invites the submission of Qualifications and a Cost Proposal ("Proposal") for Airport Security
Consulting and Specialized Safety/Security Services ("Services") to provide the Department with the
Services set forth on the attached Exhibit 1 for the O’Hare and Midway International Airports. The
intent of this Request for Proposals ("RFP") is to select a most qualified Respondent proposing to
provide the Services under the terms that the Department deems to be the most advantageous to the
City.

"Respondent(s)" means the entities that submit Proposals in response to this RFP. The
Respondent(s) awarded an Agreement pursuant to this RFP, if any, are sometimes referred to herein
as "Consultant(s)." "Agreement" refers to an agreement awarded to a Consultant.

A. Background

The Airport Security Consulting and Specialized Safety/Security Service Program at the
Chicago Airport System undergoes continued redevelopment. This program requires a
Consultant to provide day to day support for the security access control system. This support
includes but is not limited to routine background checks, training and airport company audits.

B. Scope of Service

The scope of services requested in this RFP is described more fully in the attached Exhibit 1,

contract period of five (5) years.

D. Communications; Pre-Submittal Conference; and Document Availability

1. Communications between the City and Respondents

from any of these requirements is subject to immediate disqualification from this RFP
process.

2. Pre-Submittal Conference / Site Visit

The City will hold a pre-submittal conference at the Aviation’s Administration Building located
at 10510 West Zemke Road Chicago, IL on March 31, 2011 at 11:00 a.m., Central Time.

Immediately following the pre-submittal conference, the City will conduct a comprehensive site visit. The site visit will include post-security and Customs and Border Protection areas and, therefore, attendees are required to RSVP to airportsecconsultrfp@ohare.com no later than 12:00 p.m. Central Time on Tuesday, March 29, 2011 with the full names of each site visit attendee as well as date of birth and either passport number or social security number.

Under no circumstances shall failure to obtain clarifications and/or addenda relieve a Respondent from being bound by any additional terms and conditions in the clarifications and/or addenda, or from considering additional information contained therein in preparing a Proposal. Furthermore, failure to obtain any clarification and/or addendum shall not be valid grounds for a protest against award(s) made under this RFP.

**E. Deadline and Procedures for Submitting Proposals**

III. EVALUATION OF PROPOSALS

A. Evaluation Committee and Short-listing Process

An Evaluation Committee ("EC"), which may include representatives of the Department, DPS, and other City departments, will review and evaluate the Proposal. The City reserves the right to enlist independent consultants to assist with the evaluation of all or any portion of the Proposal, as it deems necessary. The EC will first assess the Respondent's compliance with and adherence to all Volume I and Volume II of the submittal requirements. Any Proposal which is incomplete and missing key components necessary to fully evaluate the response may, at the discretion of the CPO, be rejected from further consideration due to "non-responsiveness" and rated Non-Responsive.

The EC will then evaluate the extent to which a Response meets the Project requirements set forth in the RFP, including but not limited to a detailed analysis of Volumes I and II of the Response. The focus of the evaluations will be on the Respondent's understanding and approach, qualifications, experience, proposed implementation plan, and other factors based on the evaluation criteria outlined.
in this section. The EC may also review any other information that is available to it, including but not limited to information gained by checking references and by investigating the Respondent’s financial condition.

The City reserves the right to seek clarification of any information that is submitted by any Respondent in any portion of its Proposal or to request additional information at any time during the evaluation process. Any material misrepresentation made by a Respondent may void the Response and eliminate the Respondent from further consideration.

After the EC completes its review of Proposals, it may submit to the Commissioner of the Chicago Department of Aviation (the "Commissioner"): (1) a recommended short list of Respondents for further consideration; (2) a recommendation to select one or more Respondent(s) or (3)a recommendation to reject any or all Proposals.

If the EC submits a short list of Respondents for further review, then, in the sole discretion of the Commissioner, those short-listed Respondents may be subject to a site visit and/or be invited to appear before the EC for an oral interview, to clarify in more detail information submitted in a Proposal and/or to ask Respondent to respond to additional questions. The format of the oral interviews may require short-listed Respondents to respond to technical questions presented in advance of or at the time of the interview.

If the City elects to conduct oral interviews, the short-listed Respondents must be available to participate in these interviews including, at a minimum, the proposed Project Manager and Key Personnel. The proposed Project Manager and Key Personnel must be prepared to address the subjects and requirements for Airport Security Services.

The EC will then make a final evaluation and will submit a recommendation for one or more Respondents to the Commissioner. If the Commissioner concurs with the selection recommendation from the EC, the Commissioner will forward such concurrence and recommendation to the CPO for authorization to enter into contract negotiations with the selected Respondent(s).

The City will require the selected Respondent(s) to participate in contract negotiations, including but not limited to negotiations regarding compensation. The City’s requirement that the selected Respondent negotiate is not a commitment by the City to award an Agreement, nor is such requirement an opportunity for Respondent to take exception or objection to any part of the PSA, which it did not take exception or objection to as allowed in this RFP. If the City determines that it is unable to reach an acceptable Agreement with the selected Respondent, including failure to agree on a fair and reasonable compensation for the Services or any other terms or conditions, the City may terminate negotiations with the selected Respondent, and may commence negotiations with any of the other Respondent(s) until such time as the City has negotiated an Agreement meeting its needs.

**B. Evaluation Criteria**

The City will review the Respondent's Proposal using the following criteria (in no particular order of importance or evaluation weight):

1. Ability to meet the service requirements described in the Scope of Services and Section III.B., above;

2. Technical and professional Competence as Evidenced by:
   a. Respondent's overview and plan for implementing the Services;
   b. Respondent's demonstrated experience organizational management to provide airport security services, in an expedited, streamlined environment at large hub US airports;
c. Respondent's professional qualifications, specialized experience and availability of Key Personnel;

3. Respondent's systems, management techniques, required expertise and resources designed to facilitate effective decision-making, and stakeholder coordination and control; Preference will be given to firms with significant experience and knowledge of all three components of the Services required per Exhibit 1, Scope of Services of this RFP;

4. The EC will consider Respondent's detailed cost proposal as indicated in Exhibit 2. Respondent's cost proposal is important, however, it is not the sole factor in the evaluation process. Each Respondent's qualifications and cost proposal will be evaluated to determine a best value Proposal to the City. The best value Proposal to the City will be that responsive and responsible Proposal that will achieve highest score based upon qualifications and price.

5. Completeness and comprehensiveness of Respondent’s Response to this RFP, compliance with the submittal requirements, and all applicable local, City, State and Federal laws, ordinances and statutes and requirements including required disclosures and certifications;

6. Legal actions that might affect Respondent’s ability to perform as contracted;

7. Financial capacity to deliver the required Services;

8. Absence of any relationship that could constitute a conflict-of-interest or otherwise impede the ability of the Respondent to protect the interests of the City;

9. The level, relevance and quality of the proposed MBE/WBE utilization plan. In cases where multiple Respondents have demonstrated equivalent capabilities, resources and experience to provide the Services, preference may be given to Respondents who have established a joint venture or other team structure that affords MBE and WBE firms an equity position within the prime-contracting entity, and/or incorporates other capacity-building or innovative-utilization initiatives. The City will also consider MBE/WBE participation on Respondent's prior contracts with the City, if applicable;

10. The Respondent's demonstrated ability to meet the compliance with Insurance requirements identified in Exhibit 5.

11. The Respondent's willingness to take no exceptions to the PSA attached to this RFP as an Exhibit 6; and

12. Outcome of oral interviews including technical analysis and presentation (if requested by the City);

IV. CONFIDENTIALITY; PUBLIC INFORMATION

Respondents may designate those portions of a Proposal, which contain trade secrets, or other proprietary data ("Data") which Respondent desires remain confidential. If a Respondent includes Data that is not to be disclosed to the public for any purpose or used by the City except for evaluation purposes, the Respondent must:

A. Mark the title page as follows: "This Proposal includes trade secrets or other proprietary Data that may not be disclosed outside the City and may not be duplicated, used or disclosed in whole or in part for any purpose other than to evaluate this Proposal. The City, for purposes of this provision, will include any consultants assisting in the evaluation of Proposal. CITY OF CHICAGO TRAVEL GUIDELINES

Such amount of compensation shall be inclusive of all direct and indirect costs, expenses, and profits of the Consultant in performing Bidding Phase Services and Construction Support Services.

The City of Chicago Travel Guidelines are issued by:

City of Chicago
Office of Budget and Management
City Hall, Room 604
121 North LaSalle
Chicago, Illinois 60602

Effective April 2008

1. City of Chicago Travel Policy

The City of Chicago Travel Policy consists of guidelines and procedures for current and prospective City employees and contractors who travel on behalf and for the benefit of the City. This policy is administered by the Office of Budget and Management (OBM).

This policy:

- Is not intended to cover routine local travel related to the performance of an employee’s regular job duties. Rather, this policy is intended for out of town travel or travel to Chicago from another city.
- Applies to all City departments, employees and contractors regardless of funding sources (i.e. grants).
- Requires that all employees secure the most economical means of travel, including cost, travel time and work requirements.
- Will be strictly enforced. Any deviation from these guidelines must be justified in writing and approved by the Budget Director prior to travel.

The City is not obligated to reimburse any employee, contractor or representative of the City for travel expenses which were not previously approved by OBM.

When an individual is required to travel on behalf and for the benefit of the City, the employee is expected to exercise good judgment in managing travel costs and make every effort to secure the most economical travel arrangements available at that time.

For purposes of this policy, the Chicago metropolitan area is defined as Cook, DuPage, Will, Lake and McHenry counties

2. General Approval

A. General Requirements
The City recognizes the following activities as appropriate for travel purposes:

- Delivery of legislative testimony
- As a stipulation or condition of grant funding or otherwise required for state or federal certification
- Presentation on behalf of the City at a conference or seminar
- Financial or tax audit
- Site visits or operational evaluations related to departmental improvement efforts
- Court proceedings or case preparation
- Attendance at conferences, meetings, seminars or training sessions for which:
  - the topic is of critical interest to the City;
  - representation at the event is in the best interest of the City, and
  - the topic is related to an employee’s professional development.

Before planning out-of-town travel, every effort should be made to identify local options for comparable conferences, meetings, seminars or training sessions.

B. Limits on Participants

Attendance at conferences, meetings, seminars or training sessions held outside the Chicago metropolitan area is limited to two employees from any one department unless otherwise approved by OBM.

C. Travel Approval Procedure

- All travel arrangements are to be secured through the City's designated travel management agency, Corporate Travel Management Group (CTMG).
- All travel outside the Chicago metropolitan area requires approval from OBM.
- Complete original Travel Request Form and support documentation must be approved by the appropriate department head and submitted to OBM no later than seven (7) business days prior to the date of travel.
- In emergency situations in which there are fewer than seven (7) business days prior to a proposed trip, the Travel Request Form may be faxed to the requesting department's budget analyst at (312) 744-3618.
- The City is not obligated to reimburse employees for travel expenses which were not previously approved by OBM.
- A Travel Expense Report must be accurately and clearly completed and submitted with all receipts in order to obtain reimbursement for travel expenses.
- If there is a disputed reimbursement, a representative from the Comptroller’s Office will contact the department to resolve the outstanding matter. If it is not resolved in a timely manner, the undisputed portion will be reimbursed along with an explanation and instructions to resolve the outstanding amount.
- All expenses incurred while traveling will be charged to Account 0245.
- No petty cash reimbursements are allowed.
- No cash advances will be provided.

D. Travel Outside the Continental United States

- All requests for City travel outside the continental U.S. must be submitted to OBM fourteen (14) business days prior to travel. OBM will seek approval from the Mayor’s Chief of Staff and will notify the department of approval or denial.
- Travelers should convert all foreign expenses to U.S. currency prior to submitting a Travel Expense Report. Official documentation of the exchange rate at the time of travel (i.e. bank receipt) must accompany all original receipts.

3. Reimbursable Travel Expenses

A. Business Related Expenses
Business-related expenses incurred while on City business may be reimbursed at the discretion of the department head. Following are examples of acceptable reimbursable business expenses:

- Photocopying
- Sending or receiving faxes
- Express mail services
- Internet connections

Original receipts must be provided for reimbursement.

B. Transportation

- **City-owned Vehicles**
  - Employees traveling on City business in a City-owned vehicle are entitled to reimbursement for gas, parking and toll expenses but not the standard “per mile” reimbursement.
  - Original receipts must be provided for all expenses.
  - Travel in a City-owned vehicle outside the Chicago metropolitan area (see p. 7) requires prior approval from OBM.
  - Employees are responsible for all fines related to parking or moving violations issued while traveling on City business.

- **Personal Vehicles**
  - Employees may use personal vehicles for business travel within a 300-mile radius of Chicago.

  - “Per mile” reimbursement includes the cost of gas, oil and general maintenance.
  - Parking and toll expenses will be reimbursed separately with original receipts.
  - Employee must carry liability and property damage insurance for business use of his or her vehicle and submit a copy of these insurance policies to the appropriate personnel within his or her department.
  - Employees are responsible for all fines related to parking or moving violations issued while traveling on City business. Absolutely no exceptions will be made.

  - Car rental is a reimbursable expense only when there is no other transportation available or the distance between lodging and/or meeting site(s) makes public transportation, taxi or other mode of transportation impractical.
  - Car rental will not be approved for travel within the Chicago metropolitan area. City pool cars or I-Go cars should be reserved for such travel.
  - The compact car rental rate will be reimbursed unless the need for a larger car can be justified.

Electronic tickets are the only acceptable delivery method of tickets unless this option is not available. The City’s travel agency will advise.

Any charges incurred as a result of changes to an original airline reservation made prior to or during travel are subject to OBM approval.

The lowest priced airfare often requires a Saturday night stay. The City of Chicago Travel Policy does not require or suggest that an employee include a Saturday stay in their itinerary in order to take advantage of these lower fares. However, an employee may choose to stay over a Saturday night if the difference between the airfares exceeds the cost of lodging for each extra day added together. For example, if the difference between airfares is $500 and lodging for that Saturday and Sunday totals $300, employees have the option of the Saturday night stay. The following applies when a traveler has opted for a Saturday night stay, but is not conducting City businesses on Saturday or Sunday:

- Supporting documentation comparing airfares is needed to approve Saturday night stay options.

- Ground transportation expenses are reimbursable with original receipts at the discretion of the department head.
- Limousine service may be used if the cost is less than the cost of a taxi service or other means of transportation.
- Gratuity for ground transportation is the sole responsibility of the traveler.
- Original receipts are required for reimbursement.

**C. Laundry**

- Employees traveling on City business for three or more consecutive days are entitled to reimbursement for laundry expenses up to a maximum of $10 per three-day period beginning with the fourth day.
- Original receipts are required for reimbursement.

**D. Lodging**

- The cost of a standard hotel room is reimbursable up to the maximum daily rate for the city group as listed in the “Rates” (page 14) section of this policy, exclusive of applicable taxes.
- The maximum daily rate may be exceeded only if a lower priced room is not available within a reasonable distance, and only if approved by OBM.
- Employees may stay at higher priced hotels, but they will only receive reimbursement up to the maximum daily rate for the applicable city group in the “Rates” section, if a lower priced hotel is available within a reasonable distance.
- Hotel lodging within the Chicago metropolitan area is not a reimbursable expense.
- All personal expenses must be paid for separately or deducted from the lodging bill before it is submitted for reimbursement.
- Original receipts are required for reimbursement.

**E. Meals**

- Employees are entitled to a daily per diem allowance, as outlined in the “Rates” section of this policy, as reimbursement for all meals inclusive of tax and gratuity.
If meals are included in registration fees, per diem will not be reimbursed for pre-paid meals.
If travel is conducted within the Chicago metropolitan area, meals will be reimbursed at the discretion of the department head and with prior approval from OBM.
Meals on travel days can begin when arriving at the airport or departing the Chicago metropolitan area.

SPECIAL CONDITION REGARDING MINORITY BUSINESS ENTERPRISE COMMITMENT AND WOMEN BUSINESS ENTERPRISE COMMITMENT

(MBE/WBE Professional Services)

I. Policy and Terms

A. It is the policy of the City of Chicago that Local Businesses certified as Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) in accordance with Section 2-92-420 et seq. of the Municipal Code of Chicago and Regulations Governing Certification of Minority and Women-owned Businesses, and all other Regulations promulgated under the aforementioned sections of the Municipal Code shall have the maximum opportunity to participate fully in the performance of this agreement. Therefore, the contractor shall not discriminate against any person or business on the basis of race, color, national origin or sex, and shall take affirmative action to ensure that women and minority businesses shall have the maximum opportunity to compete for and perform subcontracts for supplies or services.

