a connection or relationship to the Insured) of a person whose date of birth (but not year of birth) occurs earlier in a calendar year will be determined before the benefits under any other group contract which covers that dependent as a Relative of a person whose date of birth (but not year of birth) occurs later in the calendar year. If the dependent's Relatives have the same date of birth (but not year of birth), the benefits under the group contract covering the dependent as a Relative of the person whose group policy has been in effect for the longer period of time will be determined first – except that if the claim is for a dependent child, the following rules will apply:

   (i) when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of the group contract which covers the child as a dependent of the parent without custody.

   (ii) when the parents are divorced and the parent with custody of the child has remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody will be determined before the benefits of the group contract which covers that child as a dependent of the stepparent and the benefits of the group contract which covers the child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

Despite the provisions stated above, if there is a court decree which establishes financial responsibility for the dental care expenses of the child, the benefits of the group contract which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of the group contract which covers the child as a dependent child.

3. When the rules stated above do not establish an order of benefit determination, the benefits of the group contract which has been in effect for the longer period of time will decide, provided that:

   (i) the benefits of the group contract covering the person with the claim as a laid-off or retired employee or as the dependent of a laid-off or retired employee will be determined after the benefits of the group contract covering such person as an employee who is not laid off or retired; and

   (ii) if any group contract does not have a provision regarding laid-off or retired employees and the group contract determines its benefits after this contract, then the provisions of (i) above will not apply.

If the other group contract does not contain provisions establishing the same rules as set forth in this section, then the benefits under the other group contract will be determined before the benefits under this Certificate.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Law)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the former spouse of or former party to a Civil Union with the Insured who has died or from whom you have been divorced or from whom your Civil Union has been dissolved. The provisions described in Article B will apply if you are the dependent child of the Insured who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided in Article A.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: **Continuation of Coverage if you are the former spouse of the Insured or spouse of a retired Insured**

If the coverage of the spouse of the Insured should terminate because of the death of the Insured, a divorce from the Insured, dissolution of a Civil Union from the Insured, or the retirement of an Insured, the former spouse or retired Insured's spouse if at least 55 years of age will be entitled to continue the coverage provided under this Certificate for himself/herself and his/her eligible dependents (if Family coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Insured or spouse of a retired Insured only if you provide the employer of the Insured with written notice of the dissolution of marriage, or Civil Union, the death or retirement of the Insured within 30 days of such event.
2. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the dissolution of your marriage to or Civil Union with the Insured, the death of the Insured or the retirement of the Insured as well as notice of your address. Such notice will include the Group Number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
    a. a form for election to continue coverage under this Certificate.
    b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

c. instructions for returning the election form by certified mail, return receipt requested, within 30 days after the date of mailing receipt of such instruction by Blue Cross and Blue Shield.

3. In the event you fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Insured under this Certificate as a result of the dissolution of marriage or Civil Union, the death or the retirement of the Insured. Your right to continuation of coverage will then be forfeited.

4. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.

5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:

   a. an amount, if any, that would be charged to you if you were an Insured, with Individual or Family Coverage, as the case may be, plus

   b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

   Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginning with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.

7. Termination of Continuation of Coverage:

   If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

   a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).

   b. on the date coverage would otherwise terminate under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.

c. the date on which you remarry or enter another Civil Union.

d. the date on which you become an insured employee under any other group health plan.

e. the expiration of 2 years from the date your continued coverage under this Certificate began.

8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

   a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).

   b. on the date coverage would otherwise terminate, except due to the retirement of the Insured, under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death, retirement or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.

   c. the date on which you remarry or enter another Civil Union.

   d. the date on which you become an insured employee under any other group health plan.

   e. the date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.

9. If you exercise the right to continuation of coverage under this Certificate you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.

10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE B: **Continuation of Coverage if you are the dependent child of the Insured**

If the coverage of a dependent child should terminate because of the death of the Insured and the dependent child is not eligible to continue coverage under ARTICLE A or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the dependent child of an Insured only if you, or a responsible adult acting on your behalf as the dependent

child, provide the employer of the Insured with written notice of the death of the Insured within 30 days of the date the coverage terminates.

2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Insured with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.

3. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the death of the Insured or of the dependent child reaching the limiting age, as well as notice of the dependent child's address. Such notice will include the Group number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:

   a. a form for election to continue coverage under this Certificate.

   b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

   c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.

4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Insured under this Certificate as a result of the death of the Insured or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.

5. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.

6. The monthly charge will be computed as follows:

   a. an amount, if any, that would be charged to you if you were an Insured, plus

   b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:
    a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
    b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Insured.
    c. the date on which you become an insured employee, after the date of election, under any other group health plan.
    d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.
9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a ''direct pay'' basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION OF COVERAGE FOR PARTIES TO A CIVIL UNION

The purpose of this provision of your Certificate is to explain the options available for temporarily continuing your coverage after termination if you are covered under this Certificate as the party to a Civil Union with the Insured or as the dependent child of a party to a Civil Union. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are a dependent who is a party to a Civil Union or their child and you lose coverage under this Certificate, the options available to a spouse or to a dependent child are described in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision of this Certificate.

In addition to the events listed in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union partnership with the Eligible Person terminates. Your Civil Union will terminate if your partnership no longer meets the criteria described in the definition of "Civil Union" in the DEFINITIONS section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA provision does not apply to your dependent who is a party to a Civil Union and their children, or to your Domestic Partner and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Plan Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18–month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

City of Chicago - Plan A
Vision Care Plan

The Vision Care plan for all enrollees and their eligible dependents provides two options for vision care services. Davis Vision, the plan administrator, has established a panel of network providers who provide vision examinations at no charge, and if needed, eyeglasses or contact lenses at fixed copayment schedules or in certain instances, at no charge. Alternatively, you may go to an out-of-network provider and be reimbursed up to the amounts in the schedule of maximum allowances listed later. You select the option you wish to use each time you receive services.

Who is Davis Vision?

Davis Vision has been selected by the City to administer its vision plan for all enrollees. Davis Vision, located in New York, provides vision care services to over 35 million people across the United States. Because Davis Vision operates its own laboratory network, they are able to produce quality eyewear at reasonable costs. Davis Vision has established a network of vision care providers who meet stringent standards for examinations, testing equipment and referrals for other health problems.

Who is eligible for coverage under the plan?

You are eligible for vision care benefits if you are enrolled in the PPO or HMO medical plan sponsored by the City. Your eligible dependents become eligible when you do or when they are added to your coverage, whichever is later.

Coverage will terminate when your employment terminates, or when required premiums are not paid. Coverage for your dependents will terminate when they reach the limiting age or when your coverage terminates.

What services are included in the plan?

Covered enrollees and dependents can receive an eye examination and one pair of eyeglass frames and lenses (if required) every 12 months based on last date of service. Contact lenses may be selected in lieu of eyeglasses. There must be at least one full year between examinations.

Using a network provider:

They are licensed providers who provide routine vision examinations for no out of pocket cost. Each provider will offer you an extensive selection of frames. When you enter the provider's office, you will notice a collection of frames identified as the Davis Vision "Collection". Fashion, Designer, and Premier frames in "The Collection" are available for no additional cost.

If you choose a frame outside of "The Collection" you will receive a $50 credit, plus 20% discount on the overage to go toward your purchase and will be required to pay any additional costs. If you choose a frame at any Visionworks family of store locations you will receive a $110 credit, plus 20% discount on the overage to go toward your purchase and will be required to pay any additional costs.

Included at no additional cost are plastic or glass single vision, bifocal or trifocal lenses, glass grey #3 prescription lenses (fashion, sun or gradient tint), and post-cataract lenses. Scratch resistant coating, ultraviolet coating, photochromic lenses, blended invisible bifocals, and oversize frames and lenses are also available for no additional cost. If you select a frame from the provider's private collection there will be an additional charge.

Davis Vision offers a one year warranty against breakage on eyeglasses if you use a network provider and select Plan materials. If the frame or lenses break during normal use, simply return them to the provider for repair at no cost to you (excluding lost eyewear and scratched lenses).

If you use a network provider, you are also able to receive a discount for additional purchases such as frames, lenses and contact lenses for fixed, discounted charges (up to 20%) that are much less than the usual charges.

Obtaining services from a network provider:

When you or a covered family member need vision services, call one of the network providers. Give the employee's Member Identification Number and the name and date of birth of any dependent for whom you are requesting service. The provider will obtain the necessary authorization from Davis Vision. Claim forms are not required. If you decide to utilize a different provider after scheduling an appointment, please notify Davis Vision at 1-888-456-8758.

Are contact lenses included?

Contact lenses may be selected in lieu of eyeglasses. No copayment applies toward Plan covered contact lenses (standard, soft, daily-wear; disposable** or planned replacement**). A care kit for proper cleaning and sterilization of your lenses will be provided as are all visits necessary to obtain a proper fit. Visually required contact lenses are covered in full with prior approval at a network location. Replacement lenses and contact lens insurance are not included in the plan. Once you have selected contact lenses and the lenses are fitted, they may not be exchanged for eyeglasses. If you select contact lenses other than plan contact lenses, you will receive a $105 credit, plus 15% discount on the overage to go toward their purchase and be required to pay any additional costs. A 15% discount is available for evaluation, fitting and follow up care.

*** Disposable contact lens wearers will receive eight multi-packs of lenses. Planned replacement contact lens wearers will receive four multi-packs of lenses.*

What if I use an out-of-network provider?

If you obtain services from a provider who is not part of the network you will have to submit an itemized receipt and a claim form. Claim forms are available by visiting the web site at www.davisvision.com or by calling 1-888-456-8758.

Give the claim form to your provider at the time you receive services and ask them to complete the appropriate sections. Submit your completed claim form and your itemized receipt to:

Davis Vision Claim Processing Unit
P.O. Box 1525
Latham, NY 12110

bargaining agreements or in accordance with any statute, law ordinance, or court order, as more fully described in Exhibit 1-A.

1.2 Interpretation

(a) The order of precedence of the component contract parts will be as follows:

- Standard provisions and form provisions relating to this procurement type
- Scope of services and detailed specifications
- Task order (if applicable)
- All other parts of this Agreement

Provided, however, in the event of an inconsistency between terms set out among different component parts of the Agreement, or terms set out within a part of the Agreement, notwithstanding the order of precedence noted above, the term that is most favorable to the City controls, unless expressly stated otherwise.

(b) The term "include" (in all its forms) means "include, without limitation" unless the context clearly states otherwise.

(c) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

(d) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

(e) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not constitute a part of this Agreement, nor do they affect the meaning, construction or effect of this Agreement.

(f) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

(g) All references to a number of days mean calendar days, unless indicated otherwise.

(h) Unless a contrary meaning is specifically noted elsewhere, the phrases "as required," "as directed," "as permitted," and similar words mean the requirements, directions, and permissions of the Department or City, as applicable. Similarly, the words "approved," "acceptable," "satisfactory," and similar words mean approved by, acceptable to, or satisfactory to the Department or the City, as applicable.

(i) The words "necessary," "proper," or similar words used with respect to the nature or extent of work or services mean that work or those services must be conducted in a manner or be of a character which is necessary or proper for the type of work or services being provided in the opinion of the Department and the City, as applicable. The judgment of the Department and the City in such matters will be considered final.

(j) Wherever the imperative form of address is used, such as "provide equipment required" it will be understood and agreed that such address is directed to the Contractor unless the provision expressly states that the City will be responsible for the action.

ARTICLE 2. DUTIES AND RESPONSIBILITIES OF CONTRACTOR

2.1 Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Contractor's Services nor a limitation on the Services that Contractor is to provide under this Agreement. Contractor must provide the Services in accordance with the standards of performance set forth in Section 2.3. The Services that Contractor must provide are described in Exhibit 1, Scope of Services and Time Limits for Performance.

2.2 Deliverables

In carrying out its Services, Contractor must prepare or provide to the City various reports, information, and data (collectively "Deliverables"). "**Deliverables**" include work product, such as written reviews, recommendations, reports, information, data, and analyses, produced by Contractor for the City.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement or for which the Deliverables are intended. If the City determines that Contractor has failed to comply with the foregoing standards, it will notify Contractor of its failure. If there is such a failure, and Contractor does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 8.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Contractor of its obligations under this Agreement.

2.3 Standard of Performance

Contractor must perform all Services required of it under this Agreement, such that payment of Benefits and administration of Claims (including application of any pre-certification/prior authorization requirements) are made in accordance with the respective Plan, and the provisions of this Agreement, and with respect to Services for which neither the Plan nor this Agreement provides for a performance level, with that degree of skill, care and diligence normally shown by a professional performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Contractor agrees for itself and to cause its Key Personnel as set forth in Exhibit 7, and Subcontractors to devote the time, attention, skill, knowledge and professional ability to perform all Services effectively, efficiently and in a timely manner consistent with the terms of this Agreement. At no additional cost to the City, Contractor must retain and utilize sufficient staff to ensure the effective and efficient performance of Services such that payment for Benefits and administration of Plan Claims are made in accordance with the respective Plans, and the provisions of this Agreement.

Contractor acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and the City's employees, and with respect to that information, Contractor agrees to be held to the standard of care of a fiduciary.

Contractor must provide its commercially reasonable skill and judgment and cooperate with the officials, employees and agents of the City in performing Services under this Agreement and furnishing efficient business administration and supervision to perform its obligations in an expeditious and economical manner in accordance with the terms of this Agreement and all applicable laws.

Contractor must ensure that all Services that require the exercise of professional skill or judgment are accomplished by medical or other professionals qualified and competent in and appropriately licensed to practice in the applicable professional discipline and acting within the scope of such license, as required by law. Contractor must exercise skill, care and diligence in ensuring performance of all Services required under this Agreement by professional and technically competent personnel, whether by the Contractor or its Subcontractors, and, to the extent within its control, in including Participating Providers in accordance with Contractor's terms of participation. Contractor remains responsible for the accuracy of all Services or Deliverables furnished by it and its Subcontractors.

Any review, approval, acceptance of Services or Deliverables or payment for any of the Services by the City does not relieve Contractor of its responsibility for the professional skill and care and technical accuracy of all of the Services and Deliverables furnished under this Agreement, unless the technical inaccuracy or error was caused by inaccurate information being

supplied by the City. This provision in no way limits the City's rights or remedies against Contractor under this Agreement, at law or in equity.

2.4 Timeliness of Performance

(a) Contractor must provide the Services and Deliverables within the time limits required under any request for services. Further, Contractor acknowledges that time is of the essence and that the failure of Contractor to comply with the required time limits may result in economic or other losses to the City.

(b) Neither Contractor nor Contractor's agents, employees or Subcontractors, are entitled to any damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other losses or expenses incurred by Contractor by reason of delays or hindrances in the performance of the Services, whether or not caused by the City.

2.5 Personnel

(a) Adequate Staffing

Contractor must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, and qualified to perform the Services. Contractor must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Contractor to the City and with prior written consent of the City.

(b) Key Personnel

In selecting the Contractor for this Contract, the City relied on the qualifications and experience of those persons identified by Contractor by name as performing the Services. Contractor must not reassign or replace Key Personnel without the written consent of the City. "**Key Personnel**" means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 2.5(b). The Department may at any time in writing notify Contractor that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice, Contractor must promptly suspend the key person or persons from performing Services under this Agreement and must replace him, her, or them in accordance with the terms of this Agreement. Key Personnel are identified in Exhibit 7.

(c) Salaries and Wages

Contractor and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Contractor underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Contractor, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the

salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Contractor to the respective employees to whom they are due. The parties acknowledge that this Section 2.5(c) is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

2.6 Minority and Women's Business Enterprises Commitment

In the performance of this Agreement, Contractor must abide by the minority and women's business enterprise commitment requirements of the Municipal Code of Chicago (**"Municipal Code"**), §2-92-420 *et seq.* (1990), except to the extent waived by the City and the Special Conditions Regarding MBE/WBE Commitment set forth in Exhibit 3. Contractor's completed Schedules C-1 and D-1 in Exhibit 3, evidencing its compliance with this requirement, are a part of this Agreement, upon acceptance by the City. Contractor must utilize minority and women's business enterprises at the greater of the amounts listed in those Schedules C-1 and D-1 or the percentages listed in them as applied to all fees received from the City.

2.7 Insurance

Contractor must provide and maintain at Contractor's own expense, during the term of this Agreement and any time period following expiration if Contractor is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, insuring all operations related to this Agreement.

2.8 Indemnification

(a) Contractor must defend, indemnify, and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees (the "Indemnified Parties") from and against any and all Losses, including those related to:

(i) injury, death or damage of or to any person or property;

(ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Contractor's failure to perform or cause to be performed Contractor's promises and obligations as and when required under this Agreement, including Contractor's failure to perform its obligations to any Subcontractor;

(iv) the City's exercise of its rights and remedies under Section 8.2 of this Agreement; and

(v) injuries to or death of any employee of Contractor or any Subcontractor under any workers' compensation statute.

(b) **"Losses"** means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys' fees and disbursements), claims, demands, actions, suits,

proceedings, judgments or settlements, any or all of which in any way arise out of or relate to Contractor's breach of this Agreement or to Contractor's negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

(c) The Contractor will promptly provide, or cause to be provided, to the Department and the City Corporation Counsel copies of such notices as Contractor may receive of any claims, actions, or suits as may be given or filed in connection with the Contractor's performance or the performance of any Subcontractor and for which the Indemnified Parties are entitled to indemnification hereunder.

(d) At the City Corporation Counsel's option, Contractor must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them, including, without limitation, claims by employees, Subcontractors, agents, or servants of Contractor even though the claimant may allege that the Indemnified Parties were in charge of the work or service performed under the Agreement, that the claim involves equipment owned or furnished by the Indemnified Parties, or alleged negligence on the part of the Indemnified Parties; however, the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Contractor of any of its obligations under this Agreement. The City will have the right to require Contractor to provide the City with a separate defense of any such suit. Any settlement must be made only with the prior written consent of the City Corporation Counsel, if the settlement requires any action on the part of the City.

(e) To the extent permissible by law, Contractor waives any limits to the amount of its obligations to defend, indemnify, hold harmless, or contribute to any sums due under any Losses, including any claim by any employee of Contractor that may be subject to the Workers Compensation Act, 820 ILCS 305/1 *et seq*. or any other related law or judicial decision (such as, *Kotecki v. Cyclops Welding Corporation*, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, or any other statute or judicial decision.

(f) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Contractor's performance of Services beyond the term. Contractor acknowledges that the requirements set forth in this section to defend, indemnify, and hold harmless the City are apart from and not limited by the Contractor's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

2.9 Ownership of Documents

Except as otherwise agreed to in advance by the City in writing, all Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Contractor under this Agreement are property of the City, including, as further described in Section 2.10 below, all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at the expense of Contractor. If not restorable, Contractor must bear the cost of replacement and of any loss

suffered by the City on account of the destruction, as provided in Section 2.8. Notwithstanding the foregoing, Contractor shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed to be a transfer of rights which are not owned by Contractor.

2.10 Copyright Ownership and Other Intellectual Property

Contractor and the City intend that, to the extent permitted by law, the Deliverables to be produced by Contractor at the City's instance and expense under this Agreement are conclusively deemed "**works made for hire**" within the meaning and purview of Section 101 of the United States Copyright Act, 17 U.S.C. §101 *et seq.*, and that the City will be the sole copyright owner of the Deliverables and of all aspects, elements and components of them in which copyright can subsist, and of all rights to apply for copyright registration or prosecute any claim of infringement.

To the extent that any Deliverable does not qualify as a "work made for hire," Contractor hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyrights and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement, and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Notwithstanding the foregoing, Contractor shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed as a transfer of rights, which are not owned by Contractor. Contractor shall have no liability or duty whatsoever for any modification or change of the Deliverables or work, without Contractor's direct involvement and consent.

Contractor will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Contractor warrants to the City, its successors and assigns, that on the date of transfer Contractor is the lawful owner of good and marketable title in and to the copyrights for the Deliverables and has the legal rights to fully assign them. Contractor further warrants that it has not assigned and will not assign any copyrights and that it has not granted and will not grant any licenses, exclusive or nonexclusive, to any other party, and that it is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables. Contractor warrants that the Deliverables are complete, entire and comprehensive, and that the Deliverables constitute a work of original authorship.

(a) Patents

If any invention, improvement, or discovery of the Contractor or its Subcontractors is conceived or first actually reduced to practice during performance of or under this Agreement, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Contractor must notify the City immediately and provide

the City a detailed report regarding such invention, improvement, or discovery. If the City determines that patent protection for such invention, improvement, or discovery should be sought, Contractor agrees to seek patent protection for such invention, improvement, or discovery and to fully cooperate with the City throughout the patent process. The Contractor must transfer to the City, at no cost, the patent in any invention, improvement, or discovery developed under this Agreement and any patent rights to which the Contractor purchases ownership with funds provided to it under this Agreement.

(b) Indemnity

Without limiting any of its other obligations under this Agreement and in addition to any other obligations to indemnity under this Agreement, Contractor must, upon request by the City, indemnify, save, and hold harmless the City, and its officers, representatives, elected and appointed officials, agents, and employees acting within the scope of their original duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Contractor of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use or disposition of any Deliverables furnished under the Agreement. The Contractor is not required to indemnify the City for any such liability arising out of the wrongful acts of employees or agents of the City.

2.11 Records and Audits

(a) **Records**

(i) Contractor must deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, promptly in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. If Contractor fails to make such delivery upon demand, then Contractor must pay to the City any damages the City may sustain by reason of Contractor's failure.

(ii) Contractor must maintain any such records including Deliverables not delivered to the City or demanded by the City and including records of all assets and transactions (including contributions and claims payments) for a period that is the longer of (A) ten years after the final payment made in connection with this Agreement (or, with respect to any records that are required to be maintained pursuant to the Contractor's obligations under Exhibit 6 and the regulations implementing the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH), specifically 45 C.F.R. § 164.530(j)), six years from the date last effective; or (B) as directed by the Local Records Act (50 ILCS 205) and relevant records retention schedule. Contractor must not dispose of such records following the expiration of the relevant period without notification of and written approval from the City in accordance with Article 10.

In addition to the records to be stored by Contractor, all records that are possessed by Contractor in its service to the City to perform a governmental function are public records of the City pursuant to the Illinois Freedom of Information Act ("FOIA"), unless the records are exempt under the Act. FOIA requires that the City produce records in a very short period of

time. If the Contractor receives a request from the City to produce records, the Contractor shall do so within 72 hours of the notice.

(b) **Audits**

(i) Contractor and any of Contractor's Subcontractors or Participating Providers must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. To the extent this Agreement allows Contractor to bill on a time basis or to charge City for certain expenses, Contractor must maintain records showing actual time devoted and costs incurred. Contractor must keep books, documents, papers, records and accounts in connection with the Services open to audit, inspection, copying, abstracting and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Contractor conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Contractor must maintain and make similarly available to the City detailed records supporting Contractor's allocation to this Agreement (if any) of the costs and expenses attributable to any such shared usages.

(iii) Contractor must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Contractor or its Subcontractors, or both, at any time during the term of this Agreement or within six years after the Agreement ends, in connection with the goods, work, or Services provided under this Agreement. Each calendar year or partial calendar year is considered an "audited period." If, as a result of any such audit, it is determined that Contractor or any of its Subcontractors has overcharged the City in the audited period, the City will notify Contractor. Contractor must then promptly reimburse the City for any amounts the City has paid Contractor due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total that should have been charged, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Contractor must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Contractor must reimburse the City for the full cost of the audit and of each subsequent audit.

C. If the audit reveals that the Contractor was not paid the full amount required under the Agreement, the City will pay to the Contractor the sum equal to the amount of the deficiency.

Failure of Contractor to reimburse the City in accordance with subsection A or B above is an event of default under Section 8.1 of this Agreement, and Contractor will be liable for all of the City's costs of collection, including any court costs and attorneys' fees.

2.12 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Contractor under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Contractor must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Contractor by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Contractor must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) Contractor must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If Contractor is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Contractor's possession by reason of this Agreement, Contractor must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Contractor, however, is not obligated to withhold the delivery beyond the time ordered by a court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise extended.

(d) To the extent not defined herein, the capitalized terms in this Agreement and in Exhibit 6 will have the same meaning as set forth in the Health Insurance Portability and Accountability Act and the Health Information Technology for Economic and Clinical Health Act and their implementing regulations (collectively "HIPAA"). See 45 CFR parts 160, 162 and 164. Contractor and all its Subcontractors must comply with HIPAA and all rules and regulations applicable to it or them. Contractor must also comply with the Illinois AIDS Confidentiality Act (410 ILCS 305/1 through 16) and the rules and regulations of the Illinois

Department of Public Health promulgated under it. If Contractor fails to comply with the applicable provisions under HIPAA or the Illinois AIDS Confidentiality Act, such failure will constitute an event of default under this Agreement for which no opportunity for cure will be provided.

Additionally, Contractor must comply with all requirements of HIPAA applicable to business associates, including the provisions contained in Exhibit 6.

2.13 Assignments and Subcontracts

(a) Contractor must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement: (i) unless otherwise provided for elsewhere in this Agreement; or (ii) without the express written consent of the Department. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Department, including approvals for the use of any Subcontractors, operate to relieve Contractor of any of its obligations or liabilities under this Agreement.

(b) All Subcontractors are subject to the prior approval of the Department, but in no case will such approval relieve the Contractor from its obligations or change the terms of the Agreement. Further, substitution of a previously approved Subcontractor without the prior written consent of the City is not permitted. The Contractor must notify the Department of the names of all Subcontractors to be used and shall not employ any that the Department has not approved. Prior to proposing the use of a certain Subcontractor, the Contractor must verify that neither the Subcontractor nor any of its owners is debarred from or otherwise ineligible to participate on City contracts. This information can be found on the City's website: http://www.cityofchicago.org/city/en/depts/dps/provdrs/comp/svcs/debarred_firms_list.html

(c) The Contractor will only subcontract with competent and responsible Subcontractors. If, in the judgment of the Department or the City, any Subcontractor is careless, incompetent, violates safety or security rules, obstructs the progress of the Services or work, acts contrary to instructions, acts improperly, is not responsible, is unfit, is incompetent, violates any laws applicable to this Agreement, or fails to follow the requirements of this Agreement, then the Contractor will, immediately upon notice from the Department or the City, discharge or otherwise remove such Subcontractor and propose an acceptable substitute for Chief Procurement Officer approval. Removal and substitution must be in compliance with any applicable requirements of the MBE/WBE or DBE program.

(d) Approval for the use of any Subcontractor in performance of the Services is conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to perform the Services in accordance with the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute right upon written notification to immediately rescind approval and to require the performance of this Agreement by Contractor personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement.

(e) Contractor, upon entering into any agreement with a Subcontractor, must furnish upon request of the Department a copy of its agreement. Contractor must ensure that all subcontracts contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement as they relate to the Subcontractors themselves, provide that the Subcontractors are subject to all the terms of this Agreement and are subject to the approval of the Department. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services.

(f) Contractor must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the Department. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Contractor under this Agreement, without such prior written approval, has no effect upon the City.

(g) Under §2-92-245 of the Municipal Code, the Chief Procurement Officer may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Contractor that amount directly. Such payment by the City to Contractor's Subcontractor under no circumstances operates to relieve Contractor of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

(h) The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

2.14 Data Protection

(a) General. Notwithstanding any other obligation of Contractor under this Agreement, Contractor agrees that it will not lose, alter, or delete, either intentionally or unintentionally, any Protected Information, except to the extent that the City directs the Contractor in writing to do so and that it is responsible for the safe-keeping of all such information.

(b) Minimum Standard for Data at Rest and Data in Motion. Contractor must, at a minimum, comply in its treatment of Protected Information with National Institute of Standards and Technology ("NIST") Special Publication 800-53 Moderate Level Control. Notwithstanding this requirement, Contractor acknowledges that it must fully comply with each additional obligation contained in this policy.

(c) Protected Health Information. If data is protected health information or electronic protected health information, as defined in HIPAA/HITECH and regulations implementing these Acts (see 45 CFR Parts 160 and 164), it must be secured in accordance with "Guidance Specifying the Technologies and Methodologies that Render Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals," available on the United States Department of Health and Human Services (HHS) website http://www.hhs.gov/ocr/privacy/hipaa/administrative/breachnotificationrule/index.html, or at

Volume 74 of the Federal Register, beginning at page 42742. That guidance from the HHS states that valid encryption processes for protected health information data at rest (e.g., protected health information resting on a server), must be consistent with the NIST Special Publication 800-111, Guide for Storage Encryption Technologies for End User Devices. Valid encryption processes for protected health information data in motion (e.g., transmitted through a network) are those which comply with NIST Special Publications 800-52, Guidelines for the Selection and Use of Transport Layer Security Implementation; 800-77, Guide to IPsec VPNs; or 800-113, Guide to SSL VPNs, or others which are Federal Information Processing Standards (FIPS) 140-2 validated.

(d) Where Data is to be Stored. All data must be stored only on computer systems located in the continental United States.

(e) Requirement to Maintain Security Program. Contractor acknowledges that the City has implemented an information security program to protect the City's information assets, which Program is available on the City website at http://www.cityofchicago.org/city/en/depts/doit/supp_info/is-and-it-policies.html ("City Program"). Contractor shall be responsible for establishing and maintaining an information security program that is designed to: (i) ensure the security and confidentiality of Protected Information; (ii) protect against any anticipated threats or hazards to the security or integrity of Protected Information; (iii) protect against unauthorized access to or use of Protected Information; (iv) ensure the proper disposal of Protected Information; and, (v) ensure that all Subcontractors, if any, comply with all of the foregoing.

(f) Undertaking by Contractor. Without limiting Contractor's obligation of confidentiality as further described herein, in no case shall the safeguards of Contractor's information security program be less stringent than the information security safeguards used by the City Program.

(g) Right of Audit by the City of Chicago. The City shall have the right to review Contractor's information security program prior to the commencement of Services and from time to time during the term of this Agreement. During the performance of the Services, from time to time and without notice, the City, at its own expense, shall be entitled to perform, or to have performed, an on-site audit of Contractor's information security program. In lieu of an on-site audit, upon request by the City, Contractor agrees to complete, within forty-five (45 days) of receipt, an audit questionnaire provided by the City or the City's designee regarding Contractor's information security program.

(h) Audit by Contractor. No less than annually, Contractor shall conduct an independent third-party audit of its information security program and provide such audit findings to the City, all at the Contractor's sole expense.

(i) Audit Findings. Contractor shall implement at its sole expense any remedial actions as identified by the City as a result of the audit.

(j) ***Can be deleted if n/a to the services at issue:*** Demonstrate Compliance - PCI. No less than annually, as defined by the City and where applicable, the

Contractor agrees to demonstrate compliance with PCI DSS (Payment Card Industry Data Security Standard). Upon City's request, Contractor must be prepared to demonstrate compliance of any system or component used to process, store, or transmit cardholder data that is operated by the Contractor as part of its service. Similarly, upon City's request, Contractor must demonstrate the compliance of any third party it has sub-contracted as part of the service offering. As evidence of compliance, the Contractor shall provide upon request a current attestation of compliance signed by a PCI QSA (Qualified Security Assessor).

(k) Data Confidentiality. Contractor shall implement appropriate measures designed to ensure the confidentiality and security of Protected Information, protect against any anticipated hazards or threats to the integrity or security of such information, protect against unauthorized access or disclosure of information, and prevent any other action that could result in substantial harm to the City or an individual identified with the data or information in Contractor's custody.

(l) Limitation of Access. Contractor will not knowingly permit any Contractor personnel to have access to any City facility or any records or data of the City if the person has been convicted of a crime in connection with (i) a dishonest act, breach of trust, or money laundering, or (ii) a felony. Contractor must, to the extent permitted by law, conduct a check of public records in all of the employee's states of residence and employment for at least the last five years in order to verity the above. Contractor shall assure that all contracts with subcontractors impose these obligations on the subcontractors and shall monitor the subcontractors' compliance with such obligations.

(m) Data Re-Use. Contractor agrees that any and all data exchanged shall be used expressly and solely for the purposes enumerated in the Agreement. Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. As required by Federal law, Contractor further agrees that no City data of any kind shall be revealed, transmitted, exchanged or otherwise passed to other Contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by an officer of the City with designated data, security, or signature authority.

(n) Safekeeping and Security. Contractor will be responsible for safekeeping all keys, access codes, passwords, combinations, access cards, personal identification numbers and similar security codes and identifiers issued to Contractor's employees, agents or subcontractors. Contractor agrees to require its employees to promptly report a lost or stolen access device or information to their primary business contact and to the City of Chicago Information Security Office.

(o) Mandatory Disclosure of Protected Information. If Contractor is compelled by law or regulation to disclose any Protected Information, the Contractor will provide to the City prompt written notice so that the City may seek an appropriate protective order or other remedy. If a remedy acceptable to the City is not obtained by the date that the Contractor must comply with the request, the Contractor will furnish only that portion of the Protected Information that it is legally required to furnish, and the Contractor shall require any recipient of the Protected Information to exercise commercially reasonable efforts to keep the Protected Information confidential.

(p) Data Breach. Contractor agrees to comply with all laws and regulations relating to data breach, including without limitation, the Illinois Personal Information Protection Act and other applicable Illinois breach disclosure laws and regulations. Data breaches of protected health information and electronic protected health information shall be governed by the provisions regarding HIPAA/HITECH and the regulations implementing those Acts, as well as the Contractor's Business Associate Agreement with the City, attached hereto as Exhibit 6. Contractor will immediately notify the City if security of any Protected Information has been breached, and will provide information as to that breach in such detail as requested by the City. Contractor will, if requested by the City, notify any affected individuals of such breach at the sole cost of the Contractor.

(q) Data Sanitization and Safe Disposal. All physical and electronic records must be retained per federal, state, and local laws and regulations, including the Local Records Act. Where disposal is approved by City and permitted by law, the Contractor agrees that prior to disposal or reuse of all magnetic and/or removable media which may have contained City data shall be submitted to a data sanitization process which meets or exceeds DoD 5220.28-M 3-pass specifications. Certification of the completion of data sanitization shall be provided to the City within 10 days of completion. Acceptance of Certification of Data Sanitization by the Information Security Office of the City is required prior to media reuse or disposal. All other materials which contain data shall be physically destroyed and shredded in accordance to NIST Special Publication 800-88, Guidelines for Media Sanitization, specifications.

(r) End of Agreement Data Handling. The Contractor agrees that upon termination of this Agreement it shall return all data to the City in a useable electronic form, unless disposal is approved, in which case, it shall erase, destroy, and render unreadable all data in its entirety in accordance to the prior stated Data Sanitization and Safe Disposal provisions. Data must be rendered in a manner that prevents its physical reconstruction through the use of commonly available file restoration utilities. Certification in writing that these actions have been completed must be provided within 30 days of the termination of this Agreement or within seven days of a request of an agent of the City, whichever shall come first.

2.15 Participation by Other Government Agencies

Other Sister Agencies (defined by illustration below) may be eligible to participate in this Agreement if (a) such agencies are authorized, by law or their governing bodies, to so participate, (b) such authorization is consented to by the City, and (c) such participation has no net adverse effect on the City and results in no diminished services from the Contractor to the Department.

Examples of such Sister Agencies are: the Chicago Board of Education, Chicago Park District, City Colleges of Chicago, Chicago Transit Authority, Chicago Housing Authority, Chicago Board of Elections, Metropolitan Pier and Exposition Authority (McCormick Place, Navy Pier), and the Municipal Courts.

2.16 Continuity of Medical PPO/HMO Services

If a Covered Person is hospitalized on the date that the Covered Person's coverage under the Medical PPO Plan or Medical HMO Plan is terminated, Contractor must continue to provide PPO Services and HMO Services required under this Agreement to the Covered Person during the hospitalization, and the City will pay to Contractor such fees associated with the Covered Person during the hospitalization period beyond the effective date of coverage that the City otherwise would be obligated to pay under this Agreement if it were to continue in place during such period.

In the event that a Covered Person is in active treatment for services provided under the Dental PPO Plan due to significant dental disease (for example, major services: crown, bridge, denture) at the time of a transition to a new service provider, the Contractor must cooperate with the City and all of the City's other service providers and the new service provider to ensure a smooth transition at the time of transition, with no interruption of Dental PPO Services for the Covered Person, and no greater financial risk to the Covered Person during such transition than the Covered Person would have had if the Contractor continued to provide Services.

2.17 Non-Liability to Providers

Except as otherwise expressly authorized by the Agreement, neither Contractor nor any Provider under contract with Contractor, whether a Participating Provider, a Provider that is part of the Other Hospital Network, or otherwise (a "**Contracted Provider**"), has any recourse against and must not bill, charge, or seek compensation from any Covered Person for a Covered Service. Contractor agrees to accept as full compensation for providing Services under the Agreement those payments from the City to which it is entitled under the Agreement. Contractor will hold all Covered Persons harmless against any monetary claims of any nature by Contracted Providers (not including Copayments, Deductibles and other amounts under the Plans which are the responsibility of the Covered Person) for Covered Services. Contractor insures and warrants the same obligations on behalf of its Contracted Providers. Contractor insures and warrants that all Contracted Providers will comply with the terms of this Section 2.17. This provision is for the benefit of Covered Persons and the City, and will survive expiration or termination of the Agreement regardless of the nature of the termination.

2.18 Change in PPO Participating Provider Rates

Contractor must continue to provide notice to the City of any change in a Participating Provider's rates that a reasonable financial analysis would show has an effect on the City's annual costs under the Agreement of one half of one percent, over or under the annual cost estimate provided by Contractor to the City for budgetary purposes.

2.19 Ownership of Documents and Other Property

All Deliverables, data, findings or information in any form prepared, assembled or encountered by or provided to Contractor under this Agreement are property of the City, including, but not limited to, all copyrights inherent in them or their preparation. During performance of its Services, Contractor is responsible for any loss or damage to the Deliverables, data, findings or information while in Contractor's or any Subcontractor's possession. Any such

lost or damaged Deliverables, data, findings or information must be restored at the expense of Contractor. If not restorable, Contractor must bear the cost of replacement and of any loss suffered by the City on account of the destruction.

