WHEREAS, Willard Horton, owner, on August 20, 1985, filed an application for a variation of the zoning ordinance to permit, in an M1-2 Restricted Manufacturing District, the legalization of a one-story 40 feet by 50 feet addition recently constructed to the rear of a one-story brick garage building, which addition is 3 feet from the rear lot line instead of 4 feet required when located across the 16 feet alley from an R2 Single Family Residence District, on premises at 8355 S. South Chicago Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered July 10, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 10.13-1 and 11.7-4(1)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in an M1-2 Restricted Manufacturing District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the said use is located in an M1-2 Restricted Manufacturing District; that the proof presented indicates that the one-story 40 feet by 50 feet addition was recently constructed to the rear of an existing one-story brick garage building before a building permit was obtained; that the said addition is located three feet from the rear lot line across the 16 feet alley from an R2 Single Family Residence District; that the property in question cannot yield a reasonable return nor be put to reasonable use if permitted to be used only under the conditions allowed by the regulations in this district in that the addition is necessary to provide a larger entrance to the existing garage building; that the plight of the owner is due to failure to obtain the necessary building permits before constructing the said addition; and that the variation, if granted, will not alter the essential character of the locality nor impair an adequate supply of light and air to adjacent properties in that the said addition is separated from the residential district by a 16 feet public alley and located directly across the alley from vacant property owned by the applicant; it is therefore

PAGE 3 OF MINUTES
RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that a variation be and it hereby is granted to permit the legalization of a one-story 40 feet by 50 feet addition recently constructed to the rear of a one-story brick garage building, on premises at 8355 S. South Chicago Avenue, which addition is 3 feet from the rear lot line instead of 4 feet required when located across the 16 feet alley from an R2 Single Family Residence District, upon condition that all applicable ordinances of the City of Chicago shall be complied with before a permit is issued.

THE RESOLUTION:

WHEREAS, Balzekas Museum of Lithuanian Culture, for Dr. C.R. Von Solbrig, owner, on August 26, 1985, filed an application for a special use under the zoning ordinance for the approval of the location and the establishment of a public museum in a two-story former hospital building, in a B2-1 Restricted Retail District, on premises at 6500-22 S. Pulaski Road; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered August 16, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 8.3-2 and 8.4-2(1)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in a B2-1 Restricted Retail District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a B2-1 Restricted Retail District in a former hospital building; that the applicant museum collects, exhibits and encourages the study and preservation of early Lithuanian and American culture, history and art and has been in operation at its present location at 4012 S. Archer Avenue for 20 years; that the proof presented indicates that the proposed use is necessary for the public convenience at this location to provide a larger facility to continue and expand the programs of the museum; that the public health, safety and welfare will be adequately protected in the design and operation of the proposed museum which will comply with all applicable building code requirements and which will provide adequate off-street parking; and that the proposed use will be compatible with the mixed business and residential improvements in the area and will not cause substantial injury to the value of other property in the neighborhood; it is therefore

RESOLVED, that the application for a special use be and it hereby is approved and the Zoning Administrator is authorized to approve the establishment of a public museum in a two-story brick former hospital building, on premises at 6500-22 S. Pulaski Road, upon
condition that the subject building is brought into compliance with building code regulations with plans and permits indicating such compliance; that ingress to the paved on-site parking area existing at the rear of the building shall be from the existing driveway on W. 65th Street and egress shall be into the public alley from a 20 feet wide exit area located at the southwest corner of the lot; that a "Right Turn Only" sign shall be erected at said exit area; that steel beam guard rails approximately 2 feet in height shall be erected along the balance of the rear lot line and along the south lot line and the north lot line, excepting the driveway area; that the diagonal parking spaces shall be striped; that lighting shall be provided; and that the parking area shall be securely locked by a chain or other device at the entrance and exit areas at all times the museum is not occupied.