The Chief Procurement Officer has established a goal of awarding not less than 25% of the annual dollar value of all non-construction contracts to certified MBEs and 5% of the annual dollar value of all non-construction contracts to certified WBEs.

B. Failure to carry out the commitments and policies set forth herein shall constitute a material breach of the contract and may result in the termination of the contract or such remedy as the City of Chicago deems appropriate.

C. Accordingly, the contractor commits to expend at least the following percentages of the total contract price (inclusive of any and all modifications and amendments), if awarded, for contract participation by MBEs and WBEs:

<table>

<tr>

<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>MBE Contract Goal</td>
<td>25.0</td>
</tr>
<tr>
<td>WBE Contract Goal</td>

</tr>
</tbody>
</table>

D. The commitment is met by the contractor’s status as an MBE or WBE, or by a joint venture with one or more certified MBEs or WBEs that will perform work on the project, or by subcontracting a portion of the work to one or more MBEs or WBEs, or by the purchase of materials used in the performance of the contract from one or more MBEs or WBEs, or by the indirect participation of MBEs or WBEs in other aspects of the contractor’s business (but no dollar of such indirect MBE or WBE participation shall be credited more than once against a contractor’s MBE or WBE commitment with respect to all contracts of such contractor), or by any combination of the foregoing.

Note: MBE/WBE participation goals are separate and those businesses certified with the City of Chicago as both an MBE and WBE shall not be credited more than once against a contractor’s MBE or WBE commitment in the performance of the contract.

E. As noted above, the contractor may meet all or part of this commitment by contracting with MBEs or WBEs for the provision of goods or services not directly related to the performance of this contract. However, in determining the manner of MBE/WBE participation, the contractor shall first consider involvement of MBEs/WBEs as joint venture partners, subcontractors, and suppliers of goods and services directly related to the performance of this contract. In appropriate cases, the Chief Procurement Officer will require the contractor to demonstrate the specific efforts undertaken to involve MBEs and WBEs in direct participation in the performance of this contract.

F. The contractor also may with prior approval of the Chief Procurement Officer or designee, meet all, or part, of this commitment through credits received pursuant to Section 2-92-530 of the Municipal Code of Chicago for the voluntary use of MBEs or WBEs in private sector projects.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

II. Definitions

A. “Area of Specialty” means the description of an MBE or WBE firms business which has been determined by the Chief Procurement Officer to be most reflective of the MBE or WBE firms claimed specialty or expertise. Each MBE/WBE letter of certification contains a description of the firm’s Area of Specialty. This information is also contained in the Directory. Credit toward this contract’s MBE and WBE participation goals shall be limited to the participation of firms performing within their Area of Specialty.

NOTICE: The City of Chicago does not make any representation concerning the ability of any MBE/WBE to perform work within their Area of Specialty. It is the responsibility of all contractors to determine the capability and capacity of MBEs/WBEs to satisfactorily perform the work proposed.

B. “Directory” means the Directory of Certified “Disadvantaged Business Enterprises,” “Minority Business Enterprises” and “Women Business Enterprises” maintained and published by the Contract Compliance Administrator. The Directory identifies firms that have been certified as MBEs and WBEs, and includes both the date of their last certification and the area of specialty in which they have been certified. Contractors are responsible for verifying the current certification status of all proposed MBE and WBE firms.

C. “Executive Director” means the executive director of the Office of Compliance or his or her designee.

D. “Minority Business Enterprise” or “MBE” means a firm awarded certification as a minority owned and controlled business in accordance with City Ordinances and Regulations.

E. “Women Business Enterprise” or “WBE” means a firm awarded certification as a women owned and controlled business in accordance with City Ordinances and Regulations.

F. “Joint Venture” means an association of two or more businesses to carry out a single business enterprise for profit, and for which purpose they combine their expertise, property, capital, efforts, skill and knowledge. Contractors may develop joint venture agreements as an instrument to provide participation by MBEs and WBEs in contract work.

III. Joint Ventures

Bidders may develop joint venture agreements as an instrument to provide participation by certified MBEs and WBEs in contract work. A joint venture seeking to be credited for MBE and/or WBE participation may be formed among MBE and/or WBE firms or between an MBE and/or WBE firm and a non-MBE/WBE firm.

A joint venture is eligible for MBE or WBE credit if the MBE/WBE joint venture partner(s) share in the ownership, control and management responsibilities, risks and profits of the joint venture, and are responsible for a clearly defined portion of work to be performed, in proportion with the MBE and/or WBE ownership percentage.

Notice: The City requires that, whenever a joint venture is proposed as the prime contractor, each joint venture partner must separately sign the proposal to the City, in the pages captioned, TO BE EXECUTED BY A CORPORATION; TO BE EXECUTED BY A PARTNERSHIP; and/or TO BE EXECUTED BY A SOLE PROPRIETOR, as applicable.

IV. Counting MBE/WBE Participation Toward the Contract Goals

A. The inclusion of any MBE or WBE in the contractors MBE/WBE Utilization Plan shall not conclusively establish the contractors right to full MBE/WBE credit for that firms participation in the contract. Once an MBE or WBE is determined to be eligible in accordance with these rules, the total dollar value of the work awarded to the MBE or WBE may be counted toward the MBE or WBE goal except as indicated below:

B. The Chief Procurement Officer reserves the right to deny or limit MBE/WBE credit to the contractor where any MBE or WBE is found to be engaged in substantial subcontracting or pass-through activities with others.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

A contractor may count toward its MBE and WBE goals only expenditures to firms that perform a commercially useful function. A firm is considered to perform a commercially useful function when it is responsible for the performance of a clearly defined and distinct element of work and is carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a firm is performing a commercially useful function, the Chief Procurement Officer shall evaluate the amount of work subcontracted, industry practices, and other relevant factors. The amount of MBE/WBE participation credit shall be based upon an analysis by the Chief Procurement Officer of the specific duties that will be performed by the MBE or WBE. Each MBE/WBE shall be expected to actually perform a substantial (i.e., more than eighty-five percent (85%)) portion of the work contemplated for it by any subcontract or agreement through the use of its own employees and equipment.

Requested information may include, without limitation: (1) specific information concerning brokers' fees and/or commissions; (2) intended sub-suppliers or other sources of goods and/or services; and (3) specific financial or other risks to be assumed by the MBE/WBE.

C. MBEs and WBEs who have been certified as “brokers” shall no longer be considered eligible to participate for any consideration of MBE or WBE credit on contracts awarded by the City in 1993 and thereafter, until further notice.

D. A joint venture may count toward its MBE or WBE goal the dollar value of the actual work performed by the MBE and/or WBE joint venture partner with its own resources.

The Chief Procurement Officer reserves the right to disallow goal credit for all, or any portion, of work performed by an MBE or WBE joint venturer based on evaluations of non-compliance with these Special Conditions or any other City, State and/or Federal regulation.

V. Regulations Governing Reduction or Waiver of MBE/WBE Goals

The following Regulations set forth the standards to be used in determining whether or not a reduction or waiver of the MBE/WBE commitment goals of a particular contract is appropriate. If a bidder or proposer determines that it is unable to meet the MBE and/or WBE goal percentage on a City of Chicago contract, a written request for the reduction or waiver of the commitment must include in the bid or proposal.

The written request for reduction or waiver from the commitment must be in the form of a signed petition for grant of relief from the MBE/WBE percentages submitted on the bidder/proposer’s letterhead, and must demonstrate that all required efforts as set forth in this document were taken to secure eligible Minority and Women Business Enterprises to meet the commitments. The Chief Procurement Officer or designee shall determine whether the request for the reduction or waiver will be granted.

Bidders/proposers will be considered responsive to the terms and conditions of these Regulations if a waiver request and proof of notification to an assist agency is submitted at the time of bid/proposal opening. Once the bids have been opened, the lowest responsive and responsible bidder so deemed by the Chief Procurement Officer or authorized designee will have no more than fourteen (14) calendar days to submit to the Department of Procurement complete documentation that adequately addresses the conditions for waiver described herein. Proposers responding to Request for Proposals (RFPs) who have been identified as a short listed candidate and/or a prospective awardee will be given a designated time allowance, but no more than fourteen (14) calendar days to submit to the Department of Procurement Services complete documentation that adequately addresses the conditions for waiver described herein. Respondents to Request for Information and or Qualifications (RFI/RFQs) deemed by the Chief Procurement Officer or authorized designee to be the most responsive and responsible shall submit documentation that adequately addresses the conditions for waiver described herein during negotiations. Failure to submit documentation sufficient to support the waiver request will cause the bid/proposal to be found non-responsive by the Chief Procurement Officer, and the bid/proposal will be rejected. In such cases the remedies to be taken by the Chief Procurement Officer, in his discretion, may include, but are not limited to, forfeiture of bid deposit; negotiating with the next lowest bidder/proposer; or re-advertising the bid/proposal. All bidders/proposers are encouraged to submit all required documents at the time of bid opening to expedite the contract award.

A. Direct/Indirect Participation
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

Each of the following elements must be present in order to determine whether or not such a reduction or waiver is appropriate.

1. The bidder/proposer has documented the unsuccessful solicitation for either subcontractors or joint venture partners of at least 50% (or at least five when there are more than eleven certified firms in the commodity area) of the appropriate certified MBE/WBE firms to perform any direct or indirect work identified or related to the advertised bid/proposal. Direct participation involves subcontracting a portion of the goods/services specifically required in the bid/proposal. Indirect participation is the subcontracting of goods/services not specifically related to the performance of this contract. Documentation must include but is not necessarily limited to:

   a. A detailed statement of efforts to identify and select portions of work identified in the bid solicitation for subcontracting to certified MBE/WBE firms;

   b. A listing of all MBE/WBE firms contacted that includes:
      (1) Names, address and telephone numbers of MBE/WBE firms solicited;
      (2) Date and time of contact;
      (3) Method of contact (written, telephone, facsimile, etc.)

   c. Copies of letters or any other evidence of mailing that substantiates outreach to MBE/WBE vendors that includes:
      (1) Project identification and location;
      (2) Classification/commodity of work items for which quotations were sought;
      (3) Date, item and location for acceptance of subcontractor bid proposals;
      (4) Detailed statement, which summarizes direct negotiations with appropriate MBE/WBE firms for specific portion of the work and indicates why negotiations were unsuccessful;
      (5) Affirmation that good faith efforts have been demonstrated by choosing subcontracting opportunities likely to achieve MBE/WBE goals by not imposing any limiting conditions, which were not mandatory for all subcontractors; or denying the benefits ordinarily conferred on MBE/WBE subcontractors for the type of work that was solicited.

 OR

2. Subcontractor participation will be deemed excessively costly when the MBE/WBE subcontractor proposal exceeds the average price quoted by more than twenty percent (20%). In order to establish that a subcontractor quote is excessively costly, the bidder/proposer must provide the following information:

   a. A detailed statement of the work identified for MBE/WBE participation for which the bidder/proposer asserts the MBE/WBE quote(s) were excessively costly (in excess of 20% higher).
      (1) A listing of all potential subcontractors contacted for a quotation on that work item;
      (2) Prices quoted for the subcontract in question by all such potential subcontractors for that work item.

   b. Other documentation which demonstrates to the satisfaction of the Chief Procurement Officer that the MBE/WBE proposals are excessively costly, even though not in excess of 20% higher than the average price quoted. This determination will be based on factors that include, but are not limited to the following:
      (1) The City’s estimate for the work under a specific subcontract;
      (2) The bidder/ proposer’s own estimate for the work under the subcontract;
      (3) An average of the bona fide prices quoted for the subcontract;
      (4) Demonstrated increase in other contract costs as a result of subcontracting to the M/WBE or other firm.

B. Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Executive Director may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

2. The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.

B. Assist Agency Participation

Every waiver and/or reduction request must include evidence that the bidder/proposer has provided timely notice of the need for subcontractors to an appropriate association/assist agency representative of the MBE/WBE business community.

The notice requirement of this Section will be satisfied if a bidder/proposer contacts at least one of the associations on Attachment A when the prime contractor seeks a waiver or reduction in the utilization goals. Attachment B provides the letter format that a prime contractor may use. Proof of notification prior to bid submittal (e.g. certified mail receipt or facsimile transmittal receipt) will be required for any bid/Proposal submitted to be deemed responsive on the date of bid opening. If deemed appropriate, the Chief Procurement Officer or Contract Compliance Officer may contact the assist agency for verification of notification.

C. Impracticability

1. If the Chief Procurement Officer determines that a lesser MBE and/or WBE percentage standard is appropriate with respect to a particular contract subject to competitive bidding prior to the bid solicitations for such contract, bid specifications shall include a statement of such revised standard.

2. The requirements set forth in these Regulations shall not apply where the Chief Procurement Officer determines prior to the bid solicitations that MBE/WBE subcontractor participation is impracticable.

This may occur whenever the Chief Procurement Officer determines that for reasons of time, need, industry practices or standards not previously known by the Procurement Department administrator, or such other extreme circumstances as may be deemed appropriate, such a Waiver is in the best interests of the City. This determination may be made in connection with a particular contract, whether before the contract is let for bid, during the bid or award process, before or during negotiation of the contract, or during the performance of the contract.

For all notifications required to be made by bidders/proposers, in situations where the Chief Procurement Officer has determined that time is of the essence, documented telephone contact may be substituted for letter contact.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

VI. Procedure To Determine Bid Compliance

The following Schedules and described documents constitute the bidder’s MBE/WBE proposal, and must be submitted in accordance with the guidelines stated:

A. Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Contractor.

A Schedule C-1 executed by the MBE/WBE (subcontractor or Joint Venture partner) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid.

If any fully completed and executed Schedule C-1 is not submitted with the bid/proposal, it must be received by the Contract Administrator within ten (10) days of the bid/proposal opening. (All post bid/proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/proposal non-responsive and therefore reject the bid/proposal.

B. Letters of Certification.

A copy of each proposed MBE/WBE firm’s current Letter of Certification from the City of Chicago must be submitted with the bid/proposal.

All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm’s Area of Specialty. The MBE/WBE firm’s scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

C. Joint Venture Agreements.

If the bidder’s/proposer’s MBE/WBE proposal includes the participation of an MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement.

D. Schedule D-1: Affidavit of MBE/WBE Goal Implementation Plan

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm.

Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. herein, the bidder/proposer must commit to the expenditure of a specific dollar amount of participation and a specific percentage of the total award amount for each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage.

All commitments made by the bidder’s Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the bid opening (see Section VI. A., above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized) to conform with the Schedule C-1. Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

The following Schedules and described documents constitute the bidder’s MBE/WBE Proposal, and must be submitted in accordance with the guidelines stated:

A. Schedule C-1: Letter of Intent from MBE/WBE to Perform as Subcontractor, Supplier and/or Consultant.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

A Schedule C-1 executed by the MBE/WBE (subcontractor or Joint Venture partner) must be submitted by the bidder/proposer for each MBE/WBE included on their Schedule D-1 and must accurately detail the work to be performed by the MBE/WBE and the agreed rates and prices to be paid.

If any fully completed and executed Schedule C-1 is not submitted with the bid/Proposal, it must be received by the Contract Administrator within ten (10) days of the bid/Proposal opening. (All post bid/Proposal submissions must have original signatures on all documents). Failure to submit a completed Schedule C-1 in accordance with this section shall entitle the City to deem the bid/Proposal non-responsive and therefore reject the bid/Proposal.

B. Letters of Certification

A copy of each proposed MBE/WBE firm’s current Letter of Certification from the City of Chicago must be submitted with the bid/Proposal.

All Letters of Certification issued by the City of Chicago include a statement of the MBE/WBE firm’s Area of Specialty. The MBE/WBE firm’s scope of work, as detailed by their Schedule C-1, must conform to their stated Area of Specialty.

C. Joint Venture Agreements

If the bidder’s/proposer’s MBE/WBE Proposal includes the participation of an MBE/WBE as joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement.

D. Schedule D-1: Affidavit of MBE/WBE Goal Implementation Plan

Bidders must submit, together with the bid, a completed Schedule D-1 committing them to the utilization of each listed MBE/WBE firm.

Except in cases where the bidder/proposer has submitted a request for a complete waiver of or variance from the MBE/WBE commitment in accordance with Section V. herein, the bidder/proposer must commit to the expenditure of a specific dollar amount of participation and a specific percentage of the total award amount for each MBE/WBE firm included on their Schedule D-1. The total dollar commitment to proposed MBEs must at least equal the MBE goal, and the total dollar commitment to proposed WBEs must at least equal the WBE goal. Bidders are responsible for calculating the dollar equivalent of the MBE and WBE goals as percentages of their total base bids or in the case of Term Agreements, as percentages of the total estimated usage.