Accordingly, the Deliverables, data, findings or information retained by the Contractor or its Subcontractors must be retained in such a manner that complies with the applicable provisions of the Local Records Act and that allows the City access, through the Contractor or a Subcontractor, to such information so that the City may comply with applicable law, such as the Freedom of Information Act, to the extent required.

ARTICLE 3. DURATION OF AGREEMENT

3.1 Term of Performance

This Agreement takes effect as of the Effective Date and continues, except as provided under Section 4.4 or Article 8, until _____, as that date may be extended under Section 3.2. *[City is seeking proposals for 3 year and 5 year initial terms.]*

3.2 Agreement Extension Option

The City may at any time before this Agreement expires elect to extend this Agreement for up to two *[three]* years, under the same terms and conditions as this original Agreement, by notice in writing to Contractor. *[If City selects 5 year term, the number of option years will be 3]*.

3.3 Notification of Renewal Terms

Contractor must provide City all renewal information, including information as to costs and services, at least 180 days prior to the expiration of the term of this Agreement.

3.4 Early Termination

In addition to other termination provisions set forth under this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Contractor. The City will give notice to Contractor in accordance with the provisions of Article 10. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective ten days after the date the notice is considered received as provided under Article 10 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed except as set forth below in this Section 3.4. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 4, but if any compensation is described or provided for on the basis of a period longer than ten days, then the

compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 5 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Contractor or the City.

If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then such termination will be considered to be an early termination under this Section 3.3.

3.5 Transition Assistance

Upon termination, the Parties agree that Contractor shall have no further duty or responsibility to provide services to the City under this Agreement except as provided in Section 3.3 above. However, Contractor will use reasonable efforts to cooperate in good faith with a successor service provider and to transfer all relevant non-proprietary information concerning the Program that City deems necessary for future operations, in Contractor's standard format, to City or to a successor service provider and to forward to the successor any claims received thereafter, at no charge to the City if sent in Contractor's standard format. If the successor claims are to be sent in a format requiring development work by Contractor, the City agrees to pay the reasonable fees associated with the development work required. The City agrees that Contractor may charge reasonable fees for the provision of requested reports that Contractor previously provided.

ARTICLE 4. COMPENSATION

4.1 Payment

The City will pay Contractor according to the Schedule of Compensation in the attached Exhibit 2 for the completion of the Services in accordance with this Agreement, including the standard of performance in Section 2.3.

The City will process payment within 60 calendar days after receipt of invoices and all supporting documentation necessary for the City to verify the satisfactory delivery of work, services or goods to be provided under this Agreement.

Contractor may be paid, at the City's option, by electronic payment method. If the City elects to make payment through this method, it will so notify the Contractor, and Contractor agrees to cooperate to facilitate such payments by executing the City's electronic funds transfer form, available for download from the City's website at: http://www.cityofchicago.org/content/dam/city/depts/fin/supp_info/DirectDepositCityVendor.pdf.

The City reserves the right to offset mistaken or wrong payments against future payments. The City will not be obligated to pay for any work, services or goods that were not ordered or that are non-compliant with the terms and conditions of the Agreement. Any goods, work, or services which fail tests, audits, and/or inspections are subject to correction, exchange or replacement at the cost of the Contractor.

4.2 Improper Benefits Payments

Contractor must reimburse the City for any improper payments for Benefits for which payment has been made by Contractor, including any payments made or Benefits provided to individuals who are not Covered Persons or for which a Covered Person is not eligible under the PPO Plan (unless the payment resulted from faulty information provided by the City) or to which Contractor is not entitled to make payments to under the terms of this Agreement. Contractor is not entitled to any reimbursement by the City for payments made to Providers for Benefits provided to which the recipient was not entitled unless the Benefits are furnished as a result of incorrect information provided by the City.

4.3 Invoicing

Contractor shall issue City an invoice for all service fees on a monthly basis. The invoices must be in such detail as the City requests. City shall pay Contractor all invoiced amounts for Claims and service fees within 60 calendar days after City receives an invoice (including all supporting documentation reasonably requested by City) from Contractor except for those amounts that are disputed in good faith, provided that Contractor is notified of the dispute and City has provided a detailed description justifying the dispute. Contractor and City agree to actively work to resolve any dispute as outlined herein.

The Contractor will cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to price lists/catalogs, purchase orders, releases and invoices. The electronic ordering and invoice documents will be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, flash drives, e-mail, EDI, FTP, web sites, and third party electronic services. The City reserves the right to change the document format and/or the means of transmission upon written notice to the Contractor. Contractor will ensure that the essential information, as determined by the City, in the electronic document, corresponds to that information submitted by the Contractor in its paper documents. The electronic documents will be in addition to paper documents required by this Agreement, however, by written notice to the Contractor, the City may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

A Claims Paid and Expense Experience Report with respect to medical, dental, and vision Claims for the invoiced month must accompany each invoice (i.e., an invoice for June must be accompanied by a June report).

At a minimum, invoices must contain the following information:

(i) The time period being invoiced;

(ii) All group and section numbers, unless certain groups and sections are invoiced separately; and

(iii) The amount payable by the City.

All Claims Paid and Expense Experience Reports must contain the following information:

(i) Gross Claims for each group number and section and type of Claim (i.e., medical, dental, or vision);

(ii) Description (Name) for each group;

(iv) Discounts;

(v) Net Claims;

(vi) Count of Covered Employees and Covered Annuitants;

(vii) Total administrative/access fee;

(viii) Total access fees;

(ix) Total net claims plus administrative/access fees; and

(x) The Claims experience and any fees payable by enrollment must be available via electronic file transfer or in electronic media and must agree with the amount invoiced.

If Contractor has more than one contract with the City, separate invoices must be prepared for each contract in lieu of combining items from different contracts under the same invoice. Invoice quantities, item descriptions, units of measure and pricing information must correspond to the terms of this Agreement.

4.4 Funding

The source(s) of funds for payments under this Agreement is/are fund number(s) _____. Funding for this Agreement is subject to the availability of funds and their appropriation by the Chicago City Council.

4.5 Non-Appropriation

Pursuant to 65 ILCS 5/8-1-7, any contract for the expenditure of funds made by a municipality without the proper appropriation is null and void.

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Contractor in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for

payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Contractor except that no payments will be made or due to Contractor under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

4.6 Price Reduction

If at any time during the term of this Agreement, Contractor makes a general price reduction in the price of services to other customers, the equivalent price reduction based on similar quantities, size, and scope of Services and/or considerations shall apply to this Agreement for the duration of the term of this Agreement. For purposes of this Section 4.6, a general price reduction shall include reductions in the effective price charged by Contractor by reason of rebates, financial incentives, discounts, value points, or other benefits with respect to the Services. Such price reductions shall be effective at the same time and in the same manner as the reduction Contractor makes in the price of the services to its other customers and prospective customers generally.

4.7 Subcontractor Payment Reports

To the extent applicable to this Agreement under City procurement rules, the Contractor must report payments to Subcontractors on a monthly basis in the form of an electronic report. Upon the first payment issued by the City to the Contractor for services performed, on the first day of each month and every month thereafter, email and/or fax notifications will be sent to the Contractor with instructions to report payments to Subcontractors that have been made in the prior month. This information must be entered into the Certification and Compliance Monitoring System (C2), or whatever reporting system is currently in place, on or before the 15th day of each month.

Once the Contractor has reported payments made to each Subcontractor, including zero dollar amount payments, the Subcontractor will receive an email and/or fax notification requesting that it log into the system and confirm payments received. All monthly confirmations must be reported on or before the 20th day of each month. Contractor and Subcontractor reporting to the C2 system must be completed by the 25th of each month or payments may be withheld. All contracts between the Contractor and its Subcontractors must contain language requiring the Subcontractors to respond to email and/or fax notifications from the City requiring them to report payments received from the Contractor. Access to the C2 system can be found at: https://chicago.mwdbe.com

(Note: This site works for reporting all Subcontractor payments regardless of whether they are MBE/WBE/DBE or non-certified entities.)

If a Subcontractor has satisfactorily performed in accordance with the requirements of the Agreement, Contractor must pay Subcontractor for such work, services, or materials within seven calendar days of Contractor receiving payment from the City. Failure to comply with the foregoing will be deemed an event of default.

4.8 Prompt Payment to Subcontractors

(a) Incorporation of Prompt Payment Language in Subcontracts

To the extent applicable to this Agreement under City procurement rules, Contractor must state the requirements of these prompt payment provisions in all subcontracts and purchase orders and must comply with such requirements. If Contractor fails to incorporate these provisions in all subcontracts and purchase orders, the provisions of this Section are deemed to be incorporated in all subcontracts and purchase orders. Contractor and the Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors.

(b) Payment to Subcontractors Within Seven Days

The Contractor must make payment to its Subcontractors within seven days of receipt of payment from the City for each invoice, provided, however, that the Subcontractor's performance has met the terms of the contract, and that Subcontractor has submitted its request for payment to the Contractor with such documentation as is reasonably necessary to substantiate such performance, the Contractor shall bill the City for such performance when the Contractor is first authorized under the Agreement to submit an invoice to the City for such performance. Contractor may only invoice the City at the rates contained in the Agreement.

(c) Reporting Failures to Promptly Pay

The City posts payments to prime contractors at: http://webapps.cityofchicago.org/VCSearchWeb/org/cityofchicago/vcsearch/controller/payments/begin.do?agencyId=city. If the Contractor, without reasonable cause, fails to make any payment to its Subcontractors and material suppliers within seven days after receipt of payment under a City contract, the Contractor shall pay to its Subcontractors and material suppliers, in addition to the payment due them, interest in the amount of 2% per month, calculated from the expiration of the seven-day period until fully paid. In the event that a Contractor fails to make payment to a Subcontractor within the seven-day period required above, the Subcontractor may notify the City by submitting a report form that may be downloaded from the DPS website at: http://www.cityofchicago.org/content/dam/city/depts/dps/ContractAdministration/StandardFormsAgreements/Failure_to_Promtly_Pay_Fillable_Form_3_2013.pdf.

The report will require the Subcontractor to affirm that (i) its invoice to the Contractor was included in the payment request submitted by the contractor to the City and (ii) Subcontractor has not, at the time of the report, received payment from the contractor for that invoice. The report must reference the payment (voucher) number posted on-line by the City in the notice of the payment to the contractor.

Per Chapters 1-21, "False Statements," and 1-22, "False Claims," of the Municipal Code of Chicago, making false statements or claims to the City are violations of law and subject to a range of penalties including fines and debarment.

(d) Whistleblower Protection

Contractor shall not take any retaliatory action against any Subcontractor for reporting non-payment pursuant to this subsection 4.8(d). Any such retaliatory action is an event of default under this Agreement and is subject to the remedies set forth in Section 8.2, including termination. In addition to those remedies, any retaliatory action by Contractor may result in Contractor being deemed non-responsible for future City contracts or, if, in the sole judgment of the Chief Procurement Officer, such retaliatory action is egregious, the Chief Procurement Officer may initiate debarment proceedings against the Contractor. Any such debarment shall be for a period of not less than one year.

(e) Liquidated Damages for Failure to Promptly Pay

Much of the City's economic vitality derives from the success of its small businesses. The failure by Contractor to pay its Subcontractors in a timely manner, therefore, is clearly detrimental to the City. Inasmuch as the actual damages to the City due to such failure are uncertain in amount and difficult to prove, Contractor and City agree that the City may assess liquidated damages against Contractor if it fails to meet the prompt payment requirements. Such liquidated damages shall be assessed to compensate the City for any and all damage incurred due to the failure of the Contractor to promptly pay its subcontractors and does not constitute a penalty. Any and all such liquidated damages collected by the City shall be used to improve the administration and outreach efforts of the City's Small Business Program.

(f) Action by the City

Upon receipt of a report of a failure to pay, the City will issue notice to the Contractor, and provide the contractor with an opportunity to demonstrate reasonable cause for failing to make payment within applicable period set forth in the Agreement. The Chief Procurement Officer, in his or her sole judgment, shall determine whether any cause for nonpayment provided by a contractor is reasonable. In the event that the contractor fails to demonstrate reasonable cause for failure to make payment, the City shall notify the contractor that it will assess liquidated damages. Any such liquidated damages will be assessed according to the following schedule:

First Unexcused Report: $50

Second Unexcused Report: $100

Third Unexcused Report: $250

Fourth Unexcused Report: $500

(g) Direct Payment to Subcontractors By City

The City may notify the Contractor that payments to the Contractor will be suspended if the City has determined that the Contractor has failed to pay any Subcontractor, employee, or workman, for work performed. If Contractor has not cured a failure to pay a Subcontractor, employee or workman within 10 days after receipt of such notice, the City may request the Comptroller to apply any money due, or that may become due, to Contractor under the

Agreement to the payment of such Subcontractors, workmen, and employees and the effect will be the same, for purposes of payment to Contractor, as if the City had paid Contractor directly.

Further, if such action is otherwise in the City's best interests, the City may (but is not obligated to) request that the Comptroller make direct payments to Subcontractors for monies earned on contracts and the effect will be the same, for purposes of payment to Contractor, as if the City had paid Contractor directly. The City's election to exercise or not to exercise its rights under this paragraph shall not in any way affect the liability of the Contractor or its sureties to the City or to any such Subcontractor, workman, or employee upon any bond given in connection with this Agreement.

ARTICLE 5. NOTICE AND SATISFACTION, DISPUTES, MEDIATION

(a) Notice and Satisfaction

Unless specifically stated otherwise in this Agreement, the City and the Contractor agree to give one another written notice of any complaint or concern the other party may have about the performance of obligations under this Agreement, and to allow the notified party 90 days in which to make necessary adjustments or corrections to satisfy the complaint or concern prior to taking any further action with regard to such. This process shall include participation by executives of both parties in good faith discussions to resolve such complaint or concern, including but not limited to in-person meetings, before any further action is taken.

(b) Disputes

Any dispute arising out of or relating to this Agreement that is not resolved pursuant to Section 5(a) above, shall be resolved in accordance with the procedures specified in Sections 5(b)-(e), which shall be the sole and exclusive procedures for the resolution of any such disputes. Notwithstanding the preceding, the parties do not waive their right to bring suit in court as set forth below if a dispute cannot be resolved by the means set forth here. All negotiations pursuant to this Article 5 are confidential, except to the extent disclosure is required by law, and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

Contractor must meet with representatives of the City whenever necessary to promptly resolve any problems that occur relating to the administration or performance of the Agreement. The parties will exercise commercially reasonable efforts to resolve in good faith any such problems. All reasonable requests for information not otherwise inconsistent with the terms of this Agreement and made by one party to the other in the course of attempting to resolve disputes will be honored.

(c) Mediation

To the extent any dispute described in Sections 5(a) or (b) above cannot be resolved pursuant to Section 5(a), the parties agree to participate in good faith in non-binding mediation before any further action is taken. The parties agree to mediate within a time period that is reasonable under the facts and circumstances of the dispute. Each party will name at least two and no more than three potential mediators (complete with resume) who are located in Chicago, Illinois. If the parties cannot mutually agree on a single mediator, each party may strike all but

one of the other party's proposed mediators, leaving a total of two names. The parties then shall select a name by coin toss. The cost of the mediator shall be divided evenly by the parties whether or not the mediation results in resolution of the matters in controversy. Executives with resolution authority agree to participate in good faith in any such mediation.

(d) Optional Arbitration

To the extent the parties are unable to resolve a dispute under the mediation process described in Section 5(c) above, and only if both parties agree, the dispute will be submitted to binding arbitration in Illinois. If binding arbitration is agreed upon by both parties, the parties agree to submit the dispute to the American Arbitration Association ("AAA"). The parties shall agree on the arbitrator to hear the dispute in accordance with the AAA rules no later than 10 business days from the date on which binding arbitration is agreed to. If the parties cannot agree on the arbitrator within the specified time period, then the AAA shall select an arbitrator as soon as possible in accordance with the AAA's procedures for selection of arbitrators. The parties will seek to have the arbitrator submit a decision within 30 days after the arbitration or as soon as reasonably feasible and such decision shall be binding on the parties hereto. Arbitration expenses will be shared by the parties. Arbitration proceedings will be governed by the rules of the AAA then in effect. All other expenses (legal, incidental, etc.) shall be borne by the losing party or, if both parties prevail, be apportioned by the arbitrator to each party.

(e) Exhaustion of Mandatory Dispute Resolution Provisions

If the parties have exhausted the mandatory dispute resolution provisions described in this Article 5, and do not mutually agree to pursue binding arbitration, and a dispute still remains between them, either party may pursue any remedy in a court of competent jurisdiction in Cook County, Illinois.

ARTICLE 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Contractor must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Contractor must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Contractor must require all Subcontractors to do so, also. Contractor agrees that Contractor's failure to maintain current throughout the term and any extensions of the term, the disclosures and information pertaining to ineligibility to do business with the City under Chapter 1-23 of the Municipal Code, as such is required under Sec. 2-154-020, shall constitute an event of default.

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in the Agreement are deemed inserted in the Agreement whether or not they appear in the Agreement. Contractor must pay all taxes and obtain all licenses, certificates, and other authorizations required in connection with the performance of its obligations hereunder, and Contractor must require all Subcontractors to also do so. Failure to do so is an event of default and may result in the termination of this Agreement

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

(c) By entering into this Agreement with the City, Contractor certifies to the best of its knowledge and belief that it, its principals and any Subcontractors used in the performance of this Agreement, meet City requirements and have not violated any City or Sister Agency policy, codes, state, federal, or local laws, rules or regulations and have not been subject to any debarment, suspension or other disciplinary action by any government agency. Additionally, if at any time the contractor becomes aware of such information, it must immediately disclose it to the City.

(d) By entering into this Agreement, Contractor represents that it is a corporation in good standing in the state of Illinois.

6.2 Federal Affirmative Action

It is an unlawful employment practice for the Contractor (1) to fail or refuse to hire or to discharge any individual, or otherwise to discriminate against any individual with respect to his compensation, or the terms, conditions, or privileges of his employment, because of such individuals race, color, religion, sex, age, handicap or national origin; or (2) to limit, segregate, or classify his employees or applicants for employment in any way which would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect his status as an employee, because of such individuals race, color, religion, sex, age, handicap or national origin.

Contractor must comply with The Civil Rights Act of 1964, 42 U.S.C. sec. 2000 et seq. (1988), as amended. Attention is called to: Exec. Order No. 11,246,30 Fed. The provisions of this Section 6.8 do not apply to contracts for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.9 City Hiring Plan Prohibitions

(a) The City is subject to the June 16, 2014 "City of Chicago Hiring Plan" (the "2014 City Hiring Plan") entered in *Shakman v. Democratic Organization of Cook County*, Case No 69 C 2145 (United States District Court for the Northern District of Illinois). Among other things, the 2014 City Hiring Plan prohibits the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

(b) Contractor is aware that City policy prohibits City employees from directing any individual to apply for a position with Contractor, either as an employee or as a subcontractor, and from directing Contractor to hire an individual as an employee or as a Subcontractor.

Accordingly, Contractor must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Contractor under this Agreement are employees or Subcontractors of Contractor, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Contractor.

(c) Contractor will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual's political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual's political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

(d) In the event of any communication to Contractor by a City employee or City official in violation of paragraph (b) above, or advocating a violation of paragraph (c) above, Contractor will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City's Office of the Inspector General ("OIG Hiring Oversight"), and also to the head of the Department. (b) Joint Ventures

If Contractor or any Subcontractor is a joint venture, then every party to every such joint venture is deemed a Subcontractor for purposes of this Section 6.12.

(c) Compliance with Environmental Laws

As part of or in addition to its obligation to observe and comply with all applicable laws, Contractor must observe and comply with all applicable Environmental Laws and ensure that all Subcontractors observe and comply with all applicable Environmental Laws.

Any noncompliance, by Contractor or any Subcontractor, with any Environmental Law during the time that this Agreement is effective is an event of default, regardless of whether the noncompliance relates to performance of this Agreement. This includes without limitation any

failure by Contractor or any Subcontractor to keep current, throughout the term of this Agreement, all insurance certificates, permits and other authorizations of any kind that are required, directly or indirectly, by any Environmental Law.

(d) Costs

Any cost arising directly or indirectly, in whole or in part, from any noncompliance, by Contractor or any Subcontractor, with any Environmental Law, will be borne by the Contractor and not by the City. No provision of this Agreement is intended to create or constitute an exception to this provision.

Any adjudication, whether administrative or judicial, against Contractor or any Subcontractor, for a violation of any Environmental Law, is sufficient proof of noncompliance, and therefore of an event of default, for purposes of this Agreement

Any citation issued to/against Contractor or any Subcontractor, by any government agent or entity, alleging a violation of any Environmental Law, is sufficient proof of noncompliance for purposes of this Agreement, and therefore of an event of default, if the citation contains or is accompanied by, or the City otherwise obtains, any evidence sufficient to support a reasonable conclusion that a violation has occurred.

Any other evidence of noncompliance with any Environmental Law is sufficient proof of noncompliance for purposes of this Agreement, and therefore of an event of default, if the evidence is sufficient to support a reasonable conclusion that noncompliance has occurred.

The Chief Procurement Officer shall have the authority to determine whether noncompliance with an Environmental Law has occurred, based on any of the foregoing types of proof. Upon determining that noncompliance has occurred, s/he may in his/her discretion declare an event of default and may in his/her discretion offer Contractor an opportunity to cure the event of default, such as by taking specified actions, which may include without limitation ceasing and desisting from utilizing a Subcontractor.

The Chief Procurement Officer may consider many factors in determining whether to declare an event of default, whether to offer an opportunity to cure, and if so any requirements for cure, including without limitation: the seriousness of the noncompliance, any effects of the noncompliance, Contractor's and/or Subcontractor's history of compliance or noncompliance with the same or other Laws, Contractor's and/or Subcontractor's actions or inaction towards mitigating the noncompliance and its effects, and Contractor's or Subcontractor's actions or inaction towards preventing future noncompliance.

(f) Copies of Notices and Reports; Related Matters

If any Environmental Law requires Contractor or any Subcontractor to make, submit or file any non-Routine notice or report of any kind, to any Environmental Agency or other person, including without limitation any agency or other person having any responsibility for any type of

emergency response activity, then Contractor must deliver a complete copy of the notice or report (or, in the case of legally required telephonic or other oral notices or reports, a comprehensive written summary of same) to the Department within 24 hours of making, submitting or filing the original report.

Additionally, to the extent not already achieved by Contractor's compliance with this subsection 6.12(f), Contractor must notify the Department, within 24 hours of learning of any of the following:

(i) any release, suspected release, or threatened release of any waste or other material relating to the work performed under the Contract;

This notification must be in writing, must be submitted by a fast method such as email, and must include, to the best of Contractor's knowledge at the time of submittal: the types and amounts of the waste or other material at issue; the location; the cause and any contributing factors; all actions taken, being taken, and intended to be taken by Contractor and any Subcontractors; and a copy of any notice received by Contractor, any Subcontractor, or any employee or agent of Contractor or any Subcontractor. Contractor must also provide written updates to the Commissioner by email or other method as indicated by the Commissioner whenever Contractor becomes aware of information that is different from or additional to the information provided in the initial notification.

The requirements of this provision apply, regardless of whether the subject matter of the required notice or report concerns performance of this Agreement.

Failure to comply with any requirement of this provision is an event of default.

(g) Requests for Documents and Information

If the Department requests documents or information of any kind that directly or indirectly relate(s) to performance of this Agreement, Contractor must obtain and provide the requested documents and/or information to the Department within five business days.

Failure to comply with any requirement of this provision is an event of default.

(h) Environmental Claims and Related Matters

Within 24 hours of receiving, or of any Subcontractor's receiving, notice of any Environmental Claim, Contractor must submit copies of all documents constituting or relating to the Environmental Claim to the Department. Thereafter, Contractor must submit copies of related documents if requested by the Department. These requirements apply, regardless of whether the Environmental Claim concerns performance of Services under this Agreement.

Failure to comply with any requirement of this provision is an event of default.

(i) Preference for Recycled Materials

To the extent practicable and economically feasible and to the extent that it does not reduce or impair the quality of any work or services, Contractor must use recycled products in performance of the Services pursuant to U.S. Environment Protection Agency (U.S. EPA) guidelines at 40 CFR Parts 247-253, which implement section 6002 of the Resource Conservation and Recovery Act, as amended, 42 USC § 6962.

Contractor warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the City of Chicago Municipal Code (collectively, the "Waste Sections"):

During the period while this Agreement is executory, Contractor's or any Subcontractor's violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the City. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Contractor's and its Subcontractors' duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement and may further affect the Contractor's eligibility for future contract awards.

Contractors must complete an online EDS prior to the Bid Opening Date. Contractors are responsible for notifying the City and updating their EDS any time there is a change in circumstances that makes any information provided or certification made in an EDS inaccurate, obsolete or misleading. Failure to so notify the City and update the EDS is grounds for declaring the Contractor in default, terminating the Agreement for default, and declaring the Contractor ineligible for future contracts.

suspended; (ii) Certification Regarding Environmental Compliance; (iii) Certification Regarding Ethics and Inspector General; and (iv) Certification Regarding Court-Ordered Child Support Compliance.

Contractor, in performing under this Agreement shall comply with MCC Sect. 2-92-320, as follows:

No person or business entity shall be awarded a contract or sub-contract if that person or business entity: (a) has been convicted of bribery or attempting to bribe a public officer or employee of the City, the State of Illinois, or any agency of the federal government or of any state or local government in the United States, in that officers or employee's official capacity; or (b) has been convicted of agreement or collusion among bidders or prospective bidders in restraint of freedom of competition by agreement to bid a fixed price, or otherwise; or (c) has made an admission of guilt of such conduct described in (a) or (b) above which is a matter of record but has not been prosecuted for such conduct; or (d) has violated MCC Sect. 2-92-610; or (e) has violated any regulation promulgated by the Chief Procurement Officer that includes ineligibility as a consequence of its violation; or (f) has committed, within a 24-month period, three or more violations of Chapter 1-24 of the MCC; or (g) has been debarred by any local, state or federal government agency from doing business with such government agency, for any reason or offense set forth in subsections (a), (b), or (c) of this section, or substantially equivalent reason or offense, for the duration of the debarment by such government agency.

For purposes of this section, where an official, agent, or employee of a business entity has committed any offense under this section on behalf of such an entity and pursuant to the direction or authorization of a responsible official thereof, the business entity will be chargeable with the conduct.

One business entity will be chargeable with the conduct of an affiliated agency. Ineligibility under this section will continue for three years following such conviction or admission. The period of ineligibility may be reduced, suspended, or waived by the Chief Procurement Officer under certain specific circumstances. Reference is made to Section 2-92-320 for a definition of affiliated agency, and a detailed description of the conditions which would permit the Chief Procurement Officer to reduce, suspend, or waive the period of ineligibility.

6.14 Wages

Contractor must pay the highest of (1) prevailing wage/Davis-Bacon rate, if applicable; (2) minimum wage specified by Mayoral Executive Order 2014-1; "Living Wage" rate specified by MCC Sect. 2-92-610; (3) Chicago Minimum Wage rate specified by MCC Chapter 1-24, or (4) the highest applicable State or Federal minimum wage.

(a) Minimum Wage, Mayoral Executive Order 2014-1

Mayoral Executive Order 2014-1 provides for a fair and adequate minimum wage to be paid to employees of City contractors and subcontractors performing work on City contracts. Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the Chief Procurement Officer. The minimum wage to be paid pursuant to the Order as of July 1, 2018 is $13.80 per hour. The minimum wage must be paid to:

(i) All employees regularly performing work on City property or at a City jobsite.

(ii) All employees whose regular work entails performing a service for the City under a City contract.

Each July 1st the hourly wage specified by the Executive Order shall increase in proportion to the increase, if any, in the Consumer Price Index for All Urban Consumers most recently published by the Bureau of Labor Statistics of the United States Department of Labor. Any hourly wage increase shall be rounded up to the nearest multiple of $0.05. Such increase shall remain in effect until any subsequent adjustment is made. On or before June 1st each year, the City shall make available to City concessionaires a bulletin announcing the adjusted minimum hourly wages for the upcoming year.

The minimum wage is not required to be paid to employees whose work is performed in general support of Contractors operations, does not directly relate to the services provided to the City under the Agreement, and is included in the Agreement price as overhead, unless that employee's regularly assigned work location is on City property or at a City jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the minimum wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 *et seq.*, in force as of the date of this Agreement, or as amended thereafter. Nevertheless, the minimum wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the minimum wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to October 1, 2014 or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a Base Wage pursuant to Municipal Code of Chicago Sect. 2-92-610 is required for work or services done under this Agreement, and the minimum wage is higher than the Base Wage, then the Contractor must pay the minimum wage. Likewise, if the payment of a prevailing wage is required and the prevailing wage is higher than the minimum wage, then the Contractor must pay the prevailing wage.

Contractors are reminded that they must comply with Municipal Code Chapter 1-24 establishing a minimum wage.

(b) Living Wage Ordinance

MCC Sect. 2-92-610 provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers, and clerical workers ("Covered Employees"). Accordingly, pursuant to MCC

Sect. 2-92-610 and regulations promulgated thereunder: (i) if the Contractor has 25 or more full-time employees, and (ii) if at any time during the performance of the Agreement the Contractor and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then the Contractor's obligation to pay, and to assure payment of, the Base Wage will begin at any time during the Agreement term when the conditions set forth in (1) and (2) above are met, and will continue thereafter until the end of the Agreement term.

As of July 1, 2018, the Base Wage is $12.55. The current rate can be found on the Department of Procurement Services' website. (Note that as of July 1, 2018, the wage specified by Mayoral Executive Order 2014-1 is higher than the Base Wage rate. Therefore, the higher wage specified by the Executive Order (or other applicable rule or law) must be paid.)

Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four (4) as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four (4) divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Contractor and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for work or services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then the Contractor must pay the prevailing wage rates.

The Contractor must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. The Contractor agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by the Contractor or by a Subcontractor, have been paid the Base Wage, upon the City's request for such documentation. The City may independently audit the Contractor and/or Subcontractors to verify compliance herewith.

Failure to comply with the requirements of this Section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to three years.

Not-for-Profit Corporations: If the Contractor is a corporation having Federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions above do not apply.

(c) Chicago Paid Sick Leave Ordinance

The Paid Sick Leave Ordinance, which is published in the June 22, 2016 Council Journal, pages 27188 – 27197 and which will be codified at MCC 1-24-045, became effective July 1, 2017. Contractor understands that, to the extent that the Ordinance applies to its activities, it must comply with the Ordinance.

(d) Equal Pay

The Contractor will comply with all applicable provisions of the Equal Pay Act of 1963, 29 U.S.C. 206(d) and the Illinois Equal Pay Act of 2003, 820 ILCS 112/1, *et seq*., as amended, and all applicable related rules and regulations including but not limited to those set forth in 29 CFR Part 1620 and 56 Ill. Adm. Code Part 320.

6.15 Restrictions on Business Dealings

(a) Prohibited Interests in City Contracts

No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the work or services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Conflicts of Interest

The Contractor covenants that it, and to the best of its knowledge, its subcontractors if any, presently have no interest and will not acquire any interest, direct or indirect, in any enterprise, project or contract which would conflict in any manner or degree with the performance of the work, services or goods to be provided hereunder. The Contractor further covenants that in the performance of the Agreement no person having any such interest will be employed, either by Contractor or any Subcontractor, to perform any work or services under the Agreement or have access to confidential information.

If the City determines that the Contractor does have such a conflict of interest, the City will notify the Contractor in writing, stating the basis for its determination. The Contractor will thereafter have 30 days in which to respond with reasons why the Contractor believes a conflict of interest does not exist. If the Contractor does not respond or if the City still reasonably determines a conflict of interest to exist, the Contractor must terminate its interest in the other enterprise, project, or contract. Further, if the City in the reasonable judgment of the Department determines that any subcontractor's work or services for others conflicts with the work or services to be provided by them, upon request of the City, Contractor must require that Subcontractor to terminate such other work or services immediately.

If Contractor or any Subcontractors become aware of a conflict, they must immediately stop work on the activity causing the conflict and notify the City.

If Contractor or any Subcontractors ("Contracting Parties") assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals, bid specifications for a project, or other procurement solicitation document, the Contracting Parties must not participate, directly or indirectly, as a prime, subcontractor, subconsultant or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Contracting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the

Contracting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(c) Prohibition on Certain Contributions, Mayoral Executive Order 2011-4

No Contractor or any person or entity who directly or indirectly has an ownership or beneficial interest in Contractor of more than 7.5% ("Owners"), spouses and domestic partners of such Owners, Contractor's Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5% ("Sub-owners") and spouses and domestic partners of such Sub-owners (Contractor and all the other preceding classes of persons and entities are together, the "Identified Parties"), shall make a contribution of any amount to the Mayor of the City of Chicago (the "Mayor") or to his political fundraising committee during (i) the bid or other solicitation process for this Agreement or Other Contract, including while this Agreement or Other Contract is executory, (ii) the term of this Agreement or any Other Contract between City and Contractor, and/or (iii) any period in which an extension of this Agreement or Other Contract with the City is being sought or negotiated.

Contractor represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Contractor or the date the Contractor approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.

Contractor shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

The Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 2011-4 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 2011-4.

Violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 2011-4 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Contractor violates this provision or Mayoral Executive Order No. 2011-4 prior to award of the Agreement resulting from this specification, the CPO may reject Contractor's bid.

For purposes of this Section 6.15:

"Other Contract" means any agreement entered into between the Contractor and the City that is (i) formed under the authority of MCC Ch. 2-92; (ii) for the purchase, sale or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved and/or authorized by the City Council.

"Contribution" means a "political contribution" as defined in MCC Ch. 2-156, as amended.

"Political fundraising committee" means a "political fundraising committee" as defined in MCC Ch. 2-156, as amended.

6.16 Debts Owed to the City; Anti-Scofflaw, MCC Set. 2-92-380

In addition to the certifications regarding debts owed to the City in the EDS, Contractor is subject to MCC Sect. 2-92-380.

Pursuant to MCC Sect. 2-92-380 and in addition to any other rights and remedies (including set-off) available to the City under this Agreement or permitted at law or in equity, the City will be entitled to set off a portion of the Agreement price or compensation due under the Agreement, in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and the amount of any debt owed by the contracting party to the City. For purposes of this section, outstanding parking violation complaint means a parking ticket, notice of parking violation, or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint, and debt means a specified sum of money owed to the City for which the period granted for payment has expired.

However, no such debt(s) or outstanding parking violation complaint(s) will be offset from the Agreement price or compensation due under the Agreement if one or more of the following conditions are met:

(i) the contracting party has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and debts owed to the City and the Contracting party is in compliance with the agreement; or

(ii) the contracting party is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or the contracting party has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

6.17 Firms Owned or Operated by Individuals with Disabilities

The City encourages consultants to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by §2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

6.18 Ineligibility to do Business with City.

Failure by the Contractor or any Controlling Person (defined in Section 1-23-010 of the Municipal Code) thereof to maintain eligibility to do business with the City in violation of Section 1-23-030 of the Municipal Code shall render this Agreement voidable or subject to termination, at the option of the City. Contractor agrees that Contractor's failure to maintain eligibility (or failure by Controlling Persons to maintain eligibility) to do business with the City in violation of Section 1-23-030 of the Municipal Code shall constitute an event of default.

6.19 Duty to Report Corrupt or Unlawful Activity

Pursuant to §2-156-018 of the Municipal Code, it is the duty of the Contractor to report to the Inspector General, directly and without undue delay, any and all information concerning conduct which it knows to involve corrupt activity. "Corrupt Activity" means any conduct set forth in Subparagraph (a)(1), (2) or (3) of §1-23-020 of the Municipal Code. Knowing failure to make such a report will be an event of default under this Agreement. Reports may be made to the Inspector General's toll-free hotline, 866-IG-TIPLINE (866-448-4754).

6.20 Policy Prohibiting Sexual Harassment

Contractor shall attest by affidavit that Contractor has a written policy prohibiting sexual harassment that shall include, at a minimum, the following information: (i) the illegality of sexual harassment; (ii) the definition of sexual harassment; and (iii) the legal recourse available for victims of sexual harassment. Contractor's affidavit is attached hereto in Exhibit 9.

Contractor's failure to have a written policy prohibiting sexual harassment as provided above shall constitute an event of default. In the event of default, the City shall notify Contractor of such noncompliance and may, as appropriate: (i) issue Contractor an opportunity to cure consistent with the default provisions in this Agreement; (ii) terminate the Agreement; or (iii) take any other action consistent with the default provisions in Article 8. This Section 6.20 shall not be construed to prohibit the City from prosecuting any person who knowingly makes a false statement of material fact to the City pursuant to Chapter 1-21 of the Municipal Code, or from availing itself of any other remedies under the Agreement or law.

For purposes of this Section 6.20, "sexual harassment" means any unwelcome sexual advances or requests for sexual favors or conduct of a sexual nature when (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (ii) submission to or rejection of such conduct by an individual is used as the basis for any employment decision affecting the individual; or (iii) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

6.21 Policy on Nondisclosure of Salary History

Contractor shall attest by affidavit (included as Appendix C to the first Economic Disclosure Statement set forth in Exhibit 4) that Contractor has a policy that conforms to the following requirements:

(i) Contractor shall not screen job applicants based on their wage or salary history, including

A. by requiring that an applicant's prior wages, including benefits or other compensation, satisfy minimum or maximum criteria; or

B. by requesting or requiring an applicant to disclose prior wages or salary, either (a) as a condition of being interviewed, (b) as a condition of continuing to be considered for an offer of employment, (c) as a condition of an offer of employment or an offer of compensation, or (d) as a condition of employment; and

(ii) Contractor shall not seek an applicant's wage or salary history, including benefits or other compensation, from any current or former employer.

If Contractor violates the above requirements, Contractor may be deemed ineligible to contract with the City, and any contract, extension, or renewal thereof awarded in violation of the above requirements may be voidable at the option of the City; provided, however, that upon a finding of a violation by Contractor, no contract shall be voided, terminated, or revoked without consideration by the City of such action's impact on the Contractor's MBE or WBE Subcontractors.

