Dear [REDACTED]

This is to notify you that the Board considers the gift of a necktie from the [REDACTED] delegation not to be inappropriate under Executive Order 86-1. Under the circumstances, the Board sees no reason to believe the gift was intended to influence City decisions. Therefore you may keep the necktie, or otherwise dispose of it as you see fit.

Thank you for bringing this to our attention.

Sincerely,

Robert C. Howard
Chair