All commitments made by the bidder’s Schedule D-1 must conform to those presented in the submitted Schedule C-1. If Schedule C-1 is submitted after the bid opening, (see Section VI. A., above), the bidder/proposer may submit a revised Schedule D-1 (executed and notarized) to conform with the Schedule C-1. Except in cases where substantial and documented justification is provided, bidders/proposers will not be allowed to reduce the dollar commitment made to any MBE or WBE in order to achieve conformity between the Schedules C-1 and D-1.

VII. Reporting Requirements During The Term of The Contract

A. The Contractor shall, not later than thirty (30) days from the award of a contract by the City, execute formal contracts or purchase orders with the MBEs and WBEs included in their approved MBE/WBE Utilization Plan. These written agreements shall be made available to the Chief Procurement Officer upon request.

B. In the case of one time procurements of supplies with either single or multiple deliveries to be performed in less than one year from the date of contract award, an “MBE/WBE Utilization Report,” indicating final MBE and WBE payments shall be submitted directly to the Department of Procurement Services so as to assure receipt either at the same time, or before the using Department receives the contractor’s final invoice. Final payments may be held until the Utilization Reports have been received.
SPECIAL CONDITION REGARDING MBE/WBE COMMITMENT

NOTICE: Do not submit invoices with “MBE/WBE Utilization Reports.”

C. During the term of all other contracts, the contractor shall submit regular “MBE/WBE Utilization Reports,” a copy of which is attached. The frequency with which these reports are to be submitted will be determined by the Chief Procurement Officer, but in no case will reports be required less often than on a quarterly basis. In the absence of written notice from the Chief Procurement Officer, the contractor’s first “MBE/WBE Utilization Report” will be due ninety (90) days after the date of contract award, and reports will be due quarterly thereafter.

D. “MBE/WBE Utilization Reports” are to be submitted directly to: Department of Procurement Services, Office of Vendor Relations, City Hall, Room 403, 121 N. LaSalle Street, Chicago, Illinois 60602.

E. The Executive Director shall be entitled to examine, on five (5) business days notice, the contractor’s books and records including without limitation payroll records, tax returns and records, and books of account, to determine whether the contractor is in compliance with its commitment to MBE/WBE participation and the status of any MBE or WBE performing any portion of the contract. Such rights are in addition to any other audit inspection rights contained in the contract.

VIII. MBE/WBE Substitutions

Changes by the contractor of the commitments earlier certified in the Schedule D-1 are prohibited. In some cases, however, it may become necessary to substitute a new MBE or WBE in order to actually fulfill the MBE/WBE requirements.

The contractor must notify the Chief Procurement Officer immediately in writing of the necessity to reduce or terminate an MBE/WBE subcontract and to utilize a substitute firm for some phase of work. The contractor’s notification should include the reason for the substitution request, as well as, the name, address and principal official of the substitute MBE/WBE and the dollar value and scope of work of the subcontract. Attached should be all the requisite MBE/WBE affidavits and documents, as enumerated above in Section VI. above, “Procedure to Determine Bid Compliance.”

The City will not approve extra payment for escalated costs incurred by the contractor when a substitution of subcontractors becomes necessary for the contractor in order to comply with MBE/WBE contract requirements.

After award of contract, no relief of the MBE/WBE requirements will be granted by the City except in exceptional circumstances. Requests for complete or partial waiver of the MBE/WBE requirements of this contract must be made in writing, stating all details of the request, the circumstances, and any additional relevant information. The request must be accompanied by a record of all efforts taken by the contractor to locate specific firms, solicit MBE/WBE bids, seek assistance from technical assistance agencies, etc., as outlined above in the section V. above, entitled “Regulations Governing Reductions To or Waiver of MBE/WBE Goals”.

IX. Non-Compliance and Damages

The following constitutes a material breach of this contract and shall entitle the City to declare a default, terminate the contract and exercise those remedies provided for in the contract, at law or in equity:

(1) failure to satisfy the MBE/WBE percentages required by the contract; and

(2) the contractor or subcontractor is disqualified as an MBE or WBE, and such status was a factor in contract award, and was misrepresented by the contractor.

In the event that the contractor is determined not to have been involved in any misrepresentation of the status of the disqualified subcontractor or supplier, the contractor shall seek to discharge the disqualified subcontractor or supplier, upon proper notification to the Chief Procurement Officer and/or Executive Director and make every effort to identify and engage a qualified MBE or WBE as its replacement. Furthermore, continued eligibility to enter into future contracting arrangements with the City may be jeopardized as a result of non-compliance. Payments due to the contractor may be withheld until corrective action is taken.
X. Arbitration

A. In the event that a contractor has not complied with the contractual MBE/WBE percentages in its Schedule D, underutilization of MBEs/WBEs shall entitle the affected MBE/WBE to recover from the contractor damages suffered by such entity as a result of being underutilized; provided, however, that this provision shall not apply to the extent such underutilization occurs pursuant to a waiver or substitution approved by the City. The Ordinance and contracts subject thereto provide that any disputes between the contractor and such affected MBEs/WBEs regarding damages shall be resolved by binding arbitration before an independent arbitrator other than the City, with reasonable expenses, including attorney’s fees, being recoverable by a prevailing MBE/WBE in accordance with these regulations. This provision is intended for the benefit of any MBE/WBE affected by underutilization and grants such entity specific third party beneficiary rights. Any rights conferred by this regulation are non-waivable and take precedence over any agreement to the contrary, including but not limited to those contained in a subcontract, suborder, or communicated orally between a contractor and an MBE/WBE.

B. An MBE/WBE desiring to arbitrate shall contact the contractor in writing to initiate the arbitrative process. Except as otherwise agreed to in writing by the affected parties subject to the limitation contained in the last sentence of the previous paragraph, Section X. A. above, within ten (10) days of the contractor receiving notification of the intent to arbitrate from the MBE/WBE the above-described disputes shall be arbitrated in accordance with the Commercial Arbitration Rules of the American Arbitration Association ("AAA"), a not-for-profit agency, with an office at 225 North Michigan Avenue, Suite 2527, Chicago, Illinois 60601-7601 [Phone: (312) 616-6560; Fax: (312) 819-0404]. All such arbitrations shall be initiated by the MBE/WBE filing a demand for arbitration with the AAA; shall be conducted by the AAA; and held in Chicago, Illinois.

C. All fees of the arbitrator are the initial responsibility of the MBE/WBE; provided, however, that the arbitrator is authorized to award reasonable expenses, including attorney’s and arbitrator fees, as damages to a prevailing MBE/WBE.

D. The MBE/WBE must send the City a copy of the “Demand for Arbitration” within ten (10) days after it is filed with the AAA. The MBE/WBE also must send the City a copy of the decision of the arbitrator within ten (10) days of receiving such decision. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction.

XI. Record Keeping

The Contractor shall maintain records of all relevant data with respect to the utilization of MBEs/WBEs, retaining these records for a period of at least three years after final acceptance of the work. Full access to these records shall be granted to the City of Chicago, Federal or State authorities in this project, the U.S. Department of Justice, or any duly authorized representatives thereof.

1.7. EDS FREQUENTLY ASKED QUESTIONS

Q: Where do I file?
A: The web link for the Online EDS is https://webapps.cityofchicago.org/EDSWeb

Q: How do I get help?
A: If there is a question mark on a page or next to a field, click on the question mark for help filling out the page or field. You may also consult the User Manual and the Training Videos available on the left menu.

Q: Why do I have to submit an EDS?
A: The Economic Disclosure Statement (EDS) is required of applicants making an application to the City for action requiring City Council, City department or other City agency approval. For example, all bidders seeking a City contract are required to submit an EDS. Through the EDS, applicants make disclosures required by State law and City ordinances and certify compliance with various laws and ordinances. An EDS is also required of certain parties related to the applicant, such as owners and controlling parties.

Q: Who is the Applicant?
A: “Applicant” means any entity or person making an application to the City for action requiring City Council or other City agency approval. The applicant does not include owners and parent companies.

Q: Who is the Disclosing Party?
A: “Disclosing Party” means any entity or person submitting an EDS. This includes owners and parent companies.
Q: What is an entity or legal entity?
A: “Entity” or “Legal Entity” means a legal entity (for example, a corporation, partnership, joint Venture, limited liability company or trust).

Q: What is a person for purposes of the EDS?
A: “Person” means a human being.

Q: Who must submit an EDS?
A: An EDS must be submitted in any of the following three circumstances:

| Applicants: | An Applicant must always file this EDS. If the Applicant is a legal entity, state the full name of that legal entity. If the Applicant is a person acting on his/her own behalf, state his/her name. |
| Entities holding an interest: | Whenever a legal entity has a beneficial interest (E. G. direct or indirect ownership) of more than 7.5% in the Applicant, each such legal entity must file an EDS on its own behalf. |
| Controlling entities: | Whenever a Disclosing Party is a general partnership, limited partnership, limited liability company, limited liability partnership or joint venture that has a general partner, managing member, manager or other entity that can control the day-to-day management of the Disclosing Party, that entity must also file an EDS on its own behalf. Each entity with a beneficial interest of more than 7.5% in the controlling entity must also file an EDS on its own behalf. |

Q: What information is needed to submit an EDS?
A: The information contained in the Preparation Checklist for EDS submission.

Q: I don’t have a user ID & password. Can I still submit an Online EDS?
A: No. You must register and create a user ID and password before submitting an Online EDS.

Q: What information is needed to request a user ID & password for Online EDS?
A: The information contained in the Preparation Checklist for Registration is needed to request a login for the Online EDS.

Q: I already have a username and password from another City web site (City Web Portal, Department of Construction and Permits, Department of Consumer Services, etc.). Can I log-in the Online EDS with that account?
A: Usually not. The Online EDS uses a user ID and password system that is shared by the Public Vehicle Advertising and Water Payment web sites. You may use a username and password from those sites by answering “Yes” to “Is this an existing City of Chicago user ID?” when registering. Other usernames and passwords will not be automatically recognized. However, you may choose to create an identical username for the Online EDS if it is not already taken.
Q: I don’t have an email address. How do I submit an Online EDS?
A: You cannot get an account to submit an online EDS without an email address. If you need an email address, we suggest that you use a free internet email provider such as www.hotmail.com or www.yahoo.com or mail.google.com to open an account. The City does not endorse any particular free internet email provider. Public computers are available at all Chicago Public Library branches.

Q: I forgot my user ID. Can I register again?
A: No. If you are the EDS Captain of your organization, please contact the Department of Procurement Services at 312-744-4900. If you are an EDS team member, contact your EDS Captain, who can look up your user ID.

Q: Who is the EDS Captain?
A: The EDS Captain is a person who performs certain administrative functions for an organization which files an EDS. Each organization registered with the Online EDS has at least one EDS Captain. There may be co-captains, who are all equal. EDS Captains approve new users, change contact information for an organization, and de-active accounts of employees who have left the organization. Please see the User Manual for more information.

Q: Why do we need EDS Captains?
A: The Online EDS is designed to be a self-service web application which allows those doing or seeking to do business with the City to perform as many routine functions as possible without City intervention. Because many organizations have multiple staff filing an EDS, the EDS Captain role allows those organizations to self-manage the contact information and users.

Q: Who is the EDS team?
A: The EDS team for an organization is everyone who is registered to file an EDS on behalf of the organization.

Q: I forgot my password. What should I do?
A: To retrieve a temporary password, click the “Forgot your password?” link on the login page. Enter your user ID that you provided when you registered your account. The system will automatically generate a temporary password and send it to you. When you log-in with your temporary password, you will be asked to create a new password.

Q: How do I complete an Online EDS?
A: Click on “Create New” after logging in. The Online EDS system will walk you through the EDS questions. Please see the User Manual for details.

Q: How do I fill out a Disclosure of Retained Parties?
A: There is no longer a separate Disclosure of Retained Parties filing. After logging in, click on “Create New”. Answer (click) “Contract” to “Is this EDS for a contract or an EDS information update?” Click “Fill out EDS”, and click on the “Retained Parties” tab. When finished, click on “Ready to Submit.”
Q: How do I attach documents?
A: Attachments are discouraged. If at all possible, please provide a concise explanation in the space provided in the online form. Attachments with pages of officers are not acceptable. Names of officers must be typed into the system. If you must provide an attachment for another reason, please send it to your City of Chicago contact (contract administrator or negotiator for procurements) and they will attach it for you. Documents can be sent in PDF (preferred), Word, or paper format.

Q: Who can complete an Economic Disclosure Statement online?
A: Any authorized representative of your business with a user ID and password can complete your EDS online. One person, such as an assistant, can fill in the information and save it, and another person can review and electronically sign the Online EDS.

Q: What are the benefits of filing my Economic Disclosure statement electronically?
A: Filing electronically reduces the chance of filing an incomplete EDS and speeds up the processing of contract awards. A certificate of filing can be printed at the completion of the process and inserted into your bid package. The biggest benefit for those who frequently do business with the City is that after the first EDS, each EDS is much easier to fill out because non-contract specific information is pre-filled from the last submitted EDS.

Q: Will my information be secure?
A: Yes. When making your internet connection to our Web Server, you will connect through a Secure Socket Layer (SSL for short) to the “Online EDS” login page. All information you type will be protected using strong encryption. Within the login page, you will provide us with a user ID, password, and secret question for user authentication, only you will have knowledge of this unique identification information.

Q: I am filing electronically. How do I sign my EDS?
A: Once you have completed the EDS, you will be prompted to enter your password and answer to your secret question. Together, these will serve as your electronic signature. Although you will also print and physically sign an EDS certification of filing as a notice that your EDS was filed, your EDS is complete as a legal document with only the electronic filing.

Q: My address has changed. How can I update my information?
A: You must be an EDS Captain for your organization to update this. Log-in and click on “Vendor Admin, Site Administration.” Select the appropriate site and click edit.

Q: I have more questions. How can I contact the Department of Procurement Services?
A: Please contact the contract administrator or negotiator assigned to your solicitation or contract. You may call DPS at 312-744-4900 between 8:30 AM and 5:00 PM Central Time.

Q: Can I save a partially complete EDS?
A: Yes. Click “Save”. To avoid data loss, we recommend you save your work periodically while filling out your EDS.
Q: Do I have to re-type my information each time I submit an EDS?
A: No. The system will remember non-contract specific information from your last submitted EDS for one year. This information will be filled-in for you in your new EDS. You will have an opportunity to correct it if it has changed since your last filing. When you submit your new EDS, the information is saved and the one-year clock begins running anew.

Q: What are the system requirements to use the Online EDS?
A: The following are minimum requirements to use the Online EDS:

- A PDF viewer such as Adobe Reader is installed and your web browser is configured to display PDFs automatically. You may download and install Adobe Reader free at www.adobe.com/products/reader/
- Your web browser is set to permit running of JavaScript.
- Your web browser allows cookies to be set for this site. Please note that while we use cookies in the Online EDS, we do not use them to track personally identifiable information, so your privacy is maintained.
- Your monitor resolution is set to a minimum of 1024 x 768.
- While not required to submit an EDS, if you wish to view the training videos, you must have Adobe Flash Plugin version 9 or higher, speakers, and sound. Please note that very old computers may not be able to run Adobe Flash and will not be able to play the training videos. In that case, we encourage you to seek help using the Online EDS Manuals. You may download and install Adobe Flash Plugin free at http://get.adobe.com/flashplayer

The Online EDS has been tested on Internet Explorer 6.0 and 7.0 and Firefox 2.0 and 3.0 on Windows XP and Mac OS X. Although it should work on other browsers and operating systems, the City of Chicago cannot guarantee compatibility.

The Consultant must submit evidence of insurance on the City of Chicago Insurance Certificate Form (copy attached) or equivalent prior to execution of Agreement. The receipt of any certificate does not constitute agreement by the City that the insurance requirements in the Agreement have been fully met or that the insurance policies indicated on the certificate are in compliance with all requirements of Agreements. The failure of the City to obtain certificates or other insurance evidence from Consultant is not a waiver by the City of any requirements for Consultant to obtain and maintain the specified coverages. The Consultant must advise all insurers of the Agreement provisions regarding insurance. Non-conforming insurance does not relieve Consultant of the obligation to provide insurance as specified herein. Nonfulfillment of the insurance conditions may constitute a violation of the Agreement, and the City retains the right to stop work until proper evidence of insurance is provided, or the Agreement may be terminated.