THE RESOLUTION:

WHEREAS, Balzekas Museum of Lithuanian Culture, for Dr. C.R. Von Solbrig, owner, on August 29, 1985, filed an application for a special use under the zoning ordinance for the approval of the location and the establishment of an off-site accessory parking lot for the parking of private passenger automobiles, in a B2-1 Restricted Retail District, on premises at 6456-58 S. Pulaski Road, for the use of a proposed public museum at 6500-22 S. Pulaski Road; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered August 16, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 8.3-2 and 8.4-2."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in a B2-1 Restricted Retail District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a B2-1 Restricted Retail District; that on October 18, 1985, in Cal. No. 326-85-S, the Board approved a special use for the establishment of a public museum at 6500-22 S. Pulaski Road; that the proof presented indicates that the proposed off-site parking lot is necessary for the public convenience at this location to provide additional off-street parking for the applicant museum at 6500-22 S. Pulaski Road; that the public health, safety and welfare will be adequately protected in the design and operation of the proposed parking lot to be improved and operated under the conditions hereinafter set forth; and that the use of the premises as a parking lot will be an improvement of the existing condition of the site and will not cause substantial injury to the value of other property in the neighborhood; it is therefore

RESOLVED, that the application for a special use be and it hereby is approved and the Zoning Administrator is authorized to permit the establishment of an off-site accessory parking lot for the parking of private passenger automobiles, on premises at 6456-58 S. Pulaski Road, for the use of a proposed public museum at 6500-22 S. Pulaski Road, upon condition that no

use shall be made of the lot for the purpose requested until the following conditions shall have been complied with: that the lot shall be used solely for the parking of private passenger automobiles and that no commercial vehicles shall be parked upon said lot at any time; that the surface of the lot shall be improved with a compacted macadam base, not less than four inches thick, surfaced with asphaltic concrete or some comparable all-weather dustless material properly graded to drain to a sewer or sewers located within the lot which shall be connected by drainage tiles to an established City of Chicago sewer; that a 6 feet high decorative screening fence shall be erected along the north lot line and steel beam guard rails approximately 2 feet in height shall be erected along the south and west lot lines; that each parking space shall be striped; that lighting shall be provided directed away from abutting residential property; that ingress and egress shall be from S. Pulaski Road; that the abutting alley shall not be used for ingress nor for egress; that the driveways shall be constructed in accordance with the Driveway Ordinance, which specifies three-foot straight flares on each approach; that the parking lot shall be securely locked at all times when the museum is not occupied; and that all applicable ordinances of the City of Chicago shall be complied with before a certificate of occupancy is issued. It shall be the responsibility of the applicant to improve and maintain said parking lot in conformance with the provisions and standards hereby established under this order; and further, the Zoning Board of Appeals shall retain jurisdiction over this application until such time as all conditions stated herein shall have been complied with and the Zoning Administrator shall not issue a certificate of occupancy until an inspection of the property and a determination shall have been made by his department that all of the provisions of this resolution have been complied with.

THE RESOLUTION:

WHEREAS, General Parking Corporation, for Chicago Title and Trust Co., Tr. Nos. 64278 and 43846, owner, on September 20, 1985, filed an application for a special use under the zoning ordinance for the approval of the location and the expansion of a public parking lot for the parking of private passenger automobiles, in a C3-6 Commercial-Manufacturing District, on premises at 1-21 E. Grand Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered September 20, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Section 9.3-3."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in a C3-6 Commercial-Manufacturing District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a C3-6 Commercial-Manufacturing District; that the proposed parking lot is an expansion of parking lots approved by the Board on December 18, 1969, Cal. No. 225-69-S and on July 28, 1978, Cal. No. 151-78-S; that the expansion of the existing parking lot at this location is necessary for the public convenience in that this is a high density area with a great demand for public parking; that the public health, safety and welfare will be adequately protected in the design and operation of the parking lot to be improved and operated under the conditions hereinafter set forth; and that the proposed parking lot, with a terminal date of October 18, 1990, is compatible with the existing improvements in the area and will not cause substantial injury to the value of other property in the neighborhood; it is therefore