6.22 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.23 Acknowledgement of Non-ERISA Status

Contractor hereby acknowledges that the City has informed Contractor that the Agreement, and any component of a City benefit plan are not subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), and that neither the Contractor nor any of its Subcontractors are to represent or act otherwise. Contractor is responsible for ensuring that its Subcontractors comply with this acknowledgement, and, if a Subcontractor does not do so, Contractor is responsible for terminating such relationship and securing the services of another Subcontractor as needed.

(xvi) Contractor hereby states and warrants that all of Contractor's contracted Hospitals and Facilities providing any Covered Services as described in this Agreement are required to fulfill all accreditation standards of the Joint Commission or any other nationally recognized accrediting body.

(xvii) Contractor agrees to require all parties providing Covered Services as described in this Agreement, with whom Contractor has agreements, including but not limited to Participating Providers, to contract in writing with Contractor to act in a manner substantially consistent with the applicable terms of this Agreement.

(xviii) Contractor agrees to inform the City promptly of any material changes in methodology as to how Providers in Contractor's service area are compensated.

7.2 Ethics

(a) In addition to the foregoing warranties and representations, Contractor warrants:

(i) no officer, agent or employee of the City is employed by Contractor or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under Chapter 2-156 of the Municipal Code;

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to Contractor or higher tier

Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order; and

(b) Contractor will comply with Chapter 2-156 of the Municipal Code. Contractor acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156, including any contract entered into with any person who has retained or employed a non-registered lobbyist in violation of Section 2-156-305 of the Municipal Code is voidable as to the City.

7.3 Joint and Several Liability

If Contractor, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Contractor is the joint and several obligation or undertaking of each such individual or other legal entity.

7.4 Business Documents

At the request of the City, Contractor must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

7.5 Conflicts of Interest

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Contractor represents that it, and to the best of its knowledge, its Subcontractors if any (Contractor and Subcontractors will be collectively referred to in this Section 7.5 as "Contracting Parties"), presently have no direct or indirect interest and will not acquire any direct or indirect interest in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Contracting Parties must disclose to the City their past client lists and the names of any clients with whom they have an ongoing relationship. Contracting Parties are not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Contracting Parties' past or present clients. If Contracting Parties become aware of a conflict, they must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Contracting Parties assist the City in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the

Contracting Parties must not participate, directly or indirectly, as a prime, subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Contracting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Contracting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) Further, Contracting Parties must not assign any person having any conflicting interest to perform any Services under this Agreement or have access to any confidential information, as described in Section 2.12 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Contracting Parties' services for others conflict with the Services that Contracting Parties are to render for the City under this Agreement, Contracting Parties must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse Contractor under this Agreement, Contractor represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. §1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Contractor must execute a Certification Regarding Lobbying, which is part of the EDS and incorporated by reference as if fully set forth here.

7.6 Non-Liability of Public Officials

Contractor and any assignee or Subcontractor of Contractor must not charge any official, employee or agent of the City personally with any liability or expenses of defense or hold any official, employee or agent of the City personally liable to them under any term or provision of this Agreement or because of the City's execution, attempted execution or any breach of this Agreement.

7.7 Certification Regarding Suspension and Debarment

Contractor certifies, as further evidenced in the EDS attached as Exhibit 4, by its acceptance of this Agreement that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency. Contractor further agrees by executing this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts and subcontracts. If Contractor or any lower tier participant is unable to certify to this statement, it must attach an explanation to the Agreement.

ARTICLE 8. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

8.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City.

(b) Contractor's material failure to perform any of its obligations under this Agreement including the following:

(i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Contractor to the City;

(ii) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services;

(iii) Failure to have and maintain all professional licenses required by law to perform the Services;

(iv) Failure to timely perform the Services;

(v) Failure to perform the Services in a manner reasonably satisfactory to the City or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(vi) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;

(vii) Discontinuance of the Services for reasons within Contractor's reasonable control;

(viii) Failure to comply with Section 6.1 in the performance of the Agreement;

(ix) Failure promptly to update EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate;

(x) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination;

(xi) Any change in ownership or control of Contractor without the prior written approval of the City (when such prior approval is permissible by law), which approval the City will not unreasonably withhold;

(xii) Contractor's default under any other agreement it may presently have or may enter into with the City for the duration of this Agreement. Contractor acknowledges that in the event of a default under this Agreement the City may also declare a default under any such other agreements;

(xiii) Contractor's violation of City ordinance(s) unrelated to performance under the Agreement such that, in the opinion of the City, it indicates a willful or reckless disregard for City laws and regulations;

(xiv) Contractor's violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under Mayoral Executive Order No. 2011-4;

(xv) Contractor's use of a Subcontractor that is currently debarred by the City or otherwise ineligible to do business with the City; and

(xvi) Any other acts specifically stated in this Agreement as constituting an act of default.

8.2 Remedies

(a) Notices. The occurrence of any event of default permits the City, at the City's sole option, to declare Contractor in default. The City may in his sole discretion give Contractor an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the City. Whether to declare Contractor in default is within the sole discretion of the City and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The City will give Contractor written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the City gives a Default Notice, the City will indicate whether it has any present intent to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the City decides not to terminate, this decision will not preclude the City from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The City may give a Default Notice if Contractor fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Contractor must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Contractor's expense and as agent for Contractor, either directly or through others, and bill Contractor for the cost of the Services, and Contractor must pay the difference between the total amount of this bill and the amount the City would have paid Contractor under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Contractor under this Section 8.2;

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to withhold all or any part of Contractor's compensation under this Agreement;

(vi) The right to deem Contractor non-responsible in future contracts to be awarded by the City;

(vii) The right to declare default on any other contract or agreement Contractor may have with the City.

(c) City's Reservation of Rights. If the City considers it to be in the City's best interests, it may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Contractor to continue to provide the Services despite one or more events of default, Contractor is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.

8.3 Early Termination

(a) In addition to termination under Sections 8.1 and 8.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Contractor. The City will give notice to Contractor in accordance with the provisions of Article 10. The effective date of termination will be the date the notice is received by Contractor or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 10 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Contractor must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 4, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Contractor must attempt to agree on the amount of compensation to be paid to Contractor, but if not agreed on, the dispute must be settled in accordance with Article 5 of this Agreement. The payment so made to Contractor is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Contractor must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Contractor will not be entitled to make any early termination claims against the City resulting from any Subcontractor's claims against Contractor or the City.

(d) If the City's election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Contractor suspend its Services, or any part of them, by giving 15 days prior written notice to Contractor or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Contractor must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the City and such equitable extension of time as may be mutually agreed upon by the City and Contractor when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Contractor as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 4 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Contractor by written notice to the City may treat the suspension as an early termination of this Agreement under Section 8.3.

8.5 Right to Offset

(a) In connection with Contractor's performance under this Agreement, the City may offset any incremental costs and other damages the City incurs in any or all of the following circumstances:

(i) if the City terminates this Agreement for default or any other reason resulting from Contractor's performance or non-performance;

(ii) if the City exercises any of its remedies under Section 8.2 of this Agreement;

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these incremental costs and other damages by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those incremental costs and other damages, Contractor is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) As provided under §2-92-380 of the Municipal Code, the City may set off from Contractor's compensation under this Agreement an amount equal to the amount of the fines and penalties for each *outstanding parking violation complaint* and the amount of any *debt* owed by Contractor to the City as those italicized terms are defined in the Municipal Code.

(c) In connection with any liquidated or unliquidated claims against Contractor, and without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Contractor unrelated to this Agreement. When the City's claims against Contractor are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Contractor to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

ARTICLE 9. GENERAL CONDITIONS

9.1 Entire Agreement

(a) **General**

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) **No Collateral Agreements**

Contractor acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Contractor to enter into this Agreement or has been relied upon by Contractor, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Contractor acknowledges that Contractor was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Contractor did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Contractor

relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

9.2 Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

9.3 Amendments

Except as provided in Section 3.3 of this Agreement, no changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Contractor and by the Mayor or his or her respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 9.3.

Whenever under this Agreement Contractor is required to obtain the City's prior written approval, the effect of any approval that may be granted pursuant to Contractor's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 Governing Law and Jurisdiction

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois without regard to choice of law principles.

Contractor irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on Contractor may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Contractor, or by personal delivery on any officer, director, or managing or general agent of Contractor. If any action is brought by Contractor against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois. The Contractor irrevocably waives any objection (including without limitation any objection of the laying of venue or based on the grounds of forum non conveniens) which it may now or hereafter have to the bringing of any action or proceeding with respect to this Agreement in the jurisdiction set forth above.

9.5 Severability

If any provision of this Agreement is held or deemed to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal,

inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

9.6 Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

9.7 Cooperation

Contractor must at all times cooperate fully with the City and act in the City's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Contractor must make every effort to promote an orderly transition to another provider of the Services for the Benefits, if any, orderly demobilization of its own operations in connection with the Services for the Benefits, and uninterrupted provision of Services and Benefits during any transition period, and must otherwise comply with the reasonable requests and requirements of the Benefits Manager in connection with the termination or expiration as provided by this Section.

(a) General Obligations

In connection with any expiration or termination of this Agreement or of the provision of any of the Services provided hereunder, each party must take all actions necessary to accomplish a complete and timely transition from Contractor to the City, or to any replacement providers (collectively, the "New Contractor or "NC") designated by the City of the Services being terminated (a "Transition"), without any interruption of or adverse impact on the Services or any other services provided by third parties. Each party must cooperate in a reasonable way with the other and the NC and otherwise take reasonable steps required to assist the City in effecting a complete and timely Transition. Each party must provide the other and the NC with reasonable information regarding the Services or as is otherwise needed for Transition, must provide for the prompt and orderly conclusion of all Services, as the City may direct, including completing or partial completion of Services, documentation of Services in process, and other measures to assure an orderly Transition. Contractor's obligation to provide the Services shall not cease until the later of (i) completion of a Transition reasonably satisfactory to the City, including the performance by Contractor of all obligations of Contractor provided in this Section and processing of PPO Claims incurred prior to the termination date or (ii) the expiration of the Outstanding PPO Claim Period (as defined in Section 9.7(d)(ii)). With respect to Contractor's provision of Services or files described in this Agreement or otherwise reasonably requested during a Transition, City and Contractor agree there will be no charges to the City, other than those described in this Agreement, for the Transition services and files provided that the files are in the Contractor's standard file format and layout for Transition services.

(b) Process

The Transition process shall begin on the date any termination notice is delivered, if the City elects to terminate any or all of the Services pursuant to the terms of this Agreement or whenever requested by the City prior to expiration of the Agreement. Subject to Contractor's obligation to perform Services, the City's obligation to pay fees for Services shall expire on the termination or expiration date, except, however, that Contractor will remain obligated to provide Services until the City reasonably determines that a Transition satisfactory to the City has occurred. Contractor and the City will discuss in good faith a plan for determining the nature and extent of Contractor obligations and for the transfer of Services in process, except, however, that Contractor's obligation under this Agreement to provide all Services necessary for Transition will not be lessened in any respect. Contractor will be required to perform its Transition obligations on an expedited basis as reasonably determined by the City.

(c) Specific Obligations

The Transition includes but is not limited to the performance of the following specific obligations:

(i) Full Cooperation and Information

From and after the commencement of the Transition activities, Contractor must cooperate fully with the City and the NC to facilitate a smooth transition of the Services being terminated from Contractor to the City or the NC. Such cooperation includes the provision (both before and after the cessation of Contractor's providing all or any part of the Services under this Agreement) by Contractor to the City of full, complete, detailed, and sufficient information (including all information then being utilized by Contractor) to enable the City's personnel (or that of the NC) to fully assume and continue without interruption the provision of the Services in a manner consistent with the Plan provisions, the Scope of Services set forth in Exhibit 1, and the City's role as the sponsor of the PPO Plan.

(ii) No Interruption or Adverse Impact

Contractor must cooperate with the City and all of the City's other service providers and the NC to ensure a smooth transition at the time of Transition, with no interruption of Services, no adverse impact on the provision of Services or the City's activities, no interruption of any services provided by third parties, and no adverse impact on the provision of services by third parties.

(iii) Third-Party Authorizations

Without limiting the obligations of Contractor, Contractor must, subject to the terms of any subcontracts, procure at no charge to the City any third-party authorizations necessary to grant the City and any NC the use and benefit of subcontracts between Contractor and Subcontractors used to provide the Services.

(iv) Delivery of Documentation and Data; Preparation for Transition; Complete Documentation

Contractor must deliver to the City or any NC, at the City's request, sufficient information when reasonably necessary to support any Transition of the City's Plan including all documentation, data (as provided in Section 3.8 Records and Audits), materials, business rules and logic documentation, and Claim payment and medical policies that are used in administration of the Plan to the extent not included in the City's Plan documents to enable the City, or its NC, to provide for the continuity of administrative services provided under this Agreement. If such information includes any of Contractor's Business Proprietary Information, then Contractor reserves the right to modify the format and require confidentiality protection from NC. Following Transition, upon reasonable request by the City, Contractor will provide to the City such information within Contractor's possession and control sufficient for the City's business purpose requested, subject to protection of Business Proprietary Information under this Agreement. The City shall pay reasonable charges for such services.

(v) All Necessary Cooperation and Actions

Contractor must provide all cooperation, take such additional actions, and perform such additional tasks as may be necessary to ensure a timely and orderly Transition in compliance with the provisions of this Section 10.7, including full performance, of Contractor's obligations under this Section 10.7.

(d) Outstanding Claims at Termination, Expiration, or Suspension

(i) The City acknowledges that on the date of termination, expiration, or suspension of this Agreement there may be an undetermined but substantial number of Claims for services rendered or furnished prior to that date which have not been submitted to Contractor for reimbursement and also an undetermined but substantial number of Claims submitted for reimbursement which have not been paid or adjudicated by the Contractor. The City shall be responsible for the reimbursement to Contractor of all Claim payments made by Contractor in accordance with the applicable Plan rendered or furnished to a Covered Person prior to the date of termination, expiration, or suspension of the Agreement, whether or not Claims for such services have been submitted, as of the date of termination, expiration, or suspension including, but not limited to, payments made in accordance with Medicare Secondary Payer laws. ***The following applies to medical HMO and PPO only:*** If a Covered Person is an Inpatient at the time the Agreement terminates, expires, or is suspended, the Contractor may make payments for Benefits for Covered Services which are provided by the Hospital or other Facility Provider until the Covered Person is discharged provided that the days are medically necessary or until the Covered Services for the Covered Person are transferred to the NC, whichever occurs first. The City will reimburse the Contractor for payments made to Providers in accordance with the Agreement.

(ii) In consideration of the Contractor's continuing to make such payments and rendering these Transition services, the City will continue to reimburse Contractor for a 24-month period after the effective date of termination for proper payments made by Contractor for Claims for Benefits rendered by Providers prior to the termination date of the Agreement and paid during such 24-month period (the "Outstanding Claim Period"). ***Applicable to self insured services only:*** In addition, the City will pay Contractor an amount equal to _____% of the sum of the administrative fees charged in the 12-month period immediately preceding the

effective date of termination (the "Runout Fee"). 50% of this Runout Fee will be paid in 24 equal monthly installments during the Outstanding Claim Period; the remaining 50% will be paid within the 60-day period following the close of the Outstanding Claim Period.

(iii) At the end of the Outstanding Claim Period, Contractor will provide the City and the NC, if any, all information related to Claims for Benefits rendered prior to the termination of the Agreement but not yet paid by necessary for the processing and adjudication of such Claims by the City or the NC, if any.

(iv) A final reimbursement for Services will be made within 60 days after the last day of the Outstanding Claim Period subject to reconciliation as provided under Exhibit 3 and audit as provided under Section 3.8.

(v) This Section 9.7(d), like all payment provisions under this Agreement, shall be subject to the terms of Section ____, and to the extent that there is any contradiction between Section 9.7(d) and the terms of Section ____, Section _____ shall control.

9.8 Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

A waiver of any breach of the Agreement shall not be held to be a waiver of any other or subsequent breach. Whenever under this Agreement the City by a proper authority waives the Contractor's performance in any respect or waives a requirement or condition to either the City's or the Contractor's performance, the waiver so granted, whether express or implied, shall only apply to the particular instance and will not be deemed a waiver forever or for subsequent instance of the performance, requirement, or condition. No such waiver shall be construed as a modification of this Agreement regardless of the number of times the City may have waived the performance, requirement, or condition.

9.9 No Third Party Beneficiaries

The Parties agree that this Agreement is solely for the benefit of the Parties and nothing herein is intended to create any third party beneficiary rights for Covered Persons, Subcontractors, or other third parties.

9.10 Independent Contractor

This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Contractor and the City. The rights and the obligations of the parties are only those set forth in this Agreement. Contractor must perform under this Agreement as an independent contractor and not as a representative, employee, agent, or partner of the City.

This Agreement is between the City and an independent contractor and, if Contractor is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

The City will not be liable under or by reason of this Agreement for the payment of any workers' compensation award or damages in connection with the Contractor performing the Services required under this Agreement.

Contractor is not entitled to membership in any City pension fund, group medical insurance program, group dental program, group vision care, group life insurance program, deferred income program, vacation, sick leave, extended sick leave, or any other benefits ordinarily provided to individuals employed and paid through the regular payrolls of the City.

The City is not required to deduct or withhold any taxes, FICA or other deductions from any compensation provided to Contractor.

9.11 Approvals

Whenever Contractor is required to obtain prior written approval, the effect of any approval that may be granted pursuant to Contractor's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

The failure of the City to obtain, nor the City's receipt of, or failure to object to a non-complying insurance certificate, endorsement or other insurance evidence from Contractor, its insurance broker(s) and/or insurer(s) will not be construed as a waiver by the City of any of the required insurance provisions. Contractor must advise all insurers of the Agreement provisions regarding insurance. The City in no way warrants that the insurance required herein is sufficient to protect Contractor against liabilities which may arise from or relate to the Agreement. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time.

2) Failure to Maintain Insurance.

Failure of the Contractor to comply with required coverage and terms and conditions outlined herein will not limit Contractor's liability or responsibility nor does it relieve Contractor of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to suspend this Agreement until proper evidence of insurance is provided, or the Agreement may be terminated.

3) Notice of Material Change, Cancellation or Non-Renewal.

Contractor must provide 60 days' prior written notice to the City in the event coverage is substantially changed, canceled, or non-renewed, and ten days' prior written notice for non-payment of premium.

4) Deductibles and Self-Insured Retentions.

5) Waiver of Subrogation.

Contractor hereby waives its rights and agrees to require its insurer(s) to waive its rights of subrogation against the City under all required insurance herein for any loss arising from or relating to this Agreement. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City received a waiver of subrogation endorsement for Contractor's insurer(s).

6) Contractor's Insurance Primary.

All insurance required of Contractor under this Agreement shall be endorsed to state that Contractor's insurance policy is primary and not contributory with any insurance carrier by the City.

7) No Limitation as to Contractor's Liabilities.

The coverages and limits furnished by Contractor in no way limit the Contractor's liabilities and responsibilities specified within the Agreement or by law.

8) No Contribution by City.

Any insurance or self-insurance programs maintained by the City do not contribute to insurance provided by Contractor under this Agreement.

9) Insurance not Limited by Indemnification.

The insurance required to be carried under this Exhibit 5 is not limited by any limitations expressed in Section 2.7 of the Agreement or any other limitation placed on indemnification under this Agreement given as a matter of law.

10) Insurance and Limits Maintained.

If Contractor maintains higher limits and/or broader coverage than the minimums set forth in this Exhibit 5, the City requires and shall be entitled the higher limits and/or broader coverage maintained by Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

11) Joint Venture or Limited Liability Company.

If Contractor is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.

12) Other Insurance obtained by Contractor.

If Contractor desires additional coverages, the Contractor will be responsible for the acquisition and cost of such coverage.

13) Insurance required of Subcontractors.

Contractor shall name any Subcontractor(s) as a named insured(s) under Contractor's insurance or Contractor will require each Subcontractor(s) to provide and maintain Commercial General Liability, Commercial Automobile Liability, Workers Compensation and Employers Liability Insurance and when applicable Excess/Umbrella Liability Insurance with coverage at least as broad as in outlined in Section A. above, Insurance Required. The limits of coverage will be determined by Contractor. Contractor shall determine if Subcontractor(s) must also provide any additional coverage or other coverage outlined in Section A. above, Insurance Required. Contractor is responsible for ensuring that each Subcontractor has named the City as an additional insured where required and name the City as an additional insured on an endorsement form at least as broad and acceptable to the City. Contractor is also responsible for ensuring that each Subcontractor has complied with the required coverage and terms and conditions outlined in this Section B, Additional Requirements. When requested by the City, Contractor must provide to the City certificates of insurance and additional insured endorsements or other evidence of insurance. The City reserves the right to obtain complete, certified copies of any required insurance policies at any time. EXHIBIT 6
BUSINESS ASSOCIATE AGREEMENT

The City of Chicago ("City") and _____ ("Business Associate") agree to the following terms and conditions, which are intended to comply with the Health Insurance Portability and Accountability Act of 1996, the Health Information Technology for Economic and Clinical Health Act, and their implementing regulations:

The terms below that are capitalized and in bold have the same meanings as set forth in the Health Insurance Portability and Accountability Act of 1996, the Health Information Technology for Economic and Clinical Health Act, which is part of the American Recovery and Reinvestment Act of 2009, and the regulations promulgated thereunder, including the privacy, security, breach, omnibus, and enforcement rules, as each may be amended from time to time (collectively, "HIPAA"). See 45 CFR parts 160 and 164.

Specifically, the following terms used in the Business Associate Agreement shall have the same meaning as in HIPAA: Breach, Business Associate, Covered Entity, Data Aggregation, Designated Record Set, Disclosure, Financial Remuneration, Fundraising, Health Care Operations, Individual, Marketing, Minimum Necessary, Notice of Privacy Practices, Protected Health Information ("PHI"), Required By Law, Secretary, Security Incident, Subcontractor, Unsecured Protected Health Information, and Use. The term "Breach" has the meaning as set forth in HIPAA when capitalized below, but has the ordinary dictionary meaning when not capitalized below.

For purposes of this Business Associate Agreement, the term "Protected Health Information" or "PHI" includes electronic PHI, also known as ePHI.

1. Interpretation of this Business Associate Agreement. A reference in this Business Associate Agreement to HIPAA means the section in effect or as amended. If there is a dispute as to whether Business Associate is, in fact, a Business Associate, the Business Associate must provide a legal memorandum to the City indicating why the Business Associate does not fall under the definition of Business Associate in HIPAA. If the City disagrees with the legal memorandum regarding the Business Associate's conclusion that Business Associate is not a Business Associate, the City may choose to report a Breach to the Secretary or take other measures as deemed necessary to ensure the City's compliance with HIPAA. Any ambiguity or inconsistency in this Business Associate Agreement shall be resolved in favor of a meaning that permits City to comply with HIPAA.

2. Amendment of this Business Associate Agreement. The parties hereto agree to negotiate in good faith to amend this Agreement from time to time as is necessary for City to comply with the requirements of HIPAA and for Business Associate to provide services to City. However, no change, amendment, or modification of this Agreement shall be valid unless it is set forth in writing and signed by both parties.

3. Designation of HIPAA Officer(s). Business Associate agrees to designate, in writing, a HIPAA Privacy and Security Officer(s) who will communicate with the City's HIPAA Privacy and Security Officers for purposes of this Agreement. Business Associate agrees to notify the

City's HIPAA Privacy and Security Officers of such designation and the contact information of such officer(s):

4. Uses and Disclosures of PHI. Business Associate must not use or further disclose Protected Health Information ("PHI") other than as permitted or required by this Agreement, as necessary to perform the services in this Agreement, or as required by law.

a. Business Associate will not sell PHI or use or disclose PHI for the purposes of marketing or fundraising.
b. Business Associate shall not directly or indirectly receive financial remuneration in exchange for any PHI of an individual or in exchange for making communications regarding treatment or health care operations purposes, unless otherwise allowed in this Agreement.
c. If Business Associate is authorized to use PHI to provide the City with de-identified information, Business Associate is not permitted to use or disclose the de-identified information for purposes other than those specified in the Agreement.
d. Business Associate may use PHI to provide data aggregation services to the City, relating to the health care operations of the City.
e. Business Associate may use and disclose PHI received by the Business Associate in its capacity as a Business Associate to the City, if necessary, for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate, provided that, as to any such disclosure, the following requirements are met:

    i. The disclosure is required by law; or
    ii. The Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been the subject of a Breach.

f. Except as otherwise limited in this Agreement, Business Associate may use and disclose PHI obtained from or on behalf of the City to perform functions, activities, or services for, or on behalf of, the City as specified in the Agreement, provided that such use or disclosure would not violate HIPAA if done by the City.

5. Minimum Necessary. Business Associate shall use, disclose, or request only the minimum necessary PHI necessary to accomplish the intended purpose of the use, disclosure, or request. Business Associate represents that the PHI used, disclosed, or requested by Business Associate is the minimum necessary to carry out purposes of the Agreement. Prior to any use or

disclosure, Business Associate shall determine whether a limited data set would be sufficient for these purposes.

6. Safeguards of PHI. Business Associate must use appropriate safeguards with respect to PHI that it creates, receives, maintains, or transmits on behalf of the City to prevent the use or disclosure of PHI other than as provided for in this Agreement. The safeguards must reasonably protect PHI from any intentional or unintentional use or disclosure in violation of HIPAA privacy regulations (45 CFR Part 164, subpart E) and limit incidental uses or disclosures made pursuant to a use or disclosure otherwise permitted by this Agreement. The safeguards must also reasonably and appropriately protect the confidentiality, integrity, and availability of PHI that Business Associate creates, receives, maintains, or transmits on the City's behalf as required by the HIPAA security regulations (45 CFR Part 164, subpart C). Where applicable, Business Associate must comply with the HIPAA security regulations (45 CFR Part 164, subpart C) with respect to electronic protected health information, to prevent the use or disclosure other than as provided for by this Agreement. Where feasible, PHI will not leave the City's facilities and will be accessed under the supervision of City employees.

7. Applicability of Business Associate Agreement to Subcontractors and Agents. Business Associate must ensure that any agent, including a subcontractor, that creates, receives, maintains, or transmits PHI on behalf of the Business Associate agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information, by entering into a contract or other arrangement that complies with HIPAA. An agent or subcontractor of a Business Associate is not permitted to use or disclose PHI in a manner that would not be permissible if done by the Business Associate. Business Associate will ensure that its subcontractors and agents to which Business Associate is permitted by this Agreement or in writing by the City to disclose PHI agree to implement reasonable and appropriate safeguards to protect PHI. Business Associate will obtain reasonable assurances from any subcontractors and agents to which Business Associate discloses PHI that the subcontractor or agent will hold PHI in confidence and further use or disclose PHI only for the purpose for which Business Associate disclosed PHI to the subcontractor or agent or as required by law.

Business Associate will obtain reasonable assurances that any subcontractor or agent to which Business Associate discloses PHI will notify the Business Associate within 5 calendar days (who will, in turn, notify the City within 5 calendar days, as described below) of any instance in which the subcontractor or agent becomes aware of a Breach of unsecured PHI; possible Breach of unsecured PHI; any security incident of which it becomes aware, including: any attempted or successful unauthorized access, use, disclosure, modification, or destruction of PHI; or any attempted or successful interference with agent or subcontractor's system operations of which agent/subcontractor becomes aware.

Agent/subcontractor is not required to report the following types of unsuccessful security incidents: pings and other broadcast attacks on agent/subcontractor's firewall, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

If a delay is requested by a law enforcement official in accordance with 45 CFR 164.412, agent/subcontractor may delay notification to Business Associate for the time period specified in

HIPAA. Agent or subcontractor's report will include the information described in 45 CFR 164.404(c) and such other information as the Business Associate or the City may reasonably request.

8. Reporting of Breaches, Potential Breaches, and Security Incidents. Business Associate must report to the City any use or disclosure of the PHI not provided for by this Agreement of which it becomes aware, as well as any Breach of Unsecured PHI; potential Breach of unsecured PHI; any security incident of which it becomes aware; any attempted or successful unauthorized access, use, disclosure, modification, or destruction of PHI; or any attempted or successful interference with Business Associate's system operations of which Business Associate becomes aware.

Business Associate will make the report to the City's HIPAA Privacy and Security Officers not more than five (5) calendar days after Business Associate discovers such non-permitted use or disclosure, Breach, security incident, or other incident as described above. Business Associate shall provide any reports or notices required by HIPAA as a result of Business Associate's Breach. On behalf of the City, Business Associate will provide such reports or notices to any party or entity (including but not limited to media, Secretary, and individuals affected by the Breach) entitled by law to receive the reports or notices. Business Associate agrees to pay the costs associated with notifying individuals affected by the Breach, which may include, but are not limited to, paper, printing, and mailing costs.

Business Associate is not required to report the following types of unsuccessful security incidents: pings and other broadcast attacks on Business Associate's firewall, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

If a delay is requested by a law enforcement official in accordance with 45 CFR 164.412, Business Associate may delay notifying City for the time period specified in HIPAA. Business Associate's report will include the information described in 45 CFR 164.404(c) and such other information as the City may reasonably request.

9. Mitigation and Penalties. Business Associate must mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Breach or of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement. Business Associate shall take reasonable steps to put corrective measures in place to prevent future Breaches (such as retraining employees and upgrading security systems). At the City's request, Business Associate shall take reasonable steps to mitigate the harm to affected Individuals whose PHI has been or may have been compromised as a result of a Breach by Business Associate, including obtaining credit monitoring services and offering identity theft insurance. To the extent that the City incurs civil or criminal monetary penalties as a result of a Breach by the Business Associate, the Business Associate agrees to reimburse the City for such penalties.

10. Designated Record Sets - Access. If the Business Associate has PHI in a Designated Record Set, then Business Associate must provide access to or otherwise make available, at the request of the City, and in the time and manner designated by the City, PHI in a Designated

Record Set, to the City or, as directed by City, to an Individual in order to meet the requirements under 45 CFR 164.524.

11. Designated Record Sets – Amendments. If the Business Associate has PHI in a Designated Record Set, then Business Associate must make any amendments to PHI in a Designated Record Set that the City directs or agrees to pursuant to 45 CFR 164.526 at the request of City or an Individual, and in the time and manner designated by the City.

12. Internal Practices, Books, and Records. Business Associate must make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of, the City available to the Secretary for purposes of determining compliance with HIPAA. Business Associate also must make internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, the City available to the City in a time and manner designated by the City, for purposes of the Secretary determining City's compliance with HIPAA.

13. Accounting of Disclosures - Documentation. Business Associate must document the disclosures of PHI and information relating to such disclosures as would be required for City to respond to a request by an individual for an accounting of disclosures of PHI in accordance with HIPAA, specifically 45 CFR 164.528.

14. Accounting of Disclosures – Provision of Information. Business Associate must provide to City or an individual, in time and manner designated by City, information collected which relates to the disclosure of PHI, to permit City to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. If the Business Associate receives a request for accounting of disclosures directly from the individual, the Business Associate must respond to such request for an accounting of disclosures, provide the accounting of disclosures to the individual within the time required by 45 CFR 164.528, and provide the information regarding such request to the City, in the time and manner designated by the City.

15. Survival, Termination, and Return or Destruction of PHI. Upon termination of this Agreement for any reason, the Business Associate's obligations under these contractual obligations shall survive termination and remain in effect:

a. until Business Associate has completed the return or destruction (in accordance with the US Department of Health and Human Services' Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals) of all of the PHI provided by City to Business Associate, or created or received by Business Associate on behalf of City, and

b. to the extent that Business Associate retains any PHI.

Upon the expiration or termination of the underlying Agreement, if feasible, the Business Associate must either: (1) return all PHI received from the City, or created, maintained, or received by Business Associate on behalf of the City, which the Business Associate still maintains in any form, to the City or (2) destroy it, at the City's option (in accordance with the US Department of Health and Human Services' Guidance to Render Unsecured Protected Health

Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals). This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI.

If Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If it is infeasible for Business Associate to obtain, from a subcontractor or agent any PHI in the possession of the subcontractor or agent, Business Associate shall require the subcontractors and agents to agree to extend any and all protections, limitations and restrictions contained in this Agreement to the subcontractors' and/or agents' use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.

In the event of a breach of the terms of these contractual obligations, the cure and remedies of the Agreement shall govern. HIPAA's privacy rule (45 CFR § 164.504(e)(2)) requires that the Business Associate will authorize termination of the contract by the City, if the City determines that the Business Associate has violated a material term of these contractual obligations.

16. Compliance with Obligations. To the extent the Business Associate is to carry out one or more of City's obligation(s) under Subpart E of 45 CFR Part 164, the Business Associate must comply with the requirements of Subpart E that apply to the City in the performance of such obligation(s). Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if done by the City.

17. No Third Party Rights. The terms and conditions of this Agreement are intended for the sole benefit of Business Associate and City and do not create any third party rights.

18. Governing Law. To the extent not preempted by federal law, the Agreement shall be governed and construed in accordance with the laws of the State of Illinois.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than $25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of $100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers,
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial relationship disclosure.

DESCRIPTION
To increase payment efficiency and timeliness, we have introduced E-Payables program, a new payment initiative to our accounts payable model. This new initiative utilizes a Visa purchasing card and operates through the Visa payment network. This is County's preferred method of payment and your participation in our Visa purchasing card program will provide mutual benefits both to your organization and ours.

As a vendor, you may experience the following benefits by accepting this new payment type:
- Improved cash flow and accelerated payment
- Reduced paperwork and a more streamlined accounts receivable process
- Elimination of stop payment issues
- Reduced payment delays
- Reduced costs for handling paper checks
- Payments settled directly to your merchant account

There are two options within this initiative:

3. Dedicated Credit Card – "PULL" Settlement
For this option, you will have an assigned dedicated credit card to be used for each payment. You will provide a point of contact within your organization who will keep credit card information on file. Each time a payment is made, you will receive a remittance advice via email detailing the invoices being paid. Each time you receive a remittance advice, you will process payments in the same manner you process credit card transactions today.

4. One-Time Use Credit Card – "SUGA" Settlement
For this option, you will provide a point of contact within your organization who will receive an email notification authorizing you to process payments in the same manner you process credit card transactions today. Each time payment is made, you will receive a remittance advice, via email, detailing the invoices being paid. Also, each time you receive a remittance advice, you will receive a new, unique credit card number. This option is ideal for suppliers who are unable to keep credit card account information on file.

Exhibit 5:	Board Authorization
Exhibit 6:	MBE/WBE Utilization Plan
Exhibit 7:	Economic Disclosure Statement

ARTICLE 3) DUTIES AND RESPONSIBILITIES OF CONSULTANT

a) Scope of Services

This description of Services is intended to be general in nature and is neither a complete description of Consultant's Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 3c. The Services that Consultant must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

b) Deliverables

In carrying out its Services, Consultant must prepare or provide to the County various Deliverables. "**Deliverables**" include work product, such as written reviews, recommendations, reports and analyses, produced by Consultant for the County.

The County may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the County made this Agreement or for which the County intends to use the Deliverables. If the County determines that Consultant has failed to comply with the foregoing standards, it has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure, if it is possible to do so, within 30 days after receipt of notice from the County specifying the failure, then the County, by written notice, may treat the failure as a default of this Agreement under Article 9.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose and when consented to in advance by the County. Such Deliverables will not be considered as satisfying the requirements of this Agreement and partial or incomplete Deliverables in no way relieve Consultant of its commitments under this Agreement.

c) Standard of Performance

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a consultant performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the County and with respect to that information, Consultant agrees to be held to the standard of care of a fiduciary.

Consultant must assure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must provide copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Consultant or its Subconsultants or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Using Agency and delivered in a timely manner consistent with the requirements of this Agreement.

If Consultant fails to comply with the foregoing standards, Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the County does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the County's rights against Consultant either under this Agreement, at law or in equity.

d) Personnel

i) **Adequate Staffing**

Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned exclusively to perform the Services. Consultant must include among its staff the Key Personnel and positions as identified below. The level of staffing may be revised from time to time by notice in writing from Consultant to the County and with written consent of the County, which consent the County will not withhold unreasonably. If the County fails to object to the revision within 14 days after receiving the notice, then the revision will be considered accepted by the County.

ii) **Key Personnel**

Consultant must not reassign or replace Key Personnel without the written consent of the County, which consent the County will not unreasonably withhold. **"Key Personnel"** means those job titles and the persons assigned to those positions in accordance with the provisions of this Section 3.d(ii). The Using Agency may at any time in writing notify Consultant that the County will no longer accept performance of Services under this Agreement by one or more Key Personnel listed. Upon that notice Consultant must immediately suspend the services of the key person or persons and must replace him or them in accordance with the terms of this Agreement. A list of Key Personnel is found in Exhibit 1, Scope of Services.

iii) **Salaries and Wages**

Consultant and Subconsultants must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll deductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the County may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 3.d(iii) is solely for the benefit of the County and that it does not grant any third party beneficiary rights.

e) Minority and Women Owned Business Enterprises Commitment

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women's business enterprise commitment requirements of the Cook County Ordinance, (Article IV, Section 34-267 through 272) except to the extent waived by the Compliance Director, which are set forth in Exhibit 3. Consultant's completed MBE/WBE Utilization Plan evidencing its compliance with this requirement are a part of this Agreement, in Form 1 of the MBE/WBE Utilization Plan, upon acceptance by the Compliance Director. Consultant must utilize minority and women's business enterprises at the greater of the amounts committed to by the Consultant for this Agreement in accordance with Form 1 of the MBE/WBE Utilization Plan.

f) Insurance

Consultant must provide and maintain at Consultant's own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified below, insuring all operations related to this Agreement.

i) **Insurance To Be Provided**

(1) Workers Compensation and Employers Liability

Workers Compensation Insurance, as prescribed by applicable law, covering all employees who are to provide a service under this Agreement and Employers Liability coverage with limits of not less than $500,000 each accident or illness.

(2) Commercial General Liability (Primary and Umbrella)

Commercial General Liability Insurance or equivalent with limits of not less than $2,000,000 per occurrence for bodily injury, personal injury and property damage liability. Coverages must include the following: All premises and operations, products/completed operations, separation of insureds, defense and contractual liability (with no limitation endorsement). Cook County is to be named as an additional insured on a primary, non-contributory basis for any liability arising directly or indirectly from the Services.

Subconsultants performing Services for Consultant must maintain limits of not less than $1,000,000 with the same terms in this Section 3.i(2).