The insurance must provide for sixty (60) days prior written notice to be given to the City in the event coverage is substantially changed, canceled, or non-renewed.

Any deductibles or self insured retentions on referenced insurance coverages must be borne by Consultant.

The Consultant hereby waives and agrees to require their insurers to waive their rights of subrogation against the City of Chicago, its employees, elected officials, agents, or representatives.

The coverages and limits furnished by Consultant in no way limit the Consultant's liabilities and responsibilities specified within the Agreement or by law.

Any insurance or self insurance programs maintained by the City of Chicago do not contribute with insurance provided by the Consultant under the Agreement.

The required insurance to be carried is not limited by any limitations expressed in the indemnification language in this Agreement or any limitation placed on the indemnity in this Agreement given as a matter of law.

If Consultant is a joint venture or limited liability company, the insurance policies must name the joint venture or limited liability company as a named insured.
The Consultant must require all subcontractors to provide the insurance required herein, or Consultant may provide the coverages for subcontractors. All subcontractors are subject to the same insurance requirements of Consultant unless otherwise specified in this Agreement.

If Consultant or subcontractor desire additional coverages, the party desiring the additional coverages is responsible for the acquisition and cost.

Notwithstanding any provision in the Agreement to the contrary, the City of Chicago Risk Management Department maintains the right to modify, delete, alter or change these requirements.

PROFESSIONAL SERVICES AGREEMENT

This Agreement is entered into as of the ____ day of __________, 2011, by and between ________________ ("Consultant"), and the City of Chicago, a municipal corporation and home rule unit of local government existing under the Constitution of the State of Illinois, acting through its Department of Aviation ("City"), at Chicago, Illinois.

The City and Consultant agree as follows:

TERMS AND CONDITIONS

Article 1. DEFINITIONS

1.1 Definitions

The following words and phrases have the following meanings for purposes of this Agreement:

“Additional Services” means those services which are within the general scope of Services of this Agreement, but beyond the description of services required under Section 2.1 and Exhibit 1, and all services reasonably necessary to complete the Additional Services to the standards of performance required by this Agreement. Any Additional Services requested by the Department require the approval by the City through a formal amendment pursuant to Section 9.3 of this Agreement before Consultant is obligated to perform those Additional Services and before the City becomes obligated to pay for those Additional Services.

“Agreement” means this Professional Services Agreement, including all exhibits attached to it and incorporated in it by reference, and all amendments, modifications or revisions made in accordance with its terms.

“Airports” mean Chicago O’Hare International Airport and Chicago Midway International Airport.

“Airside” means, generally, those areas of an Airport which requires a person to pass through a security checkpoint to access. References to “sterile areas” generally mean Airside areas within terminal buildings. References to “Airfield”, “Aircraft Operations Area”, “AOA”, or “secured areas” generally mean outdoor Airside areas or areas not accessible to passengers.

“Business Day” means any day that all City departments are open and performing business functions.

“CPO” means the Chief Procurement Officer of the City of Chicago and any representative duly authorized in writing to act on the Chief Procurement Officer’s behalf.

“Calendar Day” means every day shown on the calendar including Saturdays, Sundays and holidays.

“Commissioner” means the chief executive of the Department, and any representative authorized in writing to act on the Commissioner’s behalf.

“Department” means the Department of Aviation.

“Force Majeure Events” means events beyond the reasonable control of a party to this Agreement,
which is limited to acts of God, explosion, acts of the public enemy, fires, floods, earthquakes, tornadoes, epidemics, quarantine restrictions, work stoppages (except for work stoppages resulting from practices of the Consultant which are the subject of a finding of unfair labor practices by an administrative law judge of the National Labor Relations Board and except further for foreseeable work stoppages for which the Consultant has not reasonably prepared to minimize the harm or loss that is occasioned by such work stoppage);

“Services" means, collectively, the services, duties and responsibilities described in Article 2 and Exhibit 1 of this Agreement and any and all work necessary to complete them or carry them out fully and to the standard of performance required in this Agreement.

“Subcontractor” means any person or entity with whom Consultant contracts to provide any part of the Services, and all subcontractors and subconsultants of any tier, including suppliers and material persons, whether or not in privity with Consultant.

1.2 Interpretation

(a) The term "include" (in all its forms) means "includes, without limitation" unless the context clearly states otherwise.

(b) All references in this Agreement to Articles, Sections or Exhibits, unless otherwise expressed or indicated are to the Articles, Sections or Exhibits of this Agreement.

(c) Words importing persons include firms, associations, partnerships, trusts, corporations and other legal entities, including public bodies, as well as natural persons.

(d) Any headings preceding the text of the Articles and Sections of this Agreement, and any table of contents or marginal notes appended to it, are solely for convenience or reference and do not affect the meaning, construction or effect of this Agreement.

(e) Words importing the singular include the plural and vice versa. Words of the masculine gender include the correlative words of the feminine and neuter genders.

(f) All references to a number of days mean Calendar Days, unless indicated otherwise.

1.3 Order of Precedence of Component Parts

In the event of any conflict or inconsistency between the terms set forth in Articles 1 through 11 of this Agreement and the terms set forth in the Exhibits, including the Attachments to the Exhibits, the terms contained in Articles 1 through 11 will take precedence over the terms contained in the Exhibits and their Attachments, except to the extent the conflicting or inconsistent terms in the Exhibits or Attachments indicate a more specific or stringent standard or requirement.

Any terms or matters set forth in either Exhibit 1 or Exhibit 2, including the Attachments to the Exhibits, that do not exclusively pertain to defining the Services the Consultant is to perform, the Key Personnel, the time limits for Consultant's performance, the insurance requirements, and the compensation schedule for Consultant are of no effect as to this Agreement.

Regardless of whether the City has purported to approve such non-pertinent terms or matters, they are not binding on the City, except to the extent that they would diminish the City's obligations under this Agreement or increase Consultant's obligations or liabilities under this Agreement.

1.4 Incorporation of Exhibits

The following attached Exhibits are made a part of this Agreement:
Article 2. DUTIES AND RESPONSIBILITIES OF CONSTRUCTION MANAGER

2.1 Scope of Services and Time Limits for Performance

This description of Services is intended to be general in nature and is neither a complete description of Consultant's Services nor a limitation on the Services that Consultant is to provide under this Agreement. Consultant must provide the Services in accordance with the standards of performance set forth in Section 2.3. The Services that Consultant must provide include, but are not limited to, those described in Exhibit 1, Scope of Services and Time Limits for Performance, which is attached to this Agreement and incorporated by reference as if fully set forth here.

Deliverables

In carrying out its Services, Consultant must prepare or provide to the City various Deliverables. "Deliverables" include work product, produced by Consultant, including but not limited to written reviews, reports, recommendations, charts, analysis, designs, plans, specifications, drawings, or other similar products.

The City may reject Deliverables that do not include relevant information or data, or do not include all documents or other materials specified in this Agreement or reasonably necessary for the purpose for which the City made this Agreement. If the City determines that Consultant has failed to comply with the foregoing standards, the City has 30 days from the discovery to notify Consultant of its failure. If Consultant does not correct the failure within 30 days after receipt of notice from the City specifying the failure, then the City, by written notice, may treat the failure as a default of this Agreement under Section 8.1.

Partial or incomplete Deliverables may be accepted for review only when required for a specific and well-defined purpose for the benefit of the City and when consented to in advance by the City. Such Deliverables will not be considered as satisfying the requirements of this Agreement and the City’s acceptance of partial or incomplete Deliverables in no way relieves Consultant of its commitments under this Agreement.

2.2 Standard of Performance

Consultant must perform all Services required of it under this Agreement with that degree of skill, care and diligence normally shown by a Consultant in the community performing services of a scope and purpose and magnitude comparable with the nature of the Services to be provided under this Agreement. Consultant acknowledges that it is entrusted with or has access to valuable and confidential information and records of the City and with respect to that information only; Consultant agrees to be held to the standard of care of a fiduciary.

Consultant must ensure that all Services that require the exercise of professional skills or judgment are accomplished by professionals qualified and competent in the applicable discipline and appropriately licensed, if required by law. Consultant must provide the City copies of any such licenses. Consultant remains responsible for the professional and technical accuracy of all Services or Deliverables furnished, whether by Consultant or its Subcontractors or others on its behalf. All Deliverables must be prepared in a form and content satisfactory to the Department and delivered in a timely manner consistent with the requirements of this Agreement.
If Consultant fails to comply with the foregoing standards, Consultant must perform again, at its own expense, all Services required to be re-performed as a direct or indirect result of that failure. Any review, approval, acceptance or payment for any of the Services by the City does not relieve Consultant of its responsibility for the professional skill and care and technical accuracy of its Services and Deliverables. This provision in no way limits the City's rights against Consultant either under this Agreement, at law or in equity.

Consultant shall not have control over, or charge of, and shall not be responsible for, construction means, methods, schedules, or delays, or for safety precautions and programs in connection with its Services.

To the extent they exist, the City shall furnish structural, mechanical, chemical, air, and water pollution and hazardous materials tests, and other laboratory and environmental tests, inspections, and reports required by law or by authorities having jurisdiction over any work, or reasonably requested by Consultant.

In the event Consultant's Services include any remodeling, alteration, or rehabilitation work, City acknowledges that certain design and technical decisions shall be made on assumptions based on available documents and visual observations of existing conditions.

2.3 Personnel

(a) General. Consultant must, upon receiving a fully executed copy of this Agreement, assign and maintain during the term of this Agreement and any extension of it an adequate staff of competent personnel that is fully equipped, licensed as appropriate, available as needed, qualified and assigned to perform the Services. The level of staffing may be revised from time to time by notice in writing from Consultant to the City with a detailed explanation and/or justification only with prior written consent of the Commissioner, which consent the Commissioner will not unreasonably withhold. The City may also from time to time request that the Consultant adjust staffing levels to reflect workload and level of required Services or Additional Services.

(b) Key Personnel. In selecting the Consultant for this Agreement the City relied on the qualifications and experience of those persons identified by Consultant by name as performing the Services ("Key Personnel"). Consultant must not reassign or replace Key Personnel without the written consent of the Commissioner, which consent the Commissioner will not unreasonably withhold. The Commissioner may at any time in writing notify Consultant that the City will no longer accept performance of Services under this Agreement by one or more Key Personnel. Upon that notice Consultant must immediately suspend the services of such person(s) and provide a replacement of comparable qualifications and experience who is acceptable to the Commissioner. Consultant's Key Personnel are identified in Exhibit 6.

(c) Salaries and Wages. Consultant and Subcontractors must pay all salaries and wages due all employees performing Services under this Agreement unconditionally and at least once a month without deduction or rebate on any account, except only for those payroll reductions that are mandatory by law or are permitted under applicable law and regulations. If in the performance of this Agreement Consultant underpays any such salaries or wages, the Comptroller for the City may withhold, out of payments due to Consultant, an amount sufficient to pay to employees underpaid the difference between the salaries or wages required to be paid under this Agreement and the salaries or wages actually paid these employees for the total number of hours worked. The amounts withheld may be disbursed by the Comptroller for and on account of Consultant to the respective employees to whom they are due. The parties acknowledge that this Section 2.4 is solely for the benefit of the City and that it does not grant any third party beneficiary rights.

(d) Prevailing Wages. To the extent that laborers, workers or mechanics are utilized to provide Services, Consultant must comply, and must cause all of the subcontractors to comply and insert appropriate provisions in their contract, with 820 ILCS 130/10.01 et seq. regarding the payment of the general prevailing rate of hourly wage for all laborer, workers, and mechanics employed by or on behalf of Consultant and all Subcontractors in connection with any and all Services. Prevailing wages in effect at the time Services are performed apply without need to amend this Agreement.
2.4 **Minority and Women’s Business Enterprises Commitment**

In the performance of this Agreement, including the procurement and lease of materials or equipment, Consultant must abide by the minority and women’s business enterprise commitment requirements of the Municipal Code of Chicago, ch. 2-92, Sections 2-92-420 et seq. (1990), except to the extent waived by the Chief Procurement Officer and the Special Conditions Regarding MBE/WBE Commitment set forth in Exhibit 3. Consultant’s completed Schedules C-1 and D-1 in Exhibit 3, evidencing its compliance with this requirement, are a part of this Agreement, upon acceptance by the Chief Procurement Officer. Consultant must utilize minority and women’s business enterprises at the greater of the amounts listed in those Schedules C-1 and D-1 or the percentages listed in them as applied to all payments received from the City.

2.5 **Insurance**

Consultant must provide and maintain at Consultant’s own expense, during the term of this Agreement and any time period following expiration if Consultant is required to return and perform, or reperform any of the Services or Additional Services under this Agreement, the insurance coverages and requirements specified in Exhibit 5 of this Agreement, including errors and omissions (professional liability) insurance, insuring all activities, Services, and operations related to this Agreement.

2.6 **Indemnification**

(a) Consultant must defend, indemnify, keep and hold harmless the City, its officers, representatives, elected and appointed officials, agents and employees from and against any and all Losses (as defined below), including those related to:

(i) injury, death or damage of or to any person or property;

(ii) any infringement or violation of any property right (including any patent, trademark or copyright);

(iii) Consultant’s failure to perform or cause to be performed Consultant’s covenants and obligations as and when required under this Agreement, including Consultant’s failure to perform its obligations to any Subcontractor;

(iv) the City’s exercise of its rights and remedies under Section 8.2 of this Agreement; and

(v) injuries to or death of any employee of Consultant or any Subcontractor under any workers compensation statute.

(b) “Losses” means, individually and collectively, liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as, but not limited to, court costs and reasonable attorneys’ fees and disbursements), claims, demands, actions, suits, proceedings, judgments or settlements, to the extent that any or all of which in any way arise out of or relate to Consultant’s breach of this Agreement or to Consultant’s negligent or otherwise wrongful acts or omissions or those of its officers, agents, employees, consultants, Subcontractors or licensees.

(c) At the City Corporation Counsel’s option, Consultant must defend all suits brought upon all such Losses and must pay all costs and expenses incidental to them. However, the City has the right, at its option, to participate, at its own cost, in the defense of any suit, without relieving Consultant of any of its obligations under this Agreement. Any settlement may only be made with the prior written consent of the City Corporation Counsel, if the settlement requires any action or obligation on the part of the City.

(d) To the extent permissible by law, Consultant waives any limits to the amount of its obligations to indemnify, defend or contribute to any sums due under any Losses, including any claim by any employee of
Consultant that may be subject to the Workers Compensation Act, 820 ILCS 305/1 et seq. or any other related law or judicial decision (such as, Kotecki v. Cyclops Welding Corporation, 146 Ill. 2d 155 (1991)). The City, however, does not waive any limitations it may have on its liability under the Illinois Workers Compensation Act, the Illinois Pension Code, any other statute or judicial decision.

(e) The indemnities in this section survive expiration or termination of this Agreement for matters occurring or arising during the term of this Agreement or as the result of or during Consultant's performance of Services beyond the term. Consultant acknowledges that the requirements set forth in this section to indemnify, keep and save harmless and defend the City are apart from and not limited by the Consultant's duties under this Agreement, including the insurance requirements in Exhibit 5 of this Agreement.

2.7 Ownership of Documents

Except as otherwise agreed to in advance by the Commissioner in writing, all Deliverables, data, findings or information in any form prepared or provided by Consultant or provided by City under this Agreement are property of the City, including (as provided in 2.9 below) all copyrights inherent in them or their preparation. During performance of its Services, Consultant is responsible for any loss or damage to the Deliverables, data, findings or information while in Consultant's or any Subcontractor's possession. Any such lost or damaged Deliverables, data, findings or information must be restored at Consultant's expense. If not restorable, Consultant must bear the cost of replacement and of any loss suffered by the City on account of the destruction. Notwithstanding the foregoing, Consultant shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed to be a transfer of rights, which are not owned by Consultant.

2.8 Copyright Ownership

(a) Consultant and the City intend that, to the extent permitted by law, the Deliverables to be produced by Consultant at the City's instance and expense under this Agreement are conclusively considered "works made for hire" within the meaning and purview of Section 101 of the United States Copyright Act, 17 US.C. §101 et seq., and that the City will be the sole copyright owner of the Deliverables and of aspects, elements and components of them in which copyright can subsist, and which are owned and transferable by, and of all rights to apply for copyright registration or prosecute any claim of infringement. To the extent that any Deliverable does not qualify as a "work made for hire", Consultant hereby irrevocably grants, conveys, bargains, sells, assigns, transfers and delivers to the City, its successors and assigns, all right, title and interest in and to the copyright and all U.S. and foreign copyright registrations, copyright applications and copyright renewals for them, and other intangible, intellectual property embodied in or pertaining to the Deliverables prepared for the City under this Agreement and all goodwill relating to them, free and clear of any liens, claims or other encumbrances, to the fullest extent permitted by law. Notwithstanding the foregoing, Consultant shall retain all rights to its standard details and specifications and proprietary software, and nothing in this section shall be construed as a transfer of rights, which are not owned by Consultant. Consultant shall have no liability or duty whatsoever for any modification or change of the Deliverables or work, without Consultant's direct involvement and consent.