RESOLVED, that the application for a special use be and it hereby is approved and the Zoning Administrator is authorized to approve the expansion of a public parking lot for the parking of private passenger automobiles, on premises at 1-21 E. Grand Avenue, upon condition that no use shall be made of the premises for the purpose requested until the following conditions shall have been complied with: that the lot shall be used solely for the parking
of private passenger automobiles and that no commercial vehicles shall be parked upon the said lot at any time; that the lot shall be improved with a compacted macadam base, not less than four inches thick, surfaced with asphaltic concrete or some comparable all-weather dustless material properly graded to drain to a sewer or sewers located within the lot which shall be connected by drainage tiles to an established City of Chicago sewer; that the lot shall be enclosed with a cyclone fence and that concrete curbing shall be erected on the periphery of the surfaced area; that ingress and egress shall be from E. Grand Avenue; that the lot shall be securely locked at all times it is not in operation; that the driveway shall be constructed in accordance with the Driveway Ordinance, which specifies three foot straight flares on each approach; that the use of the premises, including the parking lots approved by the Board in Cal. Nos. 225-69-S and 151-78-S, shall terminate five years from the date hereof on October 18, 1990, subject to the condition that the Zoning Board of Appeals shall retain jurisdiction over this application during the entire term for the purpose of determining whether the conditions of this resolution are being complied with and the Zoning Administrator shall not issue a certificate of occupancy until an inspection of the property and a determination shall have been made by his department that all of the provisions of this resolution have been complied with.

APPLICANT: Martin Reinheimer

APPEARANCES FOR: Patrick FitzGerald

APPEARANCES AGAINST: Fenton Booth, Carol Gerhardt

PREMISES AFFECTED— 1905 N. Seminary Avenue and 1900 N. Kenmore Avenue

SUBJECT— Application to vary the requirements of the zoning ordinance.

ACTION OF BOARD— Variation granted.

THE RESOLUTION:

WHEREAS, Martin Reinheimer, for Richard and Mayme Johnson, owners, on September 6, 1985, filed an application for a variation of the zoning ordinance to permit, in an R4 General Residence District, the erection of a two-story five-dwelling unit townhouse building on an irregularly shaped lot whose south front yard will be 2 instead of 12 feet, whose north rear yard will be 3 instead of 30 feet and whose west side yard will be 2 instead of 6 feet, on premises at 1905 N. Seminary Avenue and 1900 N. Kenmore Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered September 4, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 7.8-4, 7.7-4, 7.9-4 and 11.7-4(1)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in an R4 General Residence District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in an R4 General Residence District; that the proof presented indicates that the subject site is an irregularly shaped four-sided lot fronting on three city streets and abutting a Chicago Park District building to the north; that the proof presented indicates that the property in question cannot yield a reasonable return nor be put to reasonable use if permitted to be used only under the conditions allowed by the regulations in this district in that to construct an economically viable townhouse development on this lot would require authorized variations; that the plight of the owner is due to the irregular shape of the subject lot; and that the variations, if granted, will not alter the essential character of the locality in that many of the existing improvements in the area do not meet the yard requirements of the zoning ordinance; it is therefore

RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that a variation be and it hereby is granted to permit the erection of a two-story townhouse building on the premises at 1905 N. Seminary Avenue and 1900 N. Kenmore Avenue.
MINUTES OF MEETING

Cal. No. 330-85-Z

A five dwelling unit townhouse building on an irregularly shaped lot whose south front yard will be 2 instead of 12 feet, whose north rear yard will be 3 instead of 30 feet and whose west side yard will be 2 instead of 6 feet, on premises at 1905 N. Seminary Avenue and 1900 N. Kenmore Avenue, upon condition that all applicable ordinances of the City of Chicago shall be complied with before a permit is issued.
APPLICANT: Matanky Realty Acquisition Corp.  
APPEARANCES FOR: Paul T. Wigoda  
PREMISES AFFECTED— 1013 W. Webster Avenue  
SUBJECT— Appeal from the decision of the Office of the Zoning Administrator  
ACTION OF BOARD— Appeal sustained and the decision of the Office of the Zoning Administrator reversed.

