Re: 1441 E. 75th St.

Dear Mr. Marshall:

In response to your recent request, please be advised that the subject property is zoned C2-2 Motor Vehicle-Related Commercial District. You are the property owner and are seeking clarification if a cannabis infuser is a permitted use at this location.

Pursuant to Section 17-3-0207 of the Zoning Ordinance ("Ordinance"), a cannabis infuser requires special use approval from the Zoning Board of Appeals. Before a public hearing is held by the Zoning Board of Appeals to consider the special use application, the applicant must hold at least one community meeting in the ward in which the use is proposed. Please refer to Section 17-13-0905-G of the Ordinance for more information about the community meeting process.

This letter may be used as your official denial to file for the required special use with the Zoning Board of Appeals.

Sincerely,

Patrick Murphey
Zoning Administrator
Bureau of Zoning