(b) Consultant will, and will cause all of its Subcontractors, employees, agents and other persons within its control to, execute all documents and perform all acts that the City may reasonably request in order to assist the City in perfecting its rights in and to the copyrights relating to the Deliverables, at the sole expense of the City. Consultant warrants to the City, its successors and assigns, that, on the date of delivery, except as expressly stated otherwise in writing to the Commissioner or before that date: (a) Consultant will be the lawful owner of good and marketable title in and to the copyrights for the Deliverables it prepared, (b) Consultant will have the legal rights to fully assign the copyrights, (c) Consultant will not assign any copyrights and will not grant any licenses, exclusive or nonexclusive, to any other party (except pursuant to (3) below), (d) Consultant is not a party to any other agreements or subject to any other restrictions with respect to the Deliverables, (e) the Deliverables will be complete, entire and comprehensive within the standard of performance under Section 2.3 of this Agreement, and (f) the Deliverables will constitute works of original authorship. Notwithstanding the foregoing, Consultant shall retain all rights to its standard details and
specifications and proprietary software, and nothing in this section shall be construed as a transfer of rights, which are not owned by Consultant.

(c) Patents. If any invention, improvement, or discovery of the Consultant or its Subcontractors is conceived or first actually reduced to practice during performance of or under this Agreement, and that invention, improvement, or discovery is patentable under the laws of the United States of America or any foreign country, the Consultant must notify the City immediately and provide the City a detailed report regarding such invention, improvement, or discovery. If the City or the Federal Government determines that patent protection for such invention, improvement, or discovery should be sought, Consultant agrees to seek patent protection for such invention, improvement, or discovery and to fully cooperate with the City and the Federal Government throughout the patent process. The Consultant must transfer to the City, at no cost, the patent in any invention, improvement, or discovery developed under this Agreement and any patent rights to which the Consultant purchases ownership with funds provided to it under this Agreement.

(d) Indemnity. Without limiting any of its other obligations under this Agreement and in addition to any other obligations to indemnity under this Agreement, Consultant must, upon request by the City indemnify, save, and hold harmless the City, the Federal Government and their respective officers, agents, and employees acting within the scope of their original duties against any liability, including costs and expenses, resulting from any willful or intentional violation by the Consultant of proprietary rights, copyrights, or right of privacy, arising out of the publication, translation, reproduction, delivery, use or disposition of any Deliverables furnished under the Agreement. The Consultant is not required to indemnify the City or Federal Government for any such liability arising out of the wrongful acts of employees or agents of the City or Federal Government Standard of Performance. Consultant will have no liability to the City for losses arising out of any use by or through the City of Deliverables prepared by Consultant pursuant to this Agreement for any project or purpose other than the project or purpose for which they were prepared.

2.9 Records and Audits

(a) Records

(i) Consultant must promptly deliver or cause to be delivered to the City all documents, including all Deliverables prepared for the City under the terms of this Agreement, in accordance with the time limits prescribed in this Agreement, and if no time limit is specified, then upon reasonable demand for them or upon termination or completion of the Services under this Agreement. In the event of the failure by Consultant to make such timely delivery upon demand, Consultant must pay to the City any damages the City may sustain by reason of Consultant’s failure.

(ii) Consultant must maintain any such records including Deliverables not delivered to the City or demanded by the City for a period of 5 years after the final payment made in connection with this Agreement. Consultant must not dispose of such documents following the expiration of this period without seeking authorization to dispose of the documents and receiving written approval from the City, utilizing the process for providing Notices established in Article 10.

(b) Audits

(i) Consultant and any of Consultant’s Subcontractors must furnish the Department with all information that may be requested pertaining to the performance and cost of the Services. Consultant must maintain records showing actual time devoted and costs incurred. Consultant must keep books, documents, paper, records and accounts in connection with the Services open to audit, inspection, copying, abstracting, and transcription and must make these records available to the City and any other interested governmental agency, at reasonable times during the performance of its Services.

(ii) To the extent that Consultant conducts any business operations separate and apart from the Services required under this Agreement using, for example, personnel, equipment, supplies or facilities also used in connection with this Agreement, then Consultant must maintain and make similarly available to the City detailed records supporting Consultant’s allocation to this Agreement of the costs and expenses.
attributable to any such shared usages.

(iii) Consultant must maintain its books, records, documents and other evidence and adopt accounting procedures and practices sufficient to reflect properly all costs of whatever nature claimed to have been incurred and to be anticipated to be incurred for or in connection with the performance of this Agreement. This system of accounting must be in accordance with generally accepted accounting principles and practices, consistently applied throughout.

(iv) No provision in this Agreement granting the City a right of access to records and documents is intended to impair, limit or affect any right of access to such records and documents which the City would have had in the absence of such provisions.

(v) The City may in its sole discretion audit the records of Consultant or its Subcontractors, or both, at any time during the term of this Agreement or within five years after the Agreement ends, in connection with the goods, work, or services provided under this Agreement. Each calendar year or partial calendar year is considered an “audited period”. If, as a result of such an audit, it is determined that Consultant or any of its Subcontractors has overcharged the City in the audited period, the City will notify Consultant. Consultant must then promptly reimburse the City for any amounts the City has paid Consultant due to the overcharges and also some or all of the cost of the audit, as follows:

A. If the audit has revealed overcharges to the City representing less than 5% of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then the Consultant must reimburse the City for 50% of the cost of the audit and 50% of the cost of each subsequent audit that the City conducts;

B. If, however, the audit has revealed overcharges to the City representing 5% or more of the total value, based on the Agreement prices, of the goods, work, or Services provided in the audited period, then Consultant must reimburse the City for the full cost of the audit and of each subsequent audit.

Failure of Consultant to reimburse the City in accordance with Section A or B above is an event of default under Section 8.1 of this Agreement, and Consultant will be liable for all of the City’s costs of collection, including any court costs and attorneys’ fees.

2.10 Confidentiality

(a) All Deliverables and reports, data, findings or information in any form prepared, assembled or encountered by or provided by Consultant under this Agreement are property of the City and are confidential, except as specifically authorized in this Agreement or as may be required by law. Consultant must not allow the Deliverables to be made available to any other individual or organization without the prior written consent of the City. Further, all documents and other information provided to Consultant by the City are confidential and must not be made available to any other individual or organization without the prior written consent of the City. Consultant must implement such measures as may be necessary to ensure that its staff and its Subcontractors are bound by the confidentiality provisions in this Agreement.

(b) Consultant must not issue any publicity news releases or grant press interviews, and except as may be required by law during or after the performance of this Agreement, disseminate any information regarding its Services or the project to which the Services pertain without the prior written consent of the Commissioner.

(c) If Consultant is presented with a request for documents by any administrative agency or with a subpoena duces tecum regarding any records, data or documents which may be in Consultant’s possession by reason of this Agreement, Consultant must immediately give notice to the Commissioner and the Corporation Counsel for the City with the understanding that the City will have the opportunity to contest such process by any means available to it before the records, data or documents are submitted to a court or other third party. Consultant, however, is not obligated to withhold the delivery beyond the time ordered by the court or administrative agency, unless the subpoena or request is quashed or the time to produce is otherwise
2.11 **LEED**

As part of the Department's goal to incorporate environmentally sustainable design in building and infrastructure improvements, Consultant is required to provide a Leadership in Energy and Environmental Design ("LEED") accredited professional on its staff to assist with design. In entering into an Agreement with Consultant, the City may rely on Consultant's representation that the individual identified on the Key Personnel List, Exhibit 6 (either one of the Key Personnel listed or additional staff member identified) as a LEED accredited design professional either possesses a current Accredited Professional Certificate issued by the U.S. Green Building Council ("USGBC") or is in the process of being so certified by the USGBC. (It is strongly encouraged by the Department that all participants be LEED Accredited.) If the individual was not yet certified by the USGBC as of the Effective Date (as defined herein), the individual must be certified no later than 90 days after the Effective date or be replaced with a design professional that is so certified. A copy of the individual’s LEED certificate must be provided to the Department upon request. Failure of the Consultant to comply with the foregoing or failure to maintain at all times thereafter at least one design professional with current LEED certification as a Key Personnel will constitute an Event of Default. Consultant must reference the “Chicago Department of Aviation Sustainable Airport Manual, Version 1.0”, dated August 2009, evaluate all available options and make formal recommendations to the Department for approval. Consultant must then implement and oversee the measures approved by the Department. Consultant shall implement best management practices for each project, subject to approval by the City. The manual can also be viewed at the Department office.

2.12 **Assignments and Subcontracts**

Consultant must not assign, delegate or otherwise transfer all or any part of its rights or obligations under this Agreement or any part of it, unless otherwise provided for in this Agreement or without the express written consent of the Chief Procurement Officer and the Department. The absence of such a provision or written consent voids the attempted assignment, delegation or transfer and is of no effect as to the Services or this Agreement. No approvals given by the Chief Procurement Officer operate to relieve Consultant of any of its obligations or liabilities under this Agreement.

All subcontracts and all approvals of Subcontractors are, regardless of their form, considered conditioned upon performance by the Subcontractor in accordance with the terms and conditions of this Agreement. If any Subcontractor fails to observe or perform the terms and conditions of this Agreement to the satisfaction of the Department, the City has the absolute right upon written notice to immediately rescind approval and to require the performance of this Agreement by Consultant personally or through any other City-approved Subcontractor. Any approval for the use of Subcontractors in the performance of the Services under this Agreement under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement.

Consultant, upon entering into any agreement with a Subcontractor, must furnish upon request of the Chief Procurement Officer or the Department a copy of its agreement. All subcontracts must contain provisions that require the Services be performed in strict accordance with the requirements of this Agreement, provide that the Subcontractors are subject to all the terms and conditions of this Agreement and are subject to the approval of the Department and the Chief Procurement Officer. If the agreements do not prejudice any of the City's rights under this Agreement, such agreements may contain different provisions than are provided in this Agreement with respect to extensions of schedule, time of completion, payments, guarantees and matters not affecting the quality of the Services. This Agreement shall become part of all agreements Consultant enters into with Subcontractors and is deemed included therein by this reference.

Consultant must not transfer or assign any funds or claims due or to become due under this Agreement without the prior written approval of the Chief Procurement Officer. The attempted transfer or assignment of any funds, either in whole or in part, or any interest in them, which are due or to become due to Consultant under this Agreement, without such prior written approval, has no effect upon the City.
Under the Municipal Code of Chicago, ch. 2-92, Section 2-92-245, the Chief Procurement Officer may make direct payments to Subcontractors for Services performed under this Agreement. Any such payment has the same effect as if the City had paid Consultant that amount directly. Such payment by the City to Consultant's Subcontractor under no circumstances operates to relieve Consultant of any of its obligations or liabilities under this Agreement. This section is solely for the benefit of the City and does not grant any third party beneficiary rights.

The City reserves the right to assign or otherwise transfer all or any part of its interests under this Agreement to any successor.

2.13 Subcontractor Payments

Consultant must submit a status report of Subcontractor payments monthly for the duration of the contract on the “Subcontractor Payment Certification” form required by the City. The form can be downloaded from the City's website at http://egov.cityofchicago.org/webportal/COCWebPortal/COC_EDITORIAL/subcompliance_2.pdf. The form must be received by the City with each pay request submitted by the Consultant. The statement must list the following for Consultant and for each Subcontractor and supplier for the period for which payment is requested:

- Total amount invoiced by the Consultant for the prior pay request;
- The name of each particular Subcontractor or supplier utilized during the pay request;
- Indication if the Subcontractor or supplier is acting as an MBE, WBE, or is a non-certified firm on this Agreement;
- The vendor/supplier number of each Subcontractor or supplier;
- Total amount invoiced that is to be paid to each Subcontractor or supplier.

If a Subcontractor has satisfactorily completed its work, or provided specified materials in accordance with the requirements of the Agreement, the Consultant shall pay Subcontractor(s) for such work or materials within 14 days of the Consultant receiving payments from the City.

2.14 Prompt Payment

(a) Consultant must state the requirements of this prompt payment provision in all subcontracts and Purchase Orders. If Consultant fails to incorporate these provisions in all subcontracts and Purchase Orders, the provisions of this Section 2.15 are determined to be incorporated in all subcontracts and Purchase Orders. Consultant and its Subcontractors have a continuing obligation to make prompt payment to their respective Subcontractors. Compliance with this obligation is a condition of Consultant's participation and that of its Subcontractors on the project.

(b) Consultant must make payment to its Subcontractors within fourteen (14) days of receipt of payment from the City for each monthly invoice, but only if the Subcontractor has satisfactorily completed its Services in accordance with the Agreement and provided Consultant with all of the documents and information required of Consultant. Consultant may delay or postpone payment for a progress payment when the Subcontractor's Services or materials do not comply with the requirements of the Agreement, and Consultant is acting in good faith and not in retaliation for a Subcontractor exercising legal or contractual rights.

(c) Consultant must make a final payment to its Subcontractors within fourteen (14) days after the Subcontractor has satisfactorily completed all of its Services. Consultant may delay or postpone payment if the Subcontractor’s Services or materials do not comply with the requirements of the Agreement, Consultant has substantial grounds for and has acted reasonably in making the determination, and Consultant is acting in good faith and not in retaliation for a Subcontractor exercising legal or contractual rights.

(d) Consultant must make payment to Subcontractors so that they receive it within fourteen
(14) days of receipt of payment from the City. Payment is deemed received by the Subcontractor at the
time of hand delivery by Consultant, or three (3) calendar days after mailing by Consultant.

(e) To the extent feasible, to facilitate the flow of information to Subcontractor, the City will
post at the Resident Engineer's office a list of Consultant's payment requests, including the Subcontractors
identified in them, submitted to the City Comptroller for payment and the date of payments made to
Consultant by the City.

(f) Consultant must not delay or refuse to timely submit pay requests for a Subcontractor's
Services or materials. The City may construe such delay or refusal as Consultant's failure to act in good
faith. "Timely", in this context, means within thirty (30) days after the portion of the Subcontractor's
Services that the Subcontractor has invoiced have been provided or the materials delivered to the City (or
off-site, if the Agreement permits payments for off-site delivery). In addition, Consultant must not delay or
postpone payment for any undisputed portion of a Subcontractor's invoice or in connection with claims or
disputes involving different pay requests on the same project or different projects.

(g) The City will withhold payment from Consultant when the Commissioner determines that
Consultant has not complied with this Section 2.15.

(h) These provisions do not confer any rights in Subcontractors against the City. Nothing in
this section is to be construed to limit the rights of and remedies available to the City.

2.15 Right of Entry

Consultant and any of its Subcontractors must use and must cause each of their respective officers,
employees, agents and subcontractors to use the highest degree of care when entering upon any property
owned by the City in connection with the Services. In the case of any property owned by and/or leased from
the City, Consultant and its Subcontractors must comply and must cause each of their respective officers,
employees, agents and subcontractors to comply with any and all instructions and requirements for the use of
such property. Any and all Losses arising from, by reason of or in connection with any aspect of Consultant's
or its Subcontractors' use of City property are subject to the indemnification provisions of this Agreement.

Article 3. DURATION OF AGREEMENT

3.1 Term of Performance

This Agreement takes effect as of ______________________ ("Effective Date") and continues until
______________________, or until this Agreement is terminated in accordance with its terms, whichever
occurs first.

3.2 Timeliness of Performance

(a) Timely performance of Consultant's Services is required to ensure timely completion of Projects
that it will manage, and Consultant must provide the Services and Deliverables within the time limits required
for each Project. TIME IS OF THE ESSENCE and failure of Consultant to comply with the required time
limits may result in economic or other Losses to the City. Consultant will be excused from timely
performance to the extent that delays by Force Majeure Events would excuse timely performance.

(b) Neither Consultant nor Consultant’s agents, employees or Subcontractors are entitled to any
damages from the City, nor is any party entitled to be reimbursed by the City, for damages, charges or other
losses or expenses incurred by Consultant by reason of delays or hindrances in the performance of the
Services, whether or not caused by the City.
3.3 **Agreement Extension Option**

At any time before the expiration of this Agreement, the Chief Procurement Officer may exercise the City’s unilateral right to extend this Agreement following the expiration of the current Agreement term for a period of no more than one hundred eighty-one (181) calendar days, for the purpose of providing continuity of service while procuring a replacement Agreement.