(3) Automobile Liability (Primary and Umbrella)

When any motor vehicles (owned, non-owned and hired) are used in connection with Services to be performed, Consultant must provide Automobile Liability Insurance with limits of not less than $1,000,000 per occurrence limit, for bodily injury and property damage. The County is to be named as an additional insured on a primary, non-contributory basis.

(4) Professional Liability

When any professional consultants perform Services in connection with this Agreement, Professional Liability Insurance covering acts, errors or omissions must be maintained with limits of not less than $2,000,000. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of Services on this Agreement. A claims-made policy which is not renewed or replaced must have an extended reporting period of 2 years.

Subconsultants performing Services for Consultant must maintain limits of not less than $1,000,000 with the same terms in this Section 3.i(4).

(5) Valuable Papers

When any designs, drawings, specifications and documents are produced or used under this Agreement, Valuable Papers Insurance must be maintained in an amount to insure against any loss whatsoever, and must have limits sufficient to pay for the re-creation and reconstruction of such records.

ii) **Additional Requirements**

(1) Consultant must furnish the County of Cook, Cook County, Office of the Chief Procurement Officer, 118 N, Clark St., Room 1018, Chicago, IL 60602, original Certificates of Insurance, or such similar evidence, to be in force on the date of this Agreement, and Renewal Certificates of Insurance, or such similar evidence, if the coverages have an expiration or renewal date occurring during the term of this Agreement. Consultant must submit evidence of insurance on the County Insurance Certificate Form (copy attached as Exhibit 3) or equivalent prior to the effective date of the Agreement. The receipt of any certificate does not constitute agreement by the County that the insurance requirements in this Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all Agreement requirements. The failure of the County to obtain certificates or other insurance evidence from Consultant is not a waiver by the County of any requirements for Consultant to obtain and maintain the specified coverages. Consultant must advise all insurers of the provisions in this Agreement regarding insurance. Non-conforming insurance does not relieve Consultant of the obligation to provide insurance as specified in this Agreement. Nonfulfillment of the insurance conditions may constitute a violation of this Agreement, and the County retains the right to terminate this Agreement or to suspend this Agreement until proper evidence of insurance is provided.

(2) The insurance must provide for 60 days prior written notice to be given to the County in the event coverage is substantially changed, canceled or non-renewed. All deductibles or self-insured retentions on referenced insurance coverages must be borne by Consultant. Consultant agrees that insurers waive their rights of subrogation against the County of Cook, its employees, elected officials, agents or representatives.

(3) The coverages and limits furnished by Consultant in no way limit Consultant's liabilities and responsibilities specified within this Agreement or by law. Any insurance or self-insurance programs maintained by the County of Cook apply in excess of and do not contribute with insurance provided by Consultant under this Agreement.

(4) The required insurance is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

(5) Consultant must require all Subconsultants to provide the insurance required in this Agreement, or Consultant may provide the coverages for Subconsultants. All Subconsultants are subject to the same insurance requirements as Consultant unless otherwise specified in this Agreement. If Consultant or Subconsultant desires additional coverages, the party desiring the additional coverages is responsible for its acquisition and cost.

(6) The County's Risk Management Office maintains the rights to modify, delete, alter or change these requirements. "**Risk Management Office**" means the Risk Management Office, which is under the direction of the Director of Risk Management and is charged with reviewing and analyzing insurance and related liability matters for the County.

g) Indemnification

The Consultant covenants and agrees to indemnify and save harmless the County and its commissioners, officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Contract by the Consultant, or the acts or omissions of the officers, agents, employees, Consultants, subconsultants, licensees or invitees of the Consultant. The Consultant expressly understands and agrees that any Performance Bond or insurance protection required of the Consultant, or otherwise provided by the Consultant, shall in no way limit the responsibility to indemnify the County as hereinabove provided.

h) Confidentiality and Ownership of Documents

Consultant acknowledges and agrees that information regarding this Contract is confidential and shall not be disclosed, directly, indirectly or by implication, or be used by Consultant in any way, whether during the term of this Contract or at any time thereafter, except solely as required in the course of Consultant's performance hereunder. Consultant shall comply with the applicable privacy laws and regulations affecting County and will not disclose any of County's records, materials, or other data to any third party. Consultant shall not have the right to compile and distribute statistical analyses and reports utilizing data derived from information or data obtained from County without the prior written approval of County. In the event such approval is given, any such reports published and distributed by Consultant shall be furnished to County without charge.

All documents, data, studies, reports, work product or product created as a result of the performance of the Contract (the "Documents") shall be included in the Deliverables and shall be the property of the County of Cook. It shall be a breach of this Contract for the Consultant to reproduce or use any documents, data, studies, reports, work product or product obtained from the County of Cook or any Documents created hereby, whether such reproduction or use is for Consultant's own purposes or for those of any third party. During the performance of the Contract Consultant shall be responsible of any loss or damage to the Documents while they are in Consultant's possession, and any such loss or damage shall be restored at the expense of the Consultant. The County and its designees shall be afforded full access to the Documents and the work at all times.

i) Patents, Copyrights and Licenses

If applicable, Consultant shall furnish the Chief Procurement Officer with all licenses required for the County to utilize any software, including firmware or middleware, provided by Consultant as part of the Deliverables. Such licenses shall be clearly marked with a reference to the number of this County Contract. Consultant shall also furnish a copy of such licenses to the Chief Procurement Officer. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Consultant agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, as permitted by Illinois law, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Consultant's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Consultant with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Consultant's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Consultant shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

j) Examination of Records and Audits

The Consultant agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after the final payment under the Contract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices, and records of the Consultant related to the Contract, or to Consultant's compliance with any term, condition or provision thereof. The Consultant shall be responsible for establishing and maintaining records sufficient to document the costs associated with performance under the terms of this Contract.

The Consultant further agrees that it shall include in all of its subcontracts hereunder a provision to the effect that the Subcontractor agrees that the Cook County Auditor or any of its duly authorized representatives shall, until expiration of three (3) years after final payment under the subcontract, have access and the right to examine any books, documents, papers, canceled checks, bank statements, purveyor's and other invoices and records of such Subcontractor involving transactions relating to the subcontract, or to such Subcontractor compliance with any term, condition or provision thereunder or under the Contract.

In the event the Consultant receives payment under the Contract, reimbursement for which is later disallowed by the County, the Consultant shall promptly refund the disallowed amount to the County on request, or at the County's option, the County may credit the amount disallowed from the next payment due or to become due to the Consultant under any contract with the County.

To the extent this Contract pertains to Deliverables which may be reimbursable under the Medicaid or Medicare Programs, Consultant shall retain and make available upon request, for a period of four (4) years after furnishing services pursuant to this Agreement, the contract, books, documents and records which are necessary to certify the nature and extent of the costs of such services if requested by the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives.

If Consultant carries out any of its duties under the Agreement through a subcontract with a related organization involving a value of cost of $10,000.00 or more over a 12 month period, Consultant will cause such subcontract to contain a clause to the effect that, until the expiration of four years after the furnishing of any service pursuant to said subcontract, the related organization will make available upon request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of said subcontract and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of such costs. This paragraph relating to the retention and production of documents is included because of possible application of Section 1861(v)(1)(I) of the Social Security Act to this Agreement; if this Section should be found to be inapplicable, then this paragraph shall be deemed inoperative and without force and effect.

k) Subcontracting or Assignment of Contract or Contract Funds

Once awarded, this Contract shall not be subcontracted or assigned, in whole or in part, without the advance written approval of the Chief Procurement Officer, which approval shall be granted or withheld at the sole discretion of the Chief Procurement Officer. In no case, however, shall such approval relieve the Consultant from its obligations or change the terms of the Contract. vii) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 9.a and 9.c.

b) Ethics

i) In addition to the foregoing warranties and representations, Consultant warrants:

(1) no officer, agent or employee of the County is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics.

c) Joint and Several Liability

If Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Consultant is the joint and several obligation or undertaking of each such individual or other legal entity.

d) Business Documents

At the request of the County, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

e) Conflicts of Interest

i) No member of the governing body of the County or other unit of government and no other officer, employee or agent of the County or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no Commissioner of the Cook County Board or County employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

ii) Consultant covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "**Consulting Parties**"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or contract that would conflict in any manner or degree with the performance of its Services under this Agreement.

iii) Upon the request of the County, Consultant must disclose to the County its past client list and the names of any clients with whom it has an ongoing relationship. Consultant is not permitted to perform any Services for the County on applications or other documents submitted to the County by any of Consultant's past or present clients. If Consultant becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the County.

iv) Without limiting the foregoing, if the Consulting Parties assist the County in determining the advisability or feasibility of a project or in recommending, researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the County in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

v) The Consultant further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as defined in Section 3.h of this Agreement. If the County, by the Chief Procurement Officer in his reasonable judgment, determines that any of Consultant's Services for others conflict with the Services Consultant is to render for the County under this Agreement, Consultant must terminate such other services immediately upon request of the County.

vi) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal year 1990, 31 U.S.C. § 1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

f) Non-Liability of Public Officials

Consultant and any assignee or Subcontractor of Consultant must not charge any official, employee or agent of the County personally with any liability or expenses of defense or hold any official, employee or agent of the County personally liable to them under any term or provision of this Agreement or because of the County's execution, attempted execution or any breach of this Agreement.

ARTICLE 9) EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

a) Events of Default Defined

The following constitute events of default:

i) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the County.

ii) Consultant's material failure to perform any of its obligations under this Agreement including the following:

(a) Failure due to a reason or circumstances within Consultant's reasonable control to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the performance of the Services;

(b) Failure to perform the Services in a manner reasonably satisfactory to the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

(c) Failure to promptly re-perform within a reasonable time Services that were rejected as erroneous or unsatisfactory;

(d) Discontinuance of the Services for reasons within Consultant's reasonable control; and

(e) Failure to comply with any other material term of this Agreement, including the provisions concerning insurance and nondiscrimination.

iii) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.

iv) Consultant's default under any other agreement it may presently have or may enter into with the County during the life of this Agreement. Consultant acknowledges and agrees that in the event of a default under this Agreement the County may also declare a default under any such other Agreements.

v) Failure to comply with Article 7 in the performance of the Agreement.

vi) Consultant's repeated or continued violations of County ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for County laws and regulations.

b) Remedies

The occurrence of any event of default permits the County, at the County's sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days, unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice ("**Cure Notice**"), or, if no opportunity to cure will be granted, a default notice ("**Default Notice**"). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate (but not the decision not to terminate) is final and effective upon giving the notice. The Chief Procurement Officer may give a Default Notice if Consultant fails to affect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 9.b and Article 11, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the County. After giving a Default Notice, the County may invoke any or all of the following remedies:

i) The right to take over and complete the Services, or any part of them, at Consultant's expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the County would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the County as agent for the Consultant under this Section 9.b;

ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the County;

iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

iv) The right to money damages;

v) The right to withhold all or any part of Consultant's compensation under this Agreement;

vi) The right to consider Consultant non-responsible in future contracts to be awarded by the County.

If the Chief Procurement Officer considers it to be in the County's best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the County and that if the County permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the County waive or relinquish any of its rights.

The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the County considers expedient.

c) Early Termination

In addition to termination under Sections 9.a and 9.b of this Agreement, the County may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the County to Consultant. The County will give notice to Consultant in accordance with the provisions of Article 11. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the County elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the County effective 10 days after the date the notice is considered received as provided under Article 11 of this Agreement (if no date is given) or upon the effective date stated in the notice.

After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 5, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The County and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 6 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the County arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the County resulting from any Subcontractor's claims against Consultant or the County to the extent inconsistent with this provision.

If the County's election to terminate this Agreement for default under Sections 9.a and 9.b is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 9.c.

d) Suspension

The County may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or upon informal oral, or even no notice, in the event of emergency. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 5 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice may treat the suspension as an early termination of this Agreement under Section 9.c.

e) Right to Offset

In connection with performance under this Agreement, the County may offset any excess costs incurred:

i) if the County terminates this Agreement for default or any other reason resulting from Consultant's performance or non-performance;

ii) if the County exercises any of its remedies under Section 9.b of this Agreement; or

iii) if the County has any credits due or has made any overpayments under this Agreement.

The County may offset these excess costs by use of any payment due for Services completed before the County terminated this Agreement or before the County exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must promptly remit to the County the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the County.

f) Delays

Consultant agrees that no charges or claims for damages shall be made by Consultant for any delays or hindrances from any cause whatsoever during the progress of any portion of this Contract.

g) Prepaid Fees

In the event this Contract is terminated by either party, for cause or otherwise, and the County has prepaid for any Deliverables, Consultant shall refund to the County, on a prorated basis to the effective date of termination, all amounts prepaid for Deliverables not actually provided as of the effective date of the termination. The refund shall be made within fourteen (14) days of the effective date of termination.

ARTICLE 10) GENERAL CONDITIONS

a) Entire Agreement

i) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other warranties, inducements, considerations, promises or interpretations are implied or impressed upon this Agreement that are not expressly addressed in this Agreement.

ii) No Collateral Agreements

Consultant acknowledges that, except only for those representations, statements or promises expressly contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the County, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to:

(a) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement;

(b) the nature of the Services to be performed;

(c) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement;

(d) the general conditions which may in any way affect this Agreement or its performance;

(f) any other matters, whether similar to or different from those referred to in (a) through (e) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

iii) **No Omissions**

Consultant acknowledges that Consultant was given an opportunity to review all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

b) Counterparts

This Agreement is comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

c) Contract Amendments

The parties may during the term of the Contract make amendments to the Contract but only as provided in this section. Such amendments shall only be made by mutual agreement in writing.

In the case of Contracts not approved by the Board, the Chief Procurement Officer may amend a contract provided that any such amendment does not extend the Contract by more than one (1) year, and further provided that the total cost of all such amendments does not increase the total amount of the Contract beyond $150,000. Such action may only be made with the advance written approval of the Chief Procurement Officer. If the amendment extends the Contract beyond one (1) year or increases the total award amount beyond $150,000, then Board approval will be required.

No Using Agency or employee thereof has authority to make any amendments to this Contract. Any amendments to this Contract made without the express written approval of the Chief Procurement Officer is void and unenforceable.

Consultant is hereby notified that, except for amendments which are made in accordance with this Section10.c. Contract Amendments, no Using Agency or employee thereof has authority to make any amendment to this Contract.

d) Governing Law and Jurisdiction

This Contract shall be governed by and construed under the laws of the State of Illinois. The Consultant irrevocably agrees that, subject to the County's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Contract, or arising from any dispute or controversy arising in connection with or related to the Contract, shall be litigated only in courts within the Circuit Court of Cook County, State of Illinois, and the Consultant consents and submits to the jurisdiction thereof. In accordance with these provisions, Consultant waives any right it may have to transfer or change the venue of any litigation brought against it by the County pursuant to this Contract.

e) Severability

If any provision of this Agreement is held or considered to be or is in fact invalid, illegal, inoperative or unenforceable as applied in any particular case in any jurisdiction or in all cases because it conflicts with any other provision or provisions of this Agreement or of any constitution, statute, ordinance, rule of law or public policy, or for any other reason, those circumstances do not have the effect of rendering the provision in question invalid, illegal, inoperative or unenforceable in any other case or circumstances, or of rendering any other provision or provisions in this Agreement invalid, illegal, inoperative or unenforceable to any extent whatsoever. The invalidity, illegality, inoperativeness or unenforceability of any one or more phrases, sentences, clauses or sections in this Agreement does not affect the remaining portions of this Agreement or any part of it.

f) Assigns

All of the terms and conditions of this Agreement are binding upon and inure to the benefit of the parties and their respective legal representatives, successors and assigns.

g) Cooperation

Consultant must at all times cooperate fully with the County and act in the County's best interests. If this Agreement is terminated for any reason, or if it is to expire on its own terms, Consultant must make every effort to assure an orderly transition to another provider of the Services, if any, orderly demobilization of its own operations in connection with the Services, uninterrupted provision of Services during any transition period and must otherwise comply with the reasonable requests and requirements of the Using Agency in connection with the termination or expiration.

h) Waiver

Nothing in this Agreement authorizes the waiver of a requirement or condition contrary to law or ordinance or that would result in or promote the violation of any federal, state or local law or ordinance.

Whenever under this Agreement the County by a proper authority waives Consultant's performance in any respect or waives a requirement or condition to either the County's or Consultant's performance, the waiver so granted, whether express or implied, only applies to the particular instance and is not a waiver forever or for subsequent instances of the performance, requirement or condition. No such waiver is a modification of this Agreement regardless of the number of times the County may have waived the performance, requirement or condition. Such waivers must be provided to Consultant in writing.

i) Independent Consultant

This Agreement is not intended to and will not constitute, create, give rise to, or otherwise recognize a joint venture, partnership, corporation or other formal business association or organization of any kind between Consultant and the County. The rights and the obligations of the parties are only those expressly set forth in this Agreement. Consultant must perform under this Agreement as an independent Consultant and not as a representative, employee, agent, or partner of the County.

This Agreement is between the County and an independent Consultant and, if Consultant is an individual, nothing provided for under this Agreement constitutes or implies an employer-employee relationship such that:

UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Cook County Pension Fund is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Plan works. If you have questions contact Cook County Health Benefits at (312) 603-1200 or call the number on the back of your ID card.

How to Use This SPD

- Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and Cook County Pension Fund share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Note: The Internal Revenue Service generally does not consider Civil Unions and their children eligible Dependents. Therefore, the value of Cook County Pension Fund's cost in covering a Civil Union may be imputed to the Participant as income. Your contributions are subject to review and Cook County Pension Fund reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling Cook County Pension Fund Health Benefits at (312) 603-1200.

How to Enroll

To enroll, call Cook County Pension Fund Health Benefits at (312) 603-1200 within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important
If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact Cook County Pension Fund Health Benefits within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. - the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- a change in your or your Spouse's position or work schedule that impacts eligibility for health coverage;
- contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- you or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent;
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact Cook County Health Benefits within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (you must contact Cook County Health Benefits within 60 days of determination of subsidy eligibility); or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact Cook County Pension Fund Health Benefits within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 18 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example
Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Cook County Pension Fund's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under Cook County Pension Fund's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits.
- Eligible Expenses.
- Copayment.
- Coinsurance.
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Network Physician or health care professional you prefer each time you need to receive Covered Health Services.

You are eligible for Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services. You must see a Network Physician in order to obtain Benefits. Except as specifically described within the SPD, Benefits are not available for services provided by a non-Network provider. This Plan does not provide a non-Network level of Benefits.

Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider. Benefits for facility services apply when Covered Health Services are provided at a Network facility. Benefits include Physician services provided in a Network facility by a Network or a non-Network radiologist, anesthesiologist, pathologist, Emergency room Physician and consulting Physician. Benefits also include Emergency Health Services.

Depending on the geographic area and the service you receive, you may have access through UnitedHealthcare's Shared Savings Program to non-Network providers who have agreed to discounts negotiated from their charges on certain claims for Covered Health Services. Refer to the definition of Shared Savings Program in Section 14, *Glossary*, of the SPD for details about how the Shared Savings Program applies.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto **www.myuhc.com.**

Network providers are independent practitioners and are not employees of Cook County Pension Fund or UnitedHealthcare. It is your responsibility to select your provider.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling UnitedHealthcare. A directory of providers is available online at **www.myuhc.com** or by calling the number on your ID card to request a copy.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Benefits.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of UnitedHealthcare's products. Refer to your provider directory or contact UnitedHealthcare for assistance.

Don't Forget Your ID Card
Remember to show your ID card every time you receive health care services from a Network provider. If you do not show your ID card, a Network provider has no way of knowing that you are enrolled under the Plan.

Health Services from Non-Network Providers

If specific Covered Health Services are not available from a Network provider, you may be eligible for Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify the Claims Administrator, and if the Claims Administrator confirms that care is not available from a Network provider, the Claims Administrator will work with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, the Plan will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

Looking for a Network Provider?
In addition to other helpful information, **www.myuhc.com,** UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, **www.myuhc.com** has the most current source of Network information. Use **www.myuhc.com** to search for Physicians available in your Plan.

Possible Limitations on Provider Use

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to provide and coordinate all of your future Covered Health Services.

If you don't make a selection within 31 days of the date you are notified, UnitedHealthcare will select a single Network Physician for you.

In the event that you do not use the selected Network Physician, Benefits will not be paid.

Designated Provider

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Provider chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a Designated Provider, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider or other provider chosen by UnitedHealthcare.

You or your Network Physician must notify UnitedHealthcare of special service needs (such as transplants or cancer treatment) that might warrant referral to a Designated Provider. If you do not notify UnitedHealthcare in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Provider) or other non-Network provider, Benefits will not be paid.

Eligible Expenses

Cook County Pension Fund has delegated to UnitedHealthcare the initial discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount UnitedHealthcare determines that UnitedHealthcare will pay for Benefits. For Network Benefits for Covered Health Services provided by a Network provider, you are not responsible for any difference between Eligible Expenses and the amount the provider bills. For Covered Health Services provided by a non-Network provider (other than services otherwise arranged by UnitedHealthcare), you will be responsible to the non-Network provider for any amount billed that is greater than the

amount UnitedHealthcare determines to be an Eligible Expense as described below. Eligible Expenses are determined solely in accordance with UnitedHealthcare's reimbursement policy guidelines, as described in this SPD.

For Network Benefits, Eligible Expenses are based on the following:

- When Covered Health Services are received from a Network provider, Eligible Expenses are UnitedHealthcare's contracted fee(s) with that provider.
- When Covered Health Services are received from a non-Network provider as a result of an Emergency or as arranged by UnitedHealthcare, Eligible Expenses are billed charges unless a lower amount is negotiated or authorized by law.
- When Covered Health Services are received from a non-Network provider as arranged by UnitedHealthcare, Eligible Expenses are an amount negotiated by UnitedHealthcare or an amount permitted by law. Please contact UnitedHealthcare if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is calculated as a flat dollar amount and is paid at the time of service or when billed by the provider. When Copayments apply, the amount is listed in Section 5, *Plan Highlights*, next to the description for each Covered Health Service.

Please note that for Covered Health Services, you are responsible for paying the lesser of:

- The applicable Copayment.
- The Eligible Expense.

Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Copays count toward the Out-of-Pocket Maximum.

Coinsurance

Coinsurance is the amount you pay (calculated as a percentage of Eligible Expenses) each time you receive certain Covered Health Services.

Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The following table identifies what does and does not apply toward your Out-of-Pocket Maximum:

Plan Features	Applies to the Out-of-Pocket Maximum?
Copays	Yes
Coinsurance payments	Yes
Charges for non-Covered Health Services	No

SECTION 4 - PERSONAL HEALTH SUPPORT

What this section includes:

- An overview of the Personal Health Support program.
- Covered Health Services for which you need to contact Personal Health Support.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Personal Health Support Nurse is notified when you or your provider calls the number on your ID card regarding an upcoming treatment or service.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - For upcoming inpatient Hospital admissions for certain conditions, a Treatment Decision Support Nurse may call you to help answer your questions and to make sure you have the information and support you need for a successful recovery.
- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.
- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies.

Participants may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Requirements for Notifying Personal Health Support

Notification is required within two business days after admission or on the same day of admission if reasonably possible if you are admitted to a non-Network Hospital as a result of an Emergency.

For notification timeframes, see Section 6, *Additional Coverage Details*.

Contacting the Claims Administrator or Personal Health Support is easy.
Simply call the number on your ID card.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis (Medicare pays before the Plan pays Benefits) the notification requirements do not apply to you. Since Medicare is the primary payer, the Plan will pay as secondary payer as described in Section 10, *Coordination of Benefits (COB)*. You are not required to provide notification before receiving Covered Health Services.

There are some Network Benefits, however, for which you should notify the Claims Administrator or Personal Health Support. See Section 6, *Additional Coverage Details* for further information.

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.
- Covered Health Services that for which you should notify the Claims Administrator or Personal Health Support before you receive them.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with Benefit limitations along with Copayment and Coinsurance information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call the Claims Administrator or Personal Health Support. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions and Limitations*.

Acupuncture Services

The Plan pays for acupuncture services for pain therapy provided that the service is performed in an office setting by a provider who is one of the following, either practicing within the scope of his/her license (if state license is available) or who is certified by a national accrediting body:

- Doctor of Medicine.
- Doctor of Osteopathy.
- Chiropractor.
- Acupuncturist.

Covered Health Services include treatment of nausea as a result of:

- Chemotherapy.
- Pregnancy.
- Post-operative procedures.

Benefits are limited to 10 treatments per calendar year.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist,

UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers transportation provided by a licensed professional ambulance (either ground or air ambulance, as UnitedHealthcare determines appropriate) between facilities when the transport is:

- From a non-Network Hospital to a Network Hospital.
- To a Hospital that provides a higher level of care that was not available at the original Hospital.
- To a more cost-effective acute care facility.
- From an acute facility to a sub-acute setting.

In most cases, the Claims Administrator will initiate and direct non-Emergency ambulance transportation. If you are requesting non-Emergency ambulance services, please remember that you should notify the Claims Administrator or Personal Health Support as soon as possible prior to the transport.

Cancer Resource Services (CRS)

The Plan pays Benefits for oncology services provided by a Designated Provider participating in the Cancer Resource Services (CRS) program. Designated Provider is defined in Section 14, *Glossary*.

For oncology services and supplies to be considered Covered Health Services, they must be provided to treat a condition that has a primary or suspected diagnosis relating to cancer. If you or a covered Dependent has cancer, you may:

- Be referred to CRS by the Claims Administrator or a Personal Health Support Nurse.
- Call CRS at 1-866-936-6002.
- Visit **www.myoptumhealthcomplexmedical.com**.

To receive Benefits for a cancer-related treatment, you are not required to visit a Designated Provider. If you receive oncology services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- *Physician's Office Services - Sickness and Injury.*
- *Physician Fees for Surgical and Medical Services.*
- *Scopic Procedures - Outpatient Diagnostic and Therapeutic.*
- *Therapeutic Treatments - Outpatient.*
- *Hospital - Inpatient Stay.*
- *Surgery - Outpatient.*

Note: The services described under *Travel and Lodging* are Covered Health Services only in connection with cancer-related services received at a Designated Provider.

To receive Benefits under the CRS program, you must contact CRS prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CRS program if CRS provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Clinical Trials

Benefits are available for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of:

- Cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted.
- Cardiovascular disease (cardiac/stroke) which is not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Surgical musculoskeletal disorders of the spine, hip and knees, which are not life threatening, for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.
- Other diseases or disorders which are not life threatening for which, as UnitedHealthcare determines, a Clinical Trial meets the qualifying Clinical Trial criteria stated below.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying Clinical Trial as defined by the researcher.

Routine patient care costs for qualifying Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial.
- Covered Health Services required solely for the provision of the Experimental or Investigational Service(s) or item, the clinically appropriate monitoring of the effects of the service or item, or the prevention of complications.
- Covered Health Services needed for reasonable and necessary care arising from the provision of an Experimental or Investigational Service(s) or item.

Routine costs for Clinical Trials do not include:

- The Experimental or Investigational Service(s) or item. The only exceptions to this are:
  - Certain Category B devices.
  - Certain promising interventions for patients with terminal illnesses.

  - Other items and services that meet specified criteria in accordance with UnitedHealthcare's medical and drug policies.

- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- Items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying Clinical Trial is a Phase I, Phase II, Phase III, or Phase IV Clinical Trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

With respect to cardiovascular disease or musculoskeletal disorders of the spine, hip and knees and other diseases or disorders which are not life-threatening, a qualifying Clinical Trial is a Phase I, Phase II, or Phase III Clinical Trial that is conducted in relation to the detection or treatment of such non-life-threatening disease or disorder and which meets any of the following criteria in the bulleted list below.

- Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
  - *National Institutes of Health (NIH).* (Includes *National Cancer Institute (NCI)*).
  - *Centers for Disease Control and Prevention (CDC).*
  - *Agency for Healthcare Research and Quality (AHRQ).*
  - *Centers for Medicare and Medicaid Services (CMS).*
  - A cooperative group or center of any of the entities described above or the *Department of Defense (DOD)* or the *Department of Veterans Affairs.*

  - The *Department of Veterans Affairs*, the *Department of Defense* or the *Department of Energy* as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the *Secretary of Health and Human Services* to meet both of the following criteria:
    - Comparable to the system of peer review of studies and investigations used by the *National Institutes of Health.*
    - Ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
- The study or investigation is conducted under an investigational new drug application reviewed by the *U.S. Food and Drug Administration.*
- The study or investigation is a drug trial that is exempt from having such an investigational new drug application.
- The Clinical Trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before

participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial.

- The subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Please remember that you should notify the Claims Administrator or Personal Health Support as soon as the possibility of participation in a Clinical Trial arises.

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for Congenital Heart Disease (CHD) surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD services. Contact UnitedHealthcare at the number on your ID card for information about these guidelines.

Contact CHD Resource Services at 1-888-936-7246 before receiving care for information about CHD services. More information is also available at **www.myoptumhealthcomplexmedical.com**.

To receive Benefits under the CHD program, you must contact CHD Resource Services at 1-888-936-7246 prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CHD program if CHD provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

If you receive Congenital Heart Disease services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- *Physician's Office Services - Sickness and Injury.*
- *Physician Fees for Surgical and Medical Services.*
- *Scopic Procedures - Outpatient Diagnostic and Therapeutic.*

- Is a child is age six or under.

Oral Surgery

Benefits are also provided for oral surgery, limited to the following services:

- Completed within 12 months of the accident, or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.
- Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered an "accident". Benefits are not available for repairs to teeth that are injured as a result of such activities.

Accident-Related Dental Services: Please remember that you should notify the Claims Administrator or Personal Health Support as soon as possible, but at least five business days before follow-up (post-Emergency) treatment begins. The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are limited to 60 visits per calendar year. One visit equals four hours of Skilled Care services.

Hospice Care

Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. These are federally mandated requirements under the *Newborns' and Mothers' Health Protection Act of 1996* which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered Persons in the immediate family. Covered Health Services include related tests and treatment.

In general, the Plan pays preventive care Benefits based on the recommendations of the *U.S. Preventive Services Task Force (USPSTF)* although other preventive care services may be covered as well. Your Physician may recommend additional services based on your family or medical history. Examples of preventive medical care are listed below and provide a guide of what is considered a Covered Health Service.

Examples of Covered Health Services for preventive care include:

Covered Preventive Care Services	
Physician Office Services	■ Routine physical including vision and hearing screenings. ■ Metabolic screening tests (including phenylketonuria (PKU)). ■ Immunizations[1]. ■ Well baby and well child care. ■ Routine gynecological exam including breast and pelvic examination, treatment of minor infections, and PAP test.
Lab, X-Ray or Other Preventive Tests	■ Mammogram. ■ Colorectal cancer screening. ■ Cervical cancer screening. ■ PSA blood test and digital rectal exam. ■ Bone mineral density tests.

[1]Covered childhood and adult immunizations include those that are recommended by the *Center for Disease Control and Prevention's Advisory Committee on Immunization Practices (ACIP)* and whose recommendations have been published in the *Center for Disease Control and Prevention's Mortality and Morbidity Weekly Report (MMWR).*

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

Private Duty Nursing - Outpatient

The Plan covers Private Duty Nursing care given on an outpatient basis by a licensed nurse such as a Registered Nurse (R.N.), Licensed Practical Nurse (L.P.N.), or Licensed Vocational Nurse (L.V.N.).

Benefits are limited to 10 days per month, but not to exceed 120 visits per calendar year.

Prosthetic Devices

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.
- Artificial face, eyes, ears and noses.
- Breast prosthesis as required by the *Women's Health and Cancer Rights Act of 1998*. Benefits include mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Reconstructive Procedures

Reconstructive procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a reconstructive procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for reconstructive procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same

manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a reconstructive procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Please remember that you should notify the Claims Administrator or Personal Health Support five business days before undergoing a Reconstructive Procedure. When you provide notification the Claims Administrator can determine whether the service is considered reconstructive or cosmetic. Cosmetic Procedures are always excluded from coverage.

Rehabilitation Services - Outpatient Therapy and Manipulative Treatment

The Plan provides short-term outpatient rehabilitation services for the following types of therapy:

- Physical therapy.
- Occupational therapy.
- Speech therapy.
- Cognitive rehabilitation therapy following a post-traumatic brain Injury or cerebral vascular accident.
- Post-cochlear implant aural therapy.
- Manipulative Treatment.
- Pulmonary rehabilitation.
- Cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under Home Health Care. Rehabilitative

services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Covered Health Services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is provided to maintain a Covered Person's current condition or to prevent or slow further decline.
- It is ordered by a Physician and provided and administered by a licensed provider.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, vocational training and Residential Treatment are not habilitative services. A service that does not help the Covered Person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service.

The Plan may require that a treatment plan be provided, request medical records, clinical notes, or other necessary data to allow the Plan to substantiate that initial or continued medical treatment is needed. When the treating provider anticipates that continued treatment is or will be required to permit the Covered Person to achieve demonstrable progress, the Plan may request a treatment plan consisting of diagnosis, proposed treatment by type,

frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices* in this section.

Benefits are limited to:

- 60 treatments per calendar year for physical, occupational, speech and cognitive rehabilitation therapy combined.
- 30 visits per calendar year for Manipulative Treatment (limited to chiropractor/DC provider type only).
- 36 visits per calendar year for pulmonary rehabilitation therapy.
- 36 visits per calendar year for cardiac rehabilitation therapy.

Benefits for post-cochlear implant aural therapy do not have a limit.

Scopic Procedures - Outpatient Diagnostic and Therapeutic

The Plan pays for diagnostic and therapeutic scopic procedures and related services received on an outpatient basis at a Hospital or Alternate Facility or in a Physician's office.

Diagnostic scopic procedures are those for visualization, biopsy and polyp removal. Examples of diagnostic scopic procedures include colonoscopy, sigmoidoscopy, and endoscopy.

Benefits under this section include:

- The facility charge and the charge for supplies and equipment.
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

Please note that Benefits under this section do not include surgical scopic procedures, which are for the purpose of performing surgery. Benefits for surgical scopic procedures are described under *Surgery - Outpatient*. Examples of surgical scopic procedures include arthroscopy, laparoscopy, bronchoscopy, hysteroscopy.

When these services are performed for preventive screening purposes, Benefits are described in this section under *Preventive Care Services*.

Skilled Nursing Facility/Inpatient Rehabilitation Facility Services

Facility services for an Inpatient Stay in a Skilled Nursing Facility or Inpatient Rehabilitation Facility are covered by the Plan. Benefits include:

- Supplies and non-Physician services received during the Inpatient Stay.
- Room and board in a Semi-private Room (a room with two or more beds).
- Physician services for radiologists, anesthesiologists and pathologists.

Benefits are available when skilled nursing and/or Inpatient Rehabilitation Facility services are needed on a daily basis. Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Note: The Plan does not pay Benefits for Custodial Care or Domiciliary Care, even if ordered by a Physician, as defined in Section 14, *Glossary*.

Benefits are limited to 90 days per calendar year.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider as a result of an Emergency, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting **www.myuhc.com** or calling the toll-free number on your ID card. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Participant.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
  - The Current Procedural Terminology (CPT) codes.
  - A description of, and the charge for, each service.
  - The date the Sickness or Injury began.
  - A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

You may not assign your Benefits under the Plan to a provider without UnitedHealthcare's consent. When you assign your Benefits under the Plan to a provider with UnitedHealthcare's consent, and the provider submits a claim for payment, you and the provider represent and warrant that the Covered Health Services were actually provided and were medically appropriate.

When UnitedHealthcare has not consented to an assignment, UnitedHealthcare will send the reimbursement directly to you (the Participant) for you to reimburse the provider upon receipt of their bill. However, UnitedHealthcare reserves the right, in its discretion, to pay the provider directly for services rendered to you. When exercising its discretion with respect to payment, UnitedHealthcare may consider whether you have requested that payment of your Benefits be made directly to the provider. Under no circumstances will UnitedHealthcare pay Benefits to anyone other than you or, in its discretion, your Provider. Direct payment to a provider shall not be deemed to constitute consent by UnitedHealthcare to an assignment or to waive the consent requirement. When UnitedHealthcare in its discretion directs payment to a provider, you remain the sole beneficiary of the payment, and the provider does not thereby become a beneficiary. Accordingly, legally required notices concerning your Benefits will be directed to you, although UnitedHealthcare may in its discretion send information concerning the Benefits to the provider as well. If payment to a provider is made, the Plan reserves the right to offset Benefits to be paid to the provider by any amounts that the provider owes the Plan, pursuant to *Refund of Overpayments* in Section 10 *Coordination of Benefits*.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at **www.myuhc.com**. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will

include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at **www.myuhc.com**. See Section 14, *Glossary*, for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims
All claim forms for non-Network services must be submitted within 12 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by Cook County Pension Fund. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims
The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from Cook County Pension Fund within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments.

Federal External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by Cook County Pension Fund, or if Cook County Pension Fund fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of Cook County Pension Fund's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- Clinical reasons.
- The exclusions for Experimental or Investigational Service(s) or Unproven Service(s).
- Rescission of coverage (coverage that was cancelled or discontinued retroactively).
- As otherwise required by applicable law.

You or your representative may request a standard external review by sending a written request to the address set out in the determination letter. You or your representative may request an expedited external review, in urgent situations as detailed below, by calling the number on your ID card or by sending a written request to the address set out in the determination letter. A request must be made within four months after the date you received Cook County Pension Fund's decision.

An external review request should include all of the following:

- A specific request for an external review.
- The Covered Person's name, address, and insurance ID number.
- Your designated representative's name and address, when applicable.
- The service that was denied.
- Any new, relevant information that was not provided during the internal appeal.

An external review will be performed by an Independent Review Organization (IRO). UnitedHealthcare has entered into agreements with three or more IROs that have agreed to perform such reviews. There are two types of external reviews available:

- A standard external review.
- An expedited external review.

Standard External Review

A standard external review is comprised of all of the following:

- A preliminary review by UnitedHealthcare of the request.
- A referral of the request by UnitedHealthcare to the IRO.
- A decision by the IRO.