WHEREAS, Matanky Realty Acquisition Corp., owner, on September 20, 1985, filed an appeal from the decision of the Office of the Zoning Administrator in refusing to permit the conversion of the rear 3,500 square feet of ground floor commercial area to interior parking for seven automobiles and the erection of a 3,000 square feet 4th floor addition thereby duplexing 3rd floor dwelling units in a three-story brick store and apartment building, in a B2-2 Restricted Retail District, which building presently exceeds the allowable floor area ratio, on premises at 1013 W. Webster Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered September 20, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 6.4-2, 8.5-2(2), 8.6-2(2), 6.6-1(2), 8.7-2 and 8.7-1."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985; and

WHEREAS, the district maps show that the premises are located in a B2-2 Restricted Retail District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a B2-2 Restricted Retail District; that the subject site is improved with a pre-existing three-story brick store and apartment building which covers the entire lot and is presently non-conforming due to excessive floor area and no provision for off-street parking for the existing apartments; that the appellant proposes to convert approximately 3,500 square feet of rear ground floor business space to interior parking for seven automobiles and to erect an approximately 3,000 square feet 4th floor addition thereby duplexing 3rd floor dwelling units; that the zoning ordinance provides that any space devoted to off-street parking shall not be included in calculating the floor area ratio of a building; that the proposed conversion of 3,500 square feet of business floor area to parking for seven automobiles and the erection of a 3,000 square feet 4th floor addition will actually reduce the calculable floor area ratio of the subject building and will allow for the building to be in conformance with the off-street parking requirements for seven dwelling units; that no violation of the zoning ordinance exists nor is contemplated and that the appellant has established the basis of its appeal; it is therefore
RESOLVED, that the appeal be and it hereby is sustained and the decision of the Office of the Zoning Administrator be and it hereby is reversed and he is authorized to permit the conversion of the rear 3,500 square feet of ground floor commercial area to interior parking for seven automobiles and the erection of a 3,000 square feet 4th floor addition thereby duplexing the 3rd floor dwelling units in a three-story brick store and apartment building, on premises at 1013 W. WHEREAS, Matanky Realty Acquisition Corp., owner, on September 20, 1985, filed, and subsequently amended, an application for a variation of the zoning ordinance to permit, in a B2-2 Restricted Retail District, the erection of a 3,000 square feet 4th floor addition to a three-story brick store and proposed seven dwelling unit building, which addition will be situated in the required front, side and rear yards and whose lot area is 6,250 square feet instead of 6,300 square feet required for seven dwelling units, on premises at 1013 W. Webster Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered September 20, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 6.4-2, 8.5-2(2), 8.6-2(2), 8.6-1(2), 8.7-2 and 8.7-1."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in a B2-2 Restricted Retail District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a B2-2 Restricted Retail District; that on October 18, 1985, Cal. No. 331-85-A, the Board sustained an appeal by the applicant to permit the conversion of the rear 3,500 square feet of ground floor commercial area in the subject site building to interior parking for seven automobiles and the erection of a 3,000 square feet 4th floor addition thereby duplexing 3rd floor dwelling units, upon condition that all applicable ordinances are complied with; that the applicant now seeks variations to establish seven dwelling units on the 2nd and 3rd floors and to erect an approximately 3,000 square feet 4th floor addition thereby duplexing the 3rd floor dwelling units; that the proof presented indicates that the property in question cannot yield a reasonable return nor be put to reasonable use if permitted to be used only under the conditions allowed by the regulations in this district in that it would be economically unfeasible to renovate the subject building as proposed without the requested variations; that the plight of the owner is due to the desire to provide interior off-street parking; and...
parking and a 7th dwelling unit to make the project economically viable; and that the variations, if granted, will not alter the essential character of the locality in that the subject site lot lacks a scant 50 square feet of lot area to permit seven dwelling units and that the 4th floor addition will be champered and set back four feet from the front of the existing building so as not to be obstrusive nor impair an adequate supply of light and air to the adjacent properties; it is therefore

RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that a variation be and it hereby is granted to permit the erection of an approximately 3,000 square feet 4th floor addition and the establishment of 7 dwelling units on the 2nd and 3rd floors of a 3-story brick store and apartment building, which addition will be partially situated in the required front, side and rear yards and whose lot area is 6,250 square feet instead of 6,300 square feet, on premises at 1013 W. Webster Avenue, upon condition that the 4th floor addition shall be champered at the front and set-back four feet from the front of the existing building; that the rear 3,500 square feet of ground floor commercial space shall be converted to a parking area for seven automobiles; and that all applicable ordinances of the City of Chicago shall be complied with.