The Chief Procurement Officer will give the Consultant notice of the City’s intent to exercise this option at any time before the Agreement expires. This extension will be under the same terms and conditions as this original Agreement, by notice in writing to Consultant.

**Article 4. COMPENSATION**

4.1 **Basis of Payment**

The City will pay Consultant according to the Schedule of Compensation in the attached Exhibit 2 for the completion of the Services in accordance with this Agreement, including the standard of performance in Section 2.3.

4.2 **Method of Payment**

Consultant must submit monthly invoices (in triplicate) to the City for labor and other direct costs as billed, as outlined in the Schedule of Compensation in Exhibit 2. The invoices must be in such detail as the City requests. The City will process payment within 60 days after receipt of invoices and all supporting documentation necessary for the City to verify the Services provided under this Agreement.

The reasonableness, allocability, and allowability of any costs and expenses charged by Consultant under this Agreement will be determined by the Commissioner in his/her sole discretion.

In the event of a dispute between Consultant and the City as to whether any particular charge will be paid, or as to whether the amount of such charge is reasonable, allocable to the Services, or allowable, Consultant must, and the Department may, jointly or individually, refer such dispute to the Chief Procurement Officer for resolution in accordance with the Disputes section of this Agreement.

4.3 **Funding**

The source of funds for payments under this Agreement is Fund number ______________________. Payments under this Agreement must not exceed $____________ without a written amendment in accordance with Section 9.3.

4.4 **Non-Appropriation**

If no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City for payments to be made under this Agreement, then the City will notify Consultant in writing of that occurrence, and this Agreement will terminate on the earlier of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. Payments for Services completed to the date of notification will be made to Consultant except that no payments will be made or due to Consultant under this Agreement beyond those amounts appropriated and budgeted by the City to fund payments under this Agreement.

4.5 **Electronic Ordering and Invoices**

The Consultant shall cooperate in good faith with the City in implementing electronic ordering and invoicing, including but not limited to catalogs, purchase orders, releases, and invoices. Vendor shall accept
electronic purchase orders and releases upon request of the Chief Procurement Officer. Consultant shall provide the City electronic catalogs, copies of invoices and other electronic documents upon request. The electronic ordering and invoice documents shall be in a format specified by the City and transmitted by an electronic means specified by the City. Such electronic means may include, but are not limited to, disks, e-mail, EDI, FTP, web sites, and third party electronic services. The Chief Procurement Officer reserves the right to change the document format and/or the means of transmission upon written notice to the Consultant. Consultant shall ensure that the essential information, as determined by the Chief Procurement Officer, in the electronic document, corresponds to that information submitted by the vendor in its paper documents. The electronic documents shall be in addition to paper documents required by this Agreement, however, by written notice to the Consultant, the Chief Procurement Officer may deem any or all of the electronic ordering and invoice documents the official documents and/or eliminate the requirement for paper ordering and invoice documents.

Article 5. DISPUTES

Except as otherwise provided in this Agreement, Consultant must and the City may bring any dispute arising under this Agreement which is not resolved by the parties to the Chief Procurement Officer for decision based upon the written submissions of the parties. (A copy of the "Regulations of the Department of Procurement Services for Resolution of Disputes between Consultant’s and the City of Chicago" is available in City Hall, Room 301, Bid and Bond Room, 121 N. LaSalle Street, Chicago, Illinois 60602). The Chief Procurement Officer will issue a written decision and send it to the Consultant by mail. The decision of the Chief Procurement Officer is final and binding. The sole and exclusive remedy to challenge the decision of the Chief Procurement Officer is judicial review by means of a common law writ of certiorari.

Article 6. COMPLIANCE WITH ALL LAWS

6.1 Compliance with All Laws Generally

(a) Consultant must observe and comply with all applicable federal, state, county and municipal laws, statutes, ordinances, administrative orders and executive orders, in effect now or later and whether or not they appear in this Agreement, including those set forth in this Article 6, and Consultant must pay all taxes and obtain all licenses, certificates and other authorizations required by them. Consultant must require all Subcontractors to do so, also. Further, Consultant has provided Economic Disclosure Statement(s) and Affidavit(s) ("EDS(s)") attached to this Agreement as Exhibit 4. Notwithstanding acceptance by the City of the EDS, Consultant’s failure in the EDS(s) to include all information required under the Municipal Code renders this Agreement voidable at the option of the City. Consultant must promptly update such EDS(s) whenever any information or response provided in the EDS(s) is no longer complete and accurate.

(b) Notwithstanding anything in this Agreement to the contrary, references to a statute or law are considered to be a reference to (i) the statute or law as it may be amended from time to time; (ii) all regulations and rules pertaining to or promulgated pursuant to the statute or law; and (iii) all future statutes, laws, regulations, rules and executive orders pertaining to the same or similar subject matter.

(ii) State Requirements

Consultant must comply with, and the procedures Consultant utilizes and the Services Consultant provides under this Agreement must comply with, the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq. Further, Consultant must furnish and must cause each of its Subcontractor(s) to furnish such reports and information as requested by the Chicago Commission on Human Relations.

(b) Subcontractors

6.3 Ineligibility to do Business with the City

Failure by the Contractor or any controlling person (as defined in Section 1-23-010 of the Municipal Code of Chicago) thereof to maintain eligibility to do business with the City of Chicago as required by Section 1-23-30 of the Municipal Code of Chicago shall be grounds for termination of this Contract.

6.4 Disclosure of Ownership Interest in Entities

The Contractor will keep disclosure of ownership interests and other information current as required by Section 2-154-020 of the Municipal Code of Chicago.

6.5 Inspector General and Legislative Inspector General

It is the duty of any bidder, proposer or Consultant, all Subcontractors, every applicant for certification...
of eligibility for a City Agreement or program, and all officers, directors, agents, partners and employees of any bidder, proposer, Consultant, Subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-56 of the Municipal Code of Chicago. Consultant understands and will abide by all provisions of Chapter 2-56 of the Municipal Code of Chicago. All subcontracts must inform Subcontractors of the provision and require understanding and compliance with it.

It is the duty of any bidder, proposer, Consultant, Subcontractor or such applicant to cooperate with the Inspector General in any investigation or hearing undertaken pursuant to Chapter 2-55 of the Municipal Code of Chicago. Consultant understands and will abide by all provisions of Chapter 2-55 of the Municipal Code of Chicago. All subcontracts must inform Subcontractors of this provision and require understanding and compliance with it.

6.6 **Office of Compliance**

The Consultant understands and will abide by all provisions of Chapter 2-26 of the Municipal Code of Chicago. All subcontracts will inform Subcontractors of this provision and require understanding and compliance with it.

6.7 **Shakman Accord**

The City is subject to the May 31, 2007 Order entitled “Agreed Settlement Order and Accord” (the “Shakman Accord”) and the August 16, 2007 “City of Chicago Hiring Plan” (the “City Hiring Plan”) entered in Shakman v. Democratic Organization of Cook County, Case No 69 C 2145 (United State District Court for the Northern District of Illinois). Among other things, the Shakman Accord and the City Hiring Plan prohibit the City from hiring persons as governmental employees in non-exempt positions on the basis of political reasons or factors.

Consultant is aware that City policy prohibits City employees from directing any individual to apply for a position with Consultant, either as an employee or as a subcontractor, and from directing Consultant to hire an individual as an employee or as a subcontractor. Accordingly, Consultant must follow its own hiring and contracting procedures, without being influenced by City employees. Any and all personnel provided by Consultant under this Agreement are employees or subcontractors of Consultant, not employees of the City of Chicago. This Agreement is not intended to and does not constitute, create, give rise to, or otherwise recognize an employer-employee relationship of any kind between the City and any personnel provided by Consultant.

Consultant will not condition, base, or knowingly prejudice or affect any term or aspect of the employment of any personnel provided under this Agreement, or offer employment to any individual to provide services under this Agreement, based upon or because of any political reason or factor, including, without limitation, any individual’s political affiliation, membership in a political organization or party, political support or activity, political financial contributions, promises of such political support, activity or financial contributions, or such individual’s political sponsorship or recommendation. For purposes of this Agreement, a political organization or party is an identifiable group or entity that has as its primary purpose the support of or opposition to candidates for elected public office. Individual political activities are the activities of individual persons in support of or in opposition to political organizations or parties or candidates for elected public office.

In the event of any communication to Consultant by a City employee or City official in violation of Section 9.9(c)(ii) above, or advocating a violation of Section 9.9(c)(iii) above, Consultant will, as soon as is reasonably practicable, report such communication to the Hiring Oversight Section of the City’s Office of the Inspector General, and also to the head of the relevant City Department utilizing services provided under this Agreement.
6.8 **MacBride Ordinance**

The City of Chicago through the passage of the MacBride Principles Ordinance seeks to promote fair and equal employment opportunities and labor practices for religious minorities in Northern Ireland and provide a better working environment for all citizens in Northern Ireland.

In accordance with Section 2-92-580 of the Municipal Code of the City of Chicago, if the primary Consultant conducts any business operations in Northern Ireland, the Consultant must make all reasonable and good faith efforts to conduct any business operations in Northern Ireland in accordance with the MacBride Principles for Northern Ireland as defined in Illinois Public Act 85-1390 (1988 Ill. Laws 3220).

The provisions of this Section 6.8 do not apply to Agreements for which the City receives funds administered by the United States Department of Transportation, except to the extent Congress has directed that the Department of Transportation not withhold funds from states and localities that choose to implement selective purchasing policies based on agreement to comply with the MacBride Principles for Northern Ireland, or to the extent that such funds are not otherwise withheld by the Department of Transportation.

6.9 **Business Relationships with Elected Officials**

Pursuant to Section 2-156-030(b) of the Municipal Code of the City of Chicago, it is illegal for any elected official of the City, or any person acting at the direction of such official, to contact, either orally or in writing, any other City official or employee with respect to any matter involving any person with whom the elected official has a business relationship, or to participate in any discussion in any City Council committee hearing or in any City Council meeting or to vote on any matter involving the person with whom an elected official has a business relationship. **Violation of Section 2-156-030(b) by any elected official with respect to this Agreement is grounds for termination of this Agreement.** The term business relationship is defined as set forth in Section 2-156-080 of the Municipal Code of Chicago.

Section 2-156-080 defines a "business relationship" as any contractual or other private business dealing of an official, or his or her spouse, or of any entity in which an official or his or her spouse has a financial interest, with a person or entity which entitles an official to compensation or payment in the amount of $2,500 or more in a calendar year; provided, however, a financial interest shall not include: (i) any ownership through purchase at fair market value or inheritance of less than one percent of the share of a corporation, or any corporate subsidiary, parent or affiliate thereof, regardless of the value of or dividends on such shares, if such shares are registered on a securities exchange pursuant to the Securities Exchange Act of 1934, as amended; (ii) the authorized compensation paid to an official or employee for his office or employment; (iii) any economic benefit provided equally to all residents of the City; (iv) a time or demand deposit in a financial institution; or (v) an endowment or insurance policy or annuity contract purchased from an insurance company. A "contractual or other private business dealing" shall not include any employment relationship of an official's spouse with an entity when such spouse has no discretion concerning or input relating to the relationship between that entity and the City.

6.10 **Chicago Living Wage Ordinance**

(a) Section 2-92-610 of the Municipal Code of Chicago provides for a living wage for certain categories of workers employed in the performance of City contracts, specifically non-City employed security guards, parking attendants, day laborers, home and health care workers, cashiers, elevator operators, custodial workers and clerical workers ("Covered Employees"). Accordingly, pursuant to Section 2-92-610 and regulations promulgated under it:

(i) If Consultant has 25 or more full-time employees, and

(ii) If at any time during the performance of this Agreement, Consultant and/or any Subcontractor or any other entity that provides any portion of the Services (collectively "Performing Parties") uses 25 or more full-time security guards, or any number of other full-time Covered Employees, then
(iii) Consultant must pay its Covered Employees, and must assure that all other Performing Parties pay their Covered Employees, not less than the minimum hourly rate as determined in accordance with this provision (the “Base Wage”) for all Services performed under this Agreement.

(b) Consultant’s obligation to pay, and to assure payment of, the Base Wage will begin at any time during the term of this Agreement when the conditions set forth in (a)(i) and (a)(ii) above are met, and will continue until the end of the term of this Agreement.

(c) As of July 1, 2010, the base wage is $11.03 per hour. Each July 1st the Base Wage will be adjusted, using the most recent federal poverty guidelines for a family of four as published annually by the U.S. Department of Health and Human Services, to constitute the following: the poverty guidelines for a family of four divided by 2000 hours or the current base wage, whichever is higher. At all times during the term of this Agreement, Consultant and all other Performing Parties must pay the Base Wage (as adjusted in accordance with the above). If the payment of prevailing wages is required for Services done under this Agreement, and the prevailing wages for Covered Employees are higher than the Base Wage, then Consultant and all other Performing Parties must pay the prevailing wage rates.

(d) Consultant must include provisions in all subcontracts requiring its Subcontractors to pay the Base Wage to Covered Employees. Consultant agrees to provide the City with documentation acceptable to the Chief Procurement Officer demonstrating that all Covered Employees, whether employed by Consultant or by a Subcontractor, have been paid the Base Wage, upon the City’s request for such documentation. The City may independently audit Consultant and/or Subcontractors to verify compliance with this section. Failure to comply with the requirements of this section will be an event of default under this Agreement, and further, failure to comply may result in ineligibility for any award of a City contract or subcontract for up to 3 years.

(e) Not-for-Profit Corporations: If Consultant is a corporation having federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and is recognized under Illinois not-for-profit law, then the provisions of Sections (a) through (d) above do not apply.

6.11 Deemed Inclusion

Provisions required by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either party, this Agreement will be amended to make the insertion; however, in no event will the failure to insert the provisions before or after this Agreement is signed prevent its enforcement.

6.12 Prohibition on Certain Contributions – Mayoral Executive Order No. 05-1

Consultant agrees that Consultant, any person or entity who directly or indirectly has an ownership or beneficial interest in Consultant of more than 7.5 percent (“Owners”), spouses and domestic partners of such Owners, Consultant’s Subcontractors, any person or entity who directly or indirectly has an ownership or beneficial interest in any Subcontractor of more than 7.5 percent (“Sub-owners”) and spouses and domestic partners of such Sub-owners (Consultant and all the other preceding classes of persons and entities are together, the “Identified Parties”), shall not make a contribution of any amount to the Mayor of the City of Chicago (the “Mayor”) or to his political fundraising committee (i) after execution of this bid, proposal or Agreement by Consultant, (ii) while this Agreement or any Other Contract is executory, (iii) during the term of this Agreement or any Other Contract between Consultant and the City, or (iv) during any period while an extension of this Agreement or any Other Contract is being sought or negotiated.

Consultant represents and warrants that since the date of public advertisement of the specification, request for qualifications, request for proposals or request for information (or any combination of those requests) or, if not competitively procured, from the date the City approached the Consultant or the date the Consultant approached the City, as applicable, regarding the formulation of this Agreement, no Identified Parties have made a contribution of any amount to the Mayor or to his political fundraising committee.
Consultant agrees that it shall not: (a) coerce, compel or intimidate its employees to make a contribution of any amount to the Mayor or to the Mayor's political fundraising committee; (b) reimburse its employees for a contribution of any amount made to the Mayor or to the Mayor's political fundraising committee; or (c) bundle or solicit others to bundle contributions to the Mayor or to his political fundraising committee.

Consultant agrees that the Identified Parties must not engage in any conduct whatsoever designed to intentionally violate this provision or Mayoral Executive Order No. 05-1 or to entice, direct or solicit others to intentionally violate this provision or Mayoral Executive Order No. 05-1.

Consultant agrees that a violation of, non-compliance with, misrepresentation with respect to, or breach of any covenant or warranty under this provision or violation of Mayoral Executive Order No. 05-1 constitutes a breach and default under this Agreement, and under any Other Contract for which no opportunity to cure will be granted. Such breach and default entitles the City to all remedies (including without limitation termination for default) under this Agreement, under Other Contract, at law and in equity. This provision amends any Other Contract and supersedes any inconsistent provision contained therein.

If Consultant violates this provision or Mayoral Executive Order No. 05-1 prior to award of the Agreement resulting from this specification, the Chief Procurement Officer may reject Consultant's bid.