Within the applicable timeframe after receipt of the request, UnitedHealthcare will complete a preliminary review to determine whether the individual for whom the request was submitted meets all of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has exhausted the applicable internal appeals process.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the preliminary review, UnitedHealthcare will issue a notification in writing to you. If the request is eligible for external review, UnitedHealthcare will assign an IRO to conduct such review. UnitedHealthcare will assign requests by either rotating claims assignments among the IROs or by using a random selection process.

The IRO will notify you in writing of the request's eligibility and acceptance for external review. You may submit in writing to the IRO within ten business days following the date of receipt of the notice additional information that the IRO will consider when conducting the external review. The IRO is not required to, but may, accept and consider additional information submitted by you after ten business days.

UnitedHealthcare will provide to the assigned IRO the documents and information considered in making Cook County Pension Fund's determination. The documents include:

- All relevant medical records.
- All other documents relied upon by Cook County Pension Fund.
- All other information or evidence that you or your Physician submitted. If there is any information or evidence you or your Physician wish to submit that was not previously provided, you may include this information with your external review request and UnitedHealthcare will include it with the documents forwarded to the IRO.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Cook County Pension Fund. The IRO will provide written notice of its determination (the "Final External Review Decision") within 45 days after it receives the request for the external review (unless they request additional time and you agree). The IRO will deliver the notice of Final External Review Decision to you and UnitedHealthcare, and it will include the clinical basis for the determination.

Upon receipt of a Final External Review Decision reversing Cook County Pension Fund's determination, the Plan will immediately provide coverage or payment for the benefit claim at issue in accordance with the terms and conditions of the Plan, and any applicable law regarding plan remedies. If the Final External Review Decision is that payment or referral will not be made, the Plan will not be obligated to provide Benefits for the health care service or procedure.

Expedited External Review

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time periods for completing certain portions of the review process are much shorter, and in some instances you may file an expedited external review before completing the internal appeals process.

You may make a written or verbal request for an expedited external review if you receive either of the following:

- An adverse benefit determination of a claim or appeal if the adverse benefit determination involves a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function and you have filed a request for an expedited internal appeal.
- A final appeal decision, if the determination involves a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the

life or health of the individual or would jeopardize the individual's ability to regain maximum function, or if the final appeal decision concerns an admission, availability of care, continued stay, or health care service, procedure or product for which the individual received emergency services, but has not been discharged from a facility.

Immediately upon receipt of the request, UnitedHealthcare will determine whether the individual meets both of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the review, UnitedHealthcare will immediately send a notice in writing to you. Upon a determination that a request is eligible for expedited external review, UnitedHealthcare will assign an IRO in the same manner UnitedHealthcare utilizes to assign standard external reviews to IROs. UnitedHealthcare will provide all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method. The IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the same type of information and documents considered in a standard external review.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Cook County Pension Fund. The IRO will provide notice of the final external review decision for an expedited external review as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request. If the initial notice is not in writing, within 48 hours after the date of providing the initial notice, the assigned IRO will provide written confirmation of the decision to you and to UnitedHealthcare.

You may contact UnitedHealthcare at the toll-free number on your ID card for more information regarding external review rights, or if making a verbal request for an expedited external review.

Timing of Appeals Determinations

Separate schedules apply to the timing of claims appeals, depending on the type of claim. There are three types of claims:

- Urgent care request for Benefits - a request for Benefits provided in connection with urgent care services.
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-urgent care is provided.
- Post-Service - a claim for reimbursement of the cost of non-urgent care that has already been provided.

Please note that the decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in the Claims Administrator's decision letter to you.

Limitation of Action

You cannot bring any legal action against Cook County Pension Fund or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against Cook County Pension Fund or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against Cook County Pension Fund or the Claims Administrator.

You cannot bring any legal action against Cook County Pension Fund or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against Cook County Pension Fund or the Claims Administrator you must do so within three years of the date you are notified of the final decision on your appeal or you lose any rights to bring such an action against Cook County Pension Fund or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

What this section includes:

- How your Benefits under this Plan coordinate with other medical plans.
- How coverage is affected if you become eligible for Medicare.
- Procedures in the event the Plan overpays Benefits.

Coordination of Benefits (COB) applies to you if you are covered by more than one health benefits plan, including any one of the following:

- Another employer sponsored health benefits plan.
- A medical component of a group long-term care plan, such as skilled nursing care.
- No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
- Medical payment benefits under any premises liability or other types of liability coverage.
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The secondary plan may determine its benefits based on the benefits paid by the primary plan.

Don't forget to update your Dependents' Medical Coverage Information
Avoid delays on your Dependent claims by updating your Dependent's medical coverage information. Just log on to **www.myuhc.com** or call the toll-free number on your ID card to update your COB information. You will need the name of your Dependent's other medical coverage, along with the policy number.

Determining Which Plan is Primary

If you are covered by two or more plans, the benefit payment follows the rules below in this order:

- This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
- When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
- A plan that covers a person as an employee pays benefits before a plan that covers the person as a dependent.
- If you are receiving COBRA continuation coverage under another employer plan, this Plan will pay Benefits first.

- Your dependent children will receive primary coverage from the parent whose birth date occurs first in a calendar year. If both parents have the same birth date, the plan that pays benefits first is the one that has been in effect the longest. This birthday rule applies only if:
  - The parents are married or living together whether or not they have ever been married and not legally separated.
  - A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.
- If two or more plans cover a dependent child of divorced or separated parents and if there is no court decree stating that one parent is responsible for health care, the child will be covered under the plan of:
  - The parent with custody of the child; then
  - The Spouse of the parent with custody of the child; then
  - The parent not having custody of the child; then
  - The Spouse of the parent not having custody of the child.
- Plans for active employees pay before plans covering laid-off or retired employees.
- The plan that has covered the individual claimant the longest will pay first.
- Finally, if none of the above rules determines which plan is primary or secondary, the allowable expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the primary Plan.

The following examples illustrate how the Plan determines which plan pays first and which plan pays second.

When This Plan is Secondary

If this Plan is secondary, to any plan other than Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

- The Plan determines the amount it would have paid based on its contract.
- If this Plan would have paid less than the primary plan paid, the Plan pays no Benefits.
- If this Plan would have paid more than the primary plan paid, the Plan will pay the difference.

You will be responsible for any Copay or Coinsurance payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the total allowable expense.

Determining the Allowable Expense If This Plan is Secondary

If this Plan is secondary and the expense meets the definition of a Covered Health Service under this Plan, the allowable expense is the primary plan's Network rate. If the primary plan bases its reimbursement on reasonable and customary charges, the allowable expense is the

primary plan's reasonable and customary charge. If both the primary plan and this Plan do not have a contracted rate, the allowable expense will be the greater of the two plans' reasonable and customary charges.

When the provider is a Network provider for both the primary plan and this Plan, the allowable expense is the primary plan's network rate. When the provider is a network provider for the primary plan and a non-Network provider for this Plan, the allowable expense is the primary plan's network rate. When the provider is a non-Network provider for the primary plan and a Network provider for this Plan, the allowable expense is the reasonable and customary charges allowed by the primary plan. When the provider is a non-Network provider for both the primary plan and this Plan, the allowable expense is the greater of the two Plans' reasonable and customary charges.

What is an allowable expense?
For purposes of COB, an allowable expense is a health care expense that meets the definition of a Covered Health Service under this Plan.

When a Covered Person Qualifies for Medicare

Determining Which Plan is Primary

To the extent permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, Civil Unions are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.
- Disabled individuals under age 65 with current employment status and their Dependents under age 65.

Determining the Allowable Expense When This Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the allowable expense, as long as the provider accepts Medicare. If the provider does not accept Medicare, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare) will be the allowable expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total allowable expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from a provider that does not participate in the Medicare program, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, for administrative convenience UnitedHealthcare in its sole discretion may treat the provider's billed charges as the

allowable expense for both the Plan and Medicare, rather than the Medicare approved amount or Medicare limiting charge.

If This Plan is Secondary to Medicare

If this Plan is secondary to Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

- The Plan determines the amount it would have paid based on its contract.
- If this Plan would have paid more than the primary plan paid, the Plan will pay the difference less any applicable Deductible, Coinsurance and Copay requirements of the Plan.

Medicare Cross-Over Program

The Plan offers a Medicare Cross-over Program for Medicare Part A and Part B and Durable Medical Equipment (DME) claims. If you enroll for this program, you no longer have to file a separate claim with the Plan to receive secondary benefits for these expenses.

Once the Medicare Part A and Part B and DME carriers have reimbursed your health care provider, the Medicare carrier will electronically submit the necessary information to the Claims Administrator to process the balance of your claim under the provisions of this Plan.

To participate in the Medicare Cross-over Program, you must complete a special form authorizing this service and submit it to the Claims Administrator. Your Spouse also can enroll for this program, as long as he or she is eligible for Medicare and this Plan is your only secondary medical coverage.

You can verify that the automated cross-over is in place when your copy of the explanation of Medicare benefits (EOMB) states your claim has been forwarded to your secondary carrier. Until this message appears, you must continue to file secondary claims with the Claims Administrator.

This cross-over process does not apply to expenses that Medicare does not cover. You must continue to file claims for these expenses.

For information about enrollment or if you have questions about the program, call the telephone number listed on the back of your ID card.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. UnitedHealthcare may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

UnitedHealthcare does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give UnitedHealthcare any facts needed to apply those rules and determine benefits payable. If you do not provide UnitedHealthcare

the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that UnitedHealthcare should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Company may recover the amount in the form of salary, wages, or benefits payable under any Company-sponsored benefit plans, including this Plan. The Company also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, UnitedHealthcare reserves the right to recover the excess amount from the provider pursuant to *Refund of Overpayments*, below.

Refund of Overpayments

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by the Covered Person, but all or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help the Plan get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits for the Covered Person that are payable under the Plan; (ii) future Benefits that are payable to other Covered Persons under the Plan; or (iii) future benefits that are payable for services provided to persons under other plans for which UnitedHealthcare makes payments, with the understanding that UnitedHealthcare will then reimburse the Plan the amount of the reallocated payment. The reallocated payment amount will equal the amount of the required refund or, if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan. The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement. References to "you" or "your" in this Subrogation and Reimbursement section shall include you, your estate and your heirs and beneficiaries unless otherwise stated.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which any third party is allegedly to be responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which any third party is considered responsible.

Subrogation – Example
Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you receive for that Sickness or Injury. The right of reimbursement shall apply to any Benefits received at any time until the rights are extinguished, resolved or waived in writing.

Reimbursement – Example
Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor in a workers' compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide Benefits or payments to you, including Benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

- Any person or entity against whom you may have any claim for professional and/or legal malpractice arising out of or connected to a Sickness or Injury you allege or could have alleged were the responsibility of any third party.
- Any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
  - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable.
  - Providing any relevant information requested by the Plan.
  - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
  - Responding to requests for information about any accident or injuries.
  - Making court appearances.
  - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
  - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against any third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, your estate, your heirs and beneficiaries, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.

- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.
- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you and/or your representative shall hold those funds in trust, either in a separate bank account in your name or in your representative's trust account.
- By participating in and accepting Benefits from the Plan, you agree that (i) any amounts recovered by you from any third party shall constitute Plan assets to the extent of the amount of Plan Benefits provided on behalf of the Covered Person, (ii) you and your representative shall be fiduciaries of the Plan (within the meaning of ERISA) with respect to such amounts, and (iii) you shall be liable for and agree to pay any costs and fees (including reasonable attorney fees) incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- By participating in and accepting Benefits from the Plan, you agree to assign to the Plan any Benefits, claims or rights of recovery you have under any automobile policy - including no-fault Benefits, PIP Benefits and/or medical payment Benefits - other coverage or against any third party, to the full extent of the Benefits the Plan has paid for the Sickness or Injury. By agreeing to provide this assignment in exchange for participating in and accepting Benefits, you acknowledge and recognize the Plan's right to assert, pursue and recover on any such claim, whether or not you choose to pursue the claim, and you agree to this assignment voluntarily.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party; filing an ERISA reimbursement lawsuit to recover the full amount of medical Benefits you receive for the Sickness or Injury out of any settlement, judgment or other recovery from any third party considered responsible and filing suit in your name or your estate's name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain. Any ERISA reimbursement lawsuit stemming from a refusal to refund Benefits as required under the terms of the Plan is governed by a six-year statute of limitations.
- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.

- In the case of your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries. In the case of your death the Plan's right of reimbursement and right of subrogation shall apply if a claim can be brought on behalf of you or your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.
- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by any third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- In the event that you do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate Benefits to you, your dependents or the [participant][employee], deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.
- The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of benefits to you or your Dependent during the time period of meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 12 - WHEN COVERAGE ENDS

What this section includes:
- Circumstances that cause coverage to end.
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, Cook County Pension Fund will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended.

Your coverage under the Plan will end on the earliest of:

- The date of your death.
- The date the Plan ends.
- The last day of the month you stop making the required contributions.
- The last day of the month you are no longer eligible.
- The last day of the month UnitedHealthcare receives written notice from Cook County Pension Fund to end your coverage, or the date requested in the notice, if later.

Coverage for your eligible Dependents will end on the earliest of:

- The date your coverage ends, except that coverage will continue for your Dependents in the event of your death, subject to the remaining provisions on this list.
- The last day of the month you stop making the required contributions.
- The last day of the month UnitedHealthcare receives written notice from Cook County Pension Fund to end your coverage, or the date requested in the notice, if later.
- The last day of the month your Dependents no longer qualify as Dependents under this Plan.

Other Events Ending Your Coverage

The Plan will provide at least thirty days' prior written notice to you that your coverage will end on the date identified in the notice if you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the 30-day notice period. The notice will contain information on how to pursue your appeal.

Note: If UnitedHealthcare and Cook County Pension Fund find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional

misrepresentation of material fact, Cook County Pension Fund has the right to demand that you pay back all Benefits Cook County Pension Fund paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Child

If an unmarried enrolled Dependent child with a mental or physical disability reaches an age when coverage would otherwise end, the Plan will continue to cover the child, as long as:

- The child is unable to be self-supporting due to a mental or physical handicap or disability.
- The child depends mainly on you for support.
- You provide to Cook County Pension Fund proof of the child's incapacity and dependency within 31 days of the date coverage would have otherwise ended because the child reached a certain age.
- You provide proof, upon Cook County Pension Fund's request, that the child continues to meet these conditions.

The proof might include medical examinations at Cook County Pension Fund's expense. However, you will not be asked for this information more than once a year. If you do not supply such proof within 31 days, the Plan will no longer pay Benefits for that child.

Coverage will continue, as long as the enrolled Dependent is incapacitated and dependent upon you, unless coverage is otherwise terminated in accordance with the terms of the Plan.

Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 31 days, the Participant may not be required to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- The 24 month period beginning on the date of the Participant's absence from work.
- The day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

SECTION 13 - OTHER IMPORTANT INFORMATION

What this section includes:

- Court-ordered Benefits for Dependent children.
- Your relationship with UnitedHealthcare and Cook County Pension Fund.
- Relationships with providers.
- Interpretation of Benefits.
- Information and records.
- Incentives to providers and you.
- The future of the Plan.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and Cook County Pension Fund

In order to make choices about your health care coverage and treatment, Cook County Pension Fund believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- Cook County Pension Fund and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions.
- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD).

- The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

Cook County Pension Fund and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. Cook County Pension Fund and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. Cook County Pension Fund and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The relationships between Cook County Pension Fund, UnitedHealthcare and Network providers are solely contractual relationships between independent contractors. Network providers are not Cook County Pension Fund's agents or employees, nor are they agents or employees of UnitedHealthcare. Cook County Pension Fund and any of its employees are not agents or employees of Network providers, nor are UnitedHealthcare and any of its employees agents or employees of Network providers.

Cook County Pension Fund and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, Cook County Pension Fund and UnitedHealthcare arrange for health care providers to participate in a Network and pay Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not Cook County Pension Fund's employees nor are they employees of UnitedHealthcare. Cook County Pension Fund and UnitedHealthcare do not have any other relationship with Network providers such as principal-agent or joint venture. Cook County Pension Fund and UnitedHealthcare are not liable for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

Cook County Pension Fund is solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of Benefits.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- Are responsible for choosing your own provider.

- Are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance and any amount that exceeds Eligible Expenses.
- Are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.
- Must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred).
- Must decide with your provider what care you should receive.

Interpretation of Benefits

Cook County Pension Fund and UnitedHealthcare have the sole and exclusive discretion to:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

Cook County Pension Fund and UnitedHealthcare may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, Cook County Pension Fund may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Cook County Pension Fund does so in any particular case shall not in any way be deemed to require Cook County Pension Fund to do so in other similar cases.

Information and Records

Cook County Pension Fund and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. Cook County Pension Fund and UnitedHealthcare may request additional information from you to decide your claim for Benefits. Cook County Pension Fund and UnitedHealthcare will keep this information confidential. Cook County Pension Fund and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish Cook County Pension Fund and UnitedHealthcare with all information or copies of records relating to the services provided to you. Cook County Pension Fund and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. Cook County Pension Fund and UnitedHealthcare agree that such information and records will be considered confidential.

Cook County Pension Fund and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as Cook County Pension Fund is required to do by law or regulation. During and after the term of the Plan, Cook County Pension Fund and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements Cook County Pension Fund recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, Cook County Pension Fund and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.
- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

If you have any questions regarding financial incentives you may contact the telephone number on your ID card. You can ask whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed. In addition, you may choose to discuss these financial incentives with your Network provider.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but Cook County Pension Fund recommends that you discuss participating in such programs with your Physician. These incentives are not

Benefits and do not alter or affect your Benefits. You may call the number on the back of your ID card if you have any questions.

Rebates and Other Payments

Cook County Pension Fund and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. Cook County Pension Fund and UnitedHealthcare do not pass these rebates on to you, nor are they taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Fund's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Fund does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

  Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.

UnitedHealthcare develops the reimbursement policy guidelines, in UnitedHealthcare's discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the *Current Procedural Terminology (CPT)*, a publication of the *American Medical Association*, and/or the *Centers for Medicare and Medicaid Services (CMS)*.

- Not approved by the *U.S. Food and Drug Administration (FDA)* to be lawfully marketed for the proposed use and not identified in the *American Hospital Formulary Service* or the *United States Pharmacopoeia Dispensing Information* as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use. (Devices which are *FDA* approved under the *Humanitarian Use Device* exemption are not considered to be Experimental or Investigational.)
- The subject of an ongoing Clinical Trial that meets the definition of a Phase I, II or III Clinical Trial set forth in the *FDA* regulations, regardless of whether the trial is actually subject to *FDA* oversight.

Exceptions:

- Clinical Trials for which Benefits are available as described under *Clinical Trials* in Section 6, *Additional Coverage Details*.
- If you are not a participant in a qualifying Clinical Trial as described under Section 6, *Additional Coverage Details,* and have a Sickness or condition that is likely to cause death within one year of the request for treatment, the Claims Administrator and Cook County Pension Fund may, at their discretion, consider an otherwise Experimental or Investigational Service to be a Covered Health Service for that Sickness or condition. Prior to such consideration, the Claims Administrator and Cook County Pension Fund must determine that, although unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Explanation of Benefits (EOB) - a statement provided by UnitedHealthcare to you, your Physician, or another health care professional that explains:

- The Benefits provided (if any).
- The allowable reimbursement amounts.

- It is primarily engaged in providing health services, on an inpatient basis, for the acute care and treatment of sick or injured individuals. Care is provided through medical, mental health, substance-related and addictive disorders, diagnostic and surgical facilities, by or under the supervision of a staff of Physicians.
- It has 24-hour nursing services.

A Hospital is not primarily a place for rest, Custodial Care or care of the aged and is not a nursing home, convalescent home or similar institution.

Injury - bodily damage other than Sickness, including all related conditions and recurrent symptoms.

Inpatient Rehabilitation Facility - a long term acute rehabilitation center, a Hospital (or a special unit of a Hospital designated as an Inpatient Rehabilitation Facility) that provides rehabilitation services (including physical therapy, occupational therapy and/or speech therapy) on an inpatient basis, as authorized by law.

Mental Health Services - Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance Use Disorder (MH/SUD) Administrator - the organization or individual designated by Cook County Pension Fund who provides or arranges Mental Health and Substance Use Disorder Services under the Plan.

Mental Illness - mental health or psychiatric diagnostic categories listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless they are listed in Section 8, *Exclusions and Limitations*.

Network - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - for Benefit Plans that have a Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Network Benefits and Section 3, *How the Plan Works*, for details about how Network Benefits apply.

Out-of-Pocket Maximum amount. See Section 3, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

Physician - any *Doctor of Medicine* or *Doctor of Osteopathy* who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan - The Cook County Pension Fund Health Plan.

Plan Administrator - Cook County & Forest Preserve District Annuity & Benefit Fund or its designee.

Plan Sponsor - Cook County & Forest Preserve District Annuity & Benefit Fund.

- Prenatal care.

Private Duty Nursing - nursing care that is provided to a patient on a one-to-one basis by licensed nurses in a home setting when any of the following are true:

- No skilled services are identified.
- Skilled nursing resources are available in the facility.
- The skilled care can be provided by a Home Health Agency on a per visit basis for a specific purpose.
- The service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on a home-care basis, whether the service is skilled or non-skilled independent nursing.

Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Residential Treatment Facility - a facility which provides a program of effective Mental Health Services or Substance Use Disorder Services treatment and which meets all of the following requirements:

- It is established and operated in accordance with applicable state law for Residential Treatment programs.
- It provides a program of treatment under the active participation and direction of a Physician and approved by the Mental Health/Substance-Related and Addictive Disorders Services Administrator.
- It has or maintains a written, specific and detailed treatment program requiring full-time residence and full-time participation by the patient.
- It provides at least the following basic services in a 24-hour per day, structured milieu:
  - Room and board.
  - Evaluation and diagnosis.
  - Counseling.
  - Referral and orientation to specialized community resources.

A Residential Treatment Facility that qualifies as a Hospital is considered a Hospital.

Retired Employee - an Employee who retires while covered under the Plan.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - a program in which UnitedHealthcare may obtain a discount to a non-Network provider's billed charges. This discount is usually based on a schedule previously agreed to by the non-Network provider. When this happens, you may experience lower out-of-pocket amounts. Plan coinsurance and deductibles would still apply to the reduced charge. Sometimes Plan provisions or administrative practices conflict with the scheduled rate, and a different rate is determined by UnitedHealthcare. In this case the non-Network provider may bill you for the difference between the billed amount and the rate determined by UnitedHealthcare. If this happens you should call the number on your ID Card. Shared Savings Program providers are not Network providers and are not credentialed by UnitedHealthcare.

Sickness - physical illness, disease or Pregnancy. The term Sickness as used in this SPD includes Mental Illness or substance-related and addictive disorders, regardless of the cause or origin of the Mental Illness or substance-related and addictive disorder.

Skilled Care - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

Skilled Nursing Facility - a Hospital or nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Specialist Physician - a Physician who has a majority of his or her practice in areas other than general pediatrics, internal medicine, obstetrics/gynecology, family practice or general medicine.

Spouse or Civil Union - an individual to whom you are legally married or, your partner in a Civil Union, as defined in this section.

Substance Use Disorder Services - Covered Health Services for the diagnosis and treatment of alcoholism and substance-related and addictive disorders that are listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless those services are specifically excluded. The fact that a disorder is listed in the *Diagnostic and*

Statistical Manual of the American Psychiatric Association does not mean that treatment of the disorder is a Covered Health Service.

Transitional Living - Mental Health Services and Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision that are either:

- Sober living arrangements such as drug-free housing, alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.
- Supervised living arrangement which are residences such as transitional living facilities, group homes and supervised apartments that provide members with stable and safe housing and the opportunity to learn how to manage their activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

Unproven Services - health services, including medications that are determined not to be effective for treatment of the medical condition and/or not to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials are two or more treatments compared to each other, with the patient not being allowed to choose which treatment is received.
- Well-conducted cohort studies from more than one institution are studies in which patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at **www.myuhc.com**.

Please note:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare and Cook County Pension Fund may, at their discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare and Cook County Pension Fund must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare's and Cook County Pension Fund's discretion. Other apparently similar promising but unproven services may not qualify.

Urgent Care - treatment of an unexpected Sickness or Injury that is not life-threatening but requires outpatient medical care that cannot be postponed. An urgent situation requires prompt medical attention to avoid complications and unnecessary suffering, such as high fever, a skin rash, or an ear infection.

Urgent Care Center - a facility that provides Urgent Care services, as previously defined in this section. In general, Urgent Care Centers:

- Do not require an appointment.
- Are open outside of normal business hours, so you can get medical attention for minor illnesses that occur at night or on weekends.
- Provide an alternative if you need immediate medical attention, but your Physician cannot see you right away.

SECTION 15 - IMPORTANT ADMINISTRATIVE INFORMATION

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- Surgery and reconstruction of the other breast to produce a symmetrical appearance.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. ADDENDUM - UNITEDHEALTH ALLIES

Introduction

This Addendum to the Summary Plan Description provides discounts for select non-Covered Health Services from Physicians and health care professionals.

When the words "you" and "your" are used the Plan is referring to people who are Covered Persons as the term is defined in the Summary Plan Description (SPD). See Section 14, *Glossary* in the SPD.

> *Important*:
> UnitedHealth Allies is not a health insurance plan. You are responsible for the full cost of any services purchased, minus the applicable discount. Always use your health insurance plan for Covered Health Services described in the Summary Plan Description (see Section 5, *Plan Highlights*) when a benefit is available.

What is UnitedHealth Allies?

UnitedHealth Allies is a health value program that offers savings on certain products and services that are not Covered Health Services under your health plan.

Because this is not a health insurance plan, you are not required to receive a referral or submit any claim forms.

Discounts through UnitedHealth Allies are available to you and your Dependents as defined in the Summary Plan Description in Section 14, *Glossary*.

Selecting a Discounted Product or Service

A list of available discounted products or services can be viewed online at **www.healthallies.com** or by calling the number on the back of your ID card.

After selecting a health care professional and product or service, reserve the preferred rate and print the rate confirmation letter. If you have reserved a product or service with a customer service representative, the rate confirmation letter will be faxed or mailed to you.

> *Important*:
> You must present the rate confirmation at the time of receiving the product or service in order to receive the discount.

Visiting Your Selected Health Care Professional

After reserving a preferred rate, make an appointment directly with the health care professional. Your appointment must be within ninety (90) days of the date on your rate confirmation letter.

Present the rate confirmation and your ID card at the time you receive the service. You will be required to pay the preferred rate directly to the health care professional at the time the service is received.

Additional UnitedHealth Allies Information

Additional information on the UnitedHealth Allies program can be obtained online at **www.healthallies.com** or by calling the toll-free phone number on the back of your ID card.

ADDENDUM - PARENTSTEPS®

Introduction

This Addendum to the Summary Plan Description illustrates the benefits you may be eligible for under the ParentSteps® program.

When the words "you" and "your" are used the Plan is referring to people who are Covered Persons as the term is defined in the Summary Plan Description (SPD). See Section 14, *Glossary* in the SPD.

> *Important*:
> ParentSteps® is not a health insurance plan. You are responsible for the full cost of any services purchased. ParentSteps® will collect the provider payment from you online via the ParentSteps® website and forward the payment to the provider on your behalf. Always use your health insurance plan for Covered Health Services described in the Summary Plan Description Section 5, *Plan Highlights* when a benefit is available.

What is ParentSteps®?

ParentSteps® is a discount program that offers savings on certain medications and services for the treatment of infertility that are not Covered Health Services under your health plan.

This program also offers:

- Guidance to help you make informed decisions on where to receive care.
- Education and support resources through experienced infertility nurses.
- Access to providers contracted with UnitedHealthcare that offer discounts for infertility medical services.
- Discounts on select medications when filled through a designated pharmacy partner.

Because this is not a health insurance plan, you are not required to receive a referral or submit any claim forms.

Discounts through this program are available to you and your Dependents. Dependents are defined in the Summary Plan Description in Section 14, *Glossary*.

Registering for ParentSteps®

Prior to obtaining discounts on infertility medical treatment or speaking with an infertility nurse you need to register for the program online at **www.myoptumhealthparentsteps.com** or by calling ParentSteps® toll-free at 1-877-801-3507.

Selecting a Contracted Provider

After registering for the program you can view ParentSteps® facilities and clinics online based on location, compare IVF cycle outcome data for each participating provider and see

the specific rates negotiated by ParentSteps® with each provider for select types of infertility treatment in order to make an informed decision.

Visiting Your Selected Health Care Professional

Once you have selected a provider, you will be asked to choose that clinic for a consultation. You should then call and make an appointment with that clinic and mention you are a ParentSteps® member. ParentSteps® will validate your choice and send a validation email to you and the clinic.

Obtaining a Discount

If you and your provider choose a treatment in which ParentSteps® discounts apply, the provider will enter in your proposed course of treatment. ParentSteps® will alert you, via email, that treatment has been assigned. Once you log in to the ParentSteps® website, you will see your treatment plan with a cost breakdown for your review.

After reviewing the treatment plan and determining it is correct you can pay for the treatment online. Once this payment has been made successfully ParentSteps® will notify your provider with a statement saying that treatments may begin.

Speaking with a Nurse

Once you have successfully registered for the ParentSteps® program you may receive additional educational and support resources through an experienced infertility nurse. You may even work with a single nurse throughout your treatment if you choose.

For questions about diagnosis, treatment options, your plan of care or general support, please contact a ParentSteps® nurse via phone (toll-free) by calling 1-866-774-4626.

ParentSteps® nurses are available from 8 a.m. to 5 p.m. Central Time; Monday through Friday, excluding holidays.

Additional ParentSteps® Information

Additional information on the ParentSteps® program can be obtained online at **www.myoptumhealthparentsteps.com** or by calling 1-877-801-3507 (toll-free).

Cook County & Forest Preserve District Annuity & Benefit Fund (referred to in this SPD as Cook County Pension Fund) is pleased to provide you with this Summary Plan Description (SPD), which describes the health Benefits available to you and your covered family members. It includes summaries of:

- who is eligible;
- services that are covered, called Covered Health Services;
- services that are not covered, called Exclusions;
- how Benefits are paid; and
- your rights and responsibilities under the Plan.

This SPD is designed to meet your information needs. It supersedes any previous printed or electronic SPD for this Plan.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Cook County Pension Fund is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Plan works. If you have questions contact Cook County Health Benefits at (312) 603-1200 or call the number on the back of your ID card.

How to Use This SPD

- Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.
- Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.
- You can request printed copies of your SPD and any future amendments by contacting Cook County Health Benefits at (312) 603-1200.
- Capitalized words in the SPD have special meanings and are defined in Section 14, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, *Glossary*.
- Cook County Pension Fund is also referred to as Company.

SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan.
- The factors that impact your cost for coverage.
- Instructions and timeframes for enrolling yourself and your eligible Dependents.
- When coverage begins.
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are an "Annuitant" as defined in Section 9-239 of the Illinois Pension Code (40 ILCS 5/9-239) and provided that you were been last employed with Cook County or the Forest Preserve District.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- your Spouse, as defined in Section 14, *Glossary*;
- your or your Spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian;
- an unmarried child up age 30 if he or she:
  - lives within the State of Illinois; and
  - has served as an active or reserve member of any branch of the Armed Forces of the United States; and
  - has received a release or discharge other than a dishonorable discharge; or
- an unmarried child age 26 or over who is disabled and dependent upon you and enrolled in the plan before age 26.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and Cook County Pension Fund share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Note: The Internal Revenue Service generally does not consider Civil Unions and their children eligible Dependents. Therefore, the value of Cook County Pension Fund's cost in covering a Civil Union may be imputed to the Participant as income.

Your contributions are subject to review and Cook County Pension Fund reserves the right to change your contribution amount from time to time.

You can obtain current contribution rates by calling Cook County Pension Fund Health Benefits at (312) 603-1200.

How to Enroll

To enroll, call Cook County Pension Fund Health Benefits at (312) 603-1200 within 31 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 31 days, you will need to wait until the next annual Open Enrollment to make your benefit elections.

Each year during annual Open Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Open Enrollment will become effective the following January 1.

Important
If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact Cook County Pension Fund Health Benefits within 31 days of the event. Otherwise, you will need to wait until the next annual Open Enrollment to change your elections.

When Coverage Begins

Once Cook County Pension Fund Health Benefits receives your properly completed enrollment, coverage will begin on the first day of the month following your date of retirement. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the date of your marriage, provided you notify Cook County Pension Fund Health Benefits within 31 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify Cook County Pension Fund Health Benefits within 31 days of the birth, adoption, or placement.

If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan.

You should notify UnitedHealthcare within 48 hours of the day your coverage begins, or as soon as is reasonably possible. Network Benefits are available only if you receive Covered Health Services from Network providers.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- your marriage, divorce, legal separation or annulment;
- the birth, adoption, placement for adoption or legal guardianship of a child;
- a change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan;
- loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis;
- the death of a Dependent;
- your Dependent child no longer qualifying as an eligible Dependent;
- a change in your or your Spouse's position or work schedule that impacts eligibility for health coverage;
- contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer);
- you or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent;
- benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent;
- termination of your or your Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage as a result of loss of eligibility (you must contact Cook County Health Benefits within 60 days of termination);
- you or your Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP (you must contact Cook County Health Benefits within 60 days of determination of subsidy eligibility); or
- a court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact Cook County Pension Fund Health Benefits within 31 days of the change in family status. Otherwise, you will need to wait until the next annual Open Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 18 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example

Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Cook County Pension Fund's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under Cook County Pension Fund's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits.
- Eligible Expenses.
- Annual Deductible.
- Copayment.
- Coinsurance.
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Physician or health care professional you prefer each time you need to receive Covered Health Services. The choices you make affect the amounts you pay, as well as the level of Benefits you receive and any benefit limitations that may apply.

You are eligible for the Network level of Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You can choose to receive Network Benefits or Non-Network Benefits.

Network Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider.

Emergency Health Services are always paid as Network Benefits. For facility charges, these are Benefits for Covered Health Services that are billed by a Network facility and provided under the direction of either a Network or non-Network Physician or other provider. Network Benefits include Physician services provided in a Network facility by a Network or a non-Network Emergency room Physician, radiologist, anesthesiologist or pathologist.

Non-Network Benefits apply to Covered Health Services that are provided by a non-Network Physician or other non-Network provider, or Covered Health Services that are provided at a non-Network facility.

Depending on the geographic area and the service you receive, you may have access through UnitedHealthcare's Shared Savings Program to non-Network providers who have agreed to discounts negotiated from their charges on certain claims for Covered Health Services. Refer to the definition of Shared Savings Program in Section 14, *Glossary*, of the SPD for details about how the Shared Savings Program applies.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way

of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Generally, when you receive Covered Health Services from a Network provider, you pay less than you would if you receive the same care from a non-Network provider. Therefore, in most instances, your out-of-pocket expenses will be less if you use a Network provider.

If you choose to seek care outside the Network, the Plan generally pays Benefits at a lower level. You are required to pay the amount that exceeds the Eligible Expense. The amount in excess of the Eligible Expense could be significant, and this amount does not apply to the Out-of-Pocket Maximum. You may want to ask the non-Network provider about their billed charges before you receive care.

Health Services from Non-Network Providers Paid as Network Benefits

If specific Covered Health Services are not available from a Network provider, you may be eligible to receive Network Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify UnitedHealthcare, and if UnitedHealthcare confirms that care is not available from a Network provider, UnitedHealthcare will work with you and your Network Physician to coordinate care through a non-Network provider.

Looking for a Network Provider?
In addition to other helpful information, **www.myuhc.com,** UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, **www.myuhc.com** has the most current source of Network information. Use **www.myuhc.com** to search for Physicians available in your Plan.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of Network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto **www.myuhc.com**.

Network providers are independent practitioners and are not employees of Cook County Pension Fund or UnitedHealthcare.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling UnitedHealthcare. A directory of providers is available online at **www.myuhc.com** or by calling the number on your ID card to request a copy.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular

Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Network Benefits.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact UnitedHealthcare at the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of UnitedHealthcare's products. Refer to your provider directory or contact UnitedHealthcare at the number on your ID card for assistance.

Don't Forget Your ID Card
Remember to show your ID card every time you receive health care services from a provider. If you do not show your ID card, a provider has no way of knowing that you are enrolled under the Plan.

Designated Provider

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Provider chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a Designated Provider, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Network Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider chosen by UnitedHealthcare.

You or your Network Physician must notify UnitedHealthcare of special service needs (such as transplants or cancer treatment) that might warrant referral to a Designated Provider. If you do not notify UnitedHealthcare in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Provider) or other non-Network provider, Network Benefits will not be paid. Non-Network Benefits may be available if the special needs services you receive are Covered Health Services for which Benefits are provided under the Plan.

Limitations on Selection of Providers

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to provide and coordinate all of your future Covered Health Services. If you don't make a selection within

31 days of the date you are notified, UnitedHealthcare will select a single Network Physician for you. In the event that you do not use the selected Network Physician Covered Health Services will be paid as Non-Network Benefits.

Eligible Expenses

Cook County Pension Fund has delegated to UnitedHealthcare the initial discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount UnitedHealthcare determines that UnitedHealthcare will pay for Benefits. For Network Benefits, you are not responsible for any difference between Eligible Expenses and the amount the provider bills. For Network Benefits for Covered Health Services provided by a non-Network provider (other than Emergency Health Services or services otherwise arranged by UnitedHealthcare), you will be responsible to the non-Network Physician or provider for any amount billed that is greater than the amount UnitedHealthcare determines to be an Eligible Expense as described below.

For Non-Network Benefits, you are responsible for paying, directly to the non-Network provider, any difference between the amount the provider bills you and the amount UnitedHealthcare will pay for Eligible Expenses. Eligible Expenses are determined solely in accordance with UnitedHealthcare's reimbursement policy guidelines, as described in this SPD.