THE RESOLUTION:

WHEREAS, Patrick FitzGerald, for Denoyer Geppert Company, owner, on September 20, 1985, filed an application for a variation of the zoning ordinance to permit, in an M1-2 Restricted Manufacturing District (proposed R5 General Residence District), the conversion of a two and three-story brick commercial building into 40 dwelling units with off-street parking for 32 instead of 40 automobiles and with no provision for one loading berth, on premises at 5235-57 N. Ravenswood Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered August 7, 1985 reads: "Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 7.4-1, 7.4-3, 7.7-4, 7.7-5, 7.8-4, 7.8-5, 7.11-3, 7.11-4, 7.11-5 and 7.12-2(9)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in an M1-2 Restricted Manufacturing District (proposed R5 General Residence District); and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in an R5 General Residence District; that on September 30, 1985, the City Council rezoned the subject site from M1-2 Restricted Manufacturing to R5 General Residence for the proposed conversion; that the subject site is improved with a pre-existing two and three-story brick vacant commercial building with a loading facility at the rear of the building which would require vehicles to park in the abutting public alley in order to service and does not qualify under present codes as a completely on-site loading berth; that the applicant is seeking to convert the subject building, which covers the entire lot, to 40 dwelling units with off-street parking located at 1740-42 W. Farragut Avenue for 32 instead of 40 automobiles and with no provision for a loading berth; that the proof presented indicates that the property in question cannot yield a reasonable return nor be put to reasonable use without the requested variations; that the plight of the owner is due to the existing loading area not qualifying as a loading berth under present codes and the inability of the parking lot at 1740-42 W. Farragut Avenue to contain more than 32 automobiles; and that the variations, if
granted, will not alter the essential character of the locality in that the proposed conversion will be compatible with the existing residential improvements in the block and that provision for 32 instead of 40 off-street parking spaces is adequate in this case and that there is no great need for a loading berth for the proposed residential use; it is therefore

RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that a variation be and it hereby is granted to permit the conversion of a two and three-story brick commercial building into 40 dwelling units, on premises at 5235-57 N. Ravenswood Avenue, with off-street parking for 32 instead of 40 automobiles and with no provision for one loading berth, upon condition that off-street parking for 32 automobiles shall be provided on the lot at 1740-42 W. Farragut Avenue; that said parking lot shall at all times be in the same ownership as the subject site, pursuant to Section 5.8-5 of the zoning ordinance; and that all applicable ordinances of the City of Chicago shall be complied with before a permit is issued.
whereas, Patrick FitzGerald, for Denoyer Geppert Company, owner, on September 20, 1985, filed an application for a special use under the zoning ordinance for the approval of the location and the establishment of an off-site accessory parking lot for 32 private passenger automobiles, in an R3 General Residence District (proposed R5 General Residence District), on premises at 1740-42 W. Farragut Avenue, to satisfy the parking requirements for the proposed conversion of a two and three-story brick commercial building into 40 dwelling units located at 5235-57 N. Ravenswood Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered August 7, 1985 reads:
"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 7.4-1, 7.4-3, 7.7-4, 7.7-5, 7.8-4, 7.8-5, 7.11-3, 7.11-4, 7.11-5 and 7.12-2(9)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in an R3 General Residence District (proposed R5 General Residence District); and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in an R4 General Residence District; that on October 9, 1985, the City Council rezoned the subject site from R3 General Residence to R4 General Residence for the purpose of qualifying the subject site for an application for special use as an off-site accessory parking lot for the proposed conversion of a commercial building to 40 dwelling units at 5235-57 N. Ravenswood Avenue; that the subject site has served as a parking lot for the two and three-story commercial building at 5235-57 N. Ravenswood Avenue for approximately 60 years; that on October 18, 1985, the Board approved the conversion of the two and three-story commercial building at 5235-57 N. Ravenswood into 40 dwelling units, Cal. No. 334-85-Z; that the proof presented indicates that the proposed parking lot is necessary at this location to satisfy the parking requirements for the conversion of the building at 5235-57 N. Ravenswood Avenue into 40 dwelling units; that the public health, safety and welfare will be adequately protected in the design and operation of the parking lot to be improved and...
and operated under the conditions hereinafter set forth; and that the continued use of the subject site as a parking lot will enhance the area and not cause substantial injury to the value of other property in the neighborhood; it is therefore