For purposes of this provision:

"Bundle" means to collect contributions from more than one source which are then delivered by one person to the Mayor or to his political fundraising committee.

"Other Contract" means any other agreement with the City of Chicago to which Consultant is a party that is (i) formed under the authority of chapter 2-92 of the Municipal Code of Chicago; (ii) entered into for the purchase or lease of real or personal property; or (iii) for materials, supplies, equipment or services which are approved or authorized by the city council.

"Contribution" means a "political contribution" as defined in Chapter 2-156 of the Municipal Code of Chicago, as amended.

Individuals are "Domestic Partners" if they satisfy the following criteria:
(A) they are each other's sole domestic partner, responsible for each other's common welfare; and
(B) neither party is married; and
(C) the partners are not related by blood closer than would bar marriage in the State of Illinois; and
(D) each partner is at least 18 years of age, and the partners are the same sex, and the partners reside at the same residence; and
(E) two of the following four conditions exist for the partners:
   1. The partners have been residing together for at least 12 months.
   2. The partners have common or joint ownership of a residence.
   3. The partners have at least two of the following arrangements:
      a. joint ownership of a motor vehicle;
      b. a joint credit account;
      c. a joint checking account;
      d. a lease for a residence identifying both domestic partners as tenants.
   4. Each partner identifies the other partner as a primary beneficiary in a will.

"Political fundraising committee" means a "political fundraising committee" as defined in Chapter 2-156 of the Municipal code of Chicago, as amended.

6.13 Environmental Requirements

Consultant also recognizes that U.S. Environmental Protection Agency, U.S. Department of Transportation, the Illinois Environmental Protection Agency, the City and other government agencies have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect this Agreement. Thus, Consultant must adhere to, and impose on its Subcontractors, any and all such requirements as the Federal, State and City governments may now or in the future promulgate. Requirements of particular concern are listed below. Consultant acknowledges that this list does not constitute Consultant's entire obligation to meet all government environmental and resource conservation requirements. Without limiting Consultant's obligation to impose on its Subcontractors all Federal, State and City requirements (as stated above), Consultant must include the following provisions in all subcontracts.

(c) **Air Quality.** Consultant must comply with all applicable standards, orders, or regulations issued under the Clean Air Act, as amended, 42 U.S.C. §§401 et seq. Specifically, Consultant must comply with applicable requirements of U.S. EPA regulations, "Conformity to State or Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 U.S.C. or the Federal Transit Act," 40 C.F.R. Part 51, Subpart T; and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 C.F.R. Part 93. Consultant must report and require each Subcontractor to report any violation of these requirements resulting from any activity related to the implementation of this Agreement to the City and the appropriate U.S. EPA Regional Office.

(d) **Clean Water.** Consultant must comply with all applicable standards, orders, or regulations issued under the Federal Water Pollution Control Act, as amended, 33 U.S.C. §§1251 et seq. Consultant must report and require each Subcontractor to report any violation of these requirements resulting from any activity related to the implementation of this Agreement to the City and the appropriate U.S. EPA Regional Office.

(e) **List of Violating Facilities.** Consultant must not use any facility in the performance of this Agreement or benefit any facility through the performance of this Agreement that is listed on the U.S. EPA List of Violating Facilities ("List"), and Consultant must promptly notify the City if Consultant receives any communication from the U.S. EPA that such a facility is under consideration for inclusion on the List.

(f) **Energy Policy and Conservation Act.** To the extent applicable, Consultant must comply with the mandatory standards and policies relating to energy efficiency which are contained in the State of Illinois energy conservation plan issued in compliance with the Energy Policy and Conservation Act, Pub. L. 94-163, 89 Stat. 871.

(g) In accordance with Section 11-4-1600(e) of the Municipal Code of Chicago, Consultant warrants and represents that it, and to the best of its knowledge, its Subcontractors have not violated and are not in violation of the following sections of the Code (collectively, the Waste Sections):

7-28-390 Dumping on public way;
7-28-440 Dumping on real estate without permit;
During the period while this Agreement is executory, Consultant’s or any Subcontractor’s violation of the Waste Sections, whether or not relating to the performance of this Agreement, constitutes a breach of and an event of default under this Agreement, for which the opportunity to cure, if curable, will be granted only at the sole discretion of the Chief Procurement Officer. Such breach and default entitles the City to all remedies under the Agreement, at law or in equity.

This section does not limit the Consultant’s and its Subcontractors’ duty to comply with all applicable federal, state, county and municipal laws, statutes, ordinances and executive orders, in effect now or later, and whether or not they appear in this Agreement.

Non-compliance with these terms and conditions may be used by the City as grounds for the termination of this Agreement, and may further affect the Consultant’s eligibility for future contract awards.

6.14 Federal Terrorist (No-Business) List

Consultant warrants and represents that neither Consultant nor an Affiliate, as defined below, appears on the Specially Designated Nationals List, the Denied Persons List, the Unverified List, the Entity List, or the Debarred List as maintained by the Office of Foreign Assets Control of the U.S. Department of the Treasury or by the Bureau of Industry and Security of the U.S. Department of Commerce or their successors, or on any other list of persons or entities with which the City may not do business under any applicable law, rule, regulation or judgment.

"Affiliate" means a person or entity which directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with Consultant. A person or entity will be deemed to be controlled by another person or entity if it is controlled in any manner whatsoever that results in control in fact by that other person or entity, either acting individually or acting jointly or in concert with others, whether directly or indirectly and whether through share ownership, a trust, a contract or otherwise.

6.15 False Statements

(a) 1-21-010 False Statements

Any person who knowingly makes a false statement of material fact to the city in violation of any statute, ordinance or regulation, or who knowingly falsifies any statement of material fact made in connection with an application, report, affidavit, oath, or attestation, including a statement of material fact made in connection with a bid, proposal, contract or economic disclosure statement or affidavit, is liable to the city for a civil penalty of not less than $500.00 and not more than $1,000.00, plus up to three times the amount of damages which the city sustains because of the person’s violation of this section. A person who violates this section shall also be liable for the city’s litigation and collection costs and attorney’s fees.

The penalties imposed by this section shall be in addition to any other penalty provided for in the municipal code. (Added Coun. J. 12-15-04, p. 39915, § 1)

(b) 1-21-020 Aiding and abetting.

Any person who aids, abets, incites, compels or coerces the doing of any act prohibited by this chapter shall be liable to the city for the same penalties for the violation. (Added Coun. J. 12-15-04, p. 39915,
§ 1) 1-21-030 Enforcement.

In addition to any other means authorized by law, the corporation counsel may enforce this chapter by instituting an action with the department of administrative hearings. (Added Coun. J. 12-15-04, p. 39915, § 1)

6.16 Firms Owned or Operated by Individuals with Disabilities

The City encourages Consultants to use Subcontractors that are firms owned or operated by individuals with disabilities, as defined by Section 2-92-586 of the Municipal Code of the City of Chicago, where not otherwise prohibited by federal or state law.

6.17 Airport Security, Rules and Regulations

(a) Aviation Security

This Agreement is subject to the airport security requirements of 49 United States Code, Chapter 449, as amended, the provisions of which govern airport security and are incorporated by reference, including without limitation the rules and regulations in 49 CFR 1542 and all other applicable rules and regulations promulgated under them. All employees providing services at the City’s airports must be badged by the City. (See Airport Security Badges section below.) Consultant, Subcontractors and the respective employees of each are subject to such employment investigations, including criminal history record checks, as the Administrator of the Federal Aviation Administration (“FAA”), the Under Secretary of the Transportation Security Administration (“TSA”), and the City may deem necessary. Consultant, Subcontractors, their respective employees, invitees and all other persons under the control of Consultant must comply strictly and faithfully with any and all rules, regulations and directions which the Commissioner, the FAA, or the TSA may issue from time to time may issue during the life of this Agreement with regard to security, safety, maintenance and operation of the Airport and must promptly report any information regarding suspected violations in accordance with those rules and regulations.

Gates and doors that permit entry into restricted areas at the Airport must be kept locked by Consultant at all times when not in use or under Consultant’s constant security surveillance. Gate or door malfunctions must be reported to the Commissioner without delay and must be kept under constant surveillance by Consultant until the malfunction is remedied.

(b) General Requirements Regarding Airport Operations

Consultant must cooperate fully with the Commissioner and his representatives in all matters pertaining to public safety and airport operation. Whether or not measures are specifically required by this Agreement, Consultant at all times must maintain adequate protection to safeguard aircraft, the public and all persons engaged in the work and must take such precaution as will accomplish such end, without interference with aircraft, the public, or maintenance and operations of the Airport.

Consultant’s attention is drawn to the fact that airport facilities and infrastructure, including but not limited to runways, taxiways, vehicular roadways, loadways, loading aprons, concourses, holdrooms, gates and passenger right-of-ways, are being used for scheduled and unscheduled civilian air transportation. Arrivals and departures are under the control of the FAA control tower(s). Use of the Airport for air transportation takes precedence over all of Consultant’s operations. No extra compensation will be allowed for any delays brought about by the operations of the Airport which require that Consultant’s work must be interrupted or moved from one part of the work site to another.

If Consultant requires interruption of Airport facilities or utilities in order to perform work, Consultant must notify the Deputy Commissioner in charge of the project at least 5 working days in advance of such time and must obtain the Deputy Commissioner’s approval prior to interrupting the service. Interruption of service must be kept to an absolute minimum, and to the extent practicable the work which occasions such
interruptions must be performed in stages in order to reduce the time of each interruption. In case of interruptions of electrical services, service must be restored prior to sunset of the same day.

Prior to start of work, Consultant must request the Deputy Commissioner in charge of the project to provide specific requirements and/or instructions which are applicable to the particular work site areas, including but not limited to areas available for storage of any equipment, materials, tools and supplies needed to perform the work. Consultant must advise the Deputy Commissioner in charge of the project of the volume of equipment, materials, tools, and supplies that will be required in the secured areas of the airport in order to make arrangements for inspection of such equipment, materials, tools, and supplies at a security checkpoint. Consultant must not permit or allow its employees, Subcontractors, material men, invitees or any other persons over whom Consultant has control to enter or remain upon, or to bring or permit any equipment, materials, tools, or supplies to remain upon any part of the work site if any hazard to aircraft, threat to airport security, or obstruction of airport maintenance and operations, on or off the ground, would be created in the opinion of either the Commissioner or the Deputy Commissioner. Consultant must safeguard, and may be required to account for, all items brought beyond a security checkpoint, especially with respect to tools used in a terminal building.

For any work on the airfield, between sunset and sunrise, any equipment and materials stored outside must be marked with obstruction lights conforming to FAA Advisory Circular 150/5345-43E, Specification of Obstruction Lighting Equipment or any subsequent Advisory Circulars issued by the FAA. All obstruction lights must be kept continuously in operation between sunset and sunrise 7 days a week and also during any daylight periods when aircraft ceiling is below 500 feet and visibility is less than 5 miles. Information on ceiling and visibility may be obtained by Consultant on request at the office of the Deputy Commissioner of Operations or from the FAA Control Tower Operator. Proper compliance with these obstruction light requirements is essential to the protection of aircraft and human life and Consultant has the responsibility of taking the initiative at all times to be aware of ceiling and visibility conditions, without waiting for the FAA Control Tower Operator or any other City representative to ask Consultant to post obstruction lights.

For any work on the airfield, Consultant must furnish aircraft warning flags, colored orange and white, in two sizes, one size two feet by three feet (2’ x 3’) for hand use, and one size three feet by five feet (3’ x 5’) in length. Each separate group or individual in all work areas, regardless of whether or not near runways, taxiways or aprons, must display a flag which must be maintained vertical at all times. Each truck or other piece of equipment of Consultant must have attached to it, in a vertical and clearly visible position, a warning flag of the larger size. Except as otherwise agreed by the Commissioner or his designee, all cranes or booms used for construction work on the airfield must be lowered to ground level and moved 200 feet off the runways, taxiways, and aprons during all hours of darkness and during all daylight hours when the aircraft ceiling is below the minimums specified in this section.

Consultant acknowledges the importance of fully complying with the requirements of this section in order to protect aircraft and human life, on and off the ground. Failure on the part of Consultant to perform the work in accordance with the provisions of this section and to enforce same with regard to all Subcontractors, material men, laborers, invitees and all other persons under Consultant’s control, is grounds for the Chief Procurement Officer to declare an event of default and terminate this Agreement immediately.

(c) Airport Security Badges

Consultant must obtain from the airport badging office Airport Security Badges for any person working at the airport on Consultant’s behalf. No person will be allowed beyond security checkpoints without a valid Airport Security Badge. Each such person must submit signed and properly completed application forms to receive an Airport Security Badge. Additional forms and tests may be required to obtain Airport Driver’s Licenses and Vehicle Permits. The application forms will solicit such information as the Commissioner may require in his discretion, including but not limited to name, address, date of birth (and for vehicles, driver’s license and appropriate stickers). Consultant is responsible for requesting and completing the form for each person who will be working at the Airport on Consultant’s behalf and all vehicles to be used on the job site. Upon signed approval of the application by the Commissioner or his designee, the employee will be required to attend a presentation regarding airport security and have his or her photo taken for the badge. The Commissioner may grant or deny the application in his sole discretion. Consultant must make available to the
Commissioner, within one day of request, the personnel file of any person who will be working on the project.

In order for a person to have an Airport Security Badge, a criminal history record check ("CHRC") conducted by the Department of Aviation will also be required. The CHRC will typically include a fingerprint analysis by the Federal Bureau of Investigation and such other procedures as may be required by the TSA.

Airport Security Badges, Vehicle Permits and Driver’s Licenses will only be issued based upon properly completed application forms. Employees or vehicles without proper credentials may be removed from the secured area and may be subject to fine or arrest. Consultant will be jointly and severally liable for any fines imposed on any person working on its behalf.

In addition to other rules and regulations, the following rules related to Airport Security Badges, Vehicle Permits and Driver’s Licenses must be adhered to:

- All individuals must wear and visibly display their Airport Security Badges on their outer apparel, above the waist, at all times while at the Airport.
- All individuals operating a vehicle on the Aircraft Operations Area ("AOA") must be familiar and comply with motor driving regulations and procedures of the State of Illinois, City of Chicago and the Department of Aviation. The operator must be in possession of a valid, state-issued Motor Vehicle Operator’s Driver’s License. Each individual operating a vehicle on the AOA without an escort must also be in possession of a valid Aviation-issued Airport Driver’s Permit.
- All operating equipment must have an Airport Vehicle Access Permit affixed to the vehicle at all times while operating on the Airport. All required City stickers and State Vehicle Inspection stickers must be valid.
- Individuals must remain within their assigned areas and haul routes unless otherwise instructed by the Department of Aviation.

Consultant’s personnel who function as supervisors, and those that escort Consultant’s equipment/operators to their designated work sites, may be required to obtain an added multi-area access designation on their personnel Airport Security Badge which must also be displayed while on the AOA.

(d) Confidentiality of Airport Security Data.

Contractor acknowledges that information vital to the security of the airport ("Airport Security Data"), including but not limited to Sensitive Security Information as defined by 49 CFR Part 1520, may be prepared, assembled, encountered by, or provided to Contractor in connection with this Contract. Consultant has an ongoing duty to protect confidential information, including but not limited to any Airport Security Data. If Contractor fails to safeguard the confidentiality of Airport Security Data, Contractor is liable for the reasonable costs of actions taken by the City, the airlines, the Federal Aviation Administration ("FAA"), or the Transportation Security Administration ("TSA") that the applicable entity, in its sole discretion, determines to be necessary as a result, including without limitation the design and construction of improvements, procurement and installation of security devices, and posting of guards. All Subcontracts or purchase orders entered into by the Contractor, with parties providing material, labor or services to complete the Work, must contain the language of this section. If the Contractor fails to incorporate the required language in all Subcontracts or purchase orders, the provisions of this section are deemed incorporated in all Subcontracts or purchase orders.

Article 7. SPECIAL CONDITIONS

7.1 Warranties and Representations

(g) acknowledges that any certification, affidavit or acknowledgment made under oath in connection with this Agreement is made under penalty of perjury and, if false, is also cause for termination under Sections 8.1 and 8.3 of this Agreement.

7.2 Ethics

(a) In addition to the foregoing warranties and representations, Consultant warrants that:

(i) no officer, agent or employee of the City is employed by Consultant or has a financial interest directly or indirectly in this Agreement or the compensation to be paid under this Agreement except as may be permitted in writing by the Board of Ethics established under the Municipal Code of Chicago (Chapter 2-156).