For Network Benefits, Eligible Expenses are based on the following:

- When Covered Health Services are received from a Network provider, Eligible Expenses are UnitedHealthcare's contracted fee(s) with that provider.
- When Covered Health Services are received from a non-Network provider as arranged by UnitedHealthcare, Eligible Expenses are an amount negotiated by UnitedHealthcare or an amount permitted by law. Please contact UnitedHealthcare if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

For Non-Network Benefits, Eligible Expenses are based on either of the following:

- When Covered Health Services are received from a non-Network provider, Eligible Expenses are determined, based on:
  - Negotiated rates agreed to by the non-Network provider and either UnitedHealthcare or one of UnitedHealthcare's vendors, affiliates or subcontractors, at UnitedHealthcare's discretion.
  - If rates have not been negotiated, then one of the following amounts:
    - For Covered Health Services other than Pharmaceutical Products, Eligible Expenses are determined based on available data resources of competitive fees in that geographic area.
    - For Mental Health Services and Substance Use Disorder Services the Eligible Expense will be reduced by 25% for Covered Health Services provided by a

psychologist and by 35% for Covered Health Services provided by a masters level counselor.

- ♦ When Covered Health Services are Pharmaceutical Products, Eligible Expenses are determined based on 110% of the published rates allowed by the *Centers for Medicare and Medicaid Services (CMS)* for Medicare for the same or similar service within the geographic market.

  When a rate is not published by *CMS* for the service, UnitedHealthcare uses a gap methodology established by *OptumInsight* and/or a third party vendor that uses a relative value scale. The relative value scale is usually based on the difficulty, time, work, risk and resources of the service. If the relative value scale currently in use becomes no longer available, UnitedHealthcare will use a comparable scale(s). UnitedHealthcare and *OptumInsight* are related companies through common ownership by *UnitedHealth Group*. Refer to UnitedHealthcare's website at **www.myuhc.com** for information regarding the vendor that provides the applicable gap fill relative value scale information.

IMPORTANT NOTICE: Non-Network providers may bill you for any difference between the provider's billed charges and the Eligible Expense described here.

- ■ When Covered Health Services are received from a Network provider, Eligible Expenses are UnitedHealthcare's contracted fee(s) with that provider.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits. There are separate Network and non-Network Annual Deductibles for this Plan. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

Amounts paid toward the Annual Deductible for Covered Health Services that are subject to a visit or day limit will also be calculated against that maximum benefit limit. As a result, the limited benefit will be reduced by the number of days or visits you used toward meeting the Annual Deductible.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is a flat dollar amount and is paid at the time of service or when billed by the provider. Copays count toward the Out-of-Pocket Maximum. Copays do not count toward the Annual Deductible. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the percentage of Eligible Expenses that you are responsible for paying. Coinsurance is a fixed percentage that applies to certain Covered Health Services after you meet the Annual Deductible.

Coinsurance - Example
Let's assume that you receive Plan Benefits for outpatient surgery from a Network provider. Since the Plan pays 85% after you meet the Annual Deductible, you are responsible for paying the other 15%. This 15% is your Coinsurance.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. There are separate Network and non-Network Out-of-Pocket Maximums for this Plan. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The following table identifies what does and does not apply toward your Network and non-Network Out-of-Pocket Maximums:

Plan Features	Applies to the Network Out-of-Pocket Maximum?	Applies to the Non-Network Out-of-Pocket Maximum?
Copays	Yes	Yes
Payments toward the Annual Deductible	No	No
Coinsurance payments	Yes	Yes
Charges for non-Covered Health Services	No	No
Charges that exceed Eligible Expenses	No	No

Annual Maximum Benefit

The Annual Maximum Benefit is the maximum amount the Plan will pay each calendar year for Covered Health Services. There is a combined Annual Maximum Benefit for Network Benefits and Non-Network Benefits.

SECTION 4 - PERSONAL HEALTH SUPPORT

What this section includes:

- An overview of the Personal Health Support program.
- Covered Health Services for which you need to contact Personal Health Support.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available. A Personal Health Support Nurse is notified when you or your provider calls the number on your ID card regarding an upcoming treatment or service.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - For upcoming inpatient Hospital admissions for certain conditions, a Treatment Decision Support Nurse may call you to help answer your questions and to make sure you have the information and support you need for a successful recovery.
- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.
- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss

and share important health care information related to the participant's specific chronic or complex condition.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Requirements for Notifying Personal Health Support

Notification is required within two business days after admission or on the same day of admission if reasonably possible if you are admitted to a non-Network Hospital as a result of an Emergency.

For notification timeframes, see Section 6, *Additional Coverage Details*.

Contacting the Claims Administrator or Personal Health Support is easy.
Simply call the number on your ID card.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis (Medicare pays before the Plan pays Benefits) the notification requirements do not apply to you. Since Medicare is the primary payer, the Plan will pay as secondary payer as described in Section 10, *Coordination of Benefits (COB)*. You are not required to provide notification before receiving Covered Health Services.

These descriptions include any additional limitations that may apply, as well as Covered Health Services for which you must call the Claims Administrator or Personal Health Support. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions and Limitations*.

- Deodorants, filters and lubricants.
- Tape, appliance cleaners, adhesive and adhesive remover.

Pharmaceutical Products - Outpatient

The Plan pays for Pharmaceutical Products that are administered on an outpatient basis in a Hospital, Alternate Facility, Physician's office, or in a Covered Person's home. Examples of what would be included under this category are antibiotic injections in the Physician's office or inhaled medication in an urgent care center for treatment of an asthma attack.

Benefits under this section are provided only for Pharmaceutical Products which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional. Benefits under this section do not include medications that are typically available by prescription order or refill at a pharmacy.

Physician Fees for Surgical and Medical Services

The Plan pays Physician fees for surgical procedures and other medical care received from a Physician in a Hospital, Skilled Nursing Facility, Inpatient Rehabilitation Facility, Alternate Facility or for Physician house calls.

Physician's Office Services - Sickness and Injury

Benefits are paid by the Plan for Covered Health Services provided in a Physician's office for the diagnosis and treatment of a Sickness or Injury. Benefits are provided under this section regardless of whether the Physician's office is free-standing, located in a clinic or located in a Hospital. Benefits under this section include allergy injections and hearing exams in case of Injury or Sickness.

Covered Health Services include medical education services that are provided in a Physician's office by appropriately licensed or registered healthcare professionals when both of the following are true:

- Education is required for a disease in which patient self-management is an important component of treatment.

- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Covered Health Services include genetic counseling. Benefits are available for Genetic Testing which is ordered by the Physician and authorized in advance by UnitedHealthcare.

Benefits for preventive services are described under *Preventive Care Services* in this section.

When a test is performed or a sample is drawn in the Physician's office and then sent outside the Physician's office for analysis or testing, Benefits for lab, radiology/X-rays and other diagnostic services that are performed outside the Physician's office are described in *Lab, X-Ray and Diagnostics - Outpatient*.

Please remember for Non-Network Benefits you should notify the Claims Administrator as soon as is reasonably possible before Genetic Testing – BRCA is performed.

Please Note
Your Physician does not have a copy of your SPD, and is not responsible for knowing or communicating your Benefits.

Pregnancy - Maternity Services

Benefits for Pregnancy will be paid at the same level as Benefits for any other condition, Sickness or Injury. This includes all maternity-related medical services for prenatal care, postnatal care, delivery, and any related complications.

The Plan will pay Benefits for an Inpatient Stay of at least:

- 48 hours for the mother and newborn child following a vaginal delivery.
- 96 hours for the mother and newborn child following a cesarean section delivery.

These are federally mandated requirements under the *Newborns' and Mothers' Health Protection Act of 1996* which apply to this Plan. The Hospital or other provider is not required to get authorization for the time periods stated above. Authorizations are required for longer lengths of stay. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

Both before and during a Pregnancy, Benefits include the services of a genetic counselor when provided or referred by a Physician. These Benefits are available to all Covered Persons in the immediate family. Covered Health Services include related tests and treatment.

Please remember for Non-Network Benefits, you should notify the Claims Administrator as soon as is reasonably possible if the Inpatient Stay for the mother and/or the newborn will be longer than the timeframes indicated above.

Healthy moms and babies
The Plan provides a special prenatal program to help during Pregnancy. Participation is voluntary and free of charge. See Section 7, *Resources to Help you Stay Healthy*, for details.

Preventive Care Services

The Plan pays for services for preventive medical care provided on an outpatient basis at a Physician's office, an Alternate Facility or a Hospital.

In general, the Plan pays preventive care Benefits based on the recommendations of the *U.S. Preventive Services Task Force (USPSTF)* although other preventive care services may be covered as well. Your Physician may recommend additional services based on your family or medical history. Examples of preventive medical care are listed below and provide a guide of what is considered a Covered Health Service.

Examples of Covered Health Services for preventive care include:

Covered Preventive Care Services	
Physician Office Services	■ Routine physical including vision and hearing screenings. ■ Metabolic screening tests (including phenylketonuria (PKU)). ■ Immunizations[1]. ■ Well baby and well child care. ■ Routine gynecological exam including breast and pelvic examination, treatment of minor infections, and PAP test.
Lab, X-Ray or Other Preventive Tests	■ Mammogram. ■ Colorectal cancer screening. ■ Cervical cancer screening. ■ PSA blood test and digital rectal exam. ■ Bone mineral density tests.

[1]Covered childhood and adult immunizations include those that are recommended by the *Center for Disease Control and Prevention's Advisory Committee on Immunization Practices (ACIP)* and whose recommendations have been published in the *Center for Disease Control and Prevention's Mortality and Morbidity Weekly Report (MMWR).*

For questions about your preventive care Benefits under this Plan call the number on the back of your ID card.

Private Duty Nursing - Outpatient

The Plan covers Private Duty Nursing care given on an outpatient basis by a licensed nurse such as a Registered Nurse (R.N.), Licensed Practical Nurse (L.P.N.), or Licensed Vocational Nurse (L.V.N.).

Any combination of Network Benefits and Non-Network Benefits is limited to 10 days per month, but not to exceed 120 visits per calendar year.

Prosthetic Devices

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.
- Artificial face, eyes, ears and noses.
- Breast prosthesis as required by the *Women's Health and Cancer Rights Act of 1998*. Benefits include mastectomy bras and lymphedema stockings for the arm.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

For Non-Network Benefits you must notify the Claims Administrator before obtaining prosthetic devices that exceed $1,000 in cost per device.

Reconstructive Procedures

Reconstructive procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a reconstructive procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for reconstructive procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a reconstructive procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a reconstructive procedure.

Please remember that for Non-Network Benefits you should notify the Claims Administrator five business days before a scheduled reconstructive procedure is performed or, for non-scheduled procedures, within one business day or as soon as is reasonably possible. When you provide notification, the Claims Administrator can determine whether the service is considered reconstructive or cosmetic. Cosmetic Procedures are always excluded from coverage.

Rehabilitation Services - Outpatient Therapy and Manipulative Treatment

The Plan provides short-term outpatient rehabilitation services for the following types of therapy:

- Physical therapy.
- Occupational therapy.
- Speech therapy.
- Cognitive rehabilitation therapy following a post-traumatic brain Injury or cerebral vascular accident.
- Post-cochlear implant aural therapy.
- Manipulative Treatment.
- Pulmonary rehabilitation.

- Cardiac rehabilitation.

For all rehabilitation services, a licensed therapy provider, under the direction of a Physician (when required by state law), must perform the services. Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under Home Health Care. Rehabilitative services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if rehabilitation goals have previously been met. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed Manipulative Treatment or if treatment goals have previously been met. Benefits under this section are not available for maintenance/preventive Manipulative Treatment.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Covered Health Services that help a person keep, learn or improve skills and functioning for daily living. Habilitative services are skilled when all of the following are true:

- The services are part of a prescribed plan of treatment or maintenance program that is provided to maintain a Covered Person's current condition or to prevent or slow further decline.
- It is ordered by a Physician and provided and administered by a licensed provider.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided for Covered Persons with a disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, vocational training and Residential Treatment are not habilitative services. A service that does not help the Covered Person to meet functional goals in a treatment plan within a prescribed time frame is not a habilitative service.

The Plan may require that a treatment plan be provided, request medical records, clinical notes, or other necessary data to allow the Plan to substantiate that initial or continued medical treatment is needed. When the treating provider anticipates that continued treatment is or will be required to permit the Covered Person to achieve demonstrable progress, the Plan may request a treatment plan consisting of diagnosis, proposed treatment by type, frequency, anticipated duration of treatment, the anticipated goals of treatment, and how frequently the treatment plan will be updated.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices* in this section.

Benefits are limited to:

- 60 treatments per calendar year for physical, occupational, speech and cognitive rehabilitation therapy combined.
- 30 visits per calendar year for Manipulative Treatment (limited to chiropractor/DC provider type only).
- 36 visits per calendar year for pulmonary rehabilitation therapy.
- 36 visits per calendar year for cardiac rehabilitation therapy.

These limits apply to Network Benefits and Non-Network Benefits combined. Benefits for post-cochlear implant aural therapy do not have a limit.

Please remember for Non-Network Benefits, you should notify the Claims Administrator or Personal Health Support five business days before receiving physical therapy, occupational therapy, Manipulative Treatment and speech therapy or as soon as reasonably possible.

- Supplies and non-Physician services received during the Inpatient Stay.

Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.

- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

You are expected to improve to a predictable level of recovery. Benefits can be denied or shortened for Covered Persons who are not progressing in goal-directed rehabilitation services or if discharge rehabilitation goals have previously been met.

Disease and Condition Management Services

Disease Management Services

If you have been diagnosed with or are at risk for developing certain chronic medical conditions you may be eligible to participate in a disease management program at no cost to you. The heart failure, coronary artery disease, diabetes and asthma programs are designed to support you. This means that you will receive free educational information through the mail, and may even be called by a registered nurse who is a specialist in your specific medical condition. This nurse will be a resource to advise and help you manage your condition.

These programs offer:

- educational materials mailed to your home that provide guidance on managing your specific chronic medical condition. This may include information on symptoms, warning signs, self-management techniques, recommended exams and medications;
- access to educational and self-management resources on a consumer website;
- an opportunity for the disease management nurse to work with your Physician to ensure that you are receiving the appropriate care; and
- access to and one-on-one support from a registered nurse who specializes in your condition. Examples of support topics include:
  - education about the specific disease and condition;
  - medication management and compliance;
  - reinforcement of on-line behavior modification program goals;
  - preparation and support for upcoming Physician visits;
  - review of psychosocial services and community resources;
  - caregiver status and in-home safety;
  - use of mail-order pharmacy and Network providers.

Participation is completely voluntary and without extra charge. If you think you may be eligible to participate or would like additional information regarding the program, please contact the number on the back of your ID card.

HealtheNotes℠

UnitedHealthcare provides a service called HealtheNotes℠ to help educate members and make suggestions regarding your medical care. HealtheNotes℠ provides you and your Physician with suggestions regarding preventive care, testing or medications, potential interactions with medications you have been prescribed, and certain treatments. In addition, your HealtheNotes℠ report may include health tips and other wellness information.

UnitedHealthcare makes these suggestions through a software program that provides retrospective, claims-based identification of medical care. Through this process patients are identified whose care may benefit from suggestions using the established standards of evidence based medicine as described in Section 14, *Glossary* under the definition of Covered Health Services.

If your Physician identifies any concerns after reviewing his or her HealtheNotes℠ report, he or she may contact you if he or she believes it to be appropriate. In addition, you may use the information in your report to engage your Physician in discussions regarding your health and the identified suggestions. Any decisions regarding your care, though, are always between you and your Physician.

If you have questions or would like additional information about this service, please call the number on the back of your ID card.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on the back of your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting **www.myuhc.com** or calling the toll-free number on your ID card. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Participant.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
  - The Current Procedural Terminology (CPT) codes.
  - A description of, and the charge for, each service.
  - The date the Sickness or Injury began.
  - A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the non-Network provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

You may not assign your Benefits under the Plan to a non-Network provider without UnitedHealthcare's consent. When you assign your Benefits under the Plan to a non-Network provider with UnitedHealthcare's consent, and the non-Network provider submits a claim for payment, you and the non-Network provider represent and warrant that the Covered Health Services were actually provided and were medically appropriate.

When UnitedHealthcare has not consented to an assignment, UnitedHealthcare will send the reimbursement directly to you (the Participant) for you to reimburse the non-Network provider upon receipt of their bill. However, UnitedHealthcare reserves the right, in its discretion, to pay the non-Network provider directly for services rendered to you. When exercising its discretion with respect to payment, UnitedHealthcare may consider whether you have requested that payment of your Benefits be made directly to the non-Network provider. Under no circumstances will UnitedHealthcare pay Benefits to anyone other than you or, in its discretion, your Provider. Direct payment to a non-Network provider shall not be deemed to constitute consent by UnitedHealthcare to an assignment or to waive the consent requirement. When UnitedHealthcare in its discretion directs payment to a non-Network provider, you remain the sole beneficiary of the payment, and the non-Network provider does not thereby become a beneficiary. Accordingly, legally required notices concerning your Benefits will be directed to you, although UnitedHealthcare may in its discretion send information concerning the Benefits to the non-Network provider as well. If payment to a non-Network provider is made, the Plan reserves the right to offset Benefits to be paid to the provider by any amounts that the provider owes the Plan, pursuant to *Refund of Overpayments* in Section 10 *Coordination of Benefits*.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at **www.myuhc.com**. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion

of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at **www.myuhc.com**. See Section 14, *Glossary*, for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims
All claim forms for non-Network services must be submitted within 12 months after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by Cook County Pension Fund. This 12-month requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims
The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from Cook County Pension Fund within 60 days from receipt of the first level appeal determination.

Note: Upon written request and free of charge, any Covered Persons may examine documents relevant to their claim and/or appeals and submit opinions and comments.

Federal External Review Program

If, after exhausting your internal appeals, you are not satisfied with the determination made by Cook County Pension Fund, or if Cook County Pension Fund fails to respond to your appeal in accordance with applicable regulations regarding timing, you may be entitled to request an external review of Cook County Pension Fund's determination. The process is available at no charge to you.

If one of the above conditions is met, you may request an external review of adverse benefit determinations based upon any of the following:

- Clinical reasons.
- The exclusions for Experimental or Investigational Service(s) or Unproven Service(s).
- Rescission of coverage (coverage that was cancelled or discontinued retroactively).
- As otherwise required by applicable law.

You or your representative may request a standard external review by sending a written request to the address set out in the determination letter. You or your representative may request an expedited external review, in urgent situations as detailed below, by calling the number on your ID card or by sending a written request to the address set out in the determination letter. A request must be made within four months after the date you received Cook County Pension Fund's decision.

An external review request should include all of the following:

- A specific request for an external review.
- The Covered Person's name, address, and insurance ID number.
- Your designated representative's name and address, when applicable.
- The service that was denied.
- Any new, relevant information that was not provided during the internal appeal.

An external review will be performed by an Independent Review Organization (IRO). UnitedHealthcare has entered into agreements with three or more IROs that have agreed to perform such reviews. There are two types of external reviews available:

- A standard external review.
- An expedited external review.

Standard External Review

A standard external review is comprised of all of the following:

- A preliminary review by UnitedHealthcare of the request.
- A referral of the request by UnitedHealthcare to the IRO.
- A decision by the IRO.

Within the applicable timeframe after receipt of the request, UnitedHealthcare will complete a preliminary review to determine whether the individual for whom the request was submitted meets all of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has exhausted the applicable internal appeals process.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the preliminary review, UnitedHealthcare will issue a notification in writing to you. If the request is eligible for external review, UnitedHealthcare will assign an IRO to conduct such review. UnitedHealthcare will assign requests by either rotating claims assignments among the IROs or by using a random selection process.

The IRO will notify you in writing of the request's eligibility and acceptance for external review. You may submit in writing to the IRO within ten business days following the date of receipt of the notice additional information that the IRO will consider when conducting the external review. The IRO is not required to, but may, accept and consider additional information submitted by you after ten business days.

UnitedHealthcare will provide to the assigned IRO the documents and information considered in making Cook County Pension Fund's determination. The documents include:

- All relevant medical records.
- All other documents relied upon by Cook County Pension Fund.
- All other information or evidence that you or your Physician submitted. If there is any information or evidence you or your Physician wish to submit that was not previously provided, you may include this information with your external review request and UnitedHealthcare will include it with the documents forwarded to the IRO.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Cook County Pension Fund. The IRO will provide written notice of its determination (the "Final External Review Decision") within 45 days after it receives the request for the external review (unless they request additional time and you agree). The IRO will deliver the notice of Final External Review Decision to you and UnitedHealthcare, and it will include the clinical basis for the determination.

Upon receipt of a Final External Review Decision reversing Cook County Pension Fund's determination, the Plan will immediately provide coverage or payment for the benefit claim at issue in accordance with the terms and conditions of the Plan, and any applicable law regarding plan remedies. If the Final External Review Decision is that payment or referral will not be made, the Plan will not be obligated to provide Benefits for the health care service or procedure.

Expedited External Review

An expedited external review is similar to a standard external review. The most significant difference between the two is that the time periods for completing certain portions of the review process are much shorter, and in some instances you may file an expedited external review before completing the internal appeals process.

You may make a written or verbal request for an expedited external review if you receive either of the following:

- An adverse benefit determination of a claim or appeal if the adverse benefit determination involves a medical condition for which the time frame for completion of an expedited internal appeal would seriously jeopardize the life or health of the individual or would jeopardize the individual's ability to regain maximum function and you have filed a request for an expedited internal appeal.
- A final appeal decision, if the determination involves a medical condition where the timeframe for completion of a standard external review would seriously jeopardize the

life or health of the individual or would jeopardize the individual's ability to regain maximum function, or if the final appeal decision concerns an admission, availability of care, continued stay, or health care service, procedure or product for which the individual received emergency services, but has not been discharged from a facility.

Immediately upon receipt of the request, UnitedHealthcare will determine whether the individual meets both of the following:

- Is or was covered under the Plan at the time the health care service or procedure that is at issue in the request was provided.
- Has provided all the information and forms required so that UnitedHealthcare may process the request.

After UnitedHealthcare completes the review, UnitedHealthcare will immediately send a notice in writing to you. Upon a determination that a request is eligible for expedited external review, UnitedHealthcare will assign an IRO in the same manner UnitedHealthcare utilizes to assign standard external reviews to IROs. UnitedHealthcare will provide all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically or by telephone or facsimile or any other available expeditious method. The IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the same type of information and documents considered in a standard external review.

In reaching a decision, the IRO will review the claim anew and not be bound by any decisions or conclusions reached by Cook County Pension Fund. The IRO will provide notice of the final external review decision for an expedited external review as expeditiously as the claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request. If the initial notice is not in writing, within 48 hours after the date of providing the initial notice, the assigned IRO will provide written confirmation of the decision to you and to UnitedHealthcare.

You may contact UnitedHealthcare at the toll-free number on your ID card for more information regarding external review rights, or if making a verbal request for an expedited external review.

Timing of Appeals Determinations

Separate schedules apply to the timing of claims appeals, depending on the type of claim. There are three types of claims:

- Urgent care request for Benefits - a request for Benefits provided in connection with urgent care services.
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-urgent care is provided.
- Post-Service - a claim for reimbursement of the cost of non-urgent care that has already been provided.

Please note that the decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure.

You may have the right to external review through an *Independent Review Organization (IRO)* upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in the Claims Administrator's decision letter to you.

The tables below describe the time frames which you and UnitedHealthcare are required to follow.

Limitation of Action

You cannot bring any legal action against Cook County Pension Fund or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against Cook County Pension Fund or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against Cook County Pension Fund or the Claims Administrator.

You cannot bring any legal action against Cook County Pension Fund or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against Cook County Pension Fund or the Claims Administrator you must do so within three years of the date you are notified of the final decision on your appeal or you lose any rights to bring such an action against Cook County Pension Fund or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

What this section includes:

- How your Benefits under this Plan coordinate with other medical plans.
- How coverage is affected if you become eligible for Medicare.
- Procedures in the event the Plan overpays Benefits.

Coordination of Benefits (COB) applies to you if you are covered by more than one health benefits plan, including any one of the following:

- Another employer sponsored health benefits plan.
- A medical component of a group long-term care plan, such as skilled nursing care.
- No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
- Medical payment benefits under any premises liability or other types of liability coverage.
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The secondary plan may determine its benefits based on the benefits paid by the primary plan.

Don't forget to update your Dependents' Medical Coverage Information
Avoid delays on your Dependent claims by updating your Dependent's medical coverage information. Just log on to **www.myuhc.com** or call the toll-free number on your ID card to update your COB information. You will need the name of your Dependent's other medical coverage, along with the policy number.

Determining Which Plan is Primary

If you are covered by two or more plans, the benefit payment follows the rules below in this order:

- This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
- When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
- A plan that covers a person as an employee pays benefits before a plan that covers the person as a dependent.
- If you are receiving COBRA continuation coverage under another employer plan, this Plan will pay Benefits first.

- Your dependent children will receive primary coverage from the parent whose birth date occurs first in a calendar year. If both parents have the same birth date, the plan that pays benefits first is the one that has been in effect the longest. This birthday rule applies only if:
  - The parents are married or living together whether or not they have ever been married and not legally separated.
  - A court decree awards joint custody without specifying that one party has the responsibility to provide health care coverage.
- If two or more plans cover a dependent child of divorced or separated parents and if there is no court decree stating that one parent is responsible for health care, the child will be covered under the plan of:
  - The parent with custody of the child; then
  - The Spouse of the parent with custody of the child; then
  - The parent not having custody of the child; then
  - The Spouse of the parent not having custody of the child.
- Plans for active employees pay before plans covering laid-off or retired employees.
- The plan that has covered the individual claimant the longest will pay first.
- Finally, if none of the above rules determines which plan is primary or secondary, the allowable expenses shall be shared equally between the plans meeting the definition of Plan. In addition, this Plan will not pay more than it would have paid had it been the primary Plan.

The following examples illustrate how the Plan determines which plan pays first and which plan pays second.

When This Plan is Secondary

If this Plan is secondary, to any plan other than Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

- The Plan determines the amount it would have paid based on its contract.
- If this Plan would have paid less than the primary plan paid, the Plan pays no Benefits.
- If this Plan would have paid more than the primary plan paid, the Plan will pay the difference.

You will be responsible for any Copay, Coinsurance or Deductible payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the total allowable expense.

Determining the Allowable Expense If This Plan is Secondary

If this Plan is secondary and the expense meets the definition of a Covered Health Service under this Plan, the allowable expense is the primary plan's Network rate. If the primary plan bases its reimbursement on reasonable and customary charges, the allowable expense is the

primary plan's reasonable and customary charge. If both the primary plan and this Plan do not have a contracted rate, the allowable expense will be the greater of the two plans' reasonable and customary charges.

When the provider is a Network provider for both the primary plan and this Plan, the allowable expense is the primary plan's network rate. When the provider is a network provider for the primary plan and a non-Network provider for this Plan, the allowable expense is the primary plan's network rate. When the provider is a non-Network provider for the primary plan and a Network provider for this Plan, the allowable expense is the reasonable and customary charges allowed by the primary plan. When the provider is a non-Network provider for both the primary plan and this Plan, the allowable expense is the greater of the two Plans' reasonable and customary charges.

What is an allowable expense?
For purposes of COB, an allowable expense is a health care expense that meets the definition of a Covered Health Service under this Plan.

When a Covered Person Qualifies for Medicare

Determining Which Plan is Primary

To the extent permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, Civil Unions are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.
- Disabled individuals under age 65 with current employment status and their Dependents under age 65.

Determining the Allowable Expense When This Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the allowable expense, as long as the provider accepts Medicare. If the provider does not accept Medicare, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare) will be the allowable expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the total allowable expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from a provider that does not participate in the Medicare program, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, for administrative convenience UnitedHealthcare in its sole discretion may treat the provider's billed charges as the

allowable expense for both the Plan and Medicare, rather than the Medicare approved amount or Medicare limiting charge.

If This Plan is Secondary to Medicare

If this Plan is secondary to Medicare, it determines the amount it will pay for a Covered Health Service by following the steps below.

- The Plan determines the amount it would have paid based on its contract.
- If this Plan would have paid more than the primary plan paid, the Plan will pay the difference less any applicable Deductible, Coinsurance and Copay requirements of the Plan.

Medicare Cross-Over Program

The Plan offers a Medicare Cross-over Program for Medicare Part A and Part B and Durable Medical Equipment (DME) claims. If you enroll for this program, you no longer have to file a separate claim with the Plan to receive secondary benefits for these expenses.

Once the Medicare Part A and Part B and DME carriers have reimbursed your health care provider, the Medicare carrier will electronically submit the necessary information to the Claims Administrator to process the balance of your claim under the provisions of this Plan.

To participate in the Medicare Cross-over Program, you must complete a special form authorizing this service and submit it to the Claims Administrator. Your Spouse also can enroll for this program, as long as he or she is eligible for Medicare and this Plan is your only secondary medical coverage.

You can verify that the automated cross-over is in place when your copy of the explanation of Medicare benefits (EOMB) states your claim has been forwarded to your secondary carrier. Until this message appears, you must continue to file secondary claims with the Claims Administrator.

This cross-over process does not apply to expenses that Medicare does not cover. You must continue to file claims for these expenses.

For information about enrollment or if you have questions about the program, call the telephone number listed on the back of your ID card.

Right to Receive and Release Needed Information

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. UnitedHealthcare may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

UnitedHealthcare does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give UnitedHealthcare any facts needed to apply those rules and determine benefits payable. If you do not provide UnitedHealthcare

the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that UnitedHealthcare should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Company may recover the amount in the form of salary, wages, or benefits payable under any Company-sponsored benefit plans, including this Plan. The Company also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, UnitedHealthcare reserves the right to recover the excess amount from the provider pursuant to *Refund of Overpayments*, below.

Refund of Overpayments

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by the Covered Person, but all or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help the Plan get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits for the Covered Person that are payable under the Plan; (ii) future Benefits that are payable to other Covered Persons under the Plan; or (iii) future benefits that are payable for services provided to persons under other plans for which UnitedHealthcare makes payments, with the understanding that UnitedHealthcare will then reimburse the Plan the amount of the reallocated payment. The reallocated payment amount will equal the amount of the required refund or, if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan. The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement. References to "you" or "your" in this Subrogation and Reimbursement section shall include you, your estate and your heirs and beneficiaries unless otherwise stated.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which any third party is allegedly to be responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which any third party is considered responsible.

Subrogation – Example
Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you receive for that Sickness or Injury. The right of reimbursement shall apply to any Benefits received at any time until the rights are extinguished, resolved or waived in writing.

Reimbursement – Example
Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor in a workers' compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide Benefits or payments to you, including Benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or

otherwise), workers' compensation coverage, other insurance carriers or third party administrators.

- Any person or entity against whom you may have any claim for professional and/or legal malpractice arising out of or connected to a Sickness or Injury you allege or could have alleged were the responsibility of any third party.
- Any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
  - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable.
  - Providing any relevant information requested by the Plan.
  - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
  - Responding to requests for information about any accident or injuries.
  - Making court appearances.
  - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
  - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against any third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, your estate, your heirs and beneficiaries, no matter how those proceeds are captioned or

characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.

- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.
- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you and/or your representative shall hold those funds in trust, either in a separate bank account in your name or in your representative's trust account.
- By participating in and accepting Benefits from the Plan, you agree that (i) any amounts recovered by you from any third party shall constitute Plan assets to the extent of the amount of Plan Benefits provided on behalf of the Covered Person, (ii) you and your representative shall be fiduciaries of the Plan (within the meaning of ERISA) with respect to such amounts, and (iii) you shall be liable for and agree to pay any costs and fees (including reasonable attorney fees) incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- By participating in and accepting Benefits from the Plan, you agree to assign to the Plan any Benefits, claims or rights of recovery you have under any automobile policy - including no-fault Benefits, PIP Benefits and/or medical payment Benefits - other coverage or against any third party, to the full extent of the Benefits the Plan has paid for the Sickness or Injury. By agreeing to provide this assignment in exchange for participating in and accepting Benefits, you acknowledge and recognize the Plan's right to assert, pursue and recover on any such claim, whether or not you choose to pursue the claim, and you agree to this assignment voluntarily.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party; filing an ERISA reimbursement lawsuit to recover the full amount of medical

Benefits you receive for the Sickness or Injury out of any settlement, judgment or other recovery from any third party considered responsible and filing suit in your name or your estate's name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain. Any ERISA reimbursement lawsuit stemming from a refusal to refund Benefits as required under the terms of the Plan is governed by a six-year statute of limitations.

- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the case of your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries. In the case of your death the Plan's right of reimbursement and right of subrogation shall apply if a claim can be brought on behalf of you or your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.
- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by any third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- In the event that you do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate Benefits to you, your dependents or the participant, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.
- The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to

discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the calendar year Deductible.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 12 - WHEN COVERAGE ENDS

What this section includes:
- Circumstances that cause coverage to end.
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, Cook County Pension Fund will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended.

Your coverage under the Plan will end on the earliest of:

- The date of your death.
- The date the Plan ends.
- The last day of the month you stop making the required contributions.
- The last day of the month you are no longer eligible.
- The last day of the month UnitedHealthcare receives written notice from Cook County Pension Fund to end your coverage, or the date requested in the notice, if later.

Coverage for your eligible Dependents will end on the earliest of:

- The date your coverage ends, except that coverage will continue for your Dependents in the event of your death, subject to the remaining provisions on this list.
- The last day of the month you stop making the required contributions.
- The last day of the month UnitedHealthcare receives written notice from Cook County Pension Fund to end your coverage, or the date requested in the notice, if later.
- The last day of the month your Dependents no longer qualify as Dependents under this Plan.

Other Events Ending Your Coverage

The Plan will provide at least thirty days' prior written notice to you that your coverage will end on the date identified in the notice if you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the 30-day notice period. The notice will contain information on how to pursue your appeal.

Note: If UnitedHealthcare and Cook County Pension Fund find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional

misrepresentation of material fact, Cook County Pension Fund has the right to demand that you pay back all Benefits Cook County Pension Fund paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Child

If an unmarried enrolled Dependent child with a mental or physical disability reaches an age when coverage would otherwise end, the Plan will continue to cover the child, as long as:

- The child is unable to be self-supporting due to a mental or physical handicap or disability.
- The child depends mainly on you for support.
- You provide to Cook County Pension Fund proof of the child's incapacity and dependency within 31 days of the date coverage would have otherwise ended because the child reached a certain age.
- You provide proof, upon Cook County Pension Fund's request, that the child continues to meet these conditions.

The proof might include medical examinations at Cook County Pension Fund's expense. However, you will not be asked for this information more than once a year. If you do not supply such proof within 31 days, the Plan will no longer pay Benefits for that child.

Coverage will continue, as long as the enrolled Dependent is incapacitated and dependent upon you, unless coverage is otherwise terminated in accordance with the terms of the Plan.

Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 31 days, the Participant may not be required to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- The 24 month period beginning on the date of the Participant's absence from work.
- The day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

- Information and records.
- Incentives to providers and you.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and Cook County Pension Fund

In order to make choices about your health care coverage and treatment, Cook County Pension Fund believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- Cook County Pension Fund and UnitedHealthcare do not decide what care you need or will receive. You and your Physician make those decisions.
- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive (the Plan pays for Covered Health Services, which are more fully described in this SPD).

- The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

Cook County Pension Fund and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. Cook County Pension Fund and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. Cook County Pension Fund and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The relationships between Cook County Pension Fund, UnitedHealthcare and Network providers are solely contractual relationships between independent contractors. Network providers are not Cook County Pension Fund's agents or employees, nor are they agents or employees of UnitedHealthcare. Cook County Pension Fund and any of its employees are not agents or employees of Network providers, nor are UnitedHealthcare and any of its employees agents or employees of Network providers.

Cook County Pension Fund and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, Cook County Pension Fund and UnitedHealthcare arrange for health care providers to participate in a Network and pay Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not Cook County Pension Fund's employees nor are they employees of UnitedHealthcare. Cook County Pension Fund and UnitedHealthcare do not have any other relationship with Network providers such as principal-agent or joint venture. Cook County Pension Fund and UnitedHealthcare are not liable for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

Cook County Pension Fund is solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of Benefits.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient. Your provider is solely responsible for the quality of the services provided to you. You:

- Are responsible for choosing your own provider.

- Are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance, any Annual Deductible and any amount that exceeds Eligible Expenses.
- Are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.
- Must decide if any provider treating you is right for you (this includes Network providers you choose and providers to whom you have been referred).
- Must decide with your provider what care you should receive.

Interpretation of Benefits

Cook County Pension Fund and UnitedHealthcare have the sole and exclusive discretion to:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD and any Riders and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

Cook County Pension Fund and UnitedHealthcare may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

In certain circumstances, for purposes of overall cost savings or efficiency, Cook County Pension Fund may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Cook County Pension Fund does so in any particular case shall not in any way be deemed to require Cook County Pension Fund to do so in other similar cases.

Information and Records

Cook County Pension Fund and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. Cook County Pension Fund and UnitedHealthcare may request additional information from you to decide your claim for Benefits. Cook County Pension Fund and UnitedHealthcare will keep this information confidential. Cook County Pension Fund and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish Cook County Pension Fund and UnitedHealthcare with all information or copies of records relating to the services provided to you. Cook County Pension Fund and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. Cook County Pension Fund and UnitedHealthcare agree that such information and records will be considered confidential.

Cook County Pension Fund and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as Cook County Pension Fund is required to do by law or regulation. During and after the term of the Plan, Cook County Pension Fund and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements Cook County Pension Fund recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, Cook County Pension Fund and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.
- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

If you have any questions regarding financial incentives you may contact the telephone number on your ID card. You can ask whether your Network provider is paid by any financial incentive, including those listed above; however, the specific terms of the contract, including rates of payment, are confidential and cannot be disclosed. In addition, you may choose to discuss these financial incentives with your Network provider.

Incentives to You

Sometimes you may be offered coupons or other incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but Cook County Pension Fund recommends that you discuss participating in such programs with your Physician. These incentives are not

Benefits and do not alter or affect your Benefits. You may call the number on the back of your ID card if you have any questions.

Rebates and Other Payments

Cook County Pension Fund and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. Cook County Pension Fund and UnitedHealthcare do not pass these rebates on to you, nor are they applied to your Annual Deductible or taken into account in determining your Copays or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Fund's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Fund does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

  Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or provider by going to **www.myuhc.com** or by calling the telephone number on your ID card.

- Fewer than eight hours each day for periods of 21 days or less.

