[REDACTED]

Case No. 86028.A

Dear [REDACTED]

In November 1986, the Board of Ethics received a memo from [REDACTED] requesting that the Board establish a dollar threshold below which gifts need not be reported and inventoried. During our February Board meeting this issue was discussed, and the Board concluded that it would not be appropriate at this time to establish such a threshold. We are of the opinion that all gifts must be reported, but in light of future experience the Board might consider a guideline to distinguish between tokens and gifts of value.

Sincerely,

Robert C. Howard