RESOLVED, that the application for a special use be and it hereby is approved and the Zoning Administrator is authorized to approve the establishment of an off-site accessory parking lot for 32 private passenger automobiles, on premises at 1740-42 W. Farragut Avenue, to satisfy the parking requirements for the proposed conversion of a two and three-story brick commercial building into 40 dwelling units located at 5235-57 N. Ravenswood Avenue, upon condition that no use shall be made of the premises for the purpose requested until the following conditions shall have been complied with: that the lot shall be used solely for the parking of private passenger automobiles and that no commercial vehicles shall be parked upon said lot at any time; that the lot shall be improved with a compacted macadam base, not less than four inches thick, surfaced with asphaltic concrete or some comparable all-weather dustless material and properly graded to drain to a sewer or sewers located within the lot which shall be connected by drainage tiles to an established City of Chicago sewer; that a decorative five feet high screening fence shall be erected along the east property line; that two feet high steel beam guard rails shall be erected on the periphery of the lot, except for the driveway portions; that each parking stall shall be striped; that lighting shall be provided; that ingress and egress shall be determined by the Bureau of Traffic Engineering and Operations and that the driveways shall be constructed in accordance with the Driveway Ordinance, which specifies three foot straight flares on each approach; and that all applicable ordinances of the City of Chicago shall be complied with before a certificate of occupancy is issued.

It shall be the responsibility of the applicant to improve and maintain said parking lot in conformance with the provisions and standards hereby established under this order and with Section 5.8-5 of the zoning ordinance. Further, the Zoning Board of Appeals shall retain jurisdiction over this application until such time as all conditions stated herein shall have been complied with and the Zoning Administrator shall not issue a certificate of occupancy until an inspection of the property and a determination shall have been made by his department that all of the provisions of this resolution have been complied with.

THE RESOLUTION:

WHEREAS, Patrick FitzGerald, for Denoyer Geppert Company, owner, on September 20, 1985, filed an application for a variation of the zoning ordinance to permit, in an R3 General Residence District (proposed R5 General Residence District), the parking of automobiles in the required 15 feet front yard and 5.6 feet east side yard of a proposed accessory parking lot, on premises at 1740-42 W. Farragut Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered August 7, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 7.4-1, 7.4-3, 7.7-4, 7.7-5, 7.8-4, 7.8-5, 7.11-3, 7.11-4, 7.11-5 and 7.12-2(9)."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in an R3 General Residence District (proposed R5 General Residence District); and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in an R4 General Residence District; that on October 18, 1985 the Board approved in Cal. No. 335-85-S, the establishment of the proposed off-site accessory parking lot for 32 automobiles at the subject site to satisfy the parking requirements for the proposed conversion of a two and three-story brick commercial building into 40 dwelling units located at 5235-57 N. Ravenswood Avenue, which conversion was approved by the Board on October 18, 1985 in Cal. No. 334-84-Z; that the said parking lot will accommodate a maximum of 32 automobiles; that the proof presented indicates that the property in question cannot yield a reasonable return nor be put to reasonable use if permitted to be used only under the conditions allowed by the regulations in this district in that the requested variations are necessary to accommodate 32 automobiles on the site; that the plight of the owner is due to the limited size of the lot; and that the variations, if granted, will not alter the essential character of the locality; it is therefore

RESOLVED, that the Zoning Board of Appeals, by virtue of the authority conferred upon
it, does hereby make a variation in the application of the district regulations of the zoning ordinance and that a variation be and it hereby is granted to permit the parking of automobiles in the required 15 feet front yard and 5.6 feet east side yard of a proposed accessory parking lot, on premises at 1740-42 W. THE RESOLUTION:

WHEREAS, Manuel M. Onate, Jr., for Adolf Neruda, owner, on September 24, 1985, filed an application for a special use under the zoning ordinance for the approval of the location and establishment of a pet shop in a store on the first floor of a one-and-a-half story brick and frame store and apartment building, in a B2-2 Restricted Retail District, on premises at 6824 S. Western Avenue; and

WHEREAS, the decision of the Office of the Zoning Administrator rendered September 12, 1985 reads:

"Application not approved. Requested certification does not conform with the applicable provisions of the Chicago Zoning Ordinance, Chapter 194A of the Municipal Code of Chicago, specifically, Sections 8.3-2 and 8.3-4."

and

WHEREAS, a public hearing was held on this application by the Zoning Board of Appeals at its regular meeting held on October 18, 1985 after due notice thereof by publication in the Chicago Tribune on September 30, 1985; and

WHEREAS, the district maps show that the premises are located in a B2-2 Restricted Retail District; and

WHEREAS, the Zoning Board of Appeals, having fully heard the testimony and arguments of the parties and being fully advised in the premises, finds that in this case the proposed use is to be located in a B2-2 Restricted Retail District; that on September 11, 1985, a new amendment to the zoning ordinance was passed by the City Council which requires a special use for the establishment of pet shops in a B2 District; that the proof presented indicates that the establishment of a pet shop is necessary at the subject site to meet the demand in the area for a pet shop; that the public health, safety and welfare will be adequately protected in the design and operation of the proposed use; and that the proposed pet shop will be compatible with the existing commercial uses in the area and will not cause substantial injury to the value of other property in the neighborhood; it is therefore

RESOLVED, that the application for a special use be and it hereby is approved and the Zoning Administrator is authorized to approve the establishment of a pet shop in a store on the first floor of a one-and-a-half story brick and frame store and apartment building, on premises at 6824 S. CAL. NO. 305-85-S
MAP NO. 15-H
MINUTES OF MEETING
October 18, 1985
Mr. Emerson E. Blue, for Arthur Norfleet, presented a request to refile an appeal from the decision of the Office of the Zoning Administrator in refusing to permit the establishment of a grocery store in a two-story brick store and apartment building, on premises at 9200 S. Woodlawn Avenue, which appeal was denied by the Board on March 15, 1985, Cal. No. 105-85-A.

Mr. Norfleet was not represented by counsel at the public hearing held on March 15, 1985. The request is made for a rehearing of the issues.

Chairman Guthman moved that the appellant be permitted to file a new appeal. The motion prevailed by yeas and nays as follows:

Yeas- Guthman, Cullen, Howlett and Keane. Nays- None.
Mr. Martin Reinheimer, for Reinheimer, FitzGerald and Architects, owners, presented a request for a further extension of time in which to erect a two-story 12 unit townhouse building, on an irregularly shaped lot whose front yard will be 7 instead of 15 feet, whose north side yard will be 6 instead of 16.6 feet, whose rear yard will be 12 instead of 30 feet and with no provision for a loading berth, on premises at 1867-83 N. Poe Street, for which a variation was granted by the Board on June 15, 1984, Cal. No. 194-84-Z, and for which, on February 15, 1985, the Board granted requests to extend the time for securing necessary permits to August 15, 1985 and to permit the erection of a two-story 12 dwelling unit (or less) townhouse building, upon condition that the proposed two-story 12 dwelling unit (or less) building has, at minimum, a 7 foot front yard, a 6 foot north side yard and a 12 foot rear yard.

Mr. Reinheimer stated that they have been unable to adhere to their planned timetable for start of construction and, therefore, need additional time to secure permits.

Chairman Guthman moved that the request be granted and that the time to secure necessary permits to erect the aforesaid building be extended to February 15, 1986. The motion prevailed by yeas and nays as follows:

**Yeas-** Guthman, Cullen, Howlett and Keane. **Nays-** None.
Mr. Keane moved that the Board do now adjourn.

The motion prevailed and the Board adjourned to meet in regular meeting on November 15, 1985.