Exceptions may be made in special circumstances when the need for additional care is finite and predictable.

Kidney Resource Services (KRS) - a program administered by UnitedHealthcare or its affiliates made available to you by Cook County Pension Fund. The KRS program provides:

- Specialized consulting services to Participants and enrolled Dependents with ESRD or chronic kidney disease.
- Access to dialysis centers with expertise in treating kidney disease.
- Guidance for the patient on the prescribed plan of care.

Manipulative Treatment - the therapeutic application of chiropractic and/or osteopathic manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function in the management of an identifiable neuromusculoskeletal condition.

Medicaid - a federal program administered and operated individually by participating state and territorial governments that provides medical benefits to eligible low-income people needing health care. The federal and state governments share the program's costs.

Medicare - Parts A, B, C and D of the insurance program established by Title XVIII, *United States Social Security Act*, as amended by 42 U.S.C. Sections 1394, et seq. and as later amended.

Mental Health Services - Covered Health Services for the diagnosis and treatment of Mental Illnesses. The fact that a condition is listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance Use Disorder (MH/SUD) Administrator - the organization or individual designated by Cook County Pension Fund who provides or arranges Mental Health and Substance Use Disorder Services under the Plan.

Mental Illness - mental health or psychiatric diagnostic categories listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless they are listed in Section 8, *Exclusions and Limitations*.

Network - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services by way of their participation in the Shared Savings Program. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - for Benefit Plans that have a Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Network Benefits and Section 3, *How the Plan Works*, for details about how Network Benefits apply.

Non-Network Benefits - for Benefit Plans that have a Non-Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by non-Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan offers Non-Network Benefits and Section 3, *How the Plan Works*, for details about how Non-Network Benefits apply.

Open Enrollment - the period of time, determined by Cook County Pension Fund, during which eligible Participants may enroll themselves and their Dependents under the Plan. Cook County Pension Fund determines the period of time that is the Open Enrollment period.

Out-of-Pocket Maximum - for Benefit plans that have an Out-of-Pocket Maximum, this is the maximum amount you pay every calendar year. Refer to Section 5, *Plan Highlights* for the Out-of-Pocket Maximum amount. See Section 3, *How the Plan Works* for a description of how the Out-of-Pocket Maximum works.

Partial Hospitalization/Day Treatment - a structured ambulatory program that may be a free-standing or Hospital-based program and that provides services for at least 20 hours per week.

Participant - a full-time Participant of the Employer who meets the eligibility requirements specified in the Plan, as described under *Eligibility* in Section 2, *Introduction*. A Participant must live and/or work in the United States.

Personal Health Support - programs provided by the Claims Administrator that focus on prevention, education, and closing the gaps in care designed to encourage an efficient system of care for you and your covered Dependents.

Personal Health Support Nurse - the primary nurse that UnitedHealthcare may assign to you if you have a chronic or complex health condition. If a Personal Health Support Nurse is assigned to you, this nurse will call you to assess your progress and provide you with information and education.

Pharmaceutical Product(s) - *U.S. Food and Drug Administration (FDA)*-approved prescription pharmaceutical products administered in connection with a Covered Health Service by a Physician or other health care provider within the scope of the provider's license, and not otherwise excluded under the Plan.

Physician - any *Doctor of Medicine* or *Doctor of Osteopathy* who is properly licensed and qualified by law.

Please note: Any podiatrist, dentist, psychologist, chiropractor, optometrist or other provider who acts within the scope of his or her license will be considered on the same basis as a Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

Plan - The Cook County Pension Fund Health Plan.

Plan Administrator - Cook County & Forest Preserve District Annuity & Benefit Fund or its designee.

Plan Sponsor - Cook County & Forest Preserve District Annuity & Benefit Fund.

Pregnancy - includes all of the following:

- Prenatal care.
- Postnatal care.
- Childbirth.
- Any complications associated with the above.

Private Duty Nursing - nursing care that is provided to a patient on a one-to-one basis by licensed nurses in a home setting when any of the following are true:

- No skilled services are identified.
- Skilled nursing resources are available in the facility.
- The skilled care can be provided by a Home Health Agency on a per visit basis for a specific purpose.
- The service is provided to a Covered Person by an independent nurse who is hired directly by the Covered Person or his/her family. This includes nursing services provided on a home-care basis, whether the service is skilled or non-skilled independent nursing.

Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Residential Treatment Facility - a facility which provides a program of effective Mental Health Services or Substance Use Disorder Services treatment and which meets all of the following requirements:

- It is established and operated in accordance with applicable state law for Residential Treatment programs.
- It provides a program of treatment under the active participation and direction of a Physician and approved by the Mental Health/Substance-Related and Addictive Disorders Services Administrator.
- It has or maintains a written, specific and detailed treatment program requiring full-time residence and full-time participation by the patient.
- It provides at least the following basic services in a 24-hour per day, structured milieu:
  - Room and board.
  - Evaluation and diagnosis.
  - Counseling.
  - Referral and orientation to specialized community resources.

A Residential Treatment Facility that qualifies as a Hospital is considered a Hospital.

Retired Employee - an Employee who retires while covered under the Plan.

Semi-private Room - a room with two or more beds. When an Inpatient Stay in a Semi-private Room is a Covered Health Service, the difference in cost between a Semi-private Room and a private room is a benefit only when a private room is necessary in terms of generally accepted medical practice, or when a Semi-private Room is not available.

Shared Savings Program - a program in which UnitedHealthcare may obtain a discount to a non-Network provider's billed charges. This discount is usually based on a schedule previously agreed to by the non-Network provider. When this happens, you may experience lower out-of-pocket amounts. Plan coinsurance and deductibles would still apply to the reduced charge. Sometimes Plan provisions or administrative practices conflict with the scheduled rate, and a different rate is determined by UnitedHealthcare. In this case the non-Network provider may bill you for the difference between the billed amount and the rate determined by UnitedHealthcare. If this happens you should call the number on your ID Card. Shared Savings Program providers are not Network providers and are not credentialed by UnitedHealthcare.

Sickness - physical illness, disease or Pregnancy. The term Sickness as used in this SPD includes Mental Illness or substance-related and addictive disorders, regardless of the cause or origin of the Mental Illness or substance-related and addictive disorder.

Skilled Care - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

Skilled Nursing Facility - a Hospital or nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Spouse or **Civil Union**- an individual to whom you are legally married or your partner in a Civil Union, as defined in this section.

Substance Use Disorder Services - Covered Health Services for the diagnosis and treatment of alcoholism and substance-related and addictive disorders that are listed in the current *Diagnostic and Statistical Manual of the American Psychiatric Association*, unless those services are specifically excluded. The fact that a disorder is listed in the *Diagnostic and Statistical Manual of the American Psychiatric Association* does not mean that treatment of the disorder is a Covered Health Service.

Transitional Living - Mental Health Services and Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision that are either:

- Sober living arrangements such as drug-free housing, alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.
- Supervised living arrangement which are residences such as transitional living facilities, group homes and supervised apartments that provide members with stable and safe housing and the opportunity to learn how to manage their activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.

Unproven Services - health services, including medications that are determined not to be effective for treatment of the medical condition and/or not to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials are two or more treatments compared to each other, with the patient not being allowed to choose which treatment is received.
- Well-conducted cohort studies from more than one institution are studies in which patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.

UnitedHealthcare has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, UnitedHealthcare issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at **www.myuhc.com**.

Please note:

- If you have a life threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment), UnitedHealthcare and Cook County Pension Fund may, at their discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, UnitedHealthcare and Cook County Pension Fund must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or condition.

The decision about whether such a service can be deemed a Covered Health Service is solely at UnitedHealthcare's and Cook County Pension Fund's discretion. Other apparently similar promising but unproven services may not qualify.

Urgent Care - treatment of an unexpected Sickness or Injury that is not life-threatening but requires outpatient medical care that cannot be postponed. An urgent situation requires prompt medical attention to avoid complications and unnecessary suffering, such as high fever, a skin rash, or an ear infection.

Urgent Care Center - a facility that provides Urgent Care services, as previously defined in this section. In general, Urgent Care Centers:

- Do not require an appointment.
- Are open outside of normal business hours, so you can get medical attention for minor illnesses that occur at night or on weekends.
- Provide an alternative if you need immediate medical attention, but your Physician cannot see you right away.

SECTION 15 - IMPORTANT ADMINISTRATIVE INFORMATION

What this section includes:
- Plan administrative information.

This section includes information on the administration of the medical Plan. While you may not need this information for your day-to-day participation, it is information you may find important.

ATTACHMENT I - LEGAL NOTICES

Women's Health and Cancer Rights Act of 1998

As required by the *Women's Health and Cancer Rights Act of 1998*, the Plan provides Benefits for mastectomy, including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema).

If you are receiving Benefits in connection with a mastectomy, Benefits are also provided for the following Covered Health Services, as you determine appropriate with your attending Physician:

- All stages of reconstruction of the breast on which the mastectomy was performed.
- Surgery and reconstruction of the other breast to produce a symmetrical appearance.
- Prostheses and treatment of physical complications of the mastectomy, including lymphedema.

The amount you must pay for such Covered Health Services (including Copayments and any Annual Deductible) are the same as are required for any other Covered Health Service. Limitations on Benefits are the same as for any other Covered Health Service.

Statement of Rights under the Newborns' and Mothers' Health Protection Act

Under federal law, group health Plans and health insurance issuers offering group health insurance coverage generally may not restrict Benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of Benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain prior authorization or notify the Claims Administrator. For information on notification or prior authorization, contact your issuer.

When the words "you" and "your" are used the Plan is referring to people who are Covered Persons as the term is defined in the Summary Plan Description (SPD). See Section 14, *Glossary* in the SPD.

> *Important*:
> ParentSteps® is not a health insurance plan. You are responsible for the full cost of any services purchased. the specific rates negotiated by ParentSteps® with each provider for select types of infertility treatment in order to make an informed decision.

Visiting Your Selected Health Care Professional

Once you have selected a provider, you will be asked to choose that clinic for a consultation. You should then call and make an appointment with that clinic and mention you are a ParentSteps® member. ParentSteps® will validate your choice and send a validation email to you and the clinic.

If not rated by at least one of the above two agencies, an alternative rating can be provided from another insurance company rating organization, such as Fitch or Moody's, and subject to evaluation. Two ratings from reputable organizations that are the equivalent of Standard & Poor's "A" or A.M. Best's "A-" ratings are required.

2. MBE/WBE Requirements

Minority, Women and Persons with a Disability
Owned Business Enterprises

It is the practice of the Fund to prevent discrimination in the award of or participation in Fund agreements and to eliminate arbitrary barriers for participation in such agreements by businesses certified as a Minority Business Enterprise (MBE), a Women-owned Business Enterprise (WBE), or a Business Owned by a Person with a Disability, as such terms are defined in the Illinois Business Enterprise for Minorities, Females, and Persons with Disabilities Act (collectively referred to as "MWDBE"). A vendor seeking to do business with the Fund shall, as part of the procurement process, document its commitment to utilizing specific MWDBEs related to the services provided to the Fund. As part of such documentation, vendors are encouraged to provide any additional information related to the respected vendor's diversity initiatives.
Additionally, such vendors submitting bidding proposals to the Fund shall disclosure the following numerical data:

(a) The number of vendor's staff who are (i) minority person, (ii) female, or (iii) persons with a disability;

(b) The number of contracts, oral or written, that the vendor has in place for consulting services and professional and artistic services that constitute a (i) minority owned business, (ii) female owned business, or (iii) business owned by a person with a disability; and

(c) The number of contracts, oral or written, that the vendor has in place for consulting services and professional and artistic services where more than 50% of services performed pursuant to contract are performed by a (i) minority person, (ii) female, or (iii) persons with a disability but do not constitute a business owned by a minority, female or persons with a disability.

Vendors selected by the Fund for an award must update such information on an annual basis. Failure to provide such information may render the contract voidable by the Fund and may result in the termination of any existing relationship.
A vendor, during its performance of a resulting agreement with the Fund, may not change the original MBE or WBE commitments specified in the vendor's response to the RFP including but not limited to, terminating a MWDBE agreement, reducing the scope of the work to be performed by a MWDBE, or decreasing the price to be paid to a MBE/WBE without prior written notification to the Fund. Where a firm listed under the vendor's response to the RFP was previously considered to be a MWDBE but is later found not to be, the vendor shall seek to discharge the disqualified enterprise, upon proper written notification to the to the Fund and make every effort to identify and engage a qualified MWDBE as its replacement. Failure to obtain an MWDBE replacement may in the Fund's sole discretion, result in the termination of the Agreement.

This policy may be amended or revised by the Fund at any point with written notice to the vendor.

3. Minimum Contractual Requirements

1. **Maintenance and Ownership of Records**: Your organization will be required to maintain all pertinent records for seven years. This is in conjunction with prudent business practices. Your organization would be charged with the safekeeping of plan experience information and, in the event of contract termination, would be required to cooperate with the Fund, or their representative, in the orderly transfer of this plan experience information to the Fund or its designated succeeding health plan/carrier.

2. **Audit Rights**

   a. Once each year, or more frequently as reasonably determined by the Fund, or within two (2) years following termination of this Agreement, Fund's third party Auditor(s) or internal Auditor ("Auditor"), as reasonably approved by Vendor (which approval shall not be unreasonably withheld), may inspect and verify claim data, eligibility, billing records, pricing discounts and terms, claims adjudication systems, healthcare benefits, clinical programs, subcontracted administrative services directly related to the Fund's Member utilization and services, performance guarantees, and operational processes relating to the services provided to the Fund pursuant to this Agreement to ensure Vendor's compliance with the terms and conditions of this Agreement, as the Fund deems appropriate.

   b. Bidder agrees to grant the right of the Fund or its representative(s) to audit claims at any time during and up to two years following termination of the business relationship with prior written notification. The Fund will have access to 100% of all valid claim records to complete the audit at no cost to the plan sponsor. Bidder agrees to provide all necessary claims details, data definitions and reasonable support to complete an independent claim audit for each completed year under the contract in effect. The Fund will not be held responsible for time or miscellaneous costs incurred by the bidder in association with an audit including, but not limited to, the costs associated with providing audit reports, systems access, or onsite space.

   c. Such audits may be based on either a 100% review of claims or a statistically representative sample thereof, or combination of methodologies. Auditor's preliminary findings will be shared with Vendor. Any findings from a statistically representative sample of claims will be extrapolated to the total claims population for purposes of measuring overall financial dollar and incidence processing achievements; Vendor will produce financial impact reports for confirmed systemic errors. In the instance where Auditor has reviewed 100% of claims and identified suspect claims, Vendor may elect to review a mutually-agreed upon representative sample of the suspect claims.

   d. The audit may include an onsite review of the sample claims by the Auditor at Vendor's office. The Auditor will provide Vendor with the sample claims thirty

(30) calendar days in advance of the onsite review. The onsite review will last up to five (5) business days.

e. The scope of such audits may include up to three (3) benefit plan years as determined by the Fund.

f. Any and all costs and expenses of each party associated with Fund's audit shall be borne by the party incurring the cost. The parties agree that the scope of audits by Fund or Auditor will not be duplicative of the SSAE-18 audit, but may include inspection and/or verification of certain information provided in the SSAE-18 audits to the extent necessary to give a more thorough understanding of and support for such information. Audit materials or documentation provided by Vendor will be confined to Fund-specific information.

g. If the audit discovers any validated overpayment of fees or claim payments by Vendor or other errors that result in economic losses to the Fund for failure to meet all vendor guarantees or performance standards, then Vendor shall pay the amount owed to the Fund following completion of the audit, within 30 days of written confirmation from the Fund as to the agreed upon settlement terms and amounts.

3. **Termination Provisions:** The Fund may terminate the contract at any time with or without cause by giving 60 days written notice. Your organization may only terminate the contract prior to the renewal date and then only by giving notice 120 days in advance, except in the event of non-payment of premium.

4. **General Compliance**: All bidder services must adhere to relevant federal and state laws and regulations.

5. **Eligibility Rules**: The bidder agrees to the specified eligibility rules established by the Fund. Any proposed modifications to the specified eligibility rules must be clearly pointed out in the appropriate section of the proposal.

6. **HIPAA.** Your organization agrees to hold the Fund harmless for any HIPAA Violations made by your organization or its Network Providers.

7. **Indemnification:** The Vendor covenants and agrees to indemnify and save harmless the Fund and its trustees (former and current), officials, employees, agents and representatives, and their respective heirs, successors and assigns, from and against any and all costs, expenses, attorney's fees, losses, damages and liabilities incurred or suffered directly or indirectly from or attributable to any claims arising out of or incident to the performance or nonperformance of the Agreement by the Vendor, or the acts or omissions of the officers, agents, employees, vendors, subcontractors, licensees or invitees of the Vendor. The Vendor expressly understands and agrees that any Performance Bond or insurance protection required of the Vendor, or otherwise provided by the Vendor, shall in no way limit the responsibility to indemnify the Fund as hereinabove provided.

8. **Renewal Notification**: Your organization must provide any fee changes in writing with full justification at least 90 days prior to a contract anniversary. The long lead-time is required due to the annual budget pricing, communications, and administration requirements associated with the Fund's benefit program.

9. **Governing Law and Jurisdiction.** This Agreement shall be governed by and construed under the laws of the State of Illinois. The Vendor irrevocably agrees that, subject to the Fund 's sole and absolute election to the contrary, any action or proceeding in any way, manner or respect arising out of the Agreement, or arising from any dispute or controversy arising in connection with or related to the Agreement, shall be litigated only in courts within the Circuit Court of Cook County State of Illinois or the United States District Court for the Northern District of Illinois and the Vendor consents and submits to the jurisdiction thereof. In accordance with these provisions, Vendor waives any right it may have to transfer or change the venue of any litigation brought against it by the Fund pursuant to this Agreement.

10. **No Personal Liability.** Vendor and any assignee or subcontractor of Vendor must not charge any employee, officers, trustees or agents of the Fund personally with any liability or expenses of defense or hold an official, employee or agent of the Fund personally liable to them under any term or provision of this Agreement or because of the Fund's execution, attempted execution or any breach of this Agreement.

11. This RFP and your response, including all subsequent documents provided during this RFP process will become the contract between the parties until replaced by a final written contract signed by both parties.

4. Insurance Requirements

Vendor shall require all subcontractors to provide the insurance required in this Agreement, or Vendor may provide the coverages for Subcontractors. All Subcontractors are subject to the same insurance requirements as the Vendor except paragraph (d) Umbrella/Excess Liability or unless specified otherwise.

The receipt of any certificate of insurance does not constitute agreement by the Fund that the insurance requirements have been fully met or that the insurance policies indicated on the certificate of insurance are in compliance with insurance required above.

In no event shall any failure of the Fund to receive certificates of insurance required hereof or to demand receipt of such Certificates of Insurance be construed as a waiver of Vendor's obligations to obtain insurance pursuant to these insurance requirements.

SECTION 5: PROCEDURE TO DETERMINE BID & PROPOSAL COMPLIANCE

5.1 The following documents constitute the Bidder/Proposer's MBE/WBE Compliance Plan and must be submitted with the bid or proposal:

A. **Schedule A: Affidavit of MBE/WBE Goal Implementation Plan**
Bidders/Proposers must submit, together with the bid/proposal, a completed Schedule A committing them to the utilization of each certified MBE/WBE firm listed.

Except in cases where the bidder/proposer has submitted a complete request for a waiver or variance of the MBE or WBE goals in accordance with Section 8 (below), the bidder/proposer must commit to the expenditure of an estimated percentage of their proposed contract value. Specific dollar amounts of participation by each certified MBE/WBE firm should also be included on the Schedule A as practicable.

Additionally, the total dollar commitments proposed for certified MBE firm(s) must at least equal the MBE goal, and the total dollar commitment to propose certified WBEs must at least equal the WBE goal.

All commitments made on the bidder/proposer's Schedule A must correspond with those presented on the Schedule C documents that are described below.

Additionally, a fully completed and executed Schedule A must be submitted with the bid/proposal when due. Failure to submit the completed Schedule A or a waiver request in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

B. **Schedule C: Letter of Intent**
A Schedule C [Schedule C-1 (MBE/WBE Bidder/Proposer or Schedule C-2 (Joint Venture Partner) as described herein] must be completed in its entirety and executed by each certified MBE and WBE firm listed on the Schedule A and submitted with the bid/proposal.

The Schedule C must accurately detail the work to be performed by the certified MBE or WBE firm at the agreed rates and prices to be paid. Additionally, the certified MBE and WBE firm's scope of work, as detailed on their Schedule C must conform to their area of specialty included in the certification letter as described below.

Additionally, all fully completed and executed Schedule Cs must be submitted with the bid/proposal when due. Failure to submit the completed Schedule C(s) in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

C. **Letters of Certification & Certification Determination**
A copy of each proposed MBE and WBE firm's current letter of certification must be submitted with the bid/proposal as a complement to the Schedule A and C. All letters of certification must include a statement of the certified MBE/WBE firm's area of specialty.

In order to be designated as a certified Minority Business Enterprise (MBE) or as a Women Business Enterprise (WBE) in City Colleges of Chicago contracting activity a firm must be verified as such by agencies known and accepted by CCC.

Specifically, the following agencies confer the designation and are accepted by the Office of Contract Compliance:

1) The City of Chicago;
2) Cook County;
3) The State of IL—CMS ;
4) National Minority Supplier Development Council and its regional affiliates including the Chicago Minority Supplier Development Council and
5) Women Business Enterprise National Council and its regional partner organizations including the Women's Business Development Center in Chicago and

Certifications will also be considered from conferring government agencies in other states and major metropolitan cities on a case by case basis.

D. **Schedule C-2 & Joint Venture Agreements**
If the bidder/proposer's MBE/WBE proposal includes the participation of certified MBE or WBE firms as a joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement, as a part of Schedule A submission.

In order to demonstrate the certified MBE or WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the MBE or WBE firm that is a party to the Joint Venture must complete the Schedule C-2.

Additionally, the joint venture agreement must complement the Schedule C-2 and include specific details related to: (1) contributions of capital and equipment (2) work responsibilities or other performance to be undertaken by the certified MBE/WBE firm; (3) the commitment of management, supervisory and operative personnel employed by the certified MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g. check signing authority).

5.2 **Correct Completion of Schedules**
The MBE/WBE Compliance Plan must have all blank spaces on both of the Schedules applicable to the Contract correctly filled in.

Agreements between a Bidder/Proposer and a certified MBE and certified WBE in which the certified MBE/WBE promises not to provide subcontracting quotations to other Bidders/Proposers are prohibited.

5.3 **Deficient Compliance Plans**

Upon receipt of the Compliance Plan submitted with the bid/proposal, the Office of MBE/WBE Compliance will determine if the bid/proposal is responsive. A bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer's response did not contain a sufficient level of certified MBE or WBE participation or an approved waiver request.

During the period between bid opening/proposal due date and contract award the MBE/WBE Plan will be evaluated by the Office of M/WBE Contract Compliance for the following:

1) MBE and WBE Performance of a commercially useful function
2) Analysis of industry standard for sub-contracting (if applicable)
3) Scope of services versus certification letter specialty area
4) Accurate levels of compliance
5) Due diligence efforts to support waiver request (if applicable)
6) Certification renewal status
7) MBE/WBE execution of Schedule C
8) Compliance history on previous contracts with CCC and its sister agencies

The Bidder/Proposer agrees to provide, upon request, earnest and prompt cooperation to the Office of M/WBE Contract Compliance in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed certified MBE or WBE firm in providing such assistance.

Additionally, a bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer was unresponsive or uncooperative when asked for further information relative to the bid/proposal, or that false statements were made in the Schedules.

SECTION 6: COUNTING MBE/WBE PARTICIPATION TOWARD CONTRACT GOALS

6.1 Only certified MBE and WBE participation shall be counted toward the MBE and WBE goals set in this Contract and applied as follows:

A. **Direct Participation**

An MBE or WBE firm should be used directly in the performance of the scope of services that the Bidder/Proposer is providing for the District. The MBE or WBE's total contract value can be credited towards the participation goals for direct participation.

B. **Indirect Participation**
In the event the Bidder/Proposer's specific scope of services does not provide an opportunity for direct subcontracting, the Bidder/Proposer must consider other ways to engage MBEs and WBEs to meet the contract participation goals.

The expenditures with MBE and WBE vendors that are being used in the Bidder/Proposer's overall business operations for goods or services that are ancillary to the CCC contract such as transportation, advertising, accounting, landscaping, office supply can be credited at 100%.

C. **Commercially Useful Function (CUF)**
A Bidder/Proposer may count toward its MBE and WBE goal only expenditures to certified firms that will perform a commercially useful function in the work of a contract. A firm is considered to perform a commercially useful function when it is responsible for a distinct element of work of a contract and carries out the responsibilities by actually performing, managing, and supervising the work involved using its own resources.

The Office of M/WBE Contract Compliance will use a variety of methods to determine whether or not an MBE or WBE is performing a CUF at any time (pre-award, during contract execution and/or during the contract close-out phase) including but not limited to:

1) Project site visits;
2) Documentation requests and/or
3) Interviews with MBE or WBE owners or employees

D. **MBE/WBE Subletting**
Consistent with normal industry practices, a certified MBE or WBE subcontractor may enter into further subcontracts. If a certified MBE/WBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the certified MBE or WBE shall be presumed not to be performing a commercially useful function. Evidence may be presented, in writing, to the Office of M/WBE Contract Compliance by the contractors involved to rebut this presumption.

E. **Counting MBE/WBE Manufacturers**
A Contractor may count toward its goals expenditures to certified MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale) at 100%.

F. **Counting MBE/WBE Suppliers**
A Contractor may count 100% of its expenditures with certified MBE or WBE suppliers toward its compliance goals provided that the supplier performs a commercially useful function in the supply chain process and is a regular dealer.

G. **Counting Total Dollar Value Awarded To Certified MBEs/WBEs**
The total dollar value of contract awarded to a certified MBE or WBE firm shall only be credited to one of the respective certification statuses. The Contractor employing the certified firm may choose the goal to which the contract value is applied—either MBE or WBE; not both.

Work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively under one subcontract only, in which the subcontractor may be counted toward only one of the goals, but not toward both.

H. **MBE/WBE Controlled Firms**
If the Bidder or Proposer is a certified MBE most of the total contract value can be counted toward the fulfillment of the MBE goal and similarly, if a WBE is the Bidder or Proposer, most of the total contract value can be counted toward the fulfillment of the WBE goal. However, MBE Bidders/Proposers must obtain a certified WBE subcontractor and a WBE Bidder/Proposer must obtain a certified MBE subcontractor to meet the respective goals.

Additionally, if a firm is certified as both an MBE and WBE, they can only use one of the certification statuses to fulfill one of the goals; not both.

MBE and WBE Bidder/Proposers must submit a Schedule C-1 which outlines their intent to subcontract any portion of their work they do not plan to self-perform.

Moreover, an MBE or WBE Bidder/Proposer must submit a Schedule A, Schedule C(s) for MBE or WBE subcontractors, and certification letters for themselves and any other MBE or WBE they may be utilizing on the contract.

I. **Counting Total Dollar Value of Eligible Joint Ventures**
A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A joint venture satisfies the eligibility standards of this Plan if the certified MBE or WBE participant of the joint venture:

1. Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and

2. Is responsible for a clearly defined portion of work to be performed in proportion to the certified MBE or WBE ownership percentage.

A Schedule C-2 and Joint Venture agreement must be submitted to support utilizing an MBE or WBE as a Joint-Venture participant.

6.2 A Contractor may count toward its MBE/WBE goal the following expenditures to certified firms that are not manufacturers or regular dealers:

A. **Fees or Commissions For Providing Services**
The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

B. **Fees For Delivering Materials and Supplies**
The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

C. **Fees or Commissions For Bonds or Insurance**
The fees or commissions charged for providing any bonds or insurance specifically required for the performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

SECTION 7: CHANGES TO MBE/WBE PARTICIPATION PLAN

7.1 **Termination of Scope of Work Not Permitted**
After submitting executed MBE and/or WBE sub-agreements to the Office of M/WBE Contract Compliance, the Contractor shall thereafter neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the certified MBE or WBE firm, nor decrease the price to the MBE or WBE firm, without in each instance receiving the prior written approval of the Office of M/WBE Contract Compliance.

7.2 **Substitutions**

If it becomes necessary to substitute an MBE and/or WBE to fulfill the Contractor's MBE and/or WBE commitments, the Office of M/WBE Contract Compliance must be given reasons justifying the release of prior specific MBE and/or WBE commitments established in the Contractor's bid/proposal in order to review the propriety of the proposed substitution.

A substitution of MBE or WBE firms cannot be made without prior approval from the Office of MBE/WBE Compliance. In addition to the explanation provide above, the approval process must include a revised Schedule A, a Schedule C for the replacement firm(s) and current certification letter(s).

The approval process should also include concurrence from the affected MBE or WBE received either proactively from the Prime Vendor or by the Office of MBE/WBE Compliance.

SECTION 8: WAIVERS of MBE and WBE GOALS

8.1 **Inability to Meet Participation Goals**

If a Bidder/Proposer is unable to identify certified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for a contract, the bid/proposal must include a Schedule D (written request for waiver).

Submission of the Schedule D is not an automatic approval of the requested waiver. The approval of the requested waiver will be based, in part by the supporting documentation demonstrating the Bidder/Proposer's inability to obtain sufficient certified MBE and WBE firms, notwithstanding good faith attempts to achieve such participation.

Examples of such good faith efforts may include, but are not limited to, the following:

a) Attendance at the Pre-bid/proposal conference.

b) The Bidder/Proposer's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies.

c) Advertisement in trade association newsletters and minority-oriented and general circulation media for specific sub-bids/proposals.

d) Timely notification of specific sub-bids/proposals to minority and women assistance agencies and associations.

e) Description of direct negotiations with certified MBE and WBE firms for specific sub-bids/proposals, including:

f) the name, address and telephone number of the certified MBE and WBE firms contacted;

g) a description of the information provided to certified MBE and WBE firms regarding the portions of the work to be performed; and

h) the reasons why additional certified MBE and WBE firms were not obtained in spite of negotiations.

i) A statement of the efforts made to select portions of the work proposed to be performed by certified MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the Contract) in order to increase the likelihood of achieving such participation.

j) A detailed statement of the reasons for the Bidder/Proposer's conclusion that each certified MBE and WBE contacted, were not qualified.

k) Efforts made by the Bidder/Proposer to expand its search for certified MBE and/or WBE firms beyond usual geographic boundaries.

l) General efforts made to assist MBE and WBE firms to overcome participation barriers.

8.2 **Unacceptable Basis for Waiver Request**

If the bidder/proposer does not meet the MBE/WBE goal, price alone shall not be an acceptable basis for which the bidder may reject a certified MBE/WBE sub-bid/proposal unless the bidder can show to the satisfaction of the Office of M/WBE Contract Compliance that no reasonable price can be obtained from a certified MBE/WBE.

A determination of reasonable price is based on such factors as the estimate for the work under a specific subcontract, the bidder's own estimate for the specific subcontract, and the average of the bona fide prices quoted for the specific subcontract. A bid from a certified MBE/WBE for a subcontract will be presumed to be unreasonable if the MBE/WBE price exceeds the average price quoted by more than 15 percent.

8.3 **Subsequent Waiver by Request of Contractor**
During the performance of a contract, a contractor may request a partial waiver from compliance with its original MBE or WBE proposal for the following reasons:

a) Due to substantially changed circumstances the contractor is unable to meet the previously stated MBE or WBE goal(s);

b) Despite every good faith effort on the part of the contractor, it is unable to meet the previously stated MBE or WBE goal(s)

8.4 **Waiver Initiated by City Colleges of Chicago**
The Chancellor or their designee may grant a waiver from MBE or WBE requirements for an individual contract upon a determination that there are insufficient certified MBEs or WBEs available to fulfill such requirements for that particular contract.

A determination by the Chancellor to waive MBE or WBE requirements for an individual contract must be stated in writing, and placed in the appropriate project file.

SECTION 9: REPORTING AND RECORD-KEEPING REQUIREMENTS

9.1 **Execution of Subcontract By Contractor**
The Contractor, within five (5) working days after Contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid/proposal and MBE and WBE assurances and should be submitted to the Office of MBE/WBE Compliance within three (3) business days if requested by the Office of MBE/WBE Compliance.

In addition, each subcontract between the Bidder/Proposers and any certified MBE or WBE firm performing work on the Contract shall include remedies for non-compliance with the commitment to MBE and WBE participation, including an agreement to pay damages to the certified MBE and WBE firms which were underutilized.

9.2 **Payments to MBE and WBES**
During the performance of the Contract, the Contractor shall file regular MBE and WBE payment reports, on the form entitled "Monthly and Quarterly Report of Payments to MBE and WBE Subcontractors."

Additionally, invoices and/or other documentation must be submitted to the Office of MBE/WBE Compliance within five (5) days upon request to support the utilization of MBEs and WBEs.

9.3 **Maintenance of Relevant Records**

The Contractor shall maintain records of all relevant data with respect to the utilization of certified MBE and WBE firms, including without limitation payroll records, tax returns and records, and book of accounts, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Office of M/WBE Contract Compliance or its designee, on five (5) business days' notice in order to determine the Contractor's compliance with its MBE and WBE commitments and the status of any certified MBE or WBE firm performing any portion of the Contract.

SECTION 10: NON-COMPLIANCE WITH MBE and WBE PARTICIPATION GOALS

10.1 **Compliance Audits**

Whenever the Office of M/WBE Contract Compliance believes that the contractor or any of its subcontractors may not be operating in compliance with this Plan, it shall conduct an appropriate investigation.

10.2 **Notification regarding Non-compliance**

Upon indications of inadequate compliance or non-compliance, the Office of M/WBE Contract Compliance will notify the contractor and the subcontractor, in writing.

The Office of M/WBE Contract Compliance, the contractor or subcontractor may request an opportunity to meet to discuss MBE/WBE contract compliance. The contractor or subcontractor shall make such request to the Office of M/WBE Contract Compliance in writing within five (5) working days of receiving notice. The meeting shall be scheduled by the Office of M/WBE Contract Compliance at a reasonable date, time and place, with notice to contractor and subcontractor.

10.3 **Determination of non-compliance**

If after notification and subsequent discussions, the Office of M/WBE Contract Compliance determines that a contractor is not meeting or has not met applicable MBE or WBE goals and is not demonstrating or has not demonstrated every good faith to meet the goals, the contractor shall be subject to suitable sanctions as set forth in paragraph 10.3 A (Sanctions) below.

10.4 **MBE and WBE Remedies For Prime Vendor Non-Compliance**

The unexcused reduction of certified MBE or WBE participation in connection with the Contract including any modification thereof, shall entitle the affected certified MBE and WBE firms to payments pursuant to such agreement. Such provisions shall include an undertaking by the Contractor to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than the City Colleges of Chicago, with reasonable expenses, including attorneys' fees, being

recoverable by a prevailing certified MBE or WBE. Nothing herein shall be construed to limit the rights of and remedies available to the City Colleges of Chicago.

10.5 **Sanctions for Non-compliance**

A. **Terms and Conditions of Plan Applying To All Contracts**
The MBE/WBE requirements of these Terms and Conditions shall be incorporated into all of the contracts between City Colleges and its vendors. In addition to any other remedies City Colleges may have, the following apply:

Where the Office of M/WBE Contract Compliance determines the conditions set forth in Section 10.3 above to exist during the term of the contract, the Office of M/WBE Contract Compliance may recommend that the Board suspend or terminate the contract, in whole or in part, and may also declare the contractor ineligible for future contracts for a period of two (2) years.

The Contractor shall be liable to the City Colleges for any consequential damages incurred as a result of suspension or termination of the contract including damages arising either from delay or increased price in securing performance of the work by other contractors, attorney's fees and court cost.

Where the Office of M/WBE Contract Compliance determines the conditions set forth in paragraph 10.3 above to exist at the conclusion of a contract, the Office of M/WBE Contract Compliance may declare the contractor ineligible for future contracts for a period of two (2) years.

If a Contractor has provided false or misleading information in connection with certification, bid or proposal documents, compliance progress reports, or any other aspect of this Plan, the Office of M/WBE Contract Compliance may impose any of the sanction described in paragraph 10.5 (Sanctions) and all its subsections.

If there is a bona fide payment dispute between a Contractor and its certified M/WBE subcontractor for work performed under the Plan, the City Colleges may withhold payment of the disputed amount from the Contractor and place such funds in an interest bearing account pending resolution of the dispute, by judicial or other means.

B. **Contractor's Right To Appeal Decision**
A contractor shall have the right to appeal a decision from the Office of M/WBE Contract Compliance declaring it ineligible for future City College contracts. Such appeal shall be made to the Chancellor or his/her designee.

C. **Sanctions Available To The City Colleges of Chicago**
The failure of City Colleges to impose any sanction it may have under this Section shall not be deemed a waiver of its right to impose such a sanction for subsequent violations. The listing of sanctions available to City Colleges in paragraph 10.5 A shall not be deemed to exclude any other sanctions or remedies available at law or in equity.

ETHICS ORIENTATION
CONTRACTORS/VENDORS

12/08

CITY COLLEGES OF CHICAGO ETHICS ORIENTATION
CONTRACTORS/VENDORS

INTRODUCTION/GENERAL PRINCIPLES

As a City Colleges of Chicago (CCC) vendor/contract worker you are subject to the City Colleges of Chicago Ethics Policy. The purpose of this policy is to promote public confidence in the integrity of CCC by establishing consistent standards for the conduct of CCC business by Board members and employees.

The CCC Ethics Policy applies to full-time, part-time, temporary and seasonal employees, as well as to appointees to the Board of Trustees and contract workers.

As a CCC vendor/contract worker, you are expected to work on behalf of CCC in a manner that always complies with laws, rules, regulations and policies. By doing so and by always acting with honesty and integrity you are allowing established values to guide your actions and decisions. That is what it means to follow the principles of ethics.

The information that follows is intended to make you aware of selected elements of the CCC Ethics Policy and other laws and rules that relate to ethical conduct. If you have questions you may contact the CCC Procurement Office.