(ii) no payment, gratuity or offer of employment will be made in connection with this Agreement by or on behalf of any Subcontractors to the prime Consultant or higher tier Subcontractors or anyone associated with them, as an inducement for the award of a subcontract or order.

(b) Consultant further acknowledges that any Agreement entered into, negotiated or performed in violation of any of the provisions of Chapter 2-156 is voidable as to the City.

7.3 Joint and Several Liability

If Consultant, or its successors or assigns, if any, is comprised of more than one individual or other legal entity (or a combination of them), then under this Agreement, each and without limitation every obligation or undertaking in this Agreement to be fulfilled or performed by Consultant is the joint and several obligation or
undertaking of each such individual or other legal entity.

7.4 **Business Documents**

At the request of the City, Consultant must provide copies of its latest articles of incorporation, by-laws and resolutions, or partnership or joint venture agreement, as applicable.

7.5 **Conflicts of Interest**

(a) No member of the governing body of the City or other unit of government and no other officer, employee or agent of the City or other unit of government who exercises any functions or responsibilities in connection with the Services to which this Agreement pertains is permitted to have any personal interest, direct or indirect, in this Agreement. No member of or delegate to the Congress of the United States or the Illinois General Assembly and no alderman of the City or City employee is allowed to be admitted to any share or part of this Agreement or to any financial benefit to arise from it.

(b) Consultant covenants that it, and to the best of its knowledge, its Subcontractors if any (collectively, "Consulting Parties"), presently have no direct or indirect interest and will not acquire any interest, direct or indirect, in any project or Agreement that would conflict in any manner or degree with the performance of its Services under this Agreement.

(c) Upon the request of the City, Consultant must disclose to the City its past client list and the names of any clients with whom it has an ongoing relationship. Consultant is not permitted to perform any Services for the City on applications or other documents submitted to the City by any of Consultant’s past or present clients. If Consultant becomes aware of a conflict, it must immediately stop work on the assignment causing the conflict and notify the City.

(d) Without limiting the foregoing, if the Consulting Parties assist the City in researching, preparing, drafting or issuing a request for proposals or bid specifications for a project, the Consulting Parties must not participate, directly or indirectly, as a prime, Subcontractor or joint venturer in that project or in the preparation of a proposal or bid for that project during the term of this Agreement or afterwards. The Consulting Parties may, however, assist the City in reviewing the proposals or bids for the project if none of the Consulting Parties have a relationship with the persons or entities that submitted the proposals or bids for that project.

(e) Consultant further covenants that, in the performance of this Agreement, no person having any conflicting interest will be assigned to perform any Services or have access to any confidential information, as described in Section 2.11 of this Agreement. If the City, by the Commissioner in his reasonable judgment, determines that any of Consultant’s Services for others conflict with the Services Consultant is to render for the City under this Agreement, Consultant must terminate such other services immediately upon request of the City.

(f) Furthermore, if any federal funds are to be used to compensate or reimburse Consultant under this Agreement, Consultant represents that it is and will remain in compliance with federal restrictions on lobbying set forth in Section 319 of the Department of the Interior and Related Agencies Appropriations Act for Fiscal Year 1990, 31 U.S.C. §1352, and related rules and regulations set forth at 54 Fed. Reg. 52,309 ff. (1989), as amended. If federal funds are to be used, Consultant must execute a Certification Regarding Lobbying, which will be attached as an exhibit and incorporated by reference as if fully set forth here.

7.6 **Non-Liability of Public Officials**

Article 8. EVENTS OF DEFAULT, REMEDIES, TERMINATION, SUSPENSION AND RIGHT TO OFFSET

8.1 Events of Default Defined

The following constitute events of default:

(a) Any material misrepresentation, whether negligent or willful and whether in the inducement or in the performance, made by Consultant to the City.

(b) Consultant's material failure to perform any of its obligations under this Agreement including the following:

   (i) Failure to perform the Services with sufficient personnel and equipment or with sufficient material to ensure the timely performance of the Services

   (ii) Failure to have and maintain all professional licenses required by law to perform the Services;

   (iii) Failure to timely perform the Services;

   (iv) Failure to perform the Services in a manner reasonably satisfactory to the Commissioner or the Chief Procurement Officer or inability to perform the Services satisfactorily as a result of insolvency, filing for bankruptcy or assignment for the benefit of creditors;

   (v) Failure to promptly re-perform, as required, within a reasonable time and at no cost to the City, Services that are rejected as erroneous or unsatisfactory;

   (vi) Discontinuance of the Services for reasons within Consultant's reasonable control;

   (vii) Failure to comply with Section 6.1 in the performance of the Agreement;

   (viii) Failure to update promptly, as required by Section 6.1(a), EDS(s) furnished in connection with this Agreement when the information or responses contained in it or them is no longer complete or accurate;

   (ix) Failure to comply with any other term of this Agreement, including the provisions concerning insurance and nondiscrimination; and

   (x) Any other acts or omissions specifically stated in this Agreement as constituting an event of default.

   (c) Any change in ownership or control of Consultant without the prior written approval of the Chief Procurement Officer, which approval the Chief Procurement Officer will not unreasonably withhold.

   (d) Consultant's default under any other agreement it may presently have or may enter into with the City during the life of this Agreement. Consultant acknowledges and agrees that in the event of a default under this Agreement the City may also declare a default under any such other agreements.

   (e) Consultant’s repeated or continued violations of City ordinances unrelated to performance under the Agreement that in the opinion of the Chief Procurement Officer indicate a willful or reckless disregard for City laws and regulations.

8.2 Remedies

(a) Notices.
(i) The occurrence of any event of default permits the City, at the City’s sole option, to declare Consultant in default. The Chief Procurement Officer may in his sole discretion give Consultant an opportunity to cure the default within a certain period of time, which period of time must not exceed 30 days unless extended by the Chief Procurement Officer. Whether to declare Consultant in default is within the sole discretion of the Chief Procurement Officer and neither that decision nor the factual basis for it is subject to review or challenge under the Disputes provision of this Agreement.

(ii) The Chief Procurement Officer will give Consultant written notice of the default, either in the form of a cure notice (“Cure Notice”), or, if no opportunity to cure will be granted, a default notice (“Default Notice”). If the Chief Procurement Officer gives a Default Notice, he will also indicate any present intent he may have to terminate this Agreement, and the decision to terminate is final and effective upon giving the notice. If the Chief Procurement Officer decides not to terminate, this decision will not preclude him from later deciding to terminate the Agreement in a later notice, which will be final and effective upon the giving of the notice or on the date set forth in the notice, whichever is later. The Chief Procurement Officer may give a Default Notice if Consultant fails to effect a cure within the cure period given in a Cure Notice. When a Default Notice with intent to terminate is given as provided in this Section 8.2 and Article 10, Consultant must discontinue any Services, unless otherwise directed in the notice, and deliver all materials accumulated in the performance of this Agreement, whether completed or in the process, to the City.

(b) Exercise of Remedies. After giving a Default Notice, the City may invoke any or all of the following remedies:

(i) The right to take over and complete the Services, or any part of them, at Consultant’s expense and as agent for Consultant, either directly or through others, and bill Consultant for the cost of the Services, and Consultant must pay the difference between the total amount of this bill and the amount the City would have paid Consultant under the terms and conditions of this Agreement for the Services that were assumed by the City as agent for Consultant under this Section 8.2;

(ii) The right to terminate this Agreement as to any or all of the Services yet to be performed effective at a time specified by the City;

(iii) The right of specific performance, an injunction or any other appropriate equitable remedy;

(iv) The right to money damages;

(v) The right to withhold all or any part of Consultant’s compensation under this Agreement;

(vi) The right to deem Consultant non-responsible in future contracts to be awarded by the City.

(c) City’s Reservation of Rights. If the Chief Procurement Officer considers it to be in the City’s best interests, he may elect not to declare default or to terminate this Agreement. The parties acknowledge that this provision is solely for the benefit of the City and that if the City permits Consultant to continue to provide the Services despite one or more events of default, Consultant is in no way relieved of any of its responsibilities, duties or obligations under this Agreement, nor does the City waive or relinquish any of its rights.

(d) Non-Exclusivity of Remedies. The remedies under the terms of this Agreement are not intended to be exclusive of any other remedies provided, but each and every such remedy is cumulative and is in addition to any other remedies, existing now or later, at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any event of default impairs any such right or power, nor is it a waiver of any event of default nor acquiescence in it, and every such right and power may be exercised from time to time and as often as the City considers expedient.
8.3 Early Termination

(a) In addition to termination under Sections 8.1 and 8.2 of this Agreement, the City may terminate this Agreement, or all or any portion of the Services to be performed under it, at any time by a notice in writing from the City to Consultant. The City will give notice to Consultant in accordance with the provisions of Article 10. The effective date of termination will be the date the notice is received by Consultant or the date stated in the notice, whichever is later. If the City elects to terminate this Agreement in full, all Services to be provided under it must cease and all materials that may have been accumulated in performing this Agreement, whether completed or in the process, must be delivered to the City effective 10 days after the date the notice is considered received as provided under Article 10 of this Agreement (if no date is given) or upon the effective date stated in the notice.

(b) After the notice is received, Consultant must restrict its activities, and those of its Subcontractors, to winding down any reports, analyses, or other activities previously begun. No costs incurred after the effective date of the termination are allowed. Payment for any Services actually and satisfactorily performed before the effective date of the termination is on the same basis as set forth in Article 4, but if any compensation is described or provided for on the basis of a period longer than 10 days, then the compensation must be prorated accordingly. No amount of compensation, however, is permitted for anticipated profits on unperformed Services. The City and Consultant must attempt to agree on the amount of compensation to be paid to Consultant, but if not agreed on, the dispute must be settled in accordance with Article 5 of this Agreement. The payment so made to Consultant is in full settlement for all Services satisfactorily performed under this Agreement.

(c) Consultant must include in its contracts with Subcontractors an early termination provision in form and substance equivalent to this early termination provision to prevent claims against the City arising from termination of subcontracts after the early termination. Consultant will not be entitled to make any early termination claims against the City resulting from any Subcontractor’s claims against Consultant or the City.

(d) If the City’s election to terminate this Agreement for default under Sections 8.1 and 8.2 is determined in a court of competent jurisdiction to have been wrongful, then in that case the termination is to be considered to be an early termination under this Section 8.3.

8.4 Suspension

The City may at any time request that Consultant suspend its Services, or any part of them, by giving 15 days prior written notice to Consultant or in the event of emergency, upon informal oral, or even no notice. No costs incurred after the effective date of such suspension are allowed. Consultant must promptly resume its performance of the Services under the same terms and conditions as stated in this Agreement upon written notice by the Chief Procurement Officer and such equitable extension of time as may be mutually agreed upon by the Chief Procurement Officer and Consultant when necessary for continuation or completion of Services. Any additional costs or expenses actually incurred by Consultant as a result of recommencing the Services must be treated in accordance with the compensation provisions under Article 4 of this Agreement.

No suspension of this Agreement is permitted in the aggregate to exceed a period of 45 days within any one calendar year of this Agreement. If the total number of days of suspension exceeds 45 days, Consultant by written notice to the City may treat the suspension as an early termination of this Agreement under Section 8.3.

8.5 Right to Offset

(a) In connection with performance under this Agreement:

The City may offset any excess costs incurred:

(i) if the City terminates this Agreement for default or any other reason resulting from Consultant’s performance or non-performance;
(ii) if the City exercises any of its remedies under Section 8.2 of this Agreement; or

(iii) if the City has any credits due or has made any overpayments under this Agreement.

The City may offset these excess costs by use of any payment due for Services completed before the City terminated this Agreement or before the City exercised any remedies. If the amount offset is insufficient to cover those excess costs, Consultant is liable for and must promptly remit to the City the balance upon written demand for it. This right to offset is in addition to and not a limitation of any other remedies available to the City.

(b) In connection with Section 2-92-380 of the Municipal Code of Chicago:

(i) and in addition to any other rights and remedies (including any of set-off) available to the City under this Agreement or permitted at law or in equity, the City is entitled to set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of the fines and penalties for each outstanding parking violation complaint and/or the amount of any debt owed by Consultant to the City. For purposes of this Section 8.5, "outstanding parking violation complaint" means a parking ticket, notice of parking violation or parking violation complaint on which no payment has been made or appearance filed in the Circuit Court of Cook County within the time specified on the complaint. "Debt" means a specified sum of money owed to the City for which the period granted for payment has expired.

(ii) notwithstanding the provisions of subsection 8.5(b)(i) above, no such debt(s) or outstanding parking violation complaint(s) will be offset from the price or compensation due under this Agreement if one or more of the following conditions are met:

A. Consultant has entered into an agreement with the Department of Revenue, or other appropriate City department, for the payment of all outstanding parking violation complaints and/or debts owed to the City and Consultant is in compliance with the agreement; or

B. Consultant is contesting liability for or the amount of the debt in a pending administrative or judicial proceeding; or

C. Consultant has filed a petition in bankruptcy and the debts owed the City are dischargeable in bankruptcy.

(c) In connection with any liquidated or unliquidated claims against Consultant:

Without breaching this Agreement, the City may set off a portion of the price or compensation due under this Agreement in an amount equal to the amount of any liquidated or unliquidated claims that the City has against Consultant unrelated to this Agreement. When the City’s claims against Consultant are finally adjudicated in a court of competent jurisdiction or otherwise resolved, the City will reimburse Consultant to the extent of the amount the City has offset against this Agreement inconsistently with such determination or resolution.

Article 9. GENERAL CONDITIONS

9.1 Entire Agreement

(a) General

This Agreement, and the exhibits attached to it and incorporated in it, constitute the entire agreement between the parties and no other terms, conditions, warranties, inducements, considerations, promises or
interpretations are implied or impressed upon this Agreement that are not addressed in this Agreement.

(b) **No Collateral Agreements**

Consultant acknowledges that, except only for those representations, statements or promises contained in this Agreement and any exhibits attached to it and incorporated by reference in it, no representation, statement or promise, oral or in writing, of any kind whatsoever, by the City, its officials, agents or employees, has induced Consultant to enter into this Agreement or has been relied upon by Consultant, including any with reference to: (i) the meaning, correctness, suitability or completeness of any provisions or requirements of this Agreement; (ii) the nature of the Services to be performed; (iii) the nature, quantity, quality or volume of any materials, equipment, labor and other facilities needed for the performance of this Agreement; (iv) the general conditions which may in any way affect this Agreement or its performance; (v) the compensation provisions of this Agreement; or (vi) any other matters, whether similar to or different from those referred to in (i) through (vi) immediately above, affecting or having any connection with this Agreement, its negotiation, any discussions of its performance or those employed or connected or concerned with it.

(c) **No Omissions**

Consultant acknowledges that Consultant was given ample opportunity and time and was requested by the City to review thoroughly all documents forming this Agreement before signing this Agreement in order that it might request inclusion in this Agreement of any statement, representation, promise or provision that it desired or on that it wished to place reliance. Consultant did so review those documents, and either every such statement, representation, promise or provision has been included in this Agreement or else, if omitted, Consultant relinquishes the benefit of any such omitted statement, representation, promise or provision and is willing to perform this Agreement in its entirety without claiming reliance on it or making any other claim on account of its omission.

9.2 **Counterparts**

This Agreement may be comprised of several identical counterparts, each to be fully signed by the parties and each to be considered an original having identical legal effect.

9.3 **Amendments**

Except as provided in Section 3.3 of this Agreement, no changes, amendments, modifications or discharge of this Agreement, or any part of it are valid unless in writing and signed by the authorized agent of Consultant and by the Mayor, Commissioner, and Chief Procurement Officer of the City or their respective successors and assigns. The City incurs no liability for Additional Services without a written amendment to this Agreement under this Section 9.3.

Whenever in this Agreement Consultant is required to obtain prior written approval, the effect of any approval that may be granted pursuant to Consultant's request is prospective only from the later of the date approval was requested or the date on which the action for which the approval was sought is to begin. In no event is approval permitted to apply retroactively to a date before the approval was requested.

9.4 **Governing Law and Jurisdiction**

This Agreement is governed as to performance and interpretation in accordance with the laws of the State of Illinois.

Consultant irrevocably submits itself to the original jurisdiction of those courts located within the County of Cook, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement. Service of process on Consultant may be made, at the option of the City, either by registered or certified mail addressed to the applicable office as provided for in this Agreement, by registered or certified mail addressed to the office actually maintained by Consultant, or by personal delivery on any officer, director, or managing or general agent of Consultant. If any action is
brought by Consultant against the City concerning this Agreement, the action must be brought only in those courts located within the County of Cook, State of Illinois.

9.5 **Severability**