ETHICS OFFICER

The City Colleges Ethics Officer is designated by the Chancellor to provide guidance to the officials and employees of the District concerning the interpretation and compliance with the provisions of the City Colleges of Chicago Ethics Policy. The Ethics Officer shall also perform such other duties as may be delegated by the City Colleges of Chicago Board.

ANNUAL ETHICS TRAINING

All CCC employees are required to complete at least annually an ethics training program conducted by the City Colleges of Chicago. This requirement applies to any person employed full-time, part-time, or pursuant to a contract, as well as to any appointee – i.e. Board members. The ethics training reflects aspects of the City Colleges of Chicago Ethics Policy. The City Colleges Ethics Training Administrator will notify you and provide instructions to you concerning when and how to participate in the annual ethics training.

EXCERPTS FROM CCC ETHICS POLICY

GIFT BAN

In many instances, it is unlawful for a CCC employee to accept gifts that are offered in connection with his or her job. An employee cannot solicit or accept a gift from certain individuals or entities that are defined by law as a "prohibited source." Current vendors, as well as vendors interested in doing work for CCC are considered prohibited sources.

As a contractor or vendor doing business with the City Colleges of Chicago you are required to comply with the Gift Ban prohibition of the CCC Ethics Policy. Under the Gift Ban Section of the Policy (Section 1aa) current vendors, as well as vendors interested in doing work for CCC are considered prohibited sources and thereby precluded from providing gifts to CCC employees except as provided in the CCC Policy at Section 4-2(a-l). If you are in doubt about a gift, contact your Ethics Officer and read the City Colleges of Chicago Ethics Policy on Gift Ban. The City Colleges of Chicago Ethics Policy can be found at **www.ccc.edu/departments/pages/ethics.aspx**.

FIDUCIARY RESPONSIBILITY

All vendor/contract workers, Board members and student officers of the District owe fiduciary responsibility to the Board, District and residents of the District. Fiduciary responsibility is defined as a relationship imposed by law where someone has voluntarily agreed to act in the capacity of a "caretaker" of another's rights, assets and/or well being. The fiduciary owes an obligation to carry out the responsibilities with the utmost degree of "good faith, honesty, integrity, loyalty and undivided service of the beneficiaries' interest."

USE OF DISTRICT PROPERTY

CCC full-time, part-time, temporary and seasonal employees, as well as appointees to the Board of Trustees and contract workers shall not engage in or permit unauthorized use of District property.

POLITICAL ACTIVITY

No person who has done business with the City Colleges of Chicago within the preceding four years or is seeking to do business with the City Colleges of Chicago shall make contributions in an aggregate amount exceeding $1500.00: (i) to any candidate for city office during a single candidacy; or (ii) to an elected official of the government of the city during any reporting year of his term; or (iii) any official or employee of the City Colleges of Chicago who is seeking election to any other office.

PENALITIES

I. Confidentiality.

All materials, including, but not limited to, Work Product, documents, studies, reports, information, or data, prepared by or provided to Vendor under this Agreement ("Materials") are confidential. Vendor shall not make the Materials available to a third party without the Institution's prior written consent. Vendor shall not issue press releases or grant press interviews related to the Services, or disseminate any information regarding the Services without the Institution's prior written consent. If Vendor is presented with a ***subpoena duces tecum*** or a request for documents by any administrative agency regarding any records, data or documents related to the Services, Vendor shall immediately give notice to the Institution and agrees that the Institution may contest the subpoena or request before the Materials are submitted to a court or other third party, provided, however, that Vendor shall not be obligated to withhold such delivery beyond that time as may be ordered by the court or administrative agency unless the subpoena or request is quashed or the time to produce is otherwise extended.

II. Indemnity

Notwithstanding any other terms and conditions, including any obligations regarding insurance coverage, Vendor agrees to defend, indemnify, save and hold harmless fully the Institution, its Board of Trustees of Community College District No. 508, its colleges, satellite campus', officers, employees, agents, students, volunteers and contractors against any and all claims, suits or judgments, costs or expenses, including attorney's reasonable fees, (collectively ("Loss")) in connection with this Agreement. This indemnification obligation does not extend to that portion of a Loss caused by Institution's negligence, as determined by a court of competent jurisdiction in a final, non-appealable judicial order. The Vendor must acknowledge in their submission their willingness to indemnify City Colleges of Chicago.

The requirements listed below are mandatory for protecting the interests of the City Colleges of Chicago.

1. The successful Proposer shall indemnify and hold CCC harmless from all providers' performance or failure of performance under the resulting contract.
2. The successful Proposer shall keep CCC free and clear from all liens asserted by any person or firm for any reason arising out of the furnishing of services or materials by or to the provider.
3. The action of the successful Proposer with third parties is not binding upon CCC.

III. Termination

Termination for Convenience. This contract can be terminated upon ten (30) days written notice by City Colleges of Chicago on the grounds of Proposer's violation of any terms and conditions of the Contract, procedures or guidelines or inadequacy of Proposer's performance or if there is no further need for the requirements. In the event that no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City Colleges of Chicago for payments to be made under this agreement, then the City Colleges of Chicago will notify the contractor of such occurrence and this agreement shall terminate

on the earliest of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments will be made or due to the contractor under this contract beyond those amounts appropriated and budgeted by the City Colleges of Chicago to fund payment under this contract.

City Colleges of Chicago may terminate this Contract, or any portion of the Services to be performed under it, at any time for convenience by a notice in writing from CCC to the Proposer when the Contract may be deemed no longer in the best interest of CCC.

Termination for Default. Subject to Section 10(a) herein, this Agreement may also be terminated for default. Each of the following shall constitute an event of default by Consultant ("Default").

i. Any material misrepresentation, whether in the inducement or in the performance, made by the Consultant to the Institution; and

ii. A breach of a representation or warranty contained in this Agreement; and

iii. The insolvency, bankruptcy or committing of any act of bankruptcy or insolvency, or making an assignment for the benefit of creditors; and

iv. Failure to comply with or perform any material provision of this Agreement; and

v. Failure or refusal to provide enough properly skilled personnel, adequate supervision, or adequate materials and equipment of the proper quality to perform the Services; and

vi. Causing, by any action or omission, the stoppage, delay of, or interference with, the work of any other Consultant or subconsultant.

If a court of competent jurisdiction rules that termination of this Agreement by the Institution for default of Consultant was wrongful, then the termination shall be deemed to have been a termination for convenience.

a. **Curable and Incurable Defaults.** Time-sensitive defaults (e.g., failure to meet deadlines) are not curable unless the Institution, in its sole and absolute discretion, extends the deadline. Such extension, however, does not relieve Consultant of liability for any damages the Institution may suffer. Consultant shall cure any default that is not time-sensitive with ten (10) calendar days after Consultant is given notice of the default.

b. **Remedies.** In addition to any other remedies contained herein, the Institution may invoke any or all of the following remedies for a Default:

i. Complete the Services at Consultant's expense, either directly or through the use of contractors and subcontractors; or

ii. Receive a refund or withhold all or any portion of the Fee; or

iii. Demand specific performance, an injunction or any other appropriate equitable remedy; or

iv. Terminate this Agreement.

c. **Right to Offset.** All costs incurred by the Institution due to: (i) termination of this Agreement for default; or (ii) Consultant's performance of the Services; or (iii) Institution's exercise of any of the remedies available herein, may be offset by: (i) any credits due to or overpayments made by the Institution; or (ii) any payments due to Consultant for Services completed. If such amount offset is insufficient to cover those excess costs, Consultant shall be liable for and promptly remit to the Institution the balance upon written demand. This right to offset is in addition to and not a limitation on any other remedies available to the Institution.

No remedy hereunder is exclusive of any other remedy, but each remedy shall be cumulative and in addition to any other remedies at law, in equity or by statute existing now or hereafter. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver of any Default or acquiescence therein, and every such right and power may be exercised periodically and as often as may be deemed expedient. If the Institution considers it to be in the Institutions best interest, it may choose not to declare a default or terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the Institution and that if the Institution permits Consultant to continue providing Services despite one or more events of default, the Consultant is in no way relieved of any of its duties and obligations under the Agreement and the Institution does not waive or relinquish any of its rights.

Additional Provisions. The parties further agree to the following provisions:

a. **Names/Logos.** Institution owns all rights to the name City Colleges of Chicago and its individual colleges and to certain logos, servicemarks, trademarks and likenesses ("Marks"). Vendor must not use the Marks as part of Vendor's business or trade name, and Vendor must not use the Marks or sell merchandise or services with the Marks without the Institution's express written consent. Also, Vendor must not permit anyone else to do so.

b. **Inspector General**. It shall be the duty of each party to the agreement to cooperate with the Inspector General for City Colleges of Chicago in any investigation conducted pursuant to the Inspector General's authority under Article 2, Section 2.7.4(b) of the Board Bylaws.

Prior to the execution of this Agreement, Licensee shall furnish the Institution with original insurance certificates evidencing the required coverage. The above referenced coverage limits are at levels consistent with Illinois statutory requirements and are within reasonable levels to insure the District's requirements, interests and operations. All insurance certificates shall name the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, and its officers, directors, agents, students, employees, contractors and volunteers as additional insured on a primary, non-contributory basis. All insurance policies required hereunder shall include a provision which requires the Institution to receive sixty (60) days prior written notice before coverage is substantially changed, cancelled or non-renewed. ECONOMIC DISCLOSURE STATEMENT & AFFIDAVIT

APPLICANTS: Any entity or individual (the" Applicant') making an application to the Chicago Park District for action requiring approval of the Chicago Park District's Board of Commissioners ("Board of Commissioners").

ENTITIES HOLDING AN INTEREST IN THE APPLICANT: Generally, whenever an ownership interest in the Applicant (for example, shares of stock of the Applicant or a limited partnership interest in the Applicant) is held or owned by a legal entity (for example, a corporation or partnership, rather than an individual) each such legal entity must also file an EDS on its own behalf, and any parent of that legal entity must do so until individual owners are disclosed. However, if an entity filing an EDS is a corporation (or a direct or indirect, wholly-owned subsidiary of such corporation) whose shares are registered on a national securities exchange pursuant to the Securities Exchange Act of1934 as amended**,** only those shareholders that own ten percent (10%) or more of that filing entity's stock must file EDSs on their own behalf.

REQUIREMENT: The Chicago Park District (the "Park District") requires disclosure of the information requested in this Economic Disclosure Statement and Affidavit ("EDS") before any Park District action may be taken regarding the matter that is the subject of this EDS. If the applicant is pre-qualified, failure to notify the Park District and update the EDS is grounds for declaring the pre-qualified firm in default, termination of the contract for default, and declaring the awardee is ineligible for future contracts.

3. Non-compliant Submittal

COMPLIANCE CONDITIONS

REGARDING PARTICIPATION BY MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES

These Compliance Conditions form a part of the contract documents.
Failure to carry out any of the commitments contained herein shall constitute a material breach of the contract.

DEFINITIONS

All terms not specifically defined in the Compliance Conditions will be governed by the definitions in the General Conditions unless the context indicates otherwise.

Broker means a person or entity that fills orders by purchasing or receiving supplies from a third party supplier rather than out of its own existing inventory, and provides no commercially useful function other than acting as a conduit between the supplier and the customer. Brokerage will not be counted toward MBE/WBE goals.

Certification or "certified" means official recognition of the MBE or WBE status of a business by a public or private entity such as the City of Chicago, the Chicago Minority Business Development Council (CMBDC), the Women's Business Development Center (WBDC), or the Small Business Administration (SBA).

Commercially useful function means that a firm is responsible for the execution of a distinct element of the work of the contract and carries out its responsibilities by actually performing, managing, and supervising the work involved, or by fulfilling its responsibilities as joint venturer. To determine whether a firm is performing a commercially useful function, the Chicago Park District will evaluate the amount of work subcontracted, industry practices, and other relevant factors.

Contract means any contract, purchase order, or agreement awarded by any officer or agency of the Chicago Park District, or whose cost is to be paid from funds belonging to or administered by the Park District, regardless of the source.

Direct participation means the participation by an MBE or WBE as (1) the prime contractor, (2) a joint venture partner, or (3) a subcontractor of a portion of the work of the contract.

Established business means a business entity which, by virtue of its size and capacity for competing in the markets in which it operates, does not need to be a participant in the MBE/WBE program in order to effectuate the purposes of the program as determined by the Park District. In general, a business entity shall be presumed to be an established business if it meets local and other nationally recognized standards for such status.

Indirect participation means the participation by an MBE or WBE in ancillary aspects of the work of the contractor.

Joint venture means an association of two or more businesses formed to carry out a single business enterprise for profit, and for which purposes they combine their expertise, property, capital, efforts, skills and knowledge.

Local business means a business entity located within the counties of Cook, DuPage, Kane, Lake, McHenry or Will in the State of Illinois (the "Six-County Region") which has the majority of its regular, full-time work force located within the six-county region.

Minority group means any of the following racial or ethnic groups:

- African-Americans or Blacks (persons having origins in any of the Black racial groups in Africa)
- Hispanics (persons of Spanish culture with origins in Mexico, South or Central America or the Caribbean Islands, regardless of race)
- Asian-Americans (persons having origins in any of the original peoples of East Asia, Southeast Asia, the Indian subcontinent, or the Pacific Islands)
- Other groups, or other individuals, found by the General Superintendent to be socially and economically disadvantaged and to have suffered actual racial or ethnic discrimination and decreased opportunities to compete in Chicago area markets and to do business with the Chicago Park District

- For purposes of contracts funded by state or federal government sources, groups found to be eligible for the designation of DBE (Disadvantaged Business Enterprise) by such governmental sources

Minority-owned business or **MBE** means a local business that is certifiably at least 51% owned by one or more members of one or more minority groups, or, in the case of a publicly-held corporation, a corporation in which at least 51% of the stock is owned by one or more members of one or more minority groups, and whose management and daily business operations are controlled by one or more members of one or more minority groups, and which is not an established business.

Minority-owned business enterprise goal or **MBE goal** means the goal adopted for participation by MBEs by the Chicago Park District Code, Chapter XI, Section F.

Owned means having all of the customary incidents of ownership, including the right of disposition and the sharing of all risks and profits, commensurate with the degree of ownership interest.

Program means the Minority and Women-owned Business Enterprise Program enacted by Chapter XI, Section F of the Code of the Chicago Park District, and all rules, regulations, forms, and schedules promulgated thereunder.

Schedules means the Schedule A and Schedule B prepared by the Park District.

Women-owned business or **WBE** means a local business that is certifiably at least 51% owned by one or more women, or, in the case of a publicly held corporation, a corporation in which 51% of the stock is owned by one or more women, and whose management and daily business operations are controlled by one or more women, and which is not an established business.

Women-owned business enterprise goal or **WBE goal** means the goal adopted for participation by WBEs by the Chicago Park District Code, Chapter XI, Section F.

I. POLICY: It is the policy of the Chicago Park District that members of minority groups and women participate to the maximum feasible extent in the performance of Park District contracts. During the performance of this contract, the submitter agrees that it shall not discriminate on the basis of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental disability, unfavorable discharge from military service, parental status, or sexual orientation in the solicitation for or purchase of goods or services, or the subcontracting of work in the performance of this contract.

II. COMMITMENT TO MBE/WBE PARTICIPATION

A. In order to be considered responsive, the submitter shall commit to the expenditure of at least 25% of the total contract price with MBEs ("MBE goal") and at least 5% with WBEs ("WBE goal"), and identify by category the type of work, goods, or service that will be provided by MBE/WBE firms, unless, **prior to the submission of the proposal,** the Park District grants a percentage reduction or a waiver through the process detailed in Section II.F below. The Director of Purchasing, subject to the approval of the General Superintendent, may extend the period for the granting of reductions or waivers in order to increase the opportunities for the participation of MBEs and/or WBEs in the performance of the contract.

B. If the submitter is a certified MBE firm, the WBE requirement **must still be met**. If the submitter is a certified WBE firm, the MBE requirement **must still be met**. A business enterprise owned by a woman who is a member of a minority group may be counted on a particular contract as an MBE or a WBE, **but not both**.

C. The total dollar value of the submitter's MBE or WBE direct participation and indirect participation shall be counted toward the MBE and/or WBE goals.

D. If the contract value is increased through a change order or contract modification, the MBE and WBE expenditures must increase proportionally.

E. The commitment to achieve the MBE goal and the WBE goal may be met by:

1. the submitter's status as a MBE or a WBE; or

2. the submitter's status as a joint venturer with one or more MBEs and/or WBEs. The percentage of the ownership and control of the MBE joint venturer or WBE joint venturer shall be the percentage of participation counted toward the MBE goal and/or the WBE goal. A joint venture

is eligible for participation as an MBE and/or WBE, if, and only if, all of the following requirements are satisfied:

a. the MBE or WBE venturer(s) participates in the ownership, control, management responsibilities, risks and profits of the joint venture in proportion with the MBE and/or WBE ownership percentage;

b. the MBE and/or WBE venturer(s) is responsible for a clearly defined portion of the work of the contract in proportion with the MBE's and/or WBE's ownership percentage; and

c. the MBE and/or WBE venturer(s) actually performs with its own forces and using its own equipment, work equal to at least 75% of the value of its ownership of the joint venture.

The Director of Purchasing, in consultation with appropriate Park District staff, will evaluate the proposed joint venture agreement and all other relevant documents to determine whether these requirements have been satisfied; or

3. subcontracting a portion of the work of the contract to one or more MBEs and/or WBEs:

a. A submitter may count toward its MBE or WBE goal only expenditures to firms that perform a commercially useful function in the work of the contact.

b. Brokering will not be counted toward the Program's goals. Consistent with normal industry practices, a MBE or WBE may enter into subcontracts; however, if an MBE or WBE subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the MBE or WBE shall be presumed not to be performing a commercially useful function. The submitter may present evidence to rebut this presumption. Where an MBE or WBE, consistent with industry practices, intends to enter into further subcontracts totaling more than 25% of the value of the MBE's or WBE's subcontract, the MBE or WBE must submit all documents required by Section IV of these Conditions regarding all further subcontracts, except that reductions or waivers of the MBE goal or WBE goal need not be obtained. However, the dollar value of any work that is further subcontracted to other than MBEs and/or WBEs shall not be counted toward the attainment of the bidder's MBE and/or WBE goals. This provision does not apply to MBEs or WBEs who represent manufacturers. Agreements between a submitter and an MBE or WBE in which the MBE or WBE promises not to provide subcontracting quotations to other submitters are prohibited.

4. the purchase of materials or services used in or related to the performance of the contract from one or more MBEs and/or WBEs; or

5. Any combination of the foregoing.

F. Reduction or Waiver of the MBE goal and/or WBE goal

The Director of Purchasing, in consultation with appropriate Park District staff, shall consider any request for a reduction or a waiver of the MBE goal and/or the WBE goal when necessary. A reduction or waiver may be granted if, among other things, the reasonable and necessary requirements of the contract render sufficient subcontracting, joint venturing or other participation of MBEs and/or WBEs unfeasible or excessively costly; or, sufficient MBEs and/or WBEs capable of providing the goods and services required by the contract are not readily available despite affirmative efforts to locate such businesses.

1. If a submitter determines that it is unable to meet the required MBE goal and/or the WBE goal through direct subcontracts, the submitter should attempt to meet the goals through indirect subcontracts.

2. In the rare instance in which indirect subcontracting also is not possible, the submitter must request a reduction or a waiver of the goal(s) **prior to submission of its proposal**. In order to obtain a reduction or waiver, the submitter must document its unsuccessful solicitation (as either subcontractors or joint venturers) of a reasonable number of the appropriately certified MBEs and WBEs. Documentation must include, but is not necessarily limited to:

a. a detailed statement of efforts to identify and select portions of work identified in the proposal solicitation for subcontracting to or joint venturing with MBEs and WBEs; and

b. a listing of all MBEs and WBEs contacted and not utilized, including:

i. names, addresses and telephone numbers of MBEs and WBEs solicited;

ii. date, time and method of contact;

iii. a statement from each contacted MBE or WBE explaining why it was not available to do the work, or a statement that the MBE or WBE did not respond; and

iv. where relevant, documentation of all prices quoted by all subcontractors.

III. COMPLIANCE WITH MBE/WBE REQUIREMENTS

A. Proposal

1. In the MBE/WBE Affidavit provided in the submittal documents, the submitter must commit to a minimum of 25% MBE and 5% WBE participation in any contract awarded to the submitter as a result of this proposal solicitation, and identify by category the type of work, goods, or service that will be provided by MBE/WBE firms.

2. After the Park District's proposal evaluation, if the submitter is being considered for contract award, the prospective awardee will be required to complete and submit the MBE/WBE Schedule A, Schedule Bs, and certification letters, as set out below.

B. Prior to award

1. Schedule A: Statement of Prime Submitter Regarding MBE/WBE Utilization. During the pre-award evaluation period, the potential awardee will be required to submit a completed Schedule A, committing to the utilization of each listed MBE and WBE, including MBE and WBE joint venturers. That submitter must commit to the expenditure of a specific dollar and/or percentage amount of participation by each MBE and WBE firm. The total dollar or percentage commitment to proposed MBE firms must at least equal the MBE goal of 25%. The total dollar or percentage commitment to proposed WBE firms must at least equal the WBE goal of 5%. The submitter is responsible for calculating the dollar equivalent of the MBE and WBE goals. All commitments made in Schedule A must conform to the submitted Schedule Bs. The submitter will not be permitted to substitute another firm for the MBEs and/or WBEs listed in Schedule A, except as described in Section IV. C. of these Conditions.

2. Schedule B: Letter of Intent from MBE or WBE to Perform as Subcontractor, Supplier and/or Consultant as included in the Submitter's Schedule A. Each Schedule B must accurately detail the work to be performed by the MBE or WBE and the agreed rates and prices, and must be completed and signed by the MBE or WBE firm.

3. Letters of Certification: A copy of each proposed MBE's and WBE's current letters of certification (or other certification documents) must be submitted with the Schedule B. The Park District accepts certification by public or private entities such as the City of Chicago, the Chicago Minority Supplier Development Council [CMSDC], the Women's Business Development Center [WBDC], or the Small Business Administration [SBA]. The Park District reserves the right to determine that even if an entity is certified, its inclusion in the Program does not further the Program's purposes. The Park District – not the bidder – shall determine the adequacy of the letters of certification or other certification documents.

a. A receipt for the submittal of an application for certification is NOT AN ACCEPTABLE alternative to a current certification letter.

b. The only ACCEPTABLE alternative to a current certification letter is a "courtesy extension letter" from the same certifying agency.

C. Evaluation of the Schedules

If the potential awardee fails to meet the MBE goal and/or the WBE goal and no reduction or waiver was granted before the proposal was submitted; or if the submitter is found to be unresponsive or uncooperative; or if false statements were made in the Schedules; or if the submitter fails to cooperate promptly with the Park District; the submitter may be deemed unresponsive and eliminated from award consideration.

IV. CONTRACT PERFORMANCE

A. MBE and WBE Utilization Reports

The awardee shall maintain records of all relevant data with respect to the utilization of MBEs and WBEs, retaining these records for a period of at least three years after expiration of the contract. The awardee shall file quarterly MBE and WBE Utilization Reports. Each MBE and WBE Utilization Report will reflect the current status of current and projected payments to MBEs and WBEs. Such reports shall include the following: the name, business address, telephone number and contact person of each MBE and WBE actually involved in the performance of the contract; a description of the work performed and/or product or service supplied by each MBE or WBE; the date and amount of each payment; and such other information as may assist the Director of Purchasing in determining the awardee's compliance with the provisions of the Program.

B. Access to Records

During the term of the contract and for a period of three years after the expiration date of the contract, the Director of Purchasing shall have access to the awardee's books and records, including without limitation payroll records, tax returns and records, and books of account, on five business days notice, to allow the Director of Purchasing to determine the awardee's compliance with its commitment to MBE and WBE participation and the status of any MBE or WBE performing any portion of the contract. This provision shall be in addition to, and not a substitute for, any other provision allowing inspection of the awardee's records by any officer or official of the Chicago Park District for any purpose.

C. Substitution of MBEs and WBEs Listed in the Schedules

When the awardee believes it has become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE goal or WBE goal, or to complete the work of the contract, the awardee must submit to the Director of Purchasing a written request for permission to substitute a different MBE or WBE. Any substitution must receive prior approval from the Director of Purchasing. If the participation of MBEs and/or WBEs in the contract would be reduced by the substitution, the awardee must utilize MBEs and/or WBEs in other areas of the contract to meet the MBE goal and/or WBE goal, unless a reduction or waiver is granted. Such a request must include specific reasons for the proposed substitution, including an affidavit from the MBE or WBE listed in Schedule A and not utilized, stating why the MBE or WBE is unable to complete the work. Acceptable reasons include, but are not limited to, the following:

1. the MBE or WBE was found not to be able to perform the work as described in the Schedules, or was not able to perform on time;

2. the MBE or WBE was found not to be able to produce acceptable work;

3. the MBE or WBE was discovered to be improperly certified; or

4. the MBE or WBE later demands an unreasonable escalation of price.

The awardee's substitution request should include the names, addresses, and officials of any proposed substitute MBE or WBE and the dollar value and scope of work of the proposed subcontract. Such notification shall also include documents that are required for the determination of proposal compliance, including the Schedules and current certification letters. The Park District will not approve extra payment for escalated costs incurred by the awardee when a substitution becomes necessary for the awardee in order to comply with the MBE goal and/or the WBE goal.

V. NON-COMPLIANCE

The following constitute material breaches of the contract and shall entitle the Park District to declare a default, terminate the contract and exercise those remedies provided for in the contract and at law or in equity: (1) failure to satisfy the MBE goal and/or the WBE goal required by the contract; or (2) the disqualification of the MBE or WBE when such status was a factor in the contract award and was misrepresented by the submitter

.

A. In the event of an awardee's non-compliance with the commitment to MBE and/or WBE participation, the awardee agrees to pay damages to the MBEs and WBEs that were underutilized due to no fault of the MBE or WBE. The unexcused reduction of MBE and/or WBE participation in connection with a contract, including any modification thereof, shall entitle the affected MBEs and WBEs to damages. The awardee agrees to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than any department or agency of the Chicago Park District, with reasonable expenses, including attorneys' fees and costs being recoverable by a prevailing MBE or WBE.

B. In the event that an awardee is determined by the Director of Purchasing not to have been involved in any misrepresentation of the status of a disqualified MBE or WBE included in the Schedules, the Director of Purchasing may allow the awardee to discharge the MBE or WBE and, if possible, identify and engage a qualified MBE or WBE as a replacement. A MBE must be replaced by another MBE and a WBE must be replaced by another WBE, unless a reduction or waiver is granted.

C. If, after notice and a hearing before the Director of Purchasing, the General Superintendent determines that an awardee or a MBE or WBE has made fraudulent misrepresentations to the Director of Purchasing regarding the utilization of MBEs or WBEs, or has colluded with another making such fraudulent misrepresentations, the awardee or MBE or WBE shall be disqualified from contracting or subcontracting on additional contracts with the Park District for a period of three years.

D. The consequences provided herein shall be in addition to any other criminal or civil liability to which such entities may be subject. The General Superintendent, through the General Counsel of the Park District, shall inform the appropriate law enforcement officers of instances of fraudulent misrepresentation and collusion.

End of Compliance Conditions

These General Conditions form a part of the contract documents.

DEFINITIONS

All terms are defined in the General or the Compliance Conditions.

Addendum (plural **addenda**) means an addition, correction, deletion, modification, or clarification of or to this specification, issued to prospective submitters prior to the date and time proposals are due.

Awardee means the submitter (or submitters) whose proposal, with or without further negotiation, has been formally accepted for contract by the Board of Commissioners or the General Superintendent of the Park District.

General Superintendent means the General Superintendent of the Chicago Park District. effective when received by the awardee, as to stated items not yet shipped or services not yet rendered, and to secure substitute materials and/or services from any other available source. The awardee shall be liable to and promptly reimburse the Chicago Park District for any difference in price, over and above the contract price, incurred by the Park District in purchasing substitute materials and/or services, from the time of non-performance to the contract expiration date. In addition to the difference in price, the awardee shall promptly reimburse the Park District for expenses in securing alternative goods, materials or services due to the awardee's failure to meet its obligations, and for all attorney's fees and court costs incurred to seek or enforce collection of said difference, costs, fees, and expenses, or any other amounts due the Park District. For purposes of this Business Associate Agreement, the term "Protected Health Information" or "PHI" includes electronic PHI, also known as ePHI.

1. Interpretation of this Business Associate Agreement. A reference in this Business Associate Agreement to HIPAA means the section in effect or as amended. If there is a dispute as to whether Business Associate is, in fact, a Business Associate, the Business Associate must provide a legal memorandum to the CPD indicating why the Business Associate does not fall under the definition of Business Associate in HIPAA. If the CPD disagrees with the legal memorandum regarding the Business Associate's conclusion that Business Associate is not a Business Associate, the CPD may choose to report a Breach to the Secretary or take other measures as deemed necessary to ensure the CPD's compliance with HIPAA. Any ambiguity or inconsistency in this Business Associate Agreement shall be resolved in favor of a meaning that permits CPD to comply with HIPAA.

2. Amendment of this Business Associate Agreement. The parties hereto agree to negotiate in good faith to amend this Agreement from time to time as is necessary for CPD to comply with the requirements of HIPAA and for Business Associate to provide services to CPD. However, no change, amendment, or modification of this Agreement shall be valid unless it is set forth in writing and signed by both parties.

a. Business Associate will not sell PHI or use or disclose PHI for the purposes of marketing or fundraising.

b. Business Associate shall not directly or indirectly receive financial remuneration in exchange for any PHI of an individual or in exchange for making communications regarding treatment or health care operations purposes, unless otherwise allowed in this Agreement.

ii. The Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the person, and the person notifies Business Associate of any instances of which it is aware in which the confidentiality of the information has been the subject of a Breach.

f. Except as otherwise limited in this Agreement, Business Associate may use and disclose PHI obtained from or on behalf of the CPD to perform functions, activities, or services for, or on behalf of, the CPD as specified in the Agreement, provided that such use or disclosure would not violate HIPAA if done by the CPD.

5. Minimum Necessary. Business Associate shall use, disclose, or request only the minimum necessary PHI necessary to accomplish the intended purpose of the use, disclosure, or request. Business Associate represents that the PHI used, disclosed, or requested by Business

Associate is the minimum necessary to carry out purposes of the Agreement. Prior to any use or disclosure, Business Associate shall determine whether a limited data set would be sufficient for these purposes.

The safeguards must reasonably protect PHI from any intentional or unintentional use or disclosure in violation of HIPAA privacy regulations (45 CFR Part 164, subpart E) and limit incidental uses or disclosures made pursuant to a use or disclosure otherwise permitted by this Agreement. The safeguards must also reasonably and appropriately protect the confidentiality, integrity, and availability of PHI that Business Associate creates, receives, maintains, or transmits on the CPD's behalf as required by the HIPAA security regulations (45 CFR Part 164, subpart C). Where applicable, Business Associate must comply with the HIPAA security regulations (45 CFR Part 164, subpart C) with respect to electronic protected health information, to prevent the use or disclosure other than as provided for by this Agreement. Agent/subcontractor is not required to report the following types of unsuccessful security incidents: pings and other broadcast attacks on agent/subcontractor's firewall, port scans, unsuccessful log-on attempts, denial of service attacks, and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

If a delay is requested by a law enforcement official in accordance with 45 CFR 164.412, agent/subcontractor may delay notification to Business Associate for the time period specified in HIPAA. Agent or subcontractor's report will include the information described in 45 CFR 164.404(c) and such other information as the Business Associate or the CPD may reasonably request.

Business Associate shall provide any reports or notices required by HIPAA as a result of Business Associate's Breach. On behalf of the CPD, Business Associate will provide such reports or notices to any party or entity (including but not limited to media, Secretary, and individuals affected by the Breach) entitled by law to receive the reports or notices. Business Associate is not required to report the following types of unsuccessful security incidents: pings and other broadcast attacks on Business Associate's firewall; port scans; unsuccessful log-on attempts; denial of service attacks; and any combination of the above, so long as no such incident results in unauthorized access, use, or disclosure of PHI.

Business Associate's report will include the information described in 45 CFR 164.404(c) and such other information as the CPD may reasonably request.

9. Mitigation and Penalties. Business Associate must mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Breach or of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement. Business Associate shall take reasonable steps to put corrective measures in place to prevent future Breaches (such as retraining employees and upgrading security systems). At the CPD's request, Business Associate shall take reasonable steps to mitigate the harm to affected Individuals whose PHI has been or may have been compromised as a result of a Breach by Business Associate, including obtaining credit monitoring services and offering identity theft insurance. To the extent that the CPD incurs civil or criminal monetary penalties as a result of a Breach by the Business Associate, the Business Associate agrees to reimburse the CPD for such penalties.

10. Designated Record Sets - Access. If the Business Associate has PHI in a Designated Record Set, then Business Associate must provide access to or otherwise make available, at the request of the CPD, and in the time and manner designated by the CPD, PHI in a Designated

12. Internal Practices, Books, and Records. Business Associate must make its internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of, the CPD available to the Secretary for purposes of determining compliance with HIPAA. Business Associate also must make internal practices, books, and records relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of, the CPD available to the CPD in a time and manner designated by the CPD, for purposes of the Secretary determining CPD's compliance with HIPAA.

13. Accounting of Disclosures - Documentation. Business Associate must document the disclosures of PHI and information relating to such disclosures as would be required for CPD to respond to a request by an individual for an accounting of disclosures of PHI in accordance with HIPAA, specifically 45 CFR 164.528.

14. Accounting of Disclosures – Provision of Information. Business Associate must provide to CPD or an individual, in time and manner designated by CPD, information collected which relates to the disclosure of PHI, to permit CPD to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. If the Business Associate receives a request for accounting of disclosures directly from the individual, the Business Associate must respond to such request for an accounting of disclosures, provide the accounting of disclosures to the individual within the time required by 45 CFR 164.528, and provide the information regarding such request to the CPD, in the time and manner designated by the CPD.

15. Survival, Termination, and Return or Destruction of PHI. Upon termination of this Agreement for any reason, the Business Associate's obligations under these contractual obligations shall survive termination and remain in effect:

(a) until Business Associate has completed the return or destruction (in accordance with HHS guidance for destruction) of all of the PHI provided by CPD to Business Associate, or created or received by Business Associate on behalf of CPD, and

(b) to the extent that Business Associate retains any PHI.

Upon the expiration or termination of the underlying Agreement, if feasible, the Business Associate must either:

(a) return all PHI received from the CPD, or created, maintained, or received by Business Associate on behalf of the CPD, which the Business Associate still maintains in any form, to the CPD or

(b) destroy it, at the CPD's option (in accordance with the US Department of Health and Human Services' Guidance to Render Unsecured Protected Health Information Unusable, Unreadable, or Indecipherable to Unauthorized Individuals).

This provision shall apply to PHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI.

If Business Associate determines that returning or destroying the PHI is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If it is infeasible for Business Associate to obtain, from a subcontractor or agent any PHI in the possession of the subcontractor or agent, Business Associate shall require the subcontractors and agents to agree to extend any and all protections, limitations and restrictions contained in this Agreement to the subcontractors' and/or agents' use and/or disclosure of any PHI retained after the termination of this Agreement, and to limit any further uses and/or disclosures to the purposes that make the return or destruction of the PHI infeasible.

In the event of a breach of the terms of these contractual obligations, the cure and remedies of the Agreement shall govern. HIPAA's privacy rule (45 CFR § 164.504(e)(2)) requires that the Business Associate will authorize termination of the contract by the CPD, if the CPD determines that the Business Associate has violated a material term of these contractual obligations.

16. Compliance with Obligations. To the extent the Business Associate is to carry out one or more of CPD's obligation(s) under Subpart E of 45 CFR Part 164, the Business Associate must comply with the requirements of Subpart E that apply to the CPD in the performance of such obligation(s). Business Associate may not use or disclose PHI in a manner that would violate Subpart E of 45 CFR Part 164 if done by the CPD.

17. No Third Party Rights. The terms and conditions of this Agreement are intended for the sole benefit of Business Associate and CPD and do not create any third party rights.

18. Governing Law. To the extent not preempted by federal law, the Agreement shall be governed and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective duly authorized officers or agents as of the date first above written.

This document briefly summarizes the legal plan documents and in the event of any inconsistencies between the summary and the plan documents, the plan documents will control.

The Chicago Park District reserves the right to change, revise, or eliminate any of the benefits described in the summary at any time and in any manner, with or without notice, as provided by applicable law.

Blue Choice Options PPO

1. Blue Choice OPTIONS PPO, a three tier PPO, is designed in three tiers. ***You save*** *the most when you use doctors and hospitals in tier 1 – the Blue Choice OPT PPO network.* ***You pay*** *the most when you visit those in tier 3 (out of network providers).*
   The Blue Choice OPT PPO network (tier 1) has a variety of doctors and hospitals in the Chicago metropolitan area that can meet all your health care needs. These doctors and hospitals, which all meet BCBSIL's quality criteria, have agreed to offer you the care and services you need for a lower cost. In addition, with your Blue Choice Options benefit plan, you also get the highest level of benefits when you visit the doctors and hospitals in the Blue Choice OPT PPO network. You still have the options of choosing a doctor from a larger, statewide PPO network (tier 2) but you will pay higher out of pocket costs than with the Blue Choice OPT PPO network.

2. Preventive care visits and health screenings are covered at 100% in network only.

3. The emergency room copayment is $150

You pay the lowest deductible and coinsurance when you use providers in Tier 1. Use the Provider Finder at ***www.bcbsil.com*** to locate Tier 1 providers or call 1-800-331-8032

Save on Lab TESTS – use a free standing lab:
Get your lab test paid in full by using a free standing lab which is not affiliated with or billed through a hospital. Quest and Labcorp have independent labs throughout the city and the Benefit Value Advisor can help you schedule your appointment. Tell your doctor that you will save money by using a free standing lab and request lab order for tests to be done at a Quest/Labcorp facility. Take this paperwork to the lab and tests results will be sent directly to your doctor. In contrast, deductibles and co-insurance amounts will need to be paid for lab services billed by a hospital.

Scans are covered 100% when done at a free-standing imaging center. When your doctor orders an MRI, CT, or a PET SCAN, call the Benefit Value Advisor to help locate a free standing imaging center near you.
